Dear Mr. Subedi:

Re: IDA Financing No. Credit No. 5250-NP/Grant No. H846-NP

Additional Instructions: Disbursement

I refer to the Financing Agreement ("Agreement") between Nepal (the "Recipient") and the International Development Association (the "Association"), for the above-referenced Financing, dated July 8, 2013. The Financing Agreement provides that the Association may issue additional instructions regarding the withdrawal of the proceeds under IDA Financing No.5250-NP/H846-NP. This letter ("Disbursement Letter"), as revised from time to time, constitutes the additional instructions.

The attached World Bank Disbursement Guidelines for Projects, dated May 1, 2006 ("Disbursement Guidelines") (Attachment 1), are an integral part of the Disbursement Letter. The manner in which the provisions in the Disbursement Guidelines apply to the Financing is specified below. The Association may permit the Recipient to electronically deliver to the Association Applications (with supporting documents) through the Association’s Client Connection, web-based portal. The option to deliver Applications to the Association by electronic means may be effected if: (a) the Recipient has designated in writing, pursuant to the terms of subparagraph (i) of this Section, its officials who are authorized to sign and deliver Applications and to receive secure identification credentials ("SIDC") from the Association for the purpose of delivering such Applications by electronic means; and (b) all such officials designated by the Recipient have registered as users of Client Connection. If the Association agrees, the Association will provide the Recipient with SIDC for the designated officials. Following which, the designated officials may deliver Applications electronically by completing Form 2380, which is accessible through Client Connection (https://clientconnection.worldbank.org). The Recipient may continue to exercise the option of preparing and delivering Applications in paper form. The Association reserves the right and may, in its sole discretion, temporarily or permanently disallow the electronic delivery of Applications by the Recipient.

(iv) Terms and Conditions of Use of SIDC to Process Applications. By designating officials to use SIDC and by choosing to deliver the Applications electronically, the Recipient confirms through the authorized signatory letter its agreement to: (a) abide by the Terms and Conditions of Use of Secure Identification Credentials in connection with Use of Electronic Means to Process Applications and Supporting Documentation ("Terms and Conditions of Use of Secure Identification Credentials") provided in Attachment [3]; and (b) to cause such official to abide by those terms and conditions.

- **Type of Designated Account (subsection 5.3)**: One Pooled Account, in which the funds from IDA and other DPs may be deposited

- **Currency of Designated Account (subsection 5.4)**: U.S. dollars.

- **Financial Institution at which the Designated Account will be opened (subsection 5.5)**: Nepal Rastra Bank.

- **Ceiling (subsection 6.1)**: variable, based on the financial forecast for next two trimesters

III. Reporting on Use of Financing Proceeds

(i) **Supporting Documentation (section 4)**. Supporting documentation should be provided with each Application for Withdrawal as set out below:

- **For requests for reimbursement and for reporting eligible expenditures paid from the Designated Account**:
  - Project Financial Monitoring Reports (FMR) (Attachment 4)

(ii) **Frequency of Reporting Eligible Expenditures Paid from the Designated Account (subsection 6.3)**: Trimester.

IV. Other Disbursement Instructions

Specific disbursement steps:

**Step 1**: The Financing Agreement has clearly stipulated (which is also spelled out in the JFA) the need to agree the share of financing by IDA (and same by other pooled DPs) every fiscal year. Pro-rata letter that we issue hence is the core document which states the percentage share of financing by all pooled partners. This is a minimum requirement to enable disbursements through reports.

**Step 2**: Around March/April every year, the DPs discuss with the government on the Annual Work Plan and Budget (AWPB) in the Joint Review Meeting. The Ministry of Education prepares a draft AWPB for next fiscal year, which is discussed during the review meeting. The total program package and outlay of financial resources is agreed during the meeting. DPs based on this program, once agreed with the program and expected results, pledge the indicative commitment for the coming fiscal year which is stated in the Aide Memoire that will be issued after the Review Meeting.

**Step 3**: Of the total IDA commitment for the project period, US$ 75 million will be based on existing procedures (baseline commitment), and the remaining US$25 million will be based on the achievements in as set of performance indicators referred to as the Incentive Linked Indicators (ILIs). Hence, each fiscal year, the
commitment made by IDA consists of—(i) baseline commitment, which will be drawn from the $75 million, and (ii) an additional commitment linked to the performance in the ILIs, and drawn from the $25 million.

