Re: Republic of Haiti: GAFSP Grant Number TF011396  
Relaunching Agriculture: Strengthening Agriculture Public Services II Project  
Amendment to the Grant Agreement

Excellency:

We refer to the Grant Agreement between the Republic of Haiti (Recipient) and the International Development Association acting as Supervising Entity of the GAFSP (World Bank) dated January 11, 2012 with regard to the above-captioned Project (the Grant Agreement). We also refer to your request dated April 8, 2015, requesting the World Bank to amend the Grant Agreement.

We are pleased to inform you that the World Bank has, after due consideration, acceded to your request. Accordingly, the Grant Agreement is hereby amended as follows:

1. Schedule I to the Grant Agreement is amended to read as set forth in Attachment 1 to this Amendment Letter.

2. Section I of Schedule 2 to the Grant Agreement is amended to read as set forth in Attachment 2 to this Amendment Letter.

3. Section III.A.1 (a) of Schedule 2 is amended to read as follows:

4. Section III.B.2 of Schedule 2 is amended to read as follows:

"2. **Other Methods of Procurement of Goods, Works and Non-consulting Services.** The following methods other than International Competitive Bidding may be used for procurement of goods for those contracts which are specified in the Procurement Plan: (a) National Competitive Bidding; (b) Shopping; (c) Direct Contracting; and (d) Procedures set forth in paragraph 3.13 of the Procurement Guidelines for goods, works and Non-consulting services."

5. Section III.C.2 of Schedule 2 is amended to read as follows:

"2. **Other Methods of Procurement of Consultants’ Services.** The following methods, other than Quality- and Cost-based Selection, may be used for procurement of consultants’ services for those assignments which are specified in the Procurement Plan: (a) Quality-based Selection; (b) Selection under a Fixed Budget; (c) Least Cost Selection; (d) Selection based on Consultants’ Qualifications; (e) Single-source Selection of consulting firms; (f) Selection of UN Agencies; (g) Selection of Individual Consultants; and (h) Single-source procedures for the Selection of Individual Consultants."

6. The table in Section IV.A.2 of Schedule 2 is amended to read as set forth in Attachment 3 to this Amendment Letter.

7. The Appendix to the Grant Agreement is amended to read as set forth in Attachment 4 to this Amendment Letter.

8. Please be advised that the World Bank has established June 30, 2018 as the later date for purposes of Section IV.B.2 of Schedule 2 to the Grant Agreement.

9. Except as specifically amended in this Amendment Letter, all other terms and conditions of the Grant Agreement shall remain in full force and effect.

Please confirm your agreement to the foregoing by countersigning both copies of this Amendment Letter and returning one of the countersigned copies to us. This Amendment Letter will become effective upon receipt of: (i) the countersigned original of this Amendment Letter; (ii) the countersigned original of the Amendment Letter for the RESEPAG II Financing Agreement; and (iii) the revised Operations Manual, satisfactory to the World Bank.
Please also note that the restructuring paper approved on July 2, 2015 will be disclosed on the World Bank’s external website as per the World Bank’s policy on access to information.

Sincerely,

INTERNATIONAL DEVELOPMENT ASSOCIATION

The objectives of the Project are to: (a) reinforce the capacity of the Ministry of Agriculture, Natural Resources and Rural Development to provide or facilitate access to services in the agricultural sector; (b) increase market access to small producers and food security in Selected Areas; and (c) provide financial assistance in the case of an Agriculture Sector Emergency.

The Project consists of the following parts:

Part 1: Agricultural Support Services

Provision of consultants’ services, non-consulting services, goods, training/workshops, operational costs and carrying out works to strengthen MARNDR’s capacity to provide and/or facilitate access to agricultural and extension services through, inter alia:

1.1. (a) the design, renovation, construction and initial equipment for an agricultural middle school; (b) the strengthening of the Agricultural Extension Steering Committee; (c) the preparation and dissemination of an executive summary of the national extension strategy; and (d) the preparation and dissemination of agricultural innovations and good practices based on a diagnostic conducted in the Recipient’s territory.

1.2. the financing of: (a) the collecting, analysis and dissemination of sectoral information, including producer and/or consumer prices in Selected Areas of the Recipient’s territory; (b) the broadcasting of market prices for food products through SMS and community radios and the display of prices in inter alia urban and rural markets, the Directions Départementales Agricoles and the Bureau Agricoles Communaux.

