“Process Framework” means the framework dated September 2, 2005 and duly adopted by the Recipient, which sets out the mitigation measures to be taken under the Project with respect to involuntary restriction of access to resources under the Project, including the formulation of projects for substitute economic activities, as such framework may be revised from time to time with the agreement of the Bank.

2. A new Section 3.01 (e) is included in the Grant Agreement to read as follows:

“(i) Upon approval of a Community Subproject, the Recipient shall:

(A) make available, on a grant basis, part of the proceeds of the Grant allocated to Category (3) (the Community Grant) to the corresponding Beneficiary under a community subproject agreement (the Community Subproject Agreement) to be entered into between the Recipient and said Beneficiary under terms and conditions acceptable to the Bank, which shall include, inter alia, those set forth in Schedule 5 to this Agreement;

(ii) (A) The Recipient shall exercise its rights and carry out its obligations under each Community Subproject Agreement in such manner as to protect the interests of the Recipient and the Bank and to accomplish the purposes of the Grant; and

(B) except as the Bank shall otherwise agree, the Recipient shall not assign, amend, abrogate, repeal, terminate, waive or fail to enforce any Community Subproject Agreement or any provision thereof.”

3. A new Section 3.01 (f) is included in the Grant Agreement to read as follows:

“The Recipient shall ensure, and cause MARN, CNR and ISTA to ensure, that any Project activity, including any activity financed under the Community Subprojects, does not involve any Involuntary Physical Relocation of people.”

4. Section 3.03 (a) to the Grant Agreement is hereby amended to read as follows:

“ The Recipient, through MARN, shall issue an operational manual (the Operational Manual), satisfactory to the Bank, setting forth rules and procedures for the carrying out of the Project, such manual to include, inter alia:
