(b) Rehabilitating approximately 30 selected Magistrates courts.

(c) Constructing at least 20 temporary courts (demountables).

(d) Establishing a unit to be responsible for, *inter alia*, design, supervision, maintenance and management of judicial buildings, through provision of technical advisory services, goods and operating costs.

Part 4: Project Management

(a) Establishing and strengthening the capacity of the Project Management Unit for implementation of Project activities (including fiduciary and safeguards aspects, monitoring and evaluation and reporting), all through the provision of technical advisory services, training and goods.

(b) Providing technical advisory services for procurement and financial management functions under the Project.

(c) Developing and implementing an information, education and communications strategy for the Project.

(d) Carrying out monitoring and evaluation ("M&E") under the Project, including undertaking M&E studies where necessary.
SCHEDULE 2

Project Execution

Section I. Institutional and Implementation Arrangements

A. Institutional Arrangements

1. Project Steering Committee ("PSC")

(a) The Recipient shall ensure that the Project Steering Committee ("PSC") is maintained at all times during the implementation of the Project, with a composition, mandate, terms of reference and resources satisfactory to the Association. Without limitation upon the generality of the foregoing, the PSC shall be chaired by the Chief Justice or his designate, and shall include, inter alia, the Deputy Chief Justice, the Chief Registrar, the director of the Judiciary Training Institute ("JTI"), the head of the Judiciary transformation secretariat, a representative of the Directorates, a representative of the Law Society of Kenya, a representative of the Ministry of Justice, National Cohesion and Constitutional Affairs, a representative of the Ministry of Finance, the Chairman of the Kenya Magistrates and Judges Association, a representative from the Office of Attorney-General, two (2) representatives of the Kenya Judiciary Staff Association and a representative of the Kenya Women Judges Association.

(b) The PSC shall meet at least biannually and shall be responsible for providing oversight on Project implementation, including, inter alia: (i) providing strategic and policy guidance on matters relating to judicial reforms; (ii) facilitating coordination of Project activities and ensuring synergies with other projects and programs in the sector, and making recommendations for removal of any obstacles to the implementation of the Project; and (iii) reviewing progress made towards achieving the Project’s objective.

2. Project Technical Committee ("PTC")

(a) Without limitation upon the provisions of paragraph 1 of this Section I.A, the Recipient shall ensure that the Project Technical Committee ("PTC") is maintained at all times during the implementation of the Project, with a composition, mandate, terms of reference and resources satisfactory to the Association. The PTC shall be chaired by an official designated by the Chief Registrar in consultation with the Chief Justice, and shall include, inter alia, directors in charge of Directorates involved in Project implementation, the executive director of the National Council for Law Reporting ("NCLR"), a representative of the National Council on Administration of Justice ("NCAJ"), the director or representative of...
the JTI, the head of the Judiciary transformation secretariat and the Project coordinator.

(b) The PTC shall meet on a quarterly basis (at least) and shall be responsible for, inter alia: (i) providing quality assurance on technical aspects of the Project; (ii) approving the proposed annual work plan and budget for onward transmission to the Association; and (iii) overseeing the implementation of the Project.

3. Chief Registrar of the Judiciary

The Recipient shall designate, at all times during the implementation of the Project, the Chief Registrar of the Judiciary to be responsible for fiduciary aspects of Project implementation (including supervision of the Integrated Fiduciary Agent referred to in paragraph 5 below) and the Project Management Unit (“PMU”), and shall take all actions including the provision of funding, personnel and other resources necessary to enable said Chief Registrar to perform said function.

4. Project Management Unit (“PMU”)

(a) Without limitation upon the provisions of paragraphs 1, 2 and 3 of this Section I.A, the Recipient shall establish and thereafter maintain, at all times during the implementation of the Project, a Project Management Unit, with functions, staffing and resources satisfactory to the Association for the purpose of ensuring prompt and efficient overall coordination, day to day implementation of, and communication relating to Project activities and results. To this end, the Recipient shall appoint staff (including, inter alia, a Project coordinator, a court construction/civil engineer specialist, a communications specialist and an M&E specialist) all with qualifications, experience and terms of reference acceptable to the Association.

(b) The PMU shall be responsible for: (i) ensuring compliance with environmental and social safeguards; (ii) preparing the proposed annual work plans and budgets for onward transmission to the PTC; (iii) consolidating periodic progress reports for onward submission to the PTC; (iv) monitoring and evaluation of Project activities; (v) liaising with the Integrated Fiduciary Agent on all fiduciary aspects of Project implementation; and (vi) liaising with other implementing agencies on other issues related to Project implementation, all in accordance with the Project Implementation Manual. The PMU shall report to the Chief Registrar or an official designated by the Chief Registrar in consultation with the Chief Justice.

5. Integrated Fiduciary Agent (“IFA”)

(a) Without limitation upon the provisions of paragraphs 1, 2, 3 and 4 of this Section I.A, the Recipient shall, in accordance with the provisions of Section III of this Schedule 2, appoint and thereafter maintain, during the initial two years of Project implementation, an integrated fiduciary agent with qualifications, experience and terms and conditions of employment satisfactory to the Association ("Integrated Fiduciary Agent" or "IFA").

(b) The IFA shall be responsible for: (i) prompt and efficient coordination, day to day implementation of, communication and reporting on all fiduciary (financial management and procurement) aspects of Project implementation; and (ii) strengthening the capacity of selected Judiciary staff, and to this end, shall liaise with the PMU.