1.3. the improvement of sanitary and phyto-sanitary services (SPS) to increase the production of quality food, public health, environmental protection and competitiveness of the agriculture sector through:

(a) the design, rehabilitation and/or construction of infrastructure including: (i) the construction and initial equipment of the central administrative building for consolidated SPS and four decentralized technical administrative centers; and (ii) the strengthening of quarantine infrastructure and services through the construction, initial equipment and supplies of three new centers and the rehabilitation of two supplementary centers to ensure sanitary control of animal and vegetal products for imports and exports;

(b) the provision of support to MARNDR for the development of new regulations and the revision and distribution of SPS standards;

(c) the strengthening of the laboratory system and quality control of food through: (i) the equipment and provision of basic equipment and supplies for decentralized laboratories; (ii) new infrastructure; and (iii) the training of laboratory technicians;
(d) the strengthening of the animal health through the financing of inter alia: (i) the design and delivery of training to private veterinary professionals and/or volunteers in charge of epidemiological surveillance; (ii) vaccination and epidemiological surveillance; (iii) vaccination campaigns and the carrying out of prevalence studies before and after said campaigns to measure their impact; (iv) the identification of livestock for the strengthening of a national livestock identification system; and (v) the design of a database related to the tagging of cattle and the training of agents in charge of tagging animals and providing controls at slaughterhouses; and

(e) the strengthening of the plant health through the financing of inter alia: (i) programs to support the control and the fight against the mango fruit fly and the cochineal; and (ii) the construction of several greenhouses to test biological tools to fight diseases.

Part 2: Direct Support to Producers and Associations

Providing agricultural support and extension services to producers and association and facilitating their access to such services through:

2.1. the design and implementation of a scheme for improved agriculture services in Selected Areas of the Recipient’s territory including: (a) the scaling up of an electronic farmer registry and service provider registry covering the Selected Areas; (b) the carrying out of a Farmer Subsidy Scheme for Eligible Farmers in the farmer registry who adopt improved, environmentally sound, climate smart input and/or higher-income generating agriculture technologies for the production of selected crops; (c) the setting-up of farmer-field-schools for producers to improve production techniques; and (d) the building of relevant capacity of the Recipient’s support service structures, private service providers, extension agents, and MARNDR staff for an optimal implementation of the Farmer Subsidy Scheme, all through the provision of technical assistance, training, the acquisition of goods, services, Operational Costs and the carrying out of works.

2.2. (a) the establishment and carrying out of a Market Support Facility to provide matching-grants to producer Organizations to: (i) conduct applied research on agricultural supply chains with export potential, food security potential or environmental/nutritional impact; (ii) strengthen producer-based Organizations, their administration, management, leadership or capacity of groups to increase sales and profits; (iii) provide technical assistance and investment support to Organizations for production, post-harvest and agribusiness development, focused on improving productivity, quality, value added, and/or reducing production and post-harvest losses; and (iv) provide support to Service Providers in the agriculture sector to have access to better technology and inputs; and (b) the strengthening of the Tables de Concertations and the MARNDR’s institutional capacity through, inter alia, the provision of technical assistance, the carrying out of training (including studies, workshops and exchange visits) and the acquisition of equipment.

Part 3: Emergency Response Contingent Reserve

3.1. Provision of support upon occurrence of an Agriculture Sector Emergency.
Part 4: Institutional Strengthening, Monitoring and Evaluation Project Management and Studies

4.1. Provision of consultant’s services, non-consulting services, goods, training/workshops, operational costs and carrying out of works for: (a) the day-to-day management and coordination of the Project, compliance with safeguard, gender and nutrition, monitoring and evaluation; and (b) the strengthening of MARND’r’s units such as: (i) the planning and evaluation unit; (ii) the information technology department; (iii) the newly created unified procurement unit for all donor-funded projects; and (iv) the unified financial management unit currently being planned for all donor-funded projects."
"Section I. Institutional and Other Arrangements

A. Institutional Arrangements

1. The Recipient, through MARNDR, shall maintain at all times during Project implementation, a Coordination Unit with a structure, functions and responsibilities acceptable to the World Bank and reflected in the Operational Manual. The Recipient, through MARNDR, shall ensure that the Coordination Unit is, at all times during Project implementation, led by a Project coordinator and assisted by adequate professional, technical and administrative staff (including procurement, financial management and environmental specialists), all operating under terms of reference satisfactory to the World Bank. The Coordination Unit shall, inter alia, be responsible for facilitating coordination during Project implementation.

