1. Administration of the Contributions

1.1 The Bank shall be responsible only for performing those functions specifically set forth in this Administration Agreement, including its annexes, and shall not be subject to any other duties or responsibilities to the Donors, including, without limitation, any duties or obligations that might otherwise apply to a fiduciary or trustee under general principles of trust or fiduciary law. Nothing in this Administration Agreement shall be considered a waiver of any privileges or immunities of the Bank under its Articles of Agreement or any applicable law, all of which are expressly reserved.

1.2 Each Donor's Contribution (collectively, the “Contributions”) shall be administered in accordance with the Bank’s applicable policies and procedures, as the same may be amended from time to time, including its procurement, financial management, disbursement and safeguard policies, its framework to prevent and combat fraud and corruption and its screening procedures to prevent the use of Bank resources to finance terrorist activity, in line with the Bank's obligations to give effect to the relevant decisions of the Security Council taken under Chapter VII of the Charter of the United Nations. 2. Management of the Contributions

2.1 The funds deposited in the Trust Fund shall be accounted for as a single trust fund and shall be kept separate and apart from the funds of the Bank. Where deposits prove to be insufficient to complete activities as a result of exchange rate fluctuations, neither the Bank nor the Donor shall bear any responsibility for providing any additional financing.

The Bank shall transfer all income from such investment to the Donor’s applicable donor balance account with the Bank.

5.1 It is expected that the funds deposited in the Trust Fund will be fully disbursed by the Bank by December 31, 2020, (the “End Disbursement Date”). The Bank shall only disburse funds deposited in the Trust Fund for the purposes of this Administration Agreement (other than returns to Donors) after such date to the extent such date is changed in accordance with amendments made to the Administration Agreements of all the Donors. Following the End Disbursement Date, the Bank shall return any remaining balance of the Trust Fund to each Donor in the Holding Currency in the manner specified in its respective Administration Agreement on a pro rata basis with regard to the total funds deposited in the Trust Fund by such Donor relative to the total funds deposited in the Trust Fund by all Donors, all calculated as Holding Currency amounts.

5.2 Any Donor may cancel all or part of such Donor’s pro rata share, and the Bank may cancel all or any Donors’ pro rata shares, upon three (3) months’ prior written notice, of any Contributions (paid and not yet paid) that are not committed pursuant to any agreements entered into between the Bank and any consultants and/or other third parties for the purposes of this Administration Agreement, including any Grant Agreements, prior to the receipt of such notice. Grant Agreements may be entered into up to the maximum amount of the Contributions that all Donors have agreed to make available under the Administration Agreements between the Bank and the Donors.

7.2 The Bank shall be responsible for the supervision of the activities financed under any Grant Agreements. Subject to the consent of any relevant Recipients, representatives of the Donors may be invited by the Bank to participate in Bank supervision missions related to the Trust Fund.

7.3 The Bank shall promptly inform the Donors of any significant modification to the terms of any Grant Agreements and of any contractual remedies that are exercised by the Bank under any Grant Agreements. To the extent practicable, the Bank shall afford the Donors the opportunity to exchange views before effecting any such modification or exercising any such remedy.

8.1 The Bank shall calculate a fee each time funds (the “Grant Amount”) from the Trust Fund become committed under a Grant Agreement. The fee so calculated by the Bank shall be based on the cumulative total of funds from the Trust Fund committed under all Grant Agreements that have been fully countersigned on or prior to the Calculation Date (the “Cumulative Grant Total”). The calculated fee shall depend on where the Cumulative Grant Total stands as the Grant Amount is added and shall be determined in accordance with the following schedule:

8.2 Following each Calculation Date, the Bank shall deduct from the Trust Fund, and retain for its own account, the fee as set forth above. Grant Amounts may not exceed the balance of uncommitted funds in the Trust Fund net of the related fee.
