Re: Mali: Least Developed Country Fund (LDCF)
Grant Number TF016307
Natural Resources Management in a Changing Climate Project

Excellency:

In response to the request for financial assistance made on behalf of Republic of Mali ("Recipient"), I am pleased to inform you that the International Development Association ("World Bank"), acting as administrator of grant funds provided by various donors ("Donors") under the Least Developed Country Fund, proposes to extend to the Recipient a grant in an amount not to exceed one million eight hundred and fifty-one thousand eight hundred and fifty-one United States Dollars (U.S.$1,851,851) ("Grant") on the terms and conditions set forth or referred to in this letter agreement ("Agreement"), which includes the attached Annex, to assist in the financing of the project described in the Annex ("Project").

This Grant is funded out of the abovementioned LDCF trust fund for which the World Bank receives periodic contributions from the Donors. In accordance with Section 3.02 of the Standard Conditions (as defined in the Annex to this Agreement), the World Bank’s payment obligations in connection with this Agreement are limited to the amount of funds made available to it by the Donors under the abovementioned trust fund, and the Recipient’s right to withdraw the Grant proceeds is subject to the availability of such funds.

The Recipient represents, by confirming its agreement below, that it is authorized to enter into this Agreement and to carry out the Project in accordance with the terms and conditions set forth or referred to in this Agreement.
Please confirm the Recipient's agreement to the foregoing by having an authorized official of the Recipient sign and date the enclosed copy of this Agreement, and returning it to the World Bank. Upon receipt by the World Bank of this countersigned copy, this Agreement shall become effective as of the date specified by the World Bank in accordance with Section 5.03 of the Annex to this Agreement.

Very truly yours,

INTERNATIONAL DEVELOPMENT ASSOCIATION
acting as administrator of grant funds provided by various donors
under the Least Developed Country Fund

Article I
Standard Conditions; Definitions

1.01. **Standard Conditions.** The Standard Conditions for Grants Made by the World Bank out of Various Funds dated February 15, 2012 ("Standard Conditions") constitute an integral part of this Agreement.

1.02. **Definitions.** Unless the context requires otherwise, the capitalized terms used in this Agreement have the meanings ascribed to them in the Standard Conditions, in the Financing Agreement or in this Agreement.

Article II
Project Execution

2.01. **Project Objectives and Description.** The objective of the Project is to expand the adoption of sustainable land and water management practices in the Target Area within the Recipient’s territory.

The Project consists of the following parts:

Part A. **Knowledge Management, Governance and Communication**

1. Information System and Knowledge Management

Implementation of a program of activities to enhance the Recipient’s information and decision-making system’s capacity for adaptation to climate change through, notably:

(a) Strengthening the Recipient’s existing sustainable land and water management information system through, *inter alia*: (i) carrying out of an assessment of existing national initiatives on, and mechanisms for, information gathering and sharing in the Recipient’s environmental sector; (ii) provision of data management training to managers and partners within the SNGIE; (iii) provision of environmental data and metadata management hardware and software to relevant partners within the SNGIE; (iv) provision of institutional support to the SNGIE for collection and analysis of environmental data and metadata; and (v) carrying out of studies for the purpose of identifying sustainable financing mechanism for the SNGIE;

(b) Consolidation of climate risk management best practices and the dissemination of said best practices in Target Area;
(c) Carrying out of sensitization activities on the use of seasonal hydrological and meteorological forecasts by food crop producers, including, *inter alia*,
(i) timely dissemination of hydrological and meteorological data and preparedness information through local radio stations; (ii) provision of pluviometers to select vulnerable food crop producers in Target Area and training in the use thereof; and (iii) provision of training to local focal points, rural extension services providers and local journalists on the treatment and dissemination of meteorological forecasts;

(d) Strengthening the capacity of local food crop producers in the use of simple climate change adaptation technologies and practices, including the piloting of said technologies and practices on select farms; and

(e) Strengthening the capacity of national institutions and local stakeholders in the planning of sustainable land and water management and adaptation to climate change strategies, including, *inter alia*, Training of decision making personnel within the National Climate Fund on global environmental benefits and PES programs.

