SCHEDULE 1

Project Description

The objectives of the Project are to increase agricultural productivity and improve marketing of crops and animal products in targeted areas of the Recipient’s territory.

The Project consists of the Original Project modified as follows:

Part 1: Improve Agricultural and Animal Production

1.1 Improve agricultural production in targeted areas in the Recipient’s provinces of Sud Ubangi, Nord Ubangi and Mongala through the provision of support to: (a) the establishment of sustainable agriculture extension and agriculture advisory services, including dissemination of best practices for climate agriculture; (b) the introduction of perennial cash crops, such as cacao and coffee; (c) the scaling up and consolidation of the seed value chain system, including the refurbishment of the facilities of INERA, Agricultural Inspectorates, and SENASEM and the provision of support to ensure their operational functioning for the purpose of the implementation of the Project; and (d) Sub-projects on a cost-sharing basis.

1.2 Improve animal production in targeted areas in the Recipient’s provinces of Sud Ubangi, Nord Ubangi and Mongala through the provision of support to improve: (a) access to veterinary drugs; (b) access to veterinary services, including through the establishment and operationalization of a network of animal health community advisors at the local level, the rehabilitation and provision of equipment for a small veterinary laboratory to improve the capacity of the Veterinary Services to carry out basic animal health diagnostics and the provision of training and equipment for the decentralized veterinary services of the MOA; (c) access to breeds of animal livestock (small ruminants) and distribution of offspring on a rotational basis among selected farmer groups; and (d) Sub-projects on a cost-sharing basis.

1.3 Support to Linkana Valley

The provision of support to rehabilitate an irrigation system to improve horticulture, vegetable and rice production in the Recipient’s Linkana Valley (Pool Malebo).

Part 2: Improve Market Related Infrastructure

2.1 Rehabilitate and provide maintenance for selected feeder roads in the Recipient’s provinces of Sud Ubangi, Nord Ubangi and Mongala.

2.2 Rehabilitate, construct and provide maintenance for the facilities of local agricultural markets in the Recipient’s provinces of Sud Ubangi, Nord Ubangi and
Mongala, including through supporting youth and woman entrepreneurship to provide marketing and logistical services.

**Part 3: Strengthening of Capacity building and Project Management**

3.1 Strengthen capacity building of the MOA and the MRD at the central and local level, through provision of support to: (a) re-engineer of the national and agriculture extension and technology transfer system, including an accreditation system; (b) strengthen the planning, coordination, monitoring and evaluation capacity; (c) strengthen agricultural research and development; and (d) introduce landscape management planning at local and provincial levels.

3.2 Provide support to carry out Project management activities, including coordination, communication and monitoring and evaluation of the Project.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements

1. The Recipient shall maintain, throughout the implementation of the Project, a Project Steering Committee (PSC), including high-level representatives of the MOA and MRD, with terms of reference, composition and resources satisfactory to the Association, which shall be responsible for providing overall strategic guidance for the Project and validation of the annual work programs and budgets of the Project at the national level.

2. The Recipient shall maintain, throughout the implementation of the Project, a Provincial Coordination and Monitoring Committee (PCMC), with terms of reference, composition and resources satisfactory to the Association, which shall be responsible for providing overall monitoring and coordination activities for the Project at the provincial level.

3. The MOA shall be responsible for the: (a) overall coordination and facilitation of the implementation of the Project; (b) review of the draft annual work programs and budgets of the Project; (c) examination of the progress reports for the Project submitted by the NPCU and each PPIU; (d) resolution of any conflicts that may arise between the different structures involved in the implementation of the Project; (e) submission to the Recipient of consolidated Project implementation progress reports; and (f) follow-up on the orientations and recommendations of the Project Steering Committee.

4. The Recipient shall maintain the NPCU throughout the implementation of the Project, with terms of reference, composition and resources satisfactory to the Association, which shall be responsible for the: (a) day-to-day financial management of the overall Project, including audits and management of the Designated Accounts; (b) oversight of all technical, social, and environmental matters related to Project implementation at the centralized level; (c) monitoring and evaluation of Project activities at the centralized level; (d) implementation, on behalf of the Recipient, of the Delegated Management Contract; (e) carrying out of the procurement of goods, works and services of the Project at the centralized level; (f) managing any Training activity carried out at the centralized level; and (g) providing technical assistance to the PPIU for Project-related procurement, financial management and disbursements activities.

5. The Recipient shall maintain each of the three PPIUs throughout implementation of the Project, with terms of reference, composition and resources satisfactory to
the Association, each of which shall be responsible in its geographic area of
responsibility for the: (a) day-to-day financial management of the Project at the
local level; (b) oversight of all technical, social, and environmental matters relating
to Project implementation; (c) monitoring and evaluation of Project activities;
d (d) carrying out of the procurement of goods, works and services of the Project;
and (e) managing any training activity carried out at the local level.

B. **Delegated Management Contract**

1. To facilitate the carrying out of Part 2 of the Project, the Recipient shall engage
   the services of a Delegated Management Contractor in accordance with the
   provisions of Section III of this Schedule under a delegated management contract
   pursuant to which the Recipient shall delegate to the Delegated Management
   Contractor certain Project implementation responsibilities, including procurement
   on behalf of the Recipient of the goods, works and services required for Part 2 of
   the Project and financial management of Part 2 of the Project, in accordance with
   this Annex ("Delegated Management Contract").

2. The Recipient shall exercise its rights and carry out its obligations under the
   Delegated Management Contract in such manner as to protect the interests of the
   Recipient and the Association and to accomplish the purposes of the Project.
   Except as the Association shall otherwise agree in writing, the Recipient shall not
   assign, amend, abrogate or waive the Delegated Management Contract or any of
   its provisions.

C. **Annual Work Plans**

1. The Recipient shall prepare, under terms of reference acceptable to the
   Association, and furnish to the Association not later than November 30 each year
   throughout the implementation of the Project, a plan of activities proposed for
   inclusion in the Project for the following calendar year, together with a budget for
   such activities and a timetable for their implementation ("Annual Work Plan").

2. The Recipient shall exchange views with the Association on such proposed plan
   not later than December 15 each year throughout the implementation of the Project,
   and shall thereafter adopt, and carry out such plan for such following calendar year
   as shall have been approved by the Association and except as the Association shall
   otherwise agree, the Recipient shall not amend, abrogate, waive, or permit to be
   amended, abrogated, or waived, the aforementioned, or any provision thereof,
   without the prior written agreement of the Association.

3. Only each such Annual Work Plan of activities as shall have been approved by the
   Association shall be eligible for inclusion in the Project and financing out of the
   proceeds of the Financing.
D. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

E. Manuals

1. Except as the Association shall otherwise agree, the Recipient shall carry out the Project in accordance with the Project Implementation Manual (“PIM”), including the Project Financial Audit and Management Manual (“PFAMM”), and except as the Association shall otherwise agree, not amend, abrogate, waive, or permit to be amended, abrogated, or waived, the aforementioned, or any provision of either one thereof, without the prior written agreement of the Association.

2. In the event of any conflict between the provisions of the PIM and those of this Agreement, the provisions of this Agreement shall prevail.

F. Implementing Partner Approval Procedures and Eligibility Criteria

1. For the purposes of the implementation of Parts 1.1.(d) and 1.2.(d) of the Project, the NPCU shall select candidate Implementing Partners in accordance with the eligibility criteria set forth in the PIM, including: (a) that the candidate Implementing Partner has the legal capacity to contract under the laws of the Recipient; (b) that the candidate Implementing Partner has proven experience in comparable activities in the territory of the Recipient; and (c) that the candidate Implementing Partner has a plan for the distribution of the seeds and livestock breeders.

2. Once selected by the NPCU, each selected Implementing Partner shall submit work plans to the NPCU for appraisal and approval, according to the procedures and criteria laid out in the PIM (the IP Work Plans) including, inter alia: (a) that the activities proposed under the IP Work Plan are eligible for financing, and (b) that the IP Work Plan implementation period must not exceed the implementation period of the Project.

