ANNEX 2

Standard Provisions

This Annex shall be applicable to and form an integral part of all Administration Agreements among the Participating WBG Organizations and the respective Donors.

1. Administration of the Contributions

1.1 The Contributions shall be administered in the Trust Fund by the Bank on behalf of the Donors and used by the Participating WBG Organizations to implement or supervise, as the case may be, activities in accordance with the terms of this Administration Agreement. Each Participating WBG Organizations shall be responsible only for performing those functions specifically set forth in this Administration Agreement and shall not be subject to any other duties or responsibilities to the Donors, including, without limitation, any duties or obligations that might otherwise apply to a fiduciary or trustee under general principles of trust or fiduciary law. Nothing in this Administration Agreement shall be considered a waiver of any privileges or immunities of the Participating WBG Organizations under their respective Articles of Agreement or any applicable law, all of which are expressly reserved.

1.2 Each Donor’s Contribution (collectively, the “Contributions”) shall be administered or used in accordance with the Participating WBG Organizations’ applicable policies and procedures, as the same may be amended from time to time, including their procurement, financial management, disbursement and safeguard policies, their framework to prevent and combat fraud and corruption and their screening procedures to prevent the use of Participating WBG Organizations resources to finance terrorist activity, in line with the Participating WBG Organizations’ obligations to give effect to the relevant decisions of the Security Council taken under Chapter VII of the Charter of the United Nations. The Donors acknowledge that this provision does not create any obligations of the Participating WBG Organizations under the anti-terrorist financing and asset control laws, regulations, rules and executive orders of an individual member country that may apply to a Donor.

2. Management of the Contributions

2.1 The funds deposited in the Trust Fund shall be accounted for as a single trust fund by the Bank and shall be kept separate and apart from the funds of the Bank. The funds deposited in the Trust Fund may be commingled with other trust fund assets maintained by the Bank. The Bank, in its capacity as trustee, has legal title to the funds deposited in the Trust Fund.

2.2 The currency in which the funds in the Trust Fund shall be held is United States Dollars (the “Holding Currency”).

2.3 Donors agree to deposit their Contributions in the Contribution Currency stated in their respective Administration Agreements. In the case of deposits received in a Contribution Currency other than the Holding Currency, promptly upon the receipt of such amounts and the accompanying Deposit Instructions, the Bank shall convert such amounts into the Holding Currency at the exchange rate obtained by the Bank on the date of the conversion. Where deposits prove to be insufficient to complete activities as a result of exchange rate fluctuations, neither the Participating WBG Organizations nor the Donor shall bear any responsibility for providing any additional financing.
2.4 The funds deposited in the Trust Fund may be freely exchanged by the Participating WBG Organizations into other currencies as may facilitate their disbursement at the exchange rate obtained by the Participating WBG Organizations on the date of the conversion.

2.5 The Bank shall invest and reinvest the funds deposited in the Trust Fund pending their disbursement in accordance with the Bank’s applicable policies and procedures for the investment of trust funds administered by the Bank. The Bank shall credit all income from such investment to the Trust Fund to be used for the same purposes as the Contributions.

2.6 The Contributions shall fund activities undertaken by IFC that have a potential to generate fees from clients in the future. The client fees paid to IFC, to the extent they result from the activities funded by the Contributions, shall be set aside and used by IFC for the same purposes as the Contributions. Upon termination of the Administration Agreements, any unused portion of such client fees may then be used by IFC in accordance with its sole discretion.

3. Accounting and Financial Reporting

3.1 The Bank shall maintain separate records and ledger accounts in respect of the funds deposited in the Trust Fund and disbursements made therefrom.

3.2 The Bank shall furnish to the Donors current financial information relating to receipts, disbursements and fund balance in the Holding Currency with respect to the Contributions via the World Bank’s Trust Funds Donor Center secure website. Within six (6) months after all commitments and liabilities under the Trust Fund have been satisfied and the Trust Fund has been closed, the final financial information relating to receipts, disbursements and fund balance in the Holding Currency with respect to the Contributions shall be made available to the Donors via the World Bank’s Trust Funds Donor Center secure website.