2. Local Governance of Natural Resources

Implementation of a program of activities to strengthen good governance of natural resources in the Target Area through, notably:

(a) Provision of support towards the participatory preparation and adoption of community resource use plans;

(b) Establishment, and where already existing and weak, strengthening of natural resource management institutions in Target Area;

(c) Design and establishment of resource-use conflict resolution mechanisms in Target Area with the cooperation of related traditional institutions and other local resource stakeholders including municipal authorities, private sector organizations, vulnerable natural resources-dependent groups;

(d) Review and revision of the development plans of communes in the Target Area for the purpose of integration of sustainable land and water management practices, biodiversity conservation, and adaptation to climate change practices into the said documents; and

(e) Strengthening of sector transparency and accountability through the translation into local languages and dissemination of the Recipient's relevant regulation governing land use, biodiversity conservation and natural resources management.
3. Communication for Resilience Enhancement

Implementation of a program of activities to raise awareness and educate communities on sustainable land and water management and climate change challenges and response through, notably:

(a) Carrying out of sensitization campaigns in communities on the risks and challenges of climate changes, including the specific impact on natural resources and livelihoods in rural areas; and

(b) Carrying out of awareness raising and education activities on the creation of discussion platforms among local stakeholders for appropriate sustainable land and water management practices and biodiversity conservation solutions in the Target Area.

Part B. Strengthening Sustainable Land Management Practices

1. Conservation and Valorization of Biodiversity

Implementation of a program of activities to contribute to the knowledge and management of the biodiversity wealth of the Target Area through, notably:

(a) Provision of support to community-based afforestation and reforestation initiatives in Target Area;

(b) Carrying out of studies on biodiversity in Target Area;

(c) Carrying out of activities to promote indigenous sustainable modes of production and consumption; and

(d) Carrying out of comprehensive studies on the ecotourism potential of the Target Area.

2. Forests and Rangelands Management

Implementation of a program of activities to develop sustainable forest management tools and skills for select forests and rangelands in the Target Area through, notably:

(a) Provision of support to National Directorate of Water and Forests towards the adoption of participatory management plans for select forest ecosystems in the Target Area and the dissemination of said adopted plans;

(b) Carrying out of activities to promote the use of improved agroforestry and other related sustainable land and water management technologies in lands adjacent to select forests referred to in Part B.2 of the Project;

(c) Provision of support to management of select rangelands in the Target Area;
(d) Strengthening capacity of local natural resource management committees in the integrated management of bushfires: and

(e) Carrying out of activities to promote household energy efficiency technologies and practices.

Part C. Diversification of Local Livelihoods

Piloting of a program of environmentally-sustainable income-generating Sub-projects in accordance with the IGA Implementation Manual, including, inter alia, outreach in the Target Area, and Training and capacity building for Beneficiaries under this Part C.

Part D. Monitoring and Evaluation; Project Management

1. Carrying out of specialized monitoring and evaluation activities for the Project, including, inter alia, establishment of a specialized monitoring and impact evaluation system and updating of a management effectiveness tracking tool for assessing the changes in management effectiveness within the Target Area.

2. Project coordination, management and monitoring, preparation of financial audits and periodic evaluations, and provision of goods, Training, Operating Costs and consultants’ services required therefor.

2.02. Project Execution Generally. The Recipient declares its commitment to the objectives of the Project. To this end, the Recipient shall carry out the Project through the Project Implementing Entity in accordance with the provisions of: (a) Article II of the Standard Conditions; (b) the “Guidelines on Preventing and Combating Fraud and Corruption in Projects Financed by IBRD Loans and IDA Credits and Grants”, dated October 15, 2006 and revised in January 2011 (“Anti-Corruption Guidelines”); and (c) this Article II.

2.03. Institutional and Other Arrangements. The provisions of Section I of Schedule 2 to the Financing Agreement (including defined terms therein, unless otherwise defined herein) shall apply to this Agreement, mutatis mutandis.