2. The Recipient, through MARNDR, shall, not later than February 28 of each year of Project implementation: (a) submit to the World Bank, annual Project work plans and budgets for its prior review and approval for Parts 1, 2 and 4 of the Project; and (b) carry out each plan in a manner consistent with the terms of this Agreement.

3. The Recipient, through MARNDR, shall ensure that: (a) reviews with respect to the progress in the implementation of the Project and the periodicity therefor as described in the Operational Manual, including the Farmer Subsidy Scheme and the Market Support Facility, are carried out jointly with the World Bank; and (b) the implementation of the Project is subsequently carried out, taking into account the views and recommendations of the World Bank in that respect, if any.

B. Operational Manual

1. The Recipient, through MARNDR, shall carry out the Project in accordance with an operational manual, satisfactory in form and substance to the World Bank, which consists of different schedules setting forth, respectively, rules, methods, guidelines, specific development plans, standard documents and procedures for the carrying out of the Project, including the following:

(a) the detailed description of all Project activities considered under this Agreement, their sequencing and the prospective timetable and benchmarks in relation thereto;

(b) the Project administrative, financial, accounting, auditing, procurement and disbursement procedures, including all relevant standard documents;

(c) (i) the eligibility criteria for Eligible Farmers to participate in the Farmer Subsidy Scheme; and (ii) the conditions and procedures for receiving Farmer Subsidy Scheme Payments;

(d) (i) the eligibility criteria for Organizations to participate in the Market Support Facility; and (ii) the conditions and procedures for receiving Sub-grants under the Market Support Facility;
(e) the model form of the Sub-grant Agreement;

(f) the Negative List;

(g) the ESMF; and

(h) the monitoring indicators for the Project.

2. The Recipient shall: (a) maintain the OM throughout Project implementation; (b) take all measures necessary to ensure that the Project is carried out in conformity with the OM; and (c) only amend the OM, from time to time, with the World Bank’s prior consent.

3. In case of a conflict between any provision of the OM and those under this Agreement, the provisions of this Agreement shall prevail.

C. Farmer Subsidy Scheme

Before carrying out the Farmer Subsidy Scheme under Part 2.1 of the Project, the Recipient, through MARNDNR, shall:

1. Select and appoint in accordance with the provisions of Section III.C of Schedule 2 to this Agreement and pursuant to terms of reference previously agreed with the World Bank, one or several Operators with whom a Service Agreement shall be entered into, satisfactory to the World Bank, with respect to the technical implementation and supervision of the Farmer Subsidy Scheme.

2. (a) Select and appoint, in accordance with the provisions of Section III.C of Schedule 2 to this Agreement and pursuant to terms of reference previously agreed with the World Bank, a Financial Agent acceptable to the World Bank, to administer all payments and financial transfers under the Farmer Subsidy Scheme; and (b) enter into a Financial Agency Agreement satisfactory to the World Bank, with the Financial Agent. The Financial Agency Agreement shall incorporate, *inter alia*, the provisions of the Anti-Corruption Guidelines applicable to recipients of Grant proceeds.

3. Cause the Financial Agent to make Farmer Subsidy Scheme Payments available to Eligible Suppliers of goods, works and services in accordance with detailed provisions, procedures, sequencing and timing in relation thereto, set forth in the Operational Manual, and including, *inter alia*, the following:

   (a) Farmer Subsidy Scheme Payments shall be released by the Financial Agent and made available to Eligible Suppliers upon evidence of delivery of eligible goods, works or services to Eligible Farmers after initial validation of their registration in a national farmer registry shall have been made by the Operators and the related information received by the World Bank, in respect of the Selected Areas, all as set forth in the Operational Manual; and

   (b) the validation of the adherence of Eligible Farmers against the relevant performance indicators set forth in the Operational Manual shall be made through the use of independent external technical audits carried out by auditors appointed by MARNDNR for that purpose, in accordance with the
provisions of Section III of Schedule 2 to this Agreement and pursuant to terms of reference satisfactory to the World Bank. Each audit shall cover the period of one fiscal year of the Recipient and shall be furnished to the World Bank not later than four months after the end of such period.

4. Exercise its rights and carry out its obligations under each Service Agreement and/or Financial Agency Agreement, as applicable, in such manner as to protect the interest of the Recipient and the World Bank and to accomplish the purposes of the Financing. Except as the World Bank shall otherwise agree, the Recipient shall not amend, assign, abrogate, suspend, terminate, waive or fail to enforce any Service Agreement or Financial Agency Agreement or any of their provisions.