3.3 The Bank shall provide to the Donors via the World Bank’s Trust Fund Donor Center secure website, within six (6) months following the end of each Bank fiscal year, an annual single audit report, comprising: (i) a management assertion together with an attestation from the Bank’s external auditors concerning the adequacy of internal control over cash-based financial reporting for all cash-based trust funds as a whole; and (ii) a combined financial statement for all cash-based trust funds together with the Bank’s external auditor’s opinion thereon. The cost of the single audit shall be borne by the Bank.

3.4 If a Donor wishes to request, on an exceptional basis, a financial statement audit by the Bank’s external auditors of the Trust Fund, the Donor and the Bank shall first consult as to whether such an external audit is necessary. The Bank and the Donor shall agree on the appropriate scope and terms of reference of such audit. Following agreement on the scope and terms of reference, the Bank shall arrange for such external audit. The costs of any such audit, including the internal costs of the Bank with respect to such audit, shall be borne by the requesting Donor.

3.5 The Bank shall make available to the Donors copies of all financial statements and auditors’ reports received by the Bank from Recipients pursuant to any Grant Agreements (as defined below) in accordance with the Bank’s applicable policies on access to information.

4. Progress Reporting

4.1 The Bank shall provide the Donors with semi-annual reports prepared by the relevant Participating WBG Organizations on the progress of activities implemented or supervised by such Participating WBG
Organization that are financed by the Contributions. Within six (6) months of the End Disbursement Date (as defined below), the Bank shall furnish to the Donors a final report prepared by the relevant Participating WBG Organizations on the activities financed by the Trust Fund.

4.2 Any Donor may review or evaluate activities financed by the Trust Fund at any time up to six (6) months following the End Disbursement Date. The Donor and the relevant Participating WBG Organizations shall agree on the scope and conduct of such review or evaluation, and the relevant Participating WBG Organizations shall provide all relevant information within the limits of the Participating WBG Organizations’ applicable policies and procedures. All associated costs, including any costs incurred by the relevant Participating WBG Organizations, shall be borne by the Donor. It is understood that any such review or evaluation will not constitute a financial, compliance or other audit of the Trust Fund.

5. **Disbursement; Cancellation; Refund**

5.1 It is expected that the funds deposited in the Trust Fund will be fully disbursed by the Bank by July 31, 2021 (the “End Disbursement Date”). The Bank shall only disburse funds deposited in the Trust Fund for the purposes of this Administration Agreement (other than returns to Donors) after such date to the extent such date is changed in accordance with amendments made to the Administration Agreements of all the Donors. Following the End Disbursement Date, the Bank shall return any remaining balance of the Trust Fund to each Donor in the Holding Currency in the manner specified in its respective Administration Agreement on a pro rata basis with regard to the total funds deposited in the Trust Fund by such Donor relative to the total funds deposited in the Trust Fund by all Donors, all calculated as Holding Currency amounts.

5.2 Any Donor may cancel all or part of such Donor’s pro rata share, and the Bank may cancel all or any Donors’ pro rata shares, upon three (3) months’ prior written notice, of any Contributions (paid and not yet paid) that are not committed pursuant to any agreements entered into between the Participating WBG Organizations and any consultants and/or other third parties for the purposes of this Administration Agreement, including any Grant Agreements, prior to the receipt of such notice. In the event of a cancellation, the Bank shall return to the Donor its pro-rata share in the Holding Currency as specified in the Administration Agreement, unless otherwise agreed between the Bank and the Donor.

6. **Disclosure; Dispute Resolution**

6.1 The Bank shall disclose the Administration Agreements and related information on this Trust Fund in accordance with the Bank’s Policy on Access to Information. By entering into Administration Agreements, the Donors consent to such disclosure of their respective Administration Agreements and such related information.

