AND DEVELOPMENT

Dated October 29, 2014

LOAN NUMBER 8389-UZ
LOAN NUMBER 8389-UZ

LOAN AGREEMENT

Agreement dated October 29, 2014, between the REPUBLIC OF UZBEKISTAN ("Borrower") and the INTERNATIONAL BANK FOR RECONSTRUCTION AND DEVELOPMENT ("Bank"). The Borrower and the Bank hereby agree as follows:

ARTICLE I — GENERAL CONDITIONS; DEFINITIONS

1.01. The General Conditions (as defined in the Appendix to this Agreement) constitute an integral part of this Agreement.

1.02. Unless the context requires otherwise, the capitalized terms used in this Agreement have the meanings ascribed to them in the General Conditions or in the Appendix to this Agreement.

ARTICLE II — LOAN

2.01. The Bank agrees to lend to the Borrower, on the terms and conditions set forth or referred to in this Agreement, the amount of eighteen million two hundred ninety thousand Dollars ($18,290,000), as such amount may be converted from time to time through a Currency Conversion in accordance with the provisions of Section 2.07 of this Agreement ("Loan"), to assist in financing the project described in Schedule 1 to this Agreement ("Project").

2.02. The Borrower may withdraw the proceeds of the Loan in accordance with Section IV of Schedule 2 to this Agreement.

2.03. The Front-end Fee payable by the Borrower shall be equal to one quarter of one percent (0.25%) of the Loan amount.

2.04. The interest payable by the Borrower for each Interest Period shall be at a rate equal to the Reference Rate for the Loan Currency plus the Variable Spread; provided, that upon a Conversion of all or any portion of the principal amount of the Loan, the interest payable by the Borrower during the Conversion Period on such amount shall be determined in accordance with the relevant provisions of Article IV of the General Conditions. Notwithstanding the foregoing, if any amount of the Withdrawn Loan Balance remains unpaid when due and such non-payment continues for a period of thirty days, then the interest payable by the Borrower shall instead be calculated as provided in Section 3.02 (e) of the General Conditions.

2.05. The Payment Dates are May 15 and November 15 in each year.
2.06. The principal amount of the Loan shall be repaid in accordance with the amortization schedule set forth in Schedule 3 to this Agreement.

2.07. (a) The Borrower may at any time request any of the following Conversions of the terms of the Loan in order to facilitate prudent debt management: (i) a change of the Loan Currency of all or any portion of the principal amount of the Loan, withdrawn or unwithdrawn, to an Approved Currency; (ii) a change of the interest rate basis applicable to: (A) all or any portion of the principal amount of the Loan withdrawn and outstanding from a Variable Rate to a Fixed Rate, or vice versa; or (B) all or any portion of the principal amount of the Loan withdrawn and outstanding from a Variable Rate based on a Reference Rate and the Variable Spread to a Variable Rate based on a Fixed Reference Rate and the Variable Spread, or vice versa; or (C) all of the principal amount of the Loan withdrawn and outstanding from a Variable Rate based on a Variable Spread to a Variable Rate based on a Fixed Spread; and (iii) the setting of limits on the Variable Rate or the Reference Rate applicable to all or any portion of the principal amount of the Loan withdrawn and outstanding by the establishment of an Interest Rate Cap or Interest Rate Collar on the Variable Rate or the Reference Rate.

(b) Any conversion requested pursuant to paragraph (a) of this Section that is accepted by the Bank shall be considered a “Conversion”, as defined in the General Conditions, and shall be effected in accordance with the provisions of Article IV of the General Conditions and of the Conversion Guidelines.

ARTICLE III — PROJECT

3.01. The Borrower declares its commitment to the objectives of the Project. To this end, the Borrower shall carry out the Project through MAWR in accordance with the provisions of Article V of the General Conditions.

3.02. Without limitation upon the provisions of Section 3.01 of this Agreement, and except as the Borrower and the Bank shall otherwise agree, the Borrower shall ensure that the Project is carried out in accordance with the provisions of Schedule 2 to this Agreement.