**Step 4:** Based on the commitment pledged by all pooled DPs, the pro-rate shares on the budget is determined, which later is reflected and confirmed by a letter signed by the Bank Task Leader. The government requests equivalent of two trimester cash needs for the coming fiscal year as the advance using these pro-rata shares. This is reflected in the Financial Monitoring Report where the cash requirement is determined after balancing the total cash available in the Foreign Currency Account against total expenditures (which is applied for documentation) and adding cash requirement for next two trimesters. With the approval of each FMR, there will be certain amount that is documented as “actual expenditures”, and certain amount that is requested as “Advance to the FCA” to manage the program for next two trimesters. So, the liquidity position for the sector is very strong with this arrangement.

**Step 5:** Disbursement happens based on approved FMR which will trigger certain amount for documentation of actual expenditures, and certain amount as cash requirement based on cash forecast for two trimesters.

SIDC can be either: (a) hardware-based (Physical Token), or (b) software-based (Soft Token). The Bank reserves the right to determine which type of SIDC is most appropriate.

A. Identification of Users.

1. The Borrower will be required to identify in a completed Authorized Signatory Letter (ASL) duly delivered to and received by the Bank each person who will be authorized to deliver Applications. The Bank will provide SIDC to each person identified in the ASL (Signatory), as provided below. The Borrower shall also immediately notify the Bank if a Signatory is no longer authorized by the Borrower to act as a Signatory.

2. Each Signatory must register as a user on the Bank’s Client Connection (CC) website (https://clientconnection.worldbank.org) prior to receipt of his/her SIDC. Registration on CC will require that the Signatory establish a CC password (CC Password). Upon registration as a CC user, the Signatory will be assigned a unique identifying account name.

B. Initialization of SIDC.

1. Prior to initialization of SIDC by a Signatory, the Signatory will acknowledge having read, understood and agreed to be bound by these Terms and Conditions of Use.

connection with the use of his/her Physical Token, after which the Physical Token will be initialized for use by the Signatory exclusively for purposes of delivering Applications. Where a Soft Token is to be used, the Signatory will access CC using his/her account name and CC Password and set a personal identification number (PIN) to be used in connection with the use of his/her Soft Token, after which the Soft Token will be initialized for use by the Signatory exclusively for purposes of delivering Applications. Upon initialization of the SIDC, the Signatory will be a “SIDC User”. The Bank will maintain in its database a user account (Account) for each SIDC User for purposes of managing the SIDC of the SIDC User. Neither the Borrower nor the SIDC User will have any access to the Account.

3. Prior to first use of the SIDC by the SIDC User, the Borrower shall ensure that the SIDC User has received training materials provided by the Bank in use of the SIDC.

C. Use of SIDC.

4.2. The SIDC User shall not allow anyone else to utilize his/her SIDC to deliver an Application to the Bank.

4.3. The SIDC User shall always logout from CC when not using the system. Failure to logout properly can create a route into the system that is unprotected.

4.4. If the SIDC User believes a third party has learned his/her PIN or has lost his/her Physical Token he/she shall immediately notify clientconnection@worldbank.org.

4.5. The Borrower shall immediately notify the Bank at clientconnection@worldbank.org of any lost, stolen or compromised SIDC, and take other reasonable steps to ensure such SIDC are disabled immediately.

6. **Care of Physical Tokens**

6.1. Physical Tokens will remain the property of the Bank.

6.2. The Bank will physically deliver a Physical Token to each Signatory designated to receive one in a manner to be determined by and satisfactory to the Bank.

6.3. Physical Tokens contain delicate and sophisticated instrumentation and therefore should be handled with due care, and should not be immersed in liquids, exposed to extreme temperatures, crushed or bent. Also, Physical Tokens should be kept more than five (5) cm from devices that generate electromagnetic radiation (EMR), such as mobile phones, phone-enabled PDAs, smart phones and other similar devices. Physical Tokens should be carried and stored separate from any EMR device. At close range (less than 5 cm), these devices can output high levels of EMR that can interfere with the proper operation of electronic equipment, including the Physical Token.
