Dear Country Director:

Re: Project Preparation Advance No. IDA-V__ (Proposed Improving Rural Connectivity Project)

I refer to the Advance Agreement ("Agreement") between the Republic of Zambia ("Recipient") and the International Development Association ("World Bank") dated _____, providing for the above Project Preparation Advance. For the purposes of Section 3.03 of the Standard Conditions for Advances Made by the World Bank under its Project Preparation Facility, as defined in the Agreement, any one of the persons whose authenticated specimen signatures appear below is authorized on behalf of the Recipient to sign applications for withdrawal and applications for a special commitment under this Project Preparation Advance:

For the purpose of delivering Applications to the World Bank, each of the persons whose authenticated specimen signatures appears below is authorized on behalf of the Recipient, acting individually or jointly, to deliver Applications, and evidence in support thereof, on the terms and conditions specified by the World Bank.

This confirms that the Recipient is authorizing such persons to accept Secure Identification Credentials (SIDC) and to deliver the Applications and supporting documents to the World Bank by electronic means. In full recognition that the World Bank shall rely upon such representations and warranties, including without limitation, the representations and warranties contained in the Terms and Conditions of Use of Secure Identification Credentials in connection with Use of Electronic Means to Process Applications and Supporting Documentation

1 Instruction to the Recipient: Use this bracket if any one of the authorized persons may sign; if this is not applicable, please delete. Please delete this footnote in final letter that is sent to the World Bank.

2 Instruction to the Recipient: Use this bracket only if several individuals must jointly sign each Application; if this is not applicable, please delete. Please delete this footnote in final letter that is sent to the World Bank.
("Terms and Conditions of Use of SIDC"), the Recipient represents and warrants to the Association that it will cause such persons to abide by those terms and conditions.

This Authorization replaces and supersedes any Authorization currently in the World Bank records with respect to this Agreement.

Position³

³The letter should be signed by the official designated as the Recipient's Representative in the Advance Agreement.
The World Bank (Bank)\textsuperscript{4} will provide secure identification credentials (SIDC) to permit the Borrower\textsuperscript{5} to deliver applications for withdrawal and applications for special commitments under the Agreement(s) and supporting documentation (such applications and supporting documentation together referred to in these Terms and Conditions of Use as Applications) to the Bank electronically, on the terms and conditions of use specified herein.

SIDC can be either: (a) hardware-based (Physical Token), or (b) software-based (Soft Token). The Bank reserves the right to determine which type of SIDC is most appropriate.

A. Identification of Users

1. The Borrower will be required to identify in a completed Authorized Signatory Letter (ASL) duly delivered to and received by the Bank each person who will be authorized to deliver Applications. The Bank will provide SIDC to each person identified in the ASL (Signatory), as provided below. The Borrower shall also immediately notify the Bank if a Signatory is no longer authorized by the Borrower to act as a Signatory.

2. Each Signatory must register as a user on the Bank’s Client Connection (CC) website (https://clientconnection.worldbank.org) prior to receipt of his/her SIDC. Registration on CC will require that the Signatory establish a CC password (CC Password). The Signatory shall not reveal his/her CC Password to anyone or store or record the CC Password in written or other form. Upon registration as a CC user, the Signatory will be assigned a unique identifying account name.

B. Initialization of SIDC

1. Prior to initialization of SIDC by a Signatory, the Signatory will acknowledge having read, understood and agreed to be bound by these Terms and Conditions of Use.

\textsuperscript{4} "Bank" includes IBRD and IDA.

\textsuperscript{5} "Borrower" includes the borrower of an IBRD loan, IDA credit, or Project Preparation Facility advance and the recipient of a grant.
Where a Physical Token is to be used, promptly upon receipt of the Physical Token, the
Signatory will access CC using his/her account name and CC Password and register
his/her Physical Token and set a personal identification number (PIN) to be used in
connection with the use of his/her Physical Token, after which the Physical Token will be
initialized for use by the Signatory exclusively for purposes of delivering Applications.
Where a Soft Token is to be used, the Signatory will access CC using his/her account
name and CC Password and set a personal identification number (PIN) to be used in
connection with the use of his/her Soft Token, after which the Soft Token will be
initialized for use by the Signatory exclusively for purposes of delivering Applications.
Upon initialization of the SIDC, the Signatory will be a “SIDC User”. The Bank will
maintain in its database a user account (Account) for each SIDC User for purposes of
managing the SIDC of the SIDC User. Neither the Borrower nor the SIDC User will
have any access to the Account.

Prior to first use of the SIDC by the SIDC User, the Borrower shall ensure that the SIDC
User has received training materials provided by the Bank in use of the SIDC.

C. Use of SIDC

1. Use of the SIDC is strictly limited to use in the delivery of Applications by the SIDC
User in the manner prescribed by the Bank in the Agreement(s) and these Terms and
Conditions. Any other use of the SIDC is prohibited.

2. The Bank assumes no responsibility or liability whatsoever for any misuse of the SIDC
by the SIDC User, other representatives of the Borrower, or third parties.

3. The Borrower undertakes to ensure, and represents and warrants to the Bank (such
representation and warranty being expressly relied upon by the Bank in granting SIDC )
that each SIDC User understands and will abide by, these Terms and Conditions of Use,
including without limitation the following:

4. Security

4.1. The SIDC User shall not reveal his/her PIN to anyone or store or record the PIN in
written or other form.

4.2. The SIDC User shall not allow anyone else to utilize his/her SIDC to deliver an
Application to the Bank.

4.3. The SIDC User shall always logout from CC when not using the system. Failure to
logout properly can create a route into the system that is unprotected.

4.4. If the SIDC User believes a third party has learned his/her PIN or has lost his/her
Physical Token he/she shall immediately notify clientconnection@worldbank.org.
4.5. The Borrower shall immediately notify the Bank at clientconnection@worldbank.org of any lost, stolen or compromised SIDC, and take other reasonable steps to ensure such SIDC are disabled immediately.

5. **Reservation of Right to Disable SIDC**

5.1. The Borrower shall reserve the right to revoke the authorization of a SIDC User to use a SIDC for any reason.

5.2. The Bank reserves the right, in its sole discretion, to temporarily or permanently disable a SIDC, de-activate a SIDC User’s Account or both.

6. **Care of Physical Tokens**

6.1. Physical Tokens will remain the property of the Bank.

6.2. The Bank will physically deliver a Physical Token to each Signatory designated to receive one in a manner to be determined by and satisfactory to the Bank.

6.3. Physical Tokens contain delicate and sophisticated instrumentation and therefore should be handled with due care, and should not be immersed in liquids, exposed to extreme temperatures, crushed or bent. Also, Physical Tokens should be kept more than five (5) cm from devices that generate electromagnetic radiation (EMR), such as mobile phones, phone-enabled PDAs, smart phones and other similar devices. Physical Tokens should be carried and stored separate from any EMR device. At close range (less than 5 cm), these devices can output high levels of EMR that can interfere with the proper operation of electronic equipment, including the Physical Token.

6.4. Without derogating from these Terms and Conditions of Use, other technical instructions on the proper use and care of Physical Tokens are available at http://www.rsa.com.

7. **Replacement**

7.1. Lost, damaged, compromised (in terms of 4.5, above) or destroyed Physical Tokens will be replaced at the expense of the Borrower.

7.2. The Bank reserves the right, in its sole discretion, not to replace any Physical Token in the case of misuse, or not to reactivate a SIDC User’s Account.