ARTICLE IV — REMEDIES OF THE BANK

4.01. The Additional Events of Suspension consist of the following:

(a) the Project Operational Manual has been amended, suspended, repealed or waived without the Bank’s prior approval; and
the Bank has received evidence, that it considers credible, of the use of child or forced labor in connection with the Project activities or within the Project Area.

4.02. The Additional Event of Acceleration consist of the following, namely, that any event specified in Section 4.01 of this Agreement occurs.

ARTICLE V — EFFECTIVENESS; TERMINATION

5.01. The Additional Conditions of Effectiveness consists of the following:

(a) The Project Operational Manual satisfactory to the Bank has been adopted by the Borrower.

(b) The PIU has: (i) been staffed with the professionals indicated in the Project Operational Manual (all in numbers and with experience and terms of reference satisfactory to the Bank); and (ii) updated its accounting software in accordance with the technical requirements and specifications set forth in the Project Operational Manual.

(c) The Financing Agreement has been executed and delivered and all conditions precedent to its effectiveness or to the right of the Borrower to request disbursement thereunder, except only the effectiveness of this Agreement, have been fulfilled.

5.02. The Effectiveness Deadline is the date one hundred and twenty (120) days after the date of this Agreement.

ARTICLE VI — REPRESENTATIVE; ADDRESSES

6.01. The Borrower’s Representative is the Minister of Finance.

SCHEDULE 1

Project Description

The objective of the Project is to restore irrigation and improve water management in the Project Area in a sustainable and financially efficient manner.

The Project consists of the following parts:

Part 1: Modernization of the Irrigation Network

1. Improvement of the irrigation infrastructure through, *inter alia*: (i) improving sections of the Right Bank Canal; (ii) constructing the Bustan Canal; and (iii) reprophiling and rehabilitating existing main and secondary canals, including Pakhta-Arna, Keltaminor, Old Bozyap and Bogyp canals.

2. Installation and implementation of SCADA through the provision of goods, consultants’ services and Training, based on the criteria and methodology set forth in the Project Operational Manual.

3. Support for: (A) the implementation of the safeguard mitigation measures provided in the: (i) ESAMP; (ii) RPF; (iii) Bustan RAP and the RAP(s) prepared in connection with the Project (including the provision of Compensation); (B) the carrying out of a dam failure mode study to analyze the impact on the Tuyamuyun Dam of a catastrophic event upstream; and (C) dismantling of pumping stations within the Project Area.

Part 2: Modernization of Agriculture

1. Institutional strengthening of local water resource management institutions (including Amu Darya BVO, LABAIS, PAN-ISA and KKME) through the provision of goods and Training.

2. Support for crop intensification and diversification through: (A) capacity strengthening of selected farmers and WCAs through Demonstrations, FFS, and the provision of goods and Training on, *inter alia*, irrigation and drainage management and improved agricultural practices; (B) facilitation services for farmers to access lines of credit; and (C) provision of modern tools and maintenance equipment to WCAs to undertake on-farm maintenance activities.

3. Support the cotton harvest mechanization through: (A) the acquisition and provision of mechanized cotton harvesters to be used in accordance with the criteria set forth in the Project Operational Manual; (B) provision of cleaning equipment to ginneries; and (C) strengthening capacity to operate and maintain the cotton harvest
machinery and to adopt crop husbandry methods which are appropriate for cotton mechanization.

4. Support the development and carrying out of communications strategies and public awareness raising campaigns on Project-related data and information, including on the issues relating to child and forced labor.

**Part 3: Project Management, Monitoring and Evaluation**

1. Strengthening the MAWR’s and PIU’s capacity for Project management, monitoring and evaluation (including, *inter alia*, the areas of procurement and financial management) through the provision of goods, consultant services, Training, and financing of Incremental Operating Costs.

2. Support the preparation of a feasibility study and bidding documents for follow-up investment activities.

3. Development of a comprehensive management information and data collection and reporting system on the Project’s key performance outputs and impact indicators through, *inter alia*, baseline surveys; participatory assessments; mid-term reviews; and final evaluations.