3. (a) Following receipt of an approved IP Work Plan, and prior to any financing of activities under said plan (always on a non-reimbursable grant basis), the NPCU shall enter into a Performance-based Partnership Contract (the PPC) with the selected Implementing Partner under terms and conditions satisfactory to the Association and defined in the PIM; which shall include, inter alia, the following:

   (i) (A) a description of the functions to be undertaken by such Implementing Partner; and (B) dated objectives to be attained and performance indicators;
the obligation of the Implementing Partner to (A) carry out the activities in accordance with the PIM, Environmental and Social Management Framework (ESMF), Pesticides Management Plan (PMP), Resettlement Policy Framework (RPF), Indigenous People Plan Framework (IPPF) and the provisions of the Anti-Corruption Guidelines applicable to recipients of loan proceeds other than the Recipient, with due diligence and efficiency and in accordance with sound technical, financial, accounting, administrative, environmental, social, public health and managerial standards, under the supervision of qualified and experienced staff in adequate numbers; and (B) to maintain adequate records to reflect, in accordance with sound accounting practices, the operations, resources and expenditures in respect of the IP Work Plan;

the right of the Recipient to inspect by itself, or jointly with the Association, if the Association shall so request, the goods, works, sites or plants included in the IP Work Plan, the operations thereof and any relevant records and documents;

the right of the Recipient to obtain all information as the Association shall reasonably request regarding the administration, operation, financial management and accounting of the activities under the IP Work Plan;

the obligation of the Implementing Partners to promptly inform the Recipient and the Association of any condition which interferes or threatens to interfere with the progress of the IP Work Plan;

the right to receive from the Implementing Partner quarterly (or any other period agreed upon by the Association) financial and operational progress reports reflecting, inter alia, the PPC’s performance indicators, and a final report upon completion of the IP Work Plan; and

the obligation of the Implementing Partners, when making Sub-grants to Beneficiaries to the extent allowed in the relevant IP Work Plan, to do so in compliance with the provisions of Section I.G of this Schedule.

The Recipient shall exercise its rights and carry out its obligations under a PPC in such manner as to protect the interests of the Recipient and the Association and to accomplish the purposes of the Project. Except as the
Association shall otherwise agree in writing, the Recipient shall not assign, amend, abrogate or waive a PPC or any of its provisions.

G. **Sub-projects**

1. For the purposes of Parts 1.1(d) and 1.2(d) of the Project, the Recipient shall make goods and services available on a Sub-grant basis to Beneficiaries, through the Implementing Partners, on the following terms and conditions:

   (a) to be eligible for a Sub-grant, the proposed Beneficiary shall be required to demonstrate that he/she meets the eligibility criteria and such additional criteria as are set forth in the PM, including the legal, organizational, managerial, environmental and financial capacity to carry out the Sub-project;

   (b) the Recipient shall make available, through the Implementing Partners, each Sub-grant under an agreement between the Implementing Partners and the Beneficiary on terms and conditions satisfactory to the Association (the “Sub-project Agreement”), which shall include the following:

   (i) the eligible expenditures related to a Sub-project that may be financed out of the proceeds of the associated Sub-grant;

   (ii) the Sub-grant shall be made on a non-reimbursable grant basis;

   (iii) the Recipient shall obtain rights adequate to protect its interests and those of the Association, including the right to

   (A) require each Beneficiary to:

   (1) carry out its Sub-project with due diligence and efficiency and in accordance with sound technical, economic, financial, accounting and environmental and social standards and practices satisfactory to the Association, the provisions of the Anti-Corruption Guidelines applicable to recipients of loan proceeds other than the Recipient and with the provisions of any assessment and plan that may be required pursuant to, the ESMF, PMP, RPF and IPPF and maintain adequate records thereof;

   (2) provide, promptly as needed, the resources required for the Sub-project as the case may be;
(3) enable the Recipient and the Association to inspect the Sub-project, its operation and any relevant records and documents;

(4) prepare and furnish to the Recipient and the Association all such information, as the Recipient or the Association shall reasonably request relating to the foregoing; and

(5) promptly inform the Recipient and the Association through the Implementing Partners of any condition which interferes or threatens to interfere with the progress of the Sub-project, or the performance by the Beneficiary of its obligations under the Sub-project Agreement; and

(B) suspend or terminate the right of the Beneficiary to use the proceeds of the Sub-grant upon the failure by such Sub-project Beneficiary to perform any of its obligations under the Sub-project Agreement.

2. The Recipient shall exercise its rights and carry out its obligations, through the Implementing Partners, under each Sub-project Agreement in such a manner as to protect the interests of the Recipient and the Association and to accomplish the purposes of the Financing, and, except as the Association shall otherwise agree in writing, the Recipient shall not (and shall not permit any Implementing Partner to) amend, abrogate or waive any of the Sub-project Agreements, or any provision thereof.

