Honorable Minister Amadou Boubacar Cissé
Minister of State, Minister of Planning, Land and Community Development
Niamey
Republic of Niger

Dear Honorable Minister:

Amendment to the Financing Agreement (Grant No. H320-NIR)

We refer to the Financing Agreement (the Agreement) for the above referenced project (the Project), dated July 26, 2007, between the Republic of Niger (the Recipient) and the International Development Association (the Association), as amended to date. We also refer to your letter dated July 8, 2014, requesting certain amendments to the Agreement and the related discussions between the Recipient and the Association.

Accordingly, we propose to amend the Agreement as follows:

1. The objective of the Project in Schedule 1 to the Agreement is amended to read as follows:
   “The objective of the Project is to enhance regional coordination and improve water resources management in the Niger River Basin.”

2. Part 1(c) of Schedule 1 to the Agreement is amended to read as follows:
   “(c) Support to the establishment and institutional strengthening of regional water resources management and planning, including through: (i) preparing regional guidelines for the management of water infrastructure; (ii) providing an Independent Panel of Experts to support the Regional Consultative Group; (iii) support for the creation and activities of a Permanent Technical Commission as a regulatory water management mechanism in the Niger Basin; (iv) preparing a Niger Basin regional environmental code; and (v) supporting the implementation of the Niger Basin Water Charter.”

3. Part 2 of Schedule 1 to the Agreement is amended to read as follows:
   “Part 2: Rehabilitation, optimization and development of regional infrastructure
   (a) Rehabilitation of the Kainji dam and hydropower plant in Nigeria, including: (i) rehabilitation and harmonization of productive electromechanical equipment; (ii) rehabilitation of auxiliary services; (iii) upgrading instrumentation and monitoring equipment; and (iv) improvement of the flood warning systems and development of a decision support and management system.
   (b) Rehabilitation of the Jebba hydropower dam in Nigeria, including: (i) rehabilitation of electro-mechanical equipment; (ii) rehabilitation of auxiliary services; (iii) improvement of civil works; (iv) upgrading of instrumentation and monitoring equipment; (v) prevention of tree invasion; and (vi) reinforcement of the maintenance workshops.”
(c) Assessing optimization and management options for the development of regional water infrastructure, including: (i) complementary studies for the Fomi dam in Guinea; (ii) [intentionally left blank]; (iii) complementary studies for the Kandadjì dam in Niger; and (iv) screening of potential hydropower sites in the Niger Basin within Nigeria and preparation of a master plan of Benue sub-basin in Nigeria.”

4. Part 3(a) of Schedule 1 to the Agreement is amended to read as follows:

“(a) Rehabilitation and diversification of small dams, including: (i) rehabilitation of small dams in Benin; and (ii) rehabilitation of small dams in Niger, including development for horticulture, irrigated vegetables, livestock and their marketing.”

5. Section I.D of Schedule 2 to the Agreement is amended to read as follows:

“D. Safeguards

General

1. The Recipient shall, and shall cause the Project Implementing Entity to, carry out the Project in accordance with the Safeguard Frameworks and the Safeguard Documents. To this end, the Recipient shall, and shall cause the Project Implementing Entity to, take the following measures:

(a) If any Project activities would, pursuant to the ESMF, require the carrying out of an ESIA, no such activities shall be implemented unless and until:

(i) an ESIA for such activities has been: (A) prepared, in accordance with the ESMF and furnished to the Association; (B) disclosed locally as required by the ESMF; and (C) approved by the Association and publicly disclosed; and

(ii) if said ESIA would require the preparation of an ESMP, such ESMP has been: (A) prepared in accordance with such ESIA and furnished to the Association; (B) disclosed locally as required by the ESMF; and (C) approved by the Association and publicly disclosed.

(b) If any Project activities would, pursuant to the RPF, require the preparation of a RAP, no such activities shall be implemented unless and until:

(i) a RAP for such activities has been: (A) prepared in accordance with the requirements of the RPF and furnished to the Association; (B) disclosed as required by the RPF; and (C) approved by the Association and publicly disclosed; and

(ii) all measures required to be taken under said RAP prior to the initiation of said activities have been taken, including, without limitation to the above, providing funds for resettlement compensation when and if required under a RAP; (B) a report, in form and substance satisfactory to the Association, on the status of compliance with the requirements of said RAP has been prepared and furnished to the Association; and (C) the Association has confirmed that said activities may be commenced.
2. Without limitation upon its other reporting obligations under this Agreement, the Recipient shall, and shall cause the Project Implementing Entity to, regularly collect, compile and submit to the Association as part of the Project Reports referred to in Section II.A of this Schedule, reports, in form and substance satisfactory to the Association, on the status of compliance with the Safeguard Instruments, giving details of:

(a) measures taken in furtherance of such Safeguard Instruments;

(b) conditions, if any, which interfere or threaten to interfere with the smooth implementation of such Safeguard Instruments; and

(c) remedial measures taken or required to be taken to address such conditions.

3. The Recipient shall, and shall cause the Project Implementing Entity to, afford the Association a reasonable opportunity to review the reports prepared under paragraph 2 of this Section D, and thereafter shall carry out or cause to be carried out, with due diligence, all remedial measures agreed with the Association so as to ensure the proper implementation of the Project in accordance with the Safeguard Instruments.

4. The Recipient shall not amend, suspend or waive, or permit to be amended, suspended or waived, any Safeguard Instrument, or any provision thereof without the prior written approval of the Association.

5. In the event of a conflict between the provisions of any of the Safeguards Instruments and the provisions of this Agreement, the provisions of this Agreement shall prevail.

6. The Recipient shall ensure that the terms of reference for any studies, plans, and/or technical assistance related to environmental and social safeguards activities to be carried out under this Agreement shall duly incorporate the requirements of the Association’s environmental and social safeguard policies then in force, in a manner acceptable to the Association.

**Dam Safety Arrangements**

7. The Recipient shall, and shall cause the Project Implementing Entity to, maintain throughout the implementation of the Project, an independent dam safety panel comprised of experts having qualifications and experience acceptable to the Association, to be responsible for, *inter alia*, advising the Recipient and the Project Implementing Entity on matters related to dam safety and related matters."

6. Section II.A of Schedule 2 to the Agreement is amended to read as follows:

**A. Project Reports**

1. The Recipient shall cause the Project Implementing Entity to monitor and evaluate the progress of the Niger Project Activities and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of the indicators acceptable to the Association. Each Project Report shall cover the period of one calendar semester, and shall be furnished to the Association not later than one (1) month after the end of the period covered by such report.
2. For purposes of Section 4.08 (c) of the General Conditions, the report on the execution of the Project and related plan required pursuant to that Section shall be furnished to the Association not later than six (6) months after the Closing Date.”