4. Support the preparation of a strategy for water resources management in the lower Amu Darya area.

5. Development of operating rules for the Tuyamuyun Dam reflecting the fact that, following the dismantling of pumping stations under Part 1.3(C) of the Project, water releases to serve downstream pumping station won’t be required.

6. Provision of technical assistance to assist the Borrower in developing a strategy for agricultural diversification away from cotton.

7. Carrying out of a study on the necessary requirements and arrangements to certify that cotton produced in the Borrower’s territory complies with applicable laws and regulations on child and forced labor.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements

1. The Borrower shall operate and maintain the PIU until completion of the Project with staff (including the professionals specified in Section 5.01(b) of this Agreement), resources and terms of reference satisfactory to the Bank.

2. Not later than 30 days after the Effective Date, the Borrower shall establish and thereafter maintain until completion of the Project the KPCC and the FCC, both with functions, composition and terms of reference set forth in the Project Operational Manual and satisfactory to the Bank in order to assist with the Project’s implementation.

3. The Borrower, through MAWR, shall carry out the Project in accordance with this Agreement and the Project Operational Manual and shall not amend, suspend, abrogate, repeal or waive any provision of said Manual without the prior written approval of the Bank.

B. Anti-Corruption

The Borrower shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

C. Safeguards

Environmental and Social Standards

1. (a) The Borrower shall ensure that the Project is implemented in accordance with applicable environment and social standards and practices, and in compliance with applicable laws and regulations on child and forced labor.

(b) Without limitations to the provisions of paragraph (a) above, the Borrower shall, at the beginning of the cotton harvesting season during each year of Project implementation, instruct any involved local authorities within the Project Area to ensure strict compliance with applicable laws and regulations on child and forced labor while organizing cotton harvesting.

2. The Borrower, through the PIU, shall carry out Parts 1.1(i) and 1.1(iii) of the Project in accordance with the ESAMP, the RPF and the RAP(s), and shall not
amend, suspend, abrogate, repeal or waive any provision of said Plans or Framework without the prior written approval of the Bank.

Resettlement and ESAMP

3. The Borrower, through the PIU, shall carry out Part 1.1(ii) of the Project in accordance with the Bustan RAP, and shall not amend, suspend, abrogate, repeal or waive any provision of said Plan without the prior written approval of the Bank. In particular, the Borrower shall ensure that:

(a) all necessary actions are taken to minimize, to the extent possible, any involuntary loss by Affected Persons of shelter, productive assets or access to productive assets or income or means of livelihood, temporarily or permanently;

(b) all rights to land, usufructs or customary rights and other property are allocated or acquired, equitable Compensation thereof is paid and resettlement is carried out in accordance with the principles and institutional procedures established in the Bustan RAP;

(c) Affected Persons shall be equitably compensated, resettled and rehabilitated in accordance with the Bustan RAP;

(d) the implementation arrangements for resettlement, including Compensation, relocation and rehabilitation of Affected Persons are documented; and

(e) the implementation, monitoring and evaluation of the Bustan RAP is completed and reported in a manner satisfactory to the Bank.

4. Without limitation to the provisions of Section C.2 of this Schedule, for purposes of Parts 1.1(i), 1.1(ii) and 1.1(iii) of the Project and prior to the contracting of works for each proposed site, the Borrower, through the PIU, shall: (a) submit to the Bank for its prior approval: (i) the proposed design and site for said works and, where required by the respective ESAMP, RPF and local legislation, as applicable, any related environmental licenses and permits required under local legislation and site-specific RAP(s) (including any procedures for valuation, Compensation and other assistance to be provided), said site-specific plans and licenses and permits; and (ii) the proposed contract for said works to ensure that the provisions of the ESAMP and said site-specific plans are adequately included in said contract; and (b) ensure that such works are carried out in accordance with the respective ESAMP, RPF and RAP.
5. The Borrower shall not commence any works for a specific part of the Project Area requiring resettlement and/or land acquisition under the Project until the respective RAP for said part of the Project Area is fully implemented.

