   c) **Bidding Documents:** Bidding documents acceptable to the Association shall be used, and shall be prepared so as to ensure economy, efficiency, transparency, and broad consistency with the provisions of Section I of the Procurement Guidelines.

   d) **Qualification:** Qualification criteria shall be clearly specified in the bidding documents. All criteria so specified, and only such specified criteria, shall be used to determine whether a bidder is qualified. The verification of the information upon which a bidder was prequalified, including current commitments, shall be carried out at the time of contract award, along with the bidder’s capability with respect to personnel and equipment.

In the procurement of goods where pre-qualification is not used, the qualification of the bidder who is recommended for award of contract shall be assessed by post qualification, applying the qualification criteria stated in the bidding documents.

obligations not specified in the bidding documents or otherwise to modify the bid as originally submitted. A bidder shall not be eliminated from detailed evaluation on the basis of minor, non-substantial deviations.

If justified by exceptional circumstances, an extension of bid validity may be requested in writing from all bidders before the original bid validity expiration date, provided that such extension shall cover only the minimum period required to complete the evaluation, award a contract, and/or complete the registration process; a corresponding extension of any bid guarantee also shall be required in such cases. A Bidder may refuse the request for extension of bid validity without forfeiting its bid guarantee. No further extensions shall be requested without the prior written concurrence of the Association.

j) **Guarantees:** Guarantees shall be in the format included in the bidding documents. The bid guarantee shall be valid for twenty-eight days (28) beyond the original validity period of the bid, or beyond any period of extension if requested. l) **Inspection and Audit Rights:** In accordance with the Procurement Guidelines, each bidding document and contract financed out of the proceeds of the Financing shall provide that bidders, suppliers and contractors, and their subcontractors, agents, personnel, consultants, service providers, or suppliers, shall permit the Association to inspect all accounts, records, and other documents relating to the submission of bids and contract performance, and to have them audited by auditors appointed by the Association. Acts intended to materially impede the exercise of the Association’s inspection and audit rights provided for in the Procurement Guidelines constitute an obstructive practice as defined in the Procurement Guidelines.

m) **Contract Modifications:** With respect to contracts subject to the Association’s prior review, the Borrower shall obtain the Association’s no objection before agreeing to: (a) a material extension of the stipulated time for performance of a contract; (b) any substantial modification of the scope of services or
other significant changes to the terms and conditions of the contract; (c) any variation order or amendment (except in cases of extreme urgency) which, singly or combined with all variation orders or amendments previously issued, increases the original contract amount by more than 15 percent; or (d) the proposed termination of the contract.