B. Implementation Arrangements

(a) The Recipient shall prepare, in accordance with terms of reference acceptable to the Association, a Project implementation manual consisting of: (i) a Project manual, providing details of arrangements and procedures for the implementation of the Project, including: (A) capacity building activities for sustained achievement of the Project’s objectives; (B) institutional administration, coordination and day to day execution of Project activities; (C) monitoring and evaluation, reporting, information, education and communication of Project activities; and (D) such other technical and organizational arrangements and procedures as shall be required for the Project; (ii) a procurement management manual; and (iii) a financial management manual, setting forth the detailed policies and procedures for financial management and disbursement under the Project.

(b) The Recipient shall afford the Association a reasonable opportunity to exchange views with the Recipient on said Project implementation manual, and thereafter, shall adopt such Project implementation manual, as shall have been approved by the Association ("Project Implementation Manual").

(c) The Recipient shall ensure that the Project is carried out in accordance with the Project Implementation Manual; provided, however, that in case of any conflict between the provisions of the Project Implementation Manual and the provisions of this Agreement, the provisions of this Agreement shall prevail.

(d) The Recipient shall not amend, abrogate or waive any provision of the Project Implementation Manual without the Association’s prior written agreement.
2. Annual Work Plan and Budget

(a) The Recipient shall prepare and furnish to the Association not later than March 30 of each Fiscal Year during the implementation of the Project, a work plan and budget containing all activities proposed to be included in the Project during the following Fiscal Year (including Safeguard Frameworks and Safeguard Instruments required for said activities prepared in accordance with the provisions of Section 1.D of this Schedule 2), and a proposed financing plan for expenditures required for such activities, setting forth the proposed amounts and sources of financing therefor.

(b) Each such proposed work plan and budget shall specify any training activities that may be required under the Project, including: (i) the type of training; (ii) the purpose of the training; (iii) the personnel to be trained; (iv) the institution or individual who will conduct the training; (v) the location and duration of the training; and (vi) the cost of the training.

(c) The Recipient shall afford the Association a reasonable opportunity to exchange views with the Recipient on each such proposed work plan and budget and shall thereafter ensure that the Project is implemented with due diligence during said following Fiscal Year in accordance with such work plan and budget as shall have been approved by the Association ("Annual Work Plan and Budget").

(d) The Recipient shall not make or allow to be made any change to the approved Annual Work Plan and Budget without prior approval in writing by the Association.

C. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

D. Safeguards

1. The Recipient shall ensure that the Project is carried out in accordance with the Safeguard Frameworks and Safeguard Instruments. To that end, the Recipient shall ensure that the following actions are taken in a manner acceptable to the Association:

(a) if any Project activity would, pursuant to the Environmental and Social Management Framework ("ESMF"): (i) require the carrying out of an Environmental and Social Impact Assessment ("ESIA"), the Recipient shall ensure that an ESIA for such activity is: (A) carried out, in
accordance with the requirements of the ESMF and furnished to the Association for review and approval; and (B) disclosed as required by the ESMF and approved by the Association; and (ii) require the preparation of an Environmental and Social Management Plan (“ESMP”), such ESMP is prepared in accordance with the ESMF and furnished to the Association for review and approval, and is disclosed as required by the ESMF and approved by the Association; and

(b) if a Resettlement Action Plan (“RAP”) would be required for any Project activity on the basis of the Resettlement Policy Framework (“RPF”): (i) said RAP shall be prepared in accordance with the requirements of the RPF, disclosed locally and furnished to the Association; and (ii) no works under said activity shall be commenced until all measures required to be taken under said RAP prior to the initiation of said works have been taken.

2. Without limitation upon its other reporting obligations under this Agreement and under Section 4.08 of the General Conditions, the Recipient shall include in the Project Reports referred to in Section II.A of this Schedule, adequate information on the implementation of the Safeguard Frameworks and Safeguard Instruments, giving details of: (a) measures taken in furtherance of such Safeguard Frameworks and Safeguard Instruments; (b) conditions, if any, which interfere or threaten to interfere with the smooth implementation of such Safeguard Frameworks and Safeguard Instruments; and (c) remedial measures taken or required to be taken to address such conditions and to ensure the continued efficient and effective implementation of such Safeguard Frameworks and Safeguard Instruments.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

1. The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of indicators acceptable to the Association. Each Project Report shall cover the period of one (1) calendar semester, and shall be furnished to the Association not later than forty-five (45) days after the end of the period covered by such report.

2. The Recipient shall, not later than one month prior to the mid-term review referred to in paragraph 3 of this Section II.A, furnish to the Association for comments, a report, in such detail as the Association shall reasonably request, on the progress of the Project, and giving details of the various matters to be discussed at such review.

3. The Recipient shall, not later than thirty-six (36) months after the Effective Date, undertake in conjunction with all agencies involved in the Project, a
comprehensive mid-term review of the Project during which it shall exchange views with the Association and implementing agencies generally on all matters relating to the progress of the Project, the performance by the Recipient of its obligations under this Agreement and the performance by said implementing agencies, having regard to the performance indicators referred to in paragraph 1 immediately above.

4. Following the mid-term review, the Recipient shall act promptly and diligently in order to take any corrective action deemed necessary to remedy any shortcoming noted in the implementation of the Project, or to implement such other measures as may be required in furtherance of the objectives of the Project.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation upon the provisions of Part A of this Section, the Recipient shall prepare and furnish to the Association not later than forty-five (45) days after the end of each calendar quarter, interim unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one Fiscal Year, commencing with the Fiscal Year in which the first withdrawal was made under the Preparation Advance for the Project. The audited Financial Statements and management letter for each such period shall be furnished to the Association not later than six (6) months after the end of such period.