_Dam Safety_

6. The Borrower, through MAWR, shall carry out, in a manner acceptable to the Bank and under the terms and conditions set forth in the Project Operational Manual, the following activities to improve the performance and safety of the Tuyamuyun Dam: (i) prepare, prior to the second dam safety inspection to be carried out during the last year of project implementation (or at any other date agreed upon by the Borrower and the Bank), a dam safety plan; (ii) replace eight radial gates on the spillway; (iii) carry out routine maintenance works; (iv) carry out a bathymetric survey of the reservoir; (v) install a seismograph at the dam’s site; and (vi) carry out reinforcing works for the Sultansanjar embankment.

_TPM and Feedback Mechanism_

7. The Borrower shall take all necessary actions to enable the TPM Consultant to perform its activities in accordance with the applicable terms of reference, including but not limited to allowing and facilitating for the TPM Consultant to visit and monitor the Project Area, collect relevant data and communicate with Project stakeholders and beneficiaries.

8. The Borrower shall: (a) review and discuss with the Bank monitoring reports prepared by the TPM Consultant; and (b) promptly take any actions, as may be requested by the Bank upon its review of said reports, with respect to compliance with the undertakings relating to child and forced labor as set forth in this Agreement, the Project Operational Manual and the ESAMP.

9. The Borrower: (a) shall and shall cause respective local authorities to fully collaborate with the TPM Consultant in developing an effective feedback mechanism in connection with the Project activities, as set forth in the TPM Consultant’s terms of reference; (b) shall review biannual reports of the TPM Consultant on grievances received, redress mechanism and any feedback provided; and (c) shall promptly implement or cause relevant local authorities to implement the recommendations provided in said reports.

**Section II. Project Monitoring Reporting and Evaluation**

**A. Project Reports**

1. (a) The Borrower shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 5.08 of the General Conditions and on the basis of indicators acceptable
to the Bank. Each Project Report shall cover the period of one calendar semester, and shall be furnished to the Bank not later than one month after the end of the period covered by such report.

(b) The Borrower shall prepare annual Project reports and annual work plans, in form and substance acceptable to the Bank and under the terms and conditions set forth in the Project Operational Manual.

2. For purposes of Section 5.08 (c) of the General Conditions, the report on the execution of the Project and related plan required pursuant to that Section shall be furnished to the Bank not later than six months after the Closing Date.

B. Financial Management, Financial Reports and Audits

1. The Borrower shall maintain or cause to be maintained, a financial management system in accordance with the provisions of Section 5.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Borrower shall prepare and furnish to the Bank not later than forty five (45) days after the end of each calendar quarter, interim unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Bank.

3. The Borrower shall have its Financial Statements audited in accordance with the provisions of Section 5.09 (b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one fiscal year of the Borrower. The audited Financial Statements for each such period shall be furnished to the Bank not later than six months after the end of such period.

Section III. Procurement

A. General

1. Goods, Works and Non-consulting Services. All goods, works and non-consulting services required for the Project and to be financed out of the proceeds of the Loan shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.

2. Consultants’ Services. All consultants’ services required for the Project and to be financed out of the proceeds of the Loan shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines and with the provisions of this Section.
3. **Definitions.** The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Bank of particular contracts refer to the corresponding method described in Sections II and III of the Procurement Guidelines, or Sections II, III, IV and V of the Consultant Guidelines, as the case may be.

B. **Particular Methods of Procurement of Goods, Works and Non-consulting Services**

1. **International Competitive Bidding.** Except as otherwise provided in paragraph 2 below, goods, works and non-consulting services shall be procured under contracts awarded on the basis of International Competitive Bidding.

2. **Other Methods of Procurement of Goods, Works and Non-consulting Services.** The following methods, other than International Competitive Bidding, may be used for procurement of goods, works and non-consulting services for those contracts specified in the Procurement Plan: (a) National Competitive Bidding, subject to the additional provisions set forth in Annex to Schedule 2 to this Agreement; (b) Shopping; (c) Direct Contracting; (d) Commercial Practices for Sub-projects under Part 2 of the Project; (e) Procurement under Framework Agreements in accordance with procedures which have been found acceptable to the Bank.

