Re: IDA Credit No. 5549-GH
Additional Financing for Transport Sector Project
Section 5.02 of the General Conditions:
Financial and Economic Data

Dear Sirs:

In connection with the Financing Agreement of this date between the Republic of
Ghana (the Member Country) and the International Development Association (the Association)
providing financing (the Financing) for the above-captioned Project, and the General Conditions
made applicable to the Financing Agreement, I am writing on behalf of the Member Country to
set forth the following:

1. We understand and agree that, for purposes of Section 9.02 of the General Conditions,
   the Member Country is required by the Association to report “long-term external debt” (as
   defined in the World Bank’s Debtor Reporting System Manual, dated January 2000 (DRSM)), in
   accordance with the DRSM, and in particular, to notify the Association of new “loan
   commitments” (as defined in the DRSM) not later than 30 days after the end of the quarter during
   which the debt is incurred, and to notify the Association of “transactions under loans” (as defined
   in the DRSM) once a year, not later than March 31 of the year following the year covered by the
   report; and

2. We represent that no defaults exist in respect of any external debt
   (as defined in the DRSM). It is our understanding that, in making the Financing, the Association
   may rely on the representations set forth or referred to in this letter.
3. Please confirm your agreement to the foregoing by having a duly authorized representative of the Association sign in the space provided below.

Very truly yours,
REPUBLIC OF GHANA