H. Safeguards

1. The Recipient shall take all action necessary:

   (a) (i) to comply with the ESMF and the PMP and to carry out the ESIA and the ESMP, if required by the ESMF, with due diligence and efficiency; (ii) to ensure that the relevant mitigation and monitoring provisions of the ESIA and the ESMP, as the case may be, are appropriately included in the works, goods and services contracts to be concluded under Parts 1 and 2 of the Project and that they are implemented in the carrying out of said Parts 1 and 2; and (iii) to maintain the Association suitably informed of the progress in the implementation of the ESIA and the ESMP, as the case may be; and
(b) (i) to comply with the RPF and the IPPF and to carry out the RAP and the IPP, if required under the RPF and IPPF, with due diligence and efficiency and at all times provide the funds necessary therefor; (ii) to adequately monitor and evaluate the carrying out of the activities provided in the RAP and in the IPP, as the case may be, in the carrying out of Parts A and B of the Project; and (iii) to maintain the Association suitably informed of the progress in the implementation of the RAP and the IPP, as the case may be. When preparation of a RAP or IPP is required pursuant to the RPF or IPPF, respectively, no activities shall be commenced until the respective RAP or IPP are prepared, disclosed and implemented in a manner consistent with the RPF or IPPF, respectively.

2. Without limitation to excluded expenditures set forth in the PIM, the following activities shall not be eligible to be carried out and to be funded under the Project:

(a) any activities that would lead to conversion or degradation of critical natural habitats or their supporting areas; and

(b) any activities that would lead to conversion or degradation of critical forest areas, related critical natural habitats, clearing of forests or forest ecosystems.

3. Without limitation to its other reporting obligations under this Agreement and under Section 2.06 of the Standard Conditions, the Recipient shall:

(a) include in the Project Reports referred to in Section II, Part A, paragraph 1 of this Schedule adequate information on the implementation of the ESMF, ESIA, RPF, RAP, IPPF, and IPP, giving details of:

(i) measures taken in furtherance of such safeguard instruments;

(ii) conditions, if any, which interfere or threaten to interfere with the smooth implementation of such safeguard instruments; and

(iii) remedial measures taken or required to be taken to address such conditions and to ensure the continued efficient and effective implementation of such safeguard instruments.

(b) afford the Association a reasonable opportunity to exchange views with the Recipient on such Project Reports.

4. The Recipient shall ensure that the Safeguards Action Plan is implemented, in a manner acceptable to the Association.

5. The Recipient shall maintain, and publicize the availability of, grievance redress mechanisms to hear and determine fairly and in good faith, all complaints raised
in relation to the implementation of the Project by Project affected persons, and take all measures necessary to implement the determinations made under such grievance redress mechanisms in a manner acceptable to the Association.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

1. The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of indicators acceptable to the Association. Each Project Report shall cover the period of one (1) calendar quarter, and shall be furnished to the Association not later than forty-five (45) days after the end of the period covered by such report.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Recipient shall prepare and furnish to the Association not later than forty-five (45) days after the end of each calendar quarter, interim unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09(b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one (1) fiscal year of the Recipient. The audited Financial Statements for each such period shall be furnished to the Association not later than six (6) months after the end of such period.

Section III. Procurement

A. General

1. Goods, Works and Non-Consulting Services. All goods, works and non-consulting services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.

2. Consultants’ Services. All consultants’ services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Section.
3. **Definitions.** The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular contracts, refer to the corresponding method described in the Procurement Guidelines, or Consultant Guidelines, as the case may be.

B. **Particular Methods of Procurement of Goods, Works and Non-Consulting Services**

1. **International Competitive Bidding.** Except as otherwise provided in paragraph 2 below, goods, works and non-consulting services shall be procured under contracts awarded on the basis of International Competitive Bidding.

2. **Other Methods of Procurement of Goods, Works and Non-Consulting Services.** The following table specifies the methods of procurement, other than International Competitive Bidding, which may be used for goods, works and non-consulting services. The Procurement Plan shall specify the circumstances under which such methods may be used:

<table>
<thead>

</tr>
<tr>
<td>(c) National Competitive Bidding (&quot;NCB&quot;), subject to the additional provisions referred to in subparagraph 3 below</td>
</tr>
<tr>
<td>(d) Procurement from United Nations Agencies</td>
</tr>
</tbody>
</table>

3. **Additional Provisions for National Competitive Bidding**

NCB may be used subject to using the open procedure ("appel d'offres ouvert") set forth in the Recipient's Public Procurement Law No. 10/010 dated April 27, 2010 (the "PPL"), and the Manual of Procedures of the PPL as per Recipient's Decree No. 10/22 dated June 2, 2010 (the "Manual of Procedures"); provided however that such procedure shall be subject to the provisions of Section I and Paragraphs 3.3 and 3.4 of Section III of the Procurement Guidelines and the additional following modifications:

(a) **Standard Bidding Documents:** All standard bidding documents to be used for the Project under NCB shall be found acceptable to the World Bank before their use during the implementation of Project.