C. **Particular Methods of Procurement of Consultants’ Services**

1. **Quality- and Cost-based Selection.** Except as otherwise provided in paragraph 2 below, consultants’ services shall be procured under contracts awarded on the basis of Quality and Cost-based Selection.

2. **Other Methods of Procurement of Consultants’ Services.** The following methods, other than Quality and Cost-based Selection, may be used for procurement of consultants’ services for those contracts which are specified in the Procurement Plan: (a) Quality-based Selection; (b) Selection under a Fixed Budget; (c) Least Cost Selection; (d) Selection based on Consultants’ Qualifications; (e) Single-source Selection of consulting firms; (f) Procedures set forth in paragraphs 5.2 and 5.3 of the Consultant Guidelines for the Selection of Individual Consultants; and (g) Single-source procedures for the Selection of Individual Consultants.

D. **Review by the Bank of Procurement Decisions**

The Procurement Plan shall set forth those contracts which shall be subject to the Bank’s Prior Review. All other contracts shall be subject to Post Review by the Bank.
Section IV. **Withdrawal of Loan Proceeds**

A. **General**

1. The Borrower may withdraw the proceeds of the Loan in accordance with the provisions of Article II of the General Conditions, this Section, and such additional instructions as the Bank shall specify by notice to the Borrower (including the “World Bank Disbursement Guidelines for Projects” dated May 2006, as revised from time to time by the Bank and as made applicable to this Agreement pursuant to such instructions), to finance Eligible Expenditures as set forth in the table in paragraph 2 below.

2. The following table specifies the categories of Eligible Expenditures that may be financed out of the proceeds of the Loan (“Category”), the allocation of the amounts of the Loan to each Category, and the percentage of expenditures to be financed for Eligible Expenditures in each Category.

For the purposes of this paragraph:

(a) the term “Training” means reasonable expenditures (other than those for Goods and Consultants’ services), as approved by the Bank, incurred for the carrying out of training activities under the Project, including, *inter alia*, reasonable costs of travel and *per diem* of trainers and trainees, cost of workshops, rental of
training facilities and equipment and training materials, all based on a semi-annual budget acceptable to the Bank;

(b) the term “Compensation” means any amount to be paid by the Borrower out of the proceeds of the Loan to the Affected Persons in accordance with the provisions of the Bustan RAP and the RAP(s); and

(c) the term “Incremental Operating Costs” means the incremental expenses incurred by the PIU on account of Project implementation, management, monitoring and supervision (as such expenditures are set forth in the PIU semi-annual budget acceptable by the Bank), including office supplies, office equipment maintenance, rental of office space, utility bills, communication, advertisement of procurement bids, reasonable local commercial banks charges, software maintenance, local travel, vehicles operation and maintenance, reasonable expenses for accident insurance of PIU staff and for third party liability insurance of PIU drivers, and salaries of the PIU staff (including the uniform social charges and the applicable income tax retained at the source but excluding salaries of civil servants of the Borrower), and any other incremental expense incurred by the PIU on account of Project implementation, provided that all said expenses are deemed acceptable to the Bank.

B. Withdrawal Conditions; Withdrawal Period

1. Notwithstanding the provisions of Part A of this Section, no withdrawal shall be made:

   (a) for payments made prior to the date of this Agreement; and
   
   (b) for payments under Category (2), unless the Bank has received satisfactory evidence from the Borrower (through the PIU) that Compensation to Affected Persons has been determined in compliance with the Bustan RAP or the RAP(s).

2. The Closing Date is September 30, 2021.

Section V. Other Undertakings

1. The Borrower shall ensure that: (a) the Restored Area shall not be subject to the Borrower’s procurement cotton quota established on a yearly basis by the following Borrower’s Tumans: Beruni; Ellikala; and Turtkul; and (b) the Cotton Production Area shall not expand throughout the Project’s implementation.

