SCHEDULE 1

Project Description

The objective of the Project is to support the Recipient's efforts to improve road access in the city of Monrovia and targeted rural areas, as well as to improve the institutional capacity for the management of the Recipient's roads sector.

The Project consists of the following parts:

Infrastructure Investment

Part A: Rehabilitation of Monrovia City Streets

1. Rehabilitation of twenty-four (24) kilometers of major streets in the city of Monrovia including its center streets network and repair of sidewalks.

2. Provision of technical assistance to MPW to assist in the implementation of Part A.1 of the Project, including for purposes of: (a) supervising works during the construction period and for twelve (12) months thereafter following the conclusion of construction activities; (b) approving construction drawings; and (c) approving completed works for purposes of payment for services rendered.

Part B: Construction of Cotton Tree-Bokay Town Road Section

1. Construction of approximately fifteen (15) kilometers of the Cotton Tree-Bokay Town road.

2. Construction of a bridge in the city of Bokay Town with approaches of approximately twenty-five (25) meters.

3. Provision of technical assistance to MPW to assist in the implementation of this Part B of the Project, including for purposes of: (a) supervising works during the construction period and for twelve (12) months thereafter following the conclusion of construction activities; (b) approving construction drawings; and (c) approving completed works for purposes of payment for services rendered.

4. Construction of the eastward extension of the Cotton Tree-Bokay Town Road, consisting of an additional approximately ten (10) kilometer segment extension of the section contracted for construction under Part B.1 of the Project.

5. Construction of the further eastward extension of the Cotton Tree-Bokay Town-Buchanan Road, consisting of an additional approximately fifty-six (56) kilometer segment eastward from the section to be contracted for under Part B.1 of this Project.
Part C: Construction of Caldwell Bridge and Approaches

1. Construction of a new bridge of approximately one hundred twenty (120) meters in the city of Monrovia to replace the dilapidated Caldwell Bridge, and the construction of two new alignments for the bridge approaches, each approximately five hundred (500) meters long.

2. Provision of technical assistance to MPW to assist in the implementation of Part C.1 of the Project, including for purposes of: (a) reviewing proposed solutions for the replacement of the Caldwell Bridge; (b) preparing detailed designs and bidding documents; (c) supervising works during the construction period and for twelve (12) months thereafter following the conclusion of construction; and (d) approving construction drawings.

Part D: Rehabilitation of Pleebo-Barclayville Road

Emergency improvement of the Pleebo-Barclayville Road, including: (a) clearing the right of way; (b) bush clearing; and (c) leveling of formation course, and re-graveling the road with basic improvement of drainage and reinforcing broken culverts.

Part E: Rural Road Maintenance

Maintenance of approximately one hundred thirty two (132) kilometers of rural roads in the Recipient’s territory.

Part F: Rehabilitation of the Vai Town Bridge and Tucker Bridge Convergence Road Intersection

Provision of technical assistance for purposes of developing solutions to reduce traffic congestion at the Vai Town Bridge and Tucker Bridge convergence intersection road.

Part G: New Fuel Unloading Facility in the Port of Monrovia

1. Construction of a new fuel unloading facility to replace the existing dilapidated facility in the Port of Monrovia.

2. Provision of technical assistance to MPW to assist it in: (a) designing plans for the construction of the new fuel unloading facility referred to in Part G.1 of the Project; and (b) supervising works under Part G.1 of the Project.
Part H: Management, Monitoring and Evaluation of Project Implementation

Provision of support for overall Project coordination, evaluation, supervision and implementation including, *inter alia*:

1. Provision of technical assistance, Training and Operating Costs for the establishment of the IIU.

2. Provision of Training to MPW staff to enhance their administrative and technical capacities.

3. Financing of Operating Costs for the PF MU for the implementation of the Project.

4. Provision of technical assistance, Training and equipment to MPW to enhance its capacity to manage the Recipient’s feeder road network.

5. Provision of technical assistance and Training to MPW to develop a framework to establish a Recipient’s roads authority.

6. Provision of technical assistance, Training and goods to EPA for the strengthening of its administrative and technical capacities.

7. Resettlement of Affected Persons in connection with the implementation of the Project.

8. Carrying out environmental and social assessments in connection with the implementation of the Project.

9. The carrying out of audits for the Project.

10. The implementation of a program to monitor and evaluate the carrying out of the Project.

11. Provision of technical assistance to the University of Liberia, the Stella Maris Polytechnic and Tubman University to enhance preparation of future engineers through strengthening the program of the school of engineering.

12. The preparation of conceptual designs for the rehabilitation of approximately 233 km of the Ganta-Zwedru road section and related bidding documents.

13. The preparation of a feasibility study for the development of dry port using a PPP approach and provision of advisory services on the development of a dry inland port.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Implementation and Institutional and Other Arrangements; Project Monitoring, Reporting, and Evaluation; Financial Management, Financial Reports and Audits

Sections I (Institutional and Other Arrangements) and II (Project Monitoring, Reporting and Evaluation) of Schedule 2 to the Original Financing Agreement are hereby incorporated by reference in this Section I.A and shall apply, mutatis mutandis, to this Agreement, and the Recipient undertakes to comply with the provisions thereof to the same extent as if such provisions had been set out in full in this Agreement.

B. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

C. Safeguards

1. Without limitation to Part I.C of Schedule 2 to the Original Financing Agreement, on Environmental and Social Safeguards, the Recipient shall, except as otherwise agreed in writing by the Association:

   (a) implement the Project in accordance with the RPF;

   (b) in case of any activity under the Project requiring the adoption of a RAP:

      (i) proceed to have such RAP, as the case may be: (A) prepared in accordance with the RPF; (B) submitted to the Association for review and approval; and (C) thereafter adopted, prior to implementation of the activity; and

      (ii) thereafter, take such measures as shall be necessary or appropriate to comply with the requirements of such RAP; and

   (c) in the case of any Resettlement Activity under the Project involving Affected Persons, ensure that no displacement (including restriction of access to legally designated parks and protected areas) shall occur before necessary resettlement measures consistent with the RAP are in place, including, in the case of displacement, full payment to Affected Persons.
of compensation and of other assistance required for relocation, prior to displacement.

2. Without limitation upon its other reporting obligations under this Agreement, the Recipient shall regularly collect, compile and submit to the Association on a quarterly basis reports in form and substance satisfactory to the Association on the status of compliance with the RPF, EMP and RAPs, if any, giving details of:

(a) measures taken in furtherance of such RPF, EMP and RAPs, if any;

(b) conditions, if any, which interfere or threaten to interfere with the smooth implementation of such RPF, EMP and RAPs, if any; and

(c) remedial measures taken or required to be taken to address such conditions.

Section II. Procurement

A. General

1. Goods, Works and Non-consulting Services. All goods, works and non-consulting services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.

2. Consultants’ Services. All consultants’ services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Section.

3. Definitions. The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular contracts, refer to the corresponding method described in the Procurement Guidelines, or Consultant Guidelines, as the case may be.

B. Particular Methods of Procurement of Goods, Works and Non-consulting Services

1. International Competitive Bidding. Except as otherwise provided in paragraph 2 below, goods, works and non-consulting services shall be procured under contracts awarded on the basis of International Competitive Bidding.

2. Other Methods of Procurement of Goods, Works and Non-consulting Services. The following table specifies the methods of procurement, other than International Competitive Bidding, which may be used for goods, works and
non-consulting services. The Procurement Plan shall specify the circumstances under which such methods may be used:

#### 3. Provisions Applicable to Procurement of Goods, Works and Consultants' Services initiated prior to the date of this Agreement

Notwithstanding the terms and conditions of this Section II (Procurement) of this Schedule 2 to this Agreement: (i) to the extent the Initiation of Procurement Process in respect of goods and services to be financed out of the proceeds of the Financing occurred prior to the date of this Agreement; and (ii) there are no proceeds remaining under the Original Financing and/or the First Additional Financing, as the case may be, to finance such goods and services; then, on an exceptional basis only and subject to the Association's prior no-objection, Section II of this Schedule shall not apply to the procurement of such goods and services; provided, however, that the provisions of Section II (Procurement) of Schedule 2 to the Original Financing Agreement or to the First Additional Financing Agreement, as the case may be and as they read at the time of such Initiation of Procurement Process, shall apply to the procurement of such goods and services.

#### D. Review by the Association of Procurement Decisions

Except as the Association shall otherwise determine by notice to the Recipient, the following contracts shall be subject to Prior Review by the Association:

- (a) for Goods: (i) Contracts estimated to cost $500,000 per contract or more; (ii) NCB contracts specified in the procurement plan and over $50,000; and (iii) all contracts awarded on direct-contracting basis or for procurement from United Nations agencies;
- (b) for Works: (i) Contracts estimated to cost $3,000,000 per contract or more; (ii) NCB contracts identified in the procurement plan and over $100,000; and (iii) all contracts awarded on direct-contracting basis or for procurement from United Nations agencies;
- (c) for Consulting Services: (i) All contracts for hiring firm estimated to cost $100,000 per contract or more; (ii) for all contracts awarded on CQS basis, qualifications of shortlisted consultants; (iii) Qualifications of proposed pool of consultants, if the pools are used for hiring firms or contracts above US$50,000 for hiring individuals; (iv) All TORs for hiring firms and individuals; and (v) all contracts for hiring firms and individuals on sole-source basis. All other contracts shall be subject to Post Review by the Association.
Section III. Withdrawal of the Proceeds of the Financing

A. General

1. The Recipient may withdraw the proceeds of the Financing in accordance with the provisions of Article II of the General Conditions, this Section, and such additional instructions as the Association shall specify by notice to the Recipient (including the "World Bank Disbursement Guidelines for Projects" dated May 2006, as revised from time to time by the Association and as made applicable to this Agreement pursuant to such instructions), to finance Eligible Expenditures as set forth in the table in paragraph 2 below.

2. The following table specifies the categories of Eligible Expenditures that may be financed out of the proceeds of the Financing ("Category"), the allocations of the amounts of the Financing to each Category, and the percentage of expenditures to be financed for Eligible Expenditures in each Category:
