SCHEDULE 1

Project Description

The objective of the Project is to support increased commercialization of smallholder agriculture through improved productivity, quality and efficiency of value chains where smallholders participate. Towards this end, the Project would: (a) provide resources for working capital and term lending for capital investments in agricultural production and marketing; (b) develop innovative business linkages between smallholders and other actors in the supply chains; and (c) target investments into public goods and key public sector functions.

The Project consists of the following parts:

Part 1: Support to Farmers and Agribusiness Enterprises

a. Supply Chain Credit Facility

The establishment and operation of a facility that shall provide a line of credit for short, medium and long term loans to beneficiaries through participating financial intermediaries, for: (i) productivity improvement and up-scaling of existing outgrower/contract farming schemes; (ii) expansion of existing and establishment of new contract farming schemes; and (iii) upgrading processing and marketing capacity of agribusinesses involved in the smallholder supply chain.

b. Market Improvement and Innovation Facility

The establishment and operation of a matching grant facility that shall provide financial resources to beneficiaries to develop innovative business linkages between smallholders and other actors in agricultural value chains.

c. Rural Roads Improvement Facility

Rehabilitation and maintenance of selected feeder and district roads in areas of high agricultural potential, consisting of: (i) rural roads rehabilitation and maintenance using Output and Performance Based Road Contracts; (ii) administration and supervision of the road investments; and (iii) technical assistance and consultancy services for the RDA and NRFA.
**Part 2: Institutional Development**

Provision of technical and material assistance (consisting of consultancy services, laboratory equipment, related vehicles and equipment and limited civil works); associated incremental operating costs; and training (consisting of staff training, study tours, domestic and regional workshops); to strengthen MACO and related institutions’ services such as policy analysis, market information and capacity in trade negotiations; seed certification and control; food safety and quality standards and phytosanitary services; and cotton foundation seed production and entomological research.

**Part 3: Project Management and Coordination.**

Support for the establishment and operation of a National Coordination Office (NCO) within MACO.
SCHEDULE 2

Project Execution

Section I. Subsidiary Financing and Other Arrangements

A. Subsidiary Agreement

1. To facilitate the carrying out of Part 1(a) of the Project, the Recipient shall make available the portion of the proceeds of the Financing allocated from time to time to Category (2) of the table in paragraph A.2 of Section IV of this Schedule, to the Apex Organization under a subsidiary agreement between the Recipient and the Apex Organization, under terms and conditions acceptable to the Association (“Subsidiary Agreement”). Except as the Association shall otherwise agree, such terms and conditions shall include the following:

(i) commitment by the Apex Organization to the objectives of the Project, and obligation to ensure that the activities under Part 1(a) of the Project are carried out with due diligence and efficiency and in conformity with appropriate administrative, technical, financial, economic, environmental and social standards and practices, and in accordance with the provisions of the Financing Agreement and the SPOP;

(ii) interest and other fees to be charged by the Apex Organization to the Participating Financial Intermediaries in respect of the outstanding balances of subsidiary financing, in accordance with the prevailing market conditions and other determinants as shall be stipulated in the SPOP;

(iii) provisions on the relending by the Apex Organization, as part of a revolving facility, of the loan repayments made by the Participating Financial Intermediaries, under the same purposes as provided in this Financing Agreement; and

(iv) Apex Organization’s net earnings (i.e. total interest collected minus the Apex Organization’s agreed fees) on the subsidiary financing will be added to the revolving fund facility.

2. The Recipient shall exercise its rights under the Subsidiary Agreement in such manner as to protect the interests of the Recipient and the Association and to accomplish the purposes of the Financing. Except as the Association shall
otherwise agree, the Recipient shall not assign, amend, abrogate or waive the Subsidiary Agreement or any of its provisions.

3. The Recipient shall ensure that Participating Financial Intermediaries for Part 1(a) of the Project are selected in accordance with the criteria and on terms and conditions satisfactory to the Association.

B. **Matching Grants**

The Recipient shall ensure that the beneficiaries of the matching grant scheme under Part 1(b) of the Project are selected in accordance with qualifying criteria, procedures, and on such terms and conditions as shall be included in the *MIIF Implementation Manual*.

**Section II. Project Monitoring, Reporting, Evaluation**

A. **Project Reports**

The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of the indicators agreed with the Association. Each Project Report shall cover the period of six months, and shall be furnished to the Association not later than sixty (60) days after the end of the period covered by such report.

B. **Financial Management, Financial Reports and Audits**

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Recipient shall prepare and furnish to the Association, not later than 45 days after the end of each calendar quarter, interim un-audited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one fiscal year of the Recipient. The audited Financial Statements for each such period shall be furnished to the Association not later than six months after the end of such period.
Section III. **Procurement**

A. **General.**