2.04. Project Monitoring, Reporting and Evaluation.

(a) The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 2.06 of the Standard Conditions and on the basis of indicators acceptable to the World Bank. Each Project Report shall cover the period of one calendar semester, and shall be furnished to the World Bank not later than one month after the end of the period covered by such report.

(b) The Recipient shall prepare the Completion Report in accordance with the provisions of Section 2.06 of the Standard Conditions. The Completion Report shall be furnished to the World Bank not later than six months after the
Closing Date. In order to assist the Recipient in preparing the Completion Report, the Recipient shall employ consultants whose qualifications, experience and terms of reference are acceptable to the World Bank.

2.05. Financial Management.

(a) The Recipient shall ensure that a financial management system is maintained in accordance with the provisions of Section 2.07 of the Standard Conditions.

(b) The Recipient shall ensure that interim unaudited financial reports for the Project are prepared and furnished to the World Bank as part of the Project Report not later than forty-five (45) days after the end of each calendar quarter, covering the quarter, in form and substance satisfactory to the World Bank.

(c) The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 2.07 (b) of the Standard Conditions. Each such audit of the Financial Statements shall cover the period of one fiscal year of the Recipient. The audited Financial Statements for each such period shall be furnished to the World Bank not later than six months after the end of such period.

2.07. Procurement

(a) General. All goods, works, non-consulting services and consultants’ services required for the Project and to be financed out of the proceeds of the Grant shall be procured in accordance with the requirements set forth or referred to in:

(i) Section I of the “Guidelines: Procurement of Goods, Works and Non-consulting Services under IDA Credits and Grants by World Bank Borrowers” dated January 2011 (“Procurement Guidelines”), in the case of goods, works and non-consulting services;

(ii) Sections I and IV of the “Guidelines: Selection and Employment of Consultants under IDA Credits and Grants by World Bank Borrowers” dated January 2011 (“Consultant Guidelines”) in the case of consultants’ services; and

(iii) the provisions of this Section, as the same shall be elaborated in the procurement plan prepared and updated from time to time by the Recipient for the Project in accordance with paragraph 1.18 of the Procurement Guidelines and paragraph 1.25 of the Consultant Guidelines (“Procurement Plan”).

(b) Definitions. The capitalized terms used in the following paragraphs of this Section to describe particular procurement methods or methods of review by the World Bank of particular contracts, refer to the corresponding method described in Sections II and III of the Procurement Guidelines, or Sections II, III, IV and V of the Consultant Guidelines, as the case may be.
(c) Particular Methods of Procurement of Goods, Works and Non-consulting Services

(i) Except as otherwise provided in sub-paragraph (ii) below, goods, works and non-consulting services shall be procured under contracts awarded on the basis of International Competitive Bidding.

(ii) The following methods, other than International Competitive Bidding, may be used for procurement of goods, works and non-consulting services for those contracts which are specified in the Procurement Plan:

(A) National Competitive Bidding, subject to the following additional provisions:

1. Notwithstanding the non-application of the Recipient’s Procurement Code to small contracts, a competitive method shall be applied to small contracts;

2. In addition to advertisement made through a general procurement notice in the online version of the United Nations Development Business and on the World Bank’s external website, the invitation to bid shall be advertised in, at least, one national newspapers with wide circulation;

3. Eligible bidders, including foreign bidders, shall be allowed to participate;

4. No domestic preference shall be given to domestic bidders or bidders from WAEMU countries and to domestically manufactured goods;

5. The bidders shall be given adequate response time (at least four weeks) from the date of availability of the bidding documents to prepare and submit their bids;

6. The evaluation and award process of alternative bids shall be revised to be consistent with the Procurement Guidelines;

7. Standard bidding documents acceptable to the World Bank shall be used for any procurement process under National Competitive Bidding;

8. Each bidding document and contract financed from the proceeds of the Financing shall include provisions on matters pertaining to fraud and corruption as defined in paragraph 1.16(a) of the Procurement Guidelines;
9. In accordance with paragraph 1.16(e) of the Procurement Guidelines, each bidding document and contract financed out of the proceeds of the Financing shall provide that: (a) the bidders, suppliers, contractors and their subcontractors, agents, personnel, consultants, service providers, or suppliers shall permit the World Bank, at its request, to inspect all accounts, records and other documents relating to the submission of bids and contract performance, and to have said accounts and records audited by auditors appointed by the World Bank; and (b) the deliberate and material violation of such provision may amount to an obstructive practice as defined in paragraph 1.16(a)(v) of the Procurement Guidelines; and