2. Upon completion of the activities under Part 1.1 of the Project, the Borrower shall: (a) dismantle the pumping stations currently managed by the UNS within a
timeframe agreed upon with the Bank; and (b) take appropriate actions to abolish the UNS and complete its closure within a timeframe agreed upon with the Bank.

3. For the purposes of the UNS closure referred to in paragraph 2 above, the Borrower shall: (a) ensure that as many UNS Staff as possible will continue to be employed under terms and conditions acceptable to the Bank; (b) develop a Retrenchment Action Plan in accordance with the Retrenchment Framework, satisfactory to the Bank; and (c) carry out retrenchment of the UNS Staff in accordance with the provisions of the Retrenchment Action Plan, including providing Severance Payments to the eligible UNS Staff in accordance with the terms and procedures set forth in the Retrenchment Action Plan.

4. Not later than December 31, 2015 (or any other date agreed upon by the Borrower and the Bank), the Borrower shall install real-time flow measuring stations at the off-take from the Amu Darya River into the Project Area and in each of the two escape canals releasing water from the Project Area into the Amu Darya River, and thereafter shall: (a) monitor water abstractions and release flows during Project implementation; and (b) share the related data with the Amu Darya BVO based on the frequency and criteria set forth in the Project Operational Manual.

5. Not later than December 31, 2014 (or any other date agreed upon by the Borrower and the Bank), the Borrower shall enter into an agreement (or two agreements if necessary) with Uzpakhtasanoat (and/or any other entity agreed upon by the Borrower and the Bank), in form and substance satisfactory to the Bank, which shall define, inter alia, the terms of providing cotton harvesting equipment and services and other associated equipment to be purchased under Part 2.3 of the Project to Uzpakhtasanoat (and/or any other entity agreed upon by the Borrower and the Bank), including the obligation of Uzpakhtasanoat (and/or any other entity agreed upon by the Borrower and the Bank) to make available said equipment and services in the Project Area for the purposes of cotton harvesting mechanization, all in accordance with the criteria set forth in the Project Operational Manual.
ANNEX TO
SCHEDULE 2

National Competitive Bidding

National Competitive Bidding procedures of the Borrower may be used for procurement under the Project provided that the following provisions are complied with:

1. General

The Borrower represents that the procedures to be followed for National Competitive Bidding under Section III, Part B, paragraph 2, of Schedule 2 to the Loan Agreement shall be those set forth in Resolution of the Cabinet of Ministers of the Republic of Uzbekistan No. 456 dated November 21, 2000, with the clarifications set forth in the following paragraphs required for compliance with the provisions of the Procurement Guidelines.

2. Registration

(a) Bidding shall not be restricted to pre-registered firms.

(b) Where registration is required, bidders: (i) shall be allowed a reasonable time to complete the registration process; and (ii) shall not be denied registration for reasons unrelated to their capability and resources to successfully perform the contract, which shall be verified through post-qualification.

(c) Foreign bidders shall not be precluded from bidding. If a registration process is required, a foreign bidder shall be given a reasonable opportunity to register.

3. Advertising

Invitations to bid shall be advertised in at least one widely circulated national daily newspaper allowing a minimum of 30 days for the preparation and submission of bids.

4. Pre-qualification

When pre-qualification shall be required for large or complex works, invitations to pre-qualify for bidding shall be advertised in at least one widely circulated national daily newspaper, a minimum of 30 days prior to the deadline for the submission of pre-qualification applications. Minimum experience, technical and financial requirements shall be explicitly stated in the pre-qualification documents.

5. Participation by Government-owned enterprises

Government-owned enterprises in the Republic of Uzbekistan shall be eligible to participate in bidding only if they can establish that they are legally and financially autonomous, operate under commercial law and are not a dependent agency of the contracting authority. Furthermore, they will be subject to the same bid performance security requirements as other bidders.
6. **Bidding Documents**

Purchasers shall use the appropriate standard bidding documents for the procurement of goods, works or services, acceptable to the Bank.