5. In case of conflict among the provisions of the Service Agreement and Financial Agency Agreement and those under this Agreement, the provisions of this Agreement shall prevail.

D. Market Support Facility

1. The Recipient, through MARDNR, shall during Project implementation, operate and maintain a Market Support Facility under Part 2.2 of the Project with a structure, functions, responsibilities and staff acceptable to the World Bank.

2. The Recipient, through MARNDR, shall appoint one or several Operators based on terms of reference acceptable to the World Bank, to assist Organizations in the preparation of their proposals. The Recipient shall make Sub-grants to Organizations, in accordance with eligibility criteria and procedures satisfactory to the World Bank and specified in the Operational Manual, which shall include the following:

(a) a pre-screening by the Recipient, through MARNDR, of the eligibility of Organizations to submit proposals;

(b) the selection of Organizations submitting Sub-project proposals, based on procedures satisfactory to the World Bank, which shall include the following:

(i) each potential Organization shall provide evidence, acceptable to the World Bank, of its capacity to provide the required counterpart financing of the proposed Sub-project, as set forth in the Operational Manual;

(ii) all potential Organizations, other than individual farmers, shall be a legally established entity; and

(iii) each potential Organization, non-governmental organization shall have written authorization to represent the relevant farmers or farmers groups, as the case may be; and

(c) a review and approval by MSF of the relevant Sub-project proposal, on the basis of a detailed evaluation, pursuant to eligibility criteria and procedures acceptable to the World Bank, which shall include the following:
(i) unless otherwise agreed by the World Bank, the amount of the proposed Sub-grant shall be no more than the amount specified in the Operational Manual;

(ii) the Sub-grant shall only finance the purchase of equipment, works, goods, consultants' services, Non-consulting Services and/or Training;

(iii) no Sub-grants shall finance any activity included in the Negative List; and

(iv) the proposed Sub-project shall comply with the provisions of the ESMF.

3. Upon approval of a Sub-project proposal, the Recipient, through MARNDNR, shall make each Sub-grant available to the pertinent Organization, under a Sub-grant Agreement to be entered into between the Recipient, through MARNDNR, and said Organization, on terms and conditions satisfactory to the World Bank, which shall include the following:

(a) the Recipient, through MARNDNR, shall obtain rights adequate to protect its interests and those of the World Bank, including the right to:

(i) suspend or terminate the right of the Organization to use the proceeds of the Sub-grant, or to obtain a refund of all or any part of the amount of the Sub-grant then withdrawn, upon the Organization's failure to perform any of its obligations under the Sub-grant Agreement; and

(ii) require each Organization to: (A) carry out its Sub-project with due diligence and efficiency and in accordance with sound technical, economic, financial, managerial, environmental and social standards and practices satisfactory to the World Bank, including in accordance with the provisions of the ESMF and the Anti-Corruption Guidelines applicable to recipient of Grant proceeds other than the Recipient; (B) ensure that the Sub-project does not include any activities mentioned in the Negative List; (C) procure the goods, works, consultants' services and Non-consulting Services to be financed out of the Sub-grant in accordance with the provisions of Section III of Schedule 2 to this Agreement; (D) maintain policies and procedures adequate to enable it to monitor and evaluate, in accordance with indicators acceptable to the World Bank, the progress of the Sub-project and the achievement of its objectives; (E) (1) maintain a financial management system and prepare financial statements in accordance with consistently applied accounting standards acceptable to the World Bank, both in a manner adequate to reflect the operations, resources and expenditures related to the Sub-project; and (2) at the World Bank's or the Recipient's request, have such financial statements audited by independent auditors acceptable to the World Bank, in accordance with consistently applied auditing standards acceptable to the World Bank, and promptly furnish the statements as so audited to the Recipient and the World Bank; (F) enable the Recipient and the World Bank to inspect the Sub-project, its operation and any relevant records and documents; and (G) prepare and furnish to the Recipient and the World Bank all such information as the
Recipient or the World Bank shall reasonably request relating to the foregoing.

4. The Recipient, through MARNDER, shall exercise its rights and carry out its obligations under each Sub-grant Agreement in such manner as to protect the interests of the Recipient and the World Bank and to accomplish the objective of the Project. Except as the World Bank shall otherwise agree, the Recipient, through MARNDER, shall not assign, amend, abrogate, terminate, waive or fail to enforce any Sub-grant Agreement or any of its provisions.