6.2 (a) Each Donor acknowledges that IFC’s Access to Information Policy (the “AIP”) will apply with respect to disclosure of all documentation, data and other information that IFC receives from any Donor relating to this Administration Agreement and the Trust Fund or from third parties in connection with performing the activities financed by the Trust Fund. Examples of such information include, with respect to IFC’s advisory services activities, good practices or lessons learned reports that aim to enhance the development impact of IFC’s initiatives, and limited project-specific information, such as brief project descriptions, expected development impacts and actual results. Pursuant to the AIP, IFC does not disclose to the public financial, business, proprietary or other non-public information provided to IFC by its clients or third parties without the consent of such clients or third parties.
(b) By entering into this Administration Agreement, each Donor consents, as permitted under the AIP, to disclosure by IFC of this Administration Agreement and related information on the Trust Fund.

(c) With respect to any client or third party information that IFC, either directly or through the Bank, communicates to the Donors, or any one of them, in accordance with IFC’s reporting obligations under this Administration Agreement, each Donor hereby agrees to keep confidential any information identified in writing by IFC as confidential in accordance with the principles of the AIP. Each Donor will also ensure that any access to such confidential information granted to its officers, directors, employees, attorneys, independent auditors, rating agencies, contractors, and consultants will be only on a need-to-know basis and provided that such persons are subject to a similar or equivalent confidentiality obligation. Each Donor and IFC agree that should the Donor wish to publicly disclose any information shared by IFC, either directly or through the Bank, with such Donor under this Administration Agreement, such Donor shall first ask IFC whether all or part of such relevant information is disclosable under the AIP and then disclose only such information as IFC confirms may be disclosed under the AIP.

6.3 The Donors and the Participating WBG Organizations shall use their best efforts to amicably settle any dispute, controversy, or claim arising out of or relating to the Administration Agreements.

7. Grants to Recipients

7.1 The Bank may, pursuant to the provisions of this Administration Agreement, enter into one or more grant agreements (the “Grant Agreements”) with recipients (the “Recipients”) consistent with the purposes of this Administration Agreement and on the terms and conditions set forth in the Grant Agreements. Grant Agreements may be entered into up to the maximum amount of the Contributions that all Donors have agreed to make available under the Administration Agreements between the Bank and the Donors.

7.2 The Bank shall be responsible for the supervision of the activities financed under any Grant Agreements. Subject to the consent of any relevant Recipients, representatives of the Donors may be invited by the Bank to participate in that Participating WBG Organization’s supervision missions related to the Trust Fund.

7.3 The Bank shall promptly inform the Donors of any significant modification to the terms of any Grant Agreements and of any contractual remedies that are exercised by the Bank under any such Grant Agreements. To the extent practicable, the Bank shall afford the Donors the opportunity to exchange views before effecting any such modification or exercising any such remedy.

8. Trust Fund Fee

The Bank shall calculate a fee each time funds (the “Grant Amount”) from the Trust Fund become committed under a Grant Agreement. Such commitment shall occur when such Grant Agreement is fully countersigned (the “Calculation Date”). The fee so calculated by the Bank shall be based on the cumulative total of funds from the Trust Fund committed under all Grant Agreements that have been fully countersigned on or prior to the Calculation Date (the “Cumulative Grant Total”). The calculated fee shall depend on where the Cumulative Grant Total stands as the Grant Amount is added and shall be determined in accordance with the following schedule:

(i) 5% of any portion of the Grant Amount that results in a Cumulative Grant Total below or equal to US$50 million or equivalent; plus
(ii) 4% of any portion of the Grant Amount that results in a Cumulative Grant Total above US$50 million or equivalent and below or equal to US$500 million or equivalent; plus

(iii) 3% of any portion of the Grant Amount that results in a Cumulative Grant Total above US$500 million or equivalent and below or equal to US$1 billion or equivalent; plus

(iv) 2% of any portion of the Grant Amount that results in a Cumulative Grant Total above US$1 billion or equivalent.

Following each Calculation Date, the Bank shall deduct from the trust fund account, TF No.TF072561, and retain for its own account, the fee as set forth above. Grant Amounts may not exceed the balance of uncommitted funds in such account net of the related fee.
