SCHEDULE 1

Project Description

The objectives of the Project are to assist the Recipient in implementing key reforms to improve performance, efficiency and transparency of public resources management on the territory of the Recipient.

The Project consists of the following parts:

Part A: Improvement of Public Finance Management, including through support to: (1) strengthening resource mobilization; (2) improving budget presentation and planning; (3) improving budget execution and accounting; (4) strengthening efficiency of expenditure; and (5) decentralizing public finance management, including in Nouadhibou and Rosso.

Part B: Support to Local Development, through: (1) strengthening the Recipient’s Ministry of Interior, Posts and Telecommunications, including: (i) the General Directorate of Local Government (Direction Générale des Collectivités Locales); (ii) the Directorate of Territorial Administration (Direction de l’Administration Territoriale); and (iii) support to communication and information; and (2) improving local development management, including in the two pilot areas, Nouadhibou and Rosso.

Part C: Strengthen environment, including through support to: (1) the creation and operation of a consultation framework for the establishment of a cross cutting organization responsible for environment management in accordance with the National Action Plan for the Environment (Plan d’Action National pour l’Environnement –PANE); (2) capacity building; and (3) pilot activities.

Part D: Strengthening the Recipient’s Human Resources’ management capacities, including through support to: (1) the development of human resources management capacity in the Recipient’s civil service; and (2) the modernization of the Recipient’s human resources management tools.

Part E: Support to Project implementation, monitoring and evaluation.
SCHEDULE 2

Project Execution

Section I. Institutional and Other Arrangements

1. Institutional arrangement. The Recipient shall maintain under the responsibility of the Recipient’s Prime Ministry’s services the following structure, with functions as set forth in paragraphs (a) through (c), at all times during the implementation of the Project:

(a) The Recipient shall establish a Steering Committee with composition and terms of reference acceptable to the Association, to be responsible, *inter alia*, for the overall coordination and oversight of the implementation of the Project.

(b) The Recipient shall establish a Project Coordination Unit with composition and terms of reference acceptable to the Association, to be responsible, *inter alia*, for the daily coordination and supervision of the Project.

(c) The Recipient shall appoint a focal point in each of its Ministries involved in carrying out the Project, with terms of reference acceptable to the Association, to be responsible, *inter alia*, for the coordination of resources within its Ministry for the implementation of the Project, including through the establishment of technical committees as needed.

2. Implementation

(a) The Recipient shall implement the Project, or cause the Project to be implemented, in accordance with the Project Implementation Manual, and the Project Manual of Administrative and Financial Procedures, and except as the Recipient and the Association shall otherwise agree, the Recipient shall not amend or waive any provision thereof, if in the opinion of the Association, such amendment or waiver may materially and adversely affect the implementation of the Project.

(b) Each year during the implementation of the Project, the Recipient shall develop a draft Annual Work Plan for the implementation of the Project for the following calendar year.

(c) The Recipient shall maintain an adequate staff for the efficient fiduciary management, and monitoring and evaluation of the Project including: (i) a
coordinator, (ii) a public sector specialist, (iii) a financial management specialist, and (iv) a procurement specialist.

Section II. Project Monitoring, Reporting, Evaluation

A. Project Reports

1. (a) The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of the indicators set forth below in sub-paragraph (b) of this paragraph. Each Project Report shall cover the period of one calendar semester, and shall be furnished to the Association not later than one month after the end of the period covered by such report.

(b) The performance indicators referred to above in sub-paragraph (a) consist of the following:

(i) The budget elaboration process in the administration has improved: a medium-term expenditure framework has been elaborated for at least three sectors in 2007 (education, health and rural development) and for at least six sectors by June 30, 2008 (education, health, rural development, water, urban and transportation).

(ii) Fiscal and accounting reports are produced regularly in accordance with international standards, starting from 2007.

(iii) At Project completion, orders of payment are delegated to sector ministries with the support of the RACHAD software, in accordance with established guidelines.

(v) The transversal structure for environment and sustainable development provided for in the National Action Plan for the Environment is established and operational by June 30, 2008.
The Recipient’s resource management system is improved and adapted to the human resources management directly by the Recipient’s sector ministries, at 70% of the staff managed in 2007, 80% in 2008 and 90% in 2009.

2. For purposes of Section 4.08 (c) of the General Conditions, the report on the execution of the Project and related plan required pursuant to that Section shall be furnished to the Association not later than June 30, 2010.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Recipient shall prepare and furnish to the Association not later than one month after the end of each calendar quarter, interim un-audited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one fiscal year of the Recipient, commencing with the fiscal year in which the first withdrawal under the Project Preparation Advance was made. The audited Financial Statements for each such period shall be furnished to the Association not later than six months after the end of such period.

Section III. Procurement

A. General

1. Goods and Works. All goods and works required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Schedule.

2. Consultants’ Services. All consultants’ services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Schedule.
3. **Definitions.** The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular contracts, refer to the corresponding method described in the Procurement Guidelines, or Consultant Guidelines, as the case may be.
