SCHEDULE 1

Project Description

The objective of the Project is to support the Recipient’s efforts to improve the lower secondary education in the islands of Zanzibar within its territory, including raising the rates of students successfully completing the first four years of secondary education.

The Project consists of the following parts:

PART 1  Physical Infrastructure

Improving equitable access to secondary school education and providing an appropriate environment for education to A-level education standard, including: (a) construction of lower and upper secondary schools and a teacher training college in Pemba; and (b) rehabilitation of selected schools in Pemba and Stone Town, all through the provision of works and technical advisory services.

PART 2  Teacher Training, Curriculum Reform and Learning Materials

1. Strengthening the capacity for school management and teacher supervision, including: (a) developing and delivering an in-service upgrading course for retraining secondary school teachers teaching science and mathematics, and other selected personnel involved in secondary school curricula; (b) developing and delivering an in-service upgrading course for improving communication skills and retraining: (i) primary school teachers teaching English language, science, mathematics; and (ii) other selected personnel involved in primary school curricula; (c) developing a manual on secondary and primary school management and teacher supervision, and training for selected personnel; and (d) carrying out of activities to manage the current and future supply of teachers, all through the provision of technical advisory services, training and acquisition of goods.

2. Supporting curriculum revision and provision of learning materials for students, enhancing science and mathematics education for girls and raising HIV/AIDS, gender and environmental awareness, including: (a) developing a policy for sustained provision of textbooks for primary and secondary schools; (b) provision of books, equipment, consumables and other learning and instructional materials in secondary schools; (c) developing a new curriculum for upper primary standards, and provision of textbooks and instructional materials in primary schools, including for pupils with disabilities due to loss of sight or hearing; (d) organizing an annual residential science camp for girls, and training selected teachers to run the camp; and (e) developing a new manual and organizing workshops for promoting life skills, all through the provision of technical advisory services and acquisition of goods.
PART 3 Project Monitoring and Coordination

Supporting effective management and coordination of the Project activities, including effective monitoring and evaluation systems, and strengthening capacity of MoEVT (Zanzibar) for coordination, supervision, monitoring and evaluation of the Project and the Program, through the provision of technical advisory services.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Subsidiary Agreement

1. To facilitate the carrying out of the Project by MoEVT (Zanzibar), the Recipient shall make the proceeds of the Financing available to MoEVT (Zanzibar), under the Subsidiary Agreement between the Recipient and MoEVT (Zanzibar), under terms and conditions approved by the Association, which shall include obligations of MoEVT (Zanzibar) to:

   (a) (i) carry out the Project with due diligence and efficiency, in conformity with appropriate administrative, financial, technical and environmental practices and in accordance with the Project Implementation Plan; (ii) provide, or cause to be provided, promptly as needed, the facilities, services and other resources required for the Project; and (iii) not amend, abrogate or waive any provision of the Project Implementation Plan except as the Association and the Recipient shall otherwise agree, if such amendment, abrogation or waiver may, in the opinion of the Recipient and the Association, materially or adversely affect the implementation of the Project;

   (b) comply with the procedures for procurement of goods, and consultant services set forth in the Procurement Plan;

   (c) comply with record keeping, auditing and reporting requirements set forth in Schedule 2 to this Agreement with respect to the Project, including the annual auditing of its records and accounts in respect of the Project (operations, resources and expenditure in respect of the Project);

   (d) at the request of the Recipient or the Association, exchange views with the Recipient and the Association with regard to the progress of the Project and the performance of its obligations under the Subsidiary Agreement;

   (e) promptly inform the Recipient and the Association of any condition which interferes or threatens to interfere with the progress of the Project, or the performance of its obligations under the Subsidiary Agreement; and
(f) in case of conflict between the Subsidiary Agreement and this Agreement, the latter shall prevail.

2. The Recipient shall exercise its rights under the Subsidiary Agreement in such manner as to protect the interests of the Recipient and the Association and to accomplish the purposes of the Financing. Except as the Association shall otherwise agree, the Recipient shall not assign, amend, abrogate or waive the Subsidiary Agreement or any of its provisions.

B. Institutional Arrangements

1. General: The Recipient shall, at all times during the implementation of the Project and the Program, maintain MoEVT (Zanzibar), including the DPP, DTE, DCE and other comparable departments, with the staffing, functions and resources acceptable to the Association.
