All withdrawals from the Credit Account shall be deposited by the Association into the Deposit Account.

(c) The Borrower undertakes that the proceeds of the Credit shall not be used to finance expenditures excluded pursuant to the provisions of Schedule 1 to this Agreement. If the Association shall have determined at any time that any proceeds of the Credit shall have been used to make a payment for an expenditure so excluded, the Borrower shall, promptly upon notice from the Association: (i) deposit into the Deposit Account an amount equal to the amount of said payment; or (ii) if the Association shall so request, refund such amount to the Association. Amounts refunded to the Association upon such request shall be credited to the Credit Account for cancellation.

Agreement.

(c) The commitment charge shall be paid: (i) at such places as the Association
shall reasonably request; (ii) without restrictions of any kind imposed by, or in the territory
of, the Borrower; and (iii) in the currency specified in this Agreement for the purposes of
Section 4.02 of the General Conditions or in such other eligible currency or currencies as
may from time to time be designated or selected pursuant to the provisions of that Section.

Section 2.05. The Borrower shall pay to the Association a service charge at the rate

(A) requiring the Borrower to repay twice the amount of each such
installment not yet due until the principal amount of the Credit
shall have been repaid; and

(B) requiring the Borrower to commence repayment of the principal
amount of the Credit as of the first semiannual payment date referred
to in paragraph (a) above falling six months or more after the date on
which the Association notifies the Borrower that the events set out in
this paragraph (b) have occurred, provided, however, that there shall
be a grace period of a minimum of five years on such repayment of principal.

(c) If so requested by the Borrower, the Association may revise the modification referred to in paragraph (b) above to include, in lieu of some or all of the increase in the amounts of such installments, the payment of interest at an annual rate agreed with the Association on the principal amount of the Credit withdrawn and outstanding from time to time, provided that, in the judgment of the Association, such revision shall not change the grant element obtained under the above-mentioned repayment modification.

(d) If, at any time after a modification of terms pursuant to paragraph (b) above, the Association determines that the Borrower’s economic condition has deteriorated significantly, the Association may, if so requested by the Borrower, further modify the terms of repayment to conform to the schedule of installments as provided in paragraph (a) above.

(a) have the Deposit Account audited in accordance with appropriate auditing principles consistently applied by independent auditors acceptable to the Association;