7. **Bid Opening and Bid Evaluation**

   (a) Bids shall be opened in public, immediately after the deadline for submission of bids.

   (b) Evaluation of bids shall be made in strict adherence to the monetarily quantifiable criteria declared in the bidding documents.

   (c) Contracts shall be awarded to the qualified bidder having submitted the lowest evaluated substantially responsive bid and no negotiation shall take place.

   (d) Price verification should not be applied to the Bank-financed contracts.

8. **Price Adjustment**

   Civil works contracts of long duration (e.g. more than eighteen (18) months) shall contain an appropriate price adjustment clause.

9. **Rejection of Bids**

   (a) All bids shall not be rejected and new bids solicited without the Bank’s prior concurrence.

   (b) When the number of bids received is less than three, re-bidding shall not be carried out without the Bank’s prior concurrence.
SCHEDULE 3

1. The following table sets forth the Principal Payment Dates of the Loan and the percentage of the total principal amount of the Loan payable on each Principal Payment Date ("Installment Share"). If the proceeds of the Loan have been fully withdrawn as of the first Principal Payment Date, the principal amount of the Loan repayable by the Borrower on each Principal Payment Date shall be determined by the Bank by multiplying: (a) Withdrawn Loan Balance as of the first Principal Payment Date; by (b) the Installment Share for each Principal Payment Date, such repayable amount to be adjusted, as necessary, to deduct any amounts referred to in paragraph 4 of this Schedule, to which a Currency Conversion applies.

</tbody>
</table>

2. If the proceeds of the Loan have not been fully withdrawn as of the first Principal Payment Date, the principal amount of the Loan repayable by the Borrower on each Principal Payment Date shall be determined as follows:

(a) To the extent that any proceeds of the Loan have been withdrawn as of the first Principal Payment Date, the Borrower shall repay the Withdrawn Loan Balance as of such date in accordance with paragraph 1 of this Schedule.

(b) Any amount withdrawn after the first Principal Payment Date shall be repaid on each Principal Payment Date falling after the date of such withdrawal in amounts determined by the Bank by multiplying the amount of each such withdrawal by a fraction, the numerator of which is the original Installment Share specified in the table in paragraph 1 of this Schedule for said Principal Payment Date ("Original Installment Share") and the denominator of which is the sum of all remaining Original Installment Shares for Principal Payment Dates falling on or after such date, such amounts repayable to be adjusted, as necessary, to deduct any amounts referred to in paragraph 4 of this Schedule, to which a Currency Conversion applies.

3. (a) Amounts of the Loan withdrawn within two calendar months prior to any Principal Payment Date shall, for the purposes solely of calculating the principal amounts payable on any Principal Payment Date, be treated as withdrawn and outstanding on the second Principal Payment Date following the date of withdrawal and shall be repayable on each Principal Payment Date commencing with the second Principal Payment Date following the date of withdrawal.

(b) Notwithstanding the provisions of sub-paragraph (a) of this paragraph, if at any time the Bank adopts a due date billing system under which invoices are issued on or after the respective Principal Payment Date, the provisions of such sub-
paragraph shall no longer apply to any withdrawals made after the adoption of such billing system.

4. Notwithstanding the provisions of paragraphs 1 and 2 of this Schedule, upon a Currency Conversion of all or any portion of the Withdrawn Loan Balance to an Approved Currency, the amount so converted in the Approved Currency that is repayable on any Principal Payment Date occurring during the Conversion Period, shall be determined by the Bank by multiplying such amount in its currency of denomination immediately prior to the Conversion by either: (i) the exchange rate that reflects the amounts of principal in the Approved Currency payable by the Bank under the Currency Hedge Transaction relating to the Conversion; or (ii) if the Bank so determines in accordance with the Conversion Guidelines, the exchange rate component of the Screen Rate.

5. If the Withdrawn Loan Balance is denominated in more than one Loan Currency, the provisions of this Schedule shall apply separately to the amount denominated in each Loan Currency, so as to produce a separate amortization schedule for each such amount.
APPENDIX

Definitions