(b) **Eligibility:** Eligibility of bidders and acceptability of their goods and services shall not be based on their nationality and/or their origin; and association with a national firm shall not be a condition for participation
in a bidding process. Therefore, except for the ineligibility situations referred to in paragraphs 1.10(a)(i) and 1.10(a)(ii) of the Procurement Guidelines, the eligibility of bidders must be based solely on their qualification, experience and capacity to carry out the contract related to the specific bidding process.

(c) **Advertising and Bid Preparation Time:** Bidding opportunities shall be advertised at least in a national newspaper of wide circulation and on the website of the Recipient’s Procurement Regulator (Autorité de Régulation des Marchés Publics) and bidders should be given at least 30 days from the date of invitation to bid or the date of availability of the bidding documents, whichever is later.

(d) **Criteria for Qualification of Bidders:** Qualification criteria shall only concern the bidder’s capability and resources to perform the contract taking into account objective and measurable factors. Such criteria for qualification of bidders shall be clearly specified in the bidding documents.

(e) **Bid Evaluation and Contract Award:** A contract shall be awarded to the substantially responsive and lowest evaluated bidder provided that such bidder meets the qualification criteria specified in the bidding documents. No scoring system shall be allowed for the evaluation of bids, and no “blanket” limitation to the number of lots which can be awarded to a bidder shall apply. The criteria for bid evaluation and the contract award conditions shall be clearly specified in the bidding documents.

(f) **Preferences:** No preference shall be given to domestic/regional bidders; to domestically/regionally manufactured goods; and to bidders forming a joint venture with a national firm or proposing national sub-contractors or carrying out economic activities in the territory of the Recipient.

(g) **Publication of Contract Award:** Information on all contract awards shall be published in at least a national newspaper of wide circulation or in the Recipient’s Procurement Regulator (Autorité de Régulation des Marchés Publics) web-site.

(h) **Fraud and Corruption:** In accordance with the Procurement Guidelines, each bidding document and contract shall include provisions stating the World Bank’s policy to sanction firms or individuals found to have engaged in fraud and corruption as set forth in the Procurement Guidelines.

(i) **Inspection and Audit Rights:** In accordance with the Procurement Guidelines, each bidding document and contract shall include provisions
stating the World Bank’s policy with respect to inspection and audit of accounts, records and other documents relating to the bid submission and contract performance.

(j) **Requirement for administrative documents and/or tax clearance certificate:** The bidding documents shall not require foreign bidders to produce any administrative or tax related certificates prior to confirmation of awarding a contract.

(k) **Modifications of a Signed Contract:** Any change in the contract amount which, singly or combined with all previous changes, increases the original contract amount by 15% (fifteen percent) or more must be done through an amendment to the signed contract instead of signing a new contract.

C. **Particular Methods of Procurement of Consultants’ Services**

1. **Quality- and Cost-based Selection.** Except as otherwise provided in paragraph 2 below, consultants’ services shall be procured under contracts awarded on the basis of Quality- and Cost-based Selection.

2. **Other Methods of Procurement of Consultants’ Services.** The following table specifies methods of procurement, other than Quality- and Cost-based Selection, which may be used for consultants’ services. The Procurement Plan shall specify the circumstances under which such methods may be used.

D. Review by the Association of Procurement Decisions

The Procurement Plan shall set forth those contracts which shall be subject to the Association’s Prior Review. All other contracts shall be subject to Post Review by the Association.

Section IV. Withdrawal of the Proceeds of the Financing

A. General

1. The Recipient may withdraw the proceeds of the Financing in accordance with the provisions of Article II of the General Conditions, this Section, and such additional instructions as the Association shall specify by notice to the Recipient (including the “World Bank Disbursement Guidelines for Projects” dated May 2006, as revised from time to time by the Association and as made applicable to this Agreement pursuant to such instructions), to finance Eligible Expenditures as set forth in the table in paragraph 2 below.

2.