E. Agriculture Sector Emergency Expenditures under Part 3 of the Project

1. In an event of an Agriculture Sector Emergency, the Recipient shall: (a) clearly establish a causal relationship between the relevant Agriculture Sector Emergency and the need to withdraw the proceeds of the Grant allocated to Category (2) of the table in Section IV; and (b) prepare and furnish to the World Bank a list of potential Emergency Recovery and Rehabilitation Subprojects, including a procurement plan and a proposed flow of funds, and the implementation arrangements, all acceptable to the World Bank.

2. The Recipient shall exchange views with the World Bank on the proposed Emergency Recovery and Rehabilitation Subprojects, and shall thereafter adopt, and carry out the activities under such list, as agreed with the World Bank.

3. Prior to implementing the Emergency Recovery and Rehabilitation Subprojects, the Recipient shall carry out all fiduciary, social and environmental assessments required by the World Bank (under terms of reference satisfactory to the World Bank and with scope and detail satisfactory to the World Bank) and prepare and implement all plans required by the World Bank (under terms of reference satisfactory to the World Bank and with scope and detail satisfactory to the World Bank).

4. Notwithstanding the Negative List, an investment activity shall only be included in the pertinent Emergency Recovery and Rehabilitation Subproject if:

   (a) it is initiated in response to an Agriculture Sector Emergency and the Recipient has not rescinded its declaration of an Agriculture Sector Emergency declaration;

   (b) it aims to provide emergency support to affected farmers and/or repair or rehabilitate agricultural infrastructure damaged by the event of an Agriculture Sector Emergency;

   (c) the World Bank has reviewed and approved the Emergency Recovery and Rehabilitation Subproject prior to such an Emergency Recovery and Rehabilitation Subproject's initiation if the Emergency Recovery and Rehabilitation Subproject: (i) is estimated to cost in excess of $750,000 equivalent; (ii) would affect or take place in a national or municipal protected area or buffer zone thereof that has no official management plan in place; (iii) is estimated to cost in excess of $300,000 equivalent and involves re-establishment or rehabilitation of infrastructure before it was damaged by the event of Agriculture Sector Emergency in question; or (iv) is estimated to cost in excess of $300,000 equivalent and involves repair, re-establishment or rehabilitation of infrastructure in such a way that the resulting infrastructure would have greater
production output capacity by ten percent or more and/or greater service capacity by ten percent or more than the original pre-damage infrastructure; and

(d) the requirements set forth in subparagraphs (a) to (c) of this paragraph have been met and contracts for the execution for the investment activity have been awarded and signed (and on-site work under such contracts has commenced) after forty-five (45) calendar days, but no more than one hundred and eighty (180) calendar days, have passed since the declaration of an Agriculture Sector Emergency referred to in subparagraph (a) of this paragraph.

5. On an exceptional basis, the 45 calendar day limit set forth in paragraph 4(d) of this Section, as well as the 180 calendar day limit set forth in said paragraph, may, before the relevant limit expires, be extended in writing by the World Bank for a particular commencement of any activity under Part 3 of the Project if the nature of the disaster is such as to justify, in the World Bank’s opinion, delays in the commencement of such work.

F. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

G. Safeguards

1. The Recipient, through MARNDIN, shall ensure that the Project is carried out in accordance with the ESMF and the Pest Management Plan, including the guidelines, rules and procedures defined in said ESMF or Pest Management Plan. To this end, if an environmental and social management plan or similar safeguard instrument would be required on the basis of the ESMF, the Recipient shall specifically take the following actions, in a manner acceptable to the World Bank:

(a) such environmental and social management plan or similar safeguard instrument shall be prepared in accordance with the requirements of the ESMF, disclosed locally and furnished to the World Bank for approval; and

(b) the pertinent Project activity shall be carried out in accordance with such environmental and social management plan or similar safeguard instrument as approved by the World Bank.

2. The Recipient shall include in the Project Reports referred to in Section II.A of this Schedule, adequate information on the implementation of the ESMF, the Pest Management Plan, any environmental management plan or similar safeguard instrument, giving details of:

(a) measures taken in furtherance of the ESMF, the Pest Management Plan or similar safeguard instrument;

(b) conditions, if any, which interfere or threaten to interfere with the smooth implementation of the ESMF, the Pest Management Plan, any environmental and social management plan or similar safeguard instrument; and
(c) remedial measures taken or required to be taken to address such conditions and to ensure the continued efficient and effective implementation of the ESMF, the Pest Management Plan, any environmental and social management plan or similar safeguard instrument.

3. The Recipient, through MARNDR, shall ensure that any works to be carried under the Project do not involve any Involuntary Resettlement."