10. The Association may recognize, at the request of the Recipient, the exclusion of otherwise eligible bidders, suppliers, contractors and subcontractors as a result of debarment under the Recipient’s procurement regulations, provided that such debarment is for offenses involving fraud, corruption or such similar misconduct and further provided that the World Bank shall have confirmed that the debarment procedure afforded due process and the debarment decision is final.

(B) Shopping;

(C) Direct Contracting; and

(D) Community Participation procedures which have been found acceptable to the World Bank and are outlined in the Project Implementation Manual.

(d) Particular Methods of Procurement of Consultants’ Services

(i) Except as otherwise provided in item (ii) below, consultants’ services shall be procured under contracts awarded on the basis of Quality- and Cost-based Selection.

(ii) The following methods, other than Quality- and Cost-based Selection, may be used for the procurement of consultants’ services for those assignments which are specified in the Procurement Plan: (A) Least Cost Selection; (B) Selection based on Consultants’ Qualifications; (C) Single-Source Selection; and (D) Individual Consultants.

(e) Review by the World Bank of Procurement Decisions. The Procurement Plan shall set forth those contracts which shall be subject to the World Bank’s Prior Review. All other contracts shall be subject to Post Review by the World Bank.
Article III
Withdrawal of Grant Proceeds

3.01. **Eligible Expenditures.** The Recipient may withdraw the proceeds of the Grant in accordance with the provisions of: (a) the Standard Conditions; (b) this Section; and (c) such additional instructions as the World Bank may specify by notice to the Recipient (including the “World Bank Disbursement Guidelines for Projects” dated May 2006, as revised from time to time by the World Bank and as made applicable to this Agreement pursuant to such instructions), to finance Eligible Expenditures as set forth in the following table. this Agreement, an event has occurred which would have entitled the World Bank to suspend the Recipient's right to make withdrawals from the Grant Account if this Agreement had been effective on the date such event occurred.

**Article V**

**Effectiveness; Termination**

5.01. This Agreement shall not become effective until evidence satisfactory to the World Bank has been furnished to the World Bank that the conditions specified below have been satisfied:

(a) The execution and delivery of this Agreement on behalf of the Recipient have been duly authorized or ratified by all necessary governmental action; and

(b) The Co-financing Agreements have been executed and delivered and all conditions precedent to their effectiveness or to the right of the Recipient to make withdrawals thereunder (other than the effectiveness of this Agreement) have been fulfilled.

5.02. As part of the evidence to be furnished pursuant to Section 5.01(a) of this Agreement, there shall be furnished to the World Bank an opinion or opinions satisfactory to the World Bank of counsel acceptable to the World Bank or, if the World Bank so requests, a certificate satisfactory to the World Bank of a competent official of the Recipient, showing on behalf of the Recipient, that this Agreement has been duly authorized or ratified, and executed and delivered on its behalf and is legally binding upon it in accordance with its terms;

5.03. Except as the Recipient and the World Bank shall otherwise agree, this Agreement shall enter into effect on the date upon which the World Bank dispatches to the Recipient notice of its acceptance of the evidence required pursuant to Section 5.01 of this Agreement ("Effective Date"). If, before the Effective Date, any event has occurred which would have entitled the World Bank to suspend the right of the Recipient to make withdrawals from the Grant Account if this Agreement had been effective, the World Bank may postpone the dispatch of the notice referred to in this Section until such event has ceased to exist.

5.04. Termination for Failure to Become Effective. This Agreement and all obligations of the parties under it shall terminate if it has not entered into effect by the date ninety (90) days after the date of this Agreement, unless the World Bank, after consideration of the reasons for the delay, establishes a later date for the purpose of this Section. The World Bank shall promptly notify the Recipient of such later date.
