SCHEDULE 1

Project Description

The objectives of the Project are to: (a) increase utilization of primary health care services in selected geographical areas; and (b) strengthen surveillance capacity especially for cholera.

The Project consists on the following parts:

Part 1: **Strengthening Primary Health Care Service Delivery**

(a) Strengthening the service readiness of selected health service providers through, *inter alia:* carrying out of small-scale rehabilitation works, and provision of goods (including essential medicines and equipment), training of selected health personnel and information systems for improved monitoring.

(b) Strengthening the design and implementation of the existing national community health program through, *inter alia:* (i) developing and implementation of a community health strategy and implementation plan (Community Health Strategy and Implementation Plan) aimed at improving coordination of existing community health worker programs and making community health care more cost effective; and (ii) developing a plan (including pilots) to improve the role of existing traditional birth attendants in enhancing safety of deliveries of pregnant women.

(c) Strengthening the management and planning capacity of selected health facilities, public health supervisory units and Departmental Health Directorates (DDSs), through, *inter alia:* providing technical assistance and training to strengthen selected health personnel’s capacity to organize, distribute vaccines and address deficiencies of health spending.

(d) Results-Based Payments in support of the delivery of: (i) Packages of Basic Primary Health Care Services with a special focus on reproductive, maternal and child health and nutrition services, including (A) preventive and promotive health services, such as immunization and deworming; (B) basic curative services, such as treatment of diarrheal diseases and tuberculosis; and (C) reproductive and maternal health services, such as family planning, prenatal care and institutional deliveries; and (ii) Packages of Health Services-Related Activities, including a program of monitoring supervision and planning activities by selected DDSs and public health supervisory units, for the delivery of the Packages of Basic Primary Health Care and for storage of pharmaceutical products.

(e) Developing and implementing a program of activities to maintain and strengthen external controls, including carrying out of third-party verification of the Packages
of Health-Related Services and Packages of Basic Primary Health Care referred to in Part 1(d) above.

**Part 2: Strengthening Surveillance and Control for Infectious Diseases**

Strengthening existing surveillance and response systems to address targeted diseases (including cholera, diphtheria and measles), adverse health conditions and maternal deaths, through *inter alia*: provision of technical assistance and training to selected health personnel at the national, departmental and local levels to support MSPP's investigative, monitoring, reporting, and response capacity; provision of technical assistance and training to support the transition of cholera tools into the general surveillance and response systems; provision of goods to support surveillance; carrying out small scale improvements of health infrastructure (e.g. laboratories, situation rooms and health facilities); strengthening the existing transport network of patient samples for targeted diseases; strengthening treatment and community interventions (including patient treatment, equipment, supplies, and surveillance and response teams); provision of technical assistance and training to strengthen capacity building of MSPP to control infectious diseases.

**Part 3: Supporting the Project Management and Implementation Support**

(a) Supporting the MSPP in the coordination, implementation management and supervision of the Project, (including, fiduciary aspects and monitoring and evaluation, and reporting of Project activities and results), and the carrying out of Project audits.

(b) Developing and implementation of the GFF Investment Case, including *inter alia* provision of technical assistance and training to selected health personnel to: (i) improve coordination of donor funding and activities; (ii) develop a mechanism to track donor resources and programs' costs (Resource Tracking Mechanism); (iii) analyze the efficiency of public health spending and address inefficiencies; (iv) develop a plan for enhancing the use of human resources in the health sector (Rationalization of Human Resources Plan); and (v) improve use of existing health data to inform health programming.

**Part 4: Contingent Emergency Response**

Providing support to respond to an Eligible Emergency, as needed.
SCHEDULE 2

Project Execution

Section I. Institutional and Other Arrangements

A. Institutional Arrangements

1. The Recipient shall operate and maintain, throughout Project implementation, a unit, the Project Implementation Unit (PIU), within MSPP, with qualified and experienced staff in sufficient numbers, as well as with adequate funds, facilities, services, and other resources, all acceptable to the World Bank.

2. For the purpose of carrying out Parts I(d) and (e) of the Project, the Recipient shall through MSPP, maintain throughout the duration of the Project a team of professionals in adequate numbers and with qualifications, experience and terms of reference satisfactory to the World Bank as set forth in the Operational Manual (the Contracting Team).

3. The Recipient through the MSSP shall ensure, at all times during Project implementation that the functions of the Contracting Team, referred to in the paragraph above, shall include, inter alia: (a) ensuring coordination and communication with all entities involved in Project implementation, including technical units of the MSPP at central and decentralized levels; (b) administering the Results-Based Payments Agreements; (c) ensuring payment to Beneficiaries upon verification of agreed results in a timely manner to avoid service interruption; and (d) monitoring and evaluation of performance of the Beneficiaries including identification of implementation bottlenecks and corresponding solutions.

B. The Project Operational Manual

1. For the purpose of carrying out the Project, the Recipient shall implement the Project in accordance with the Project Operational Manual which consists of different schedules setting forth, respectively, rules, methods, guidelines, specific development plans, standard documents, and procedures for the carrying out of the Project, including, inter alia, the following:

(a) the detailed description of Project implementation activities;

(b) the Project administrative, accounting, auditing, reporting, financial, and disbursement procedures, including all pertinent standard documents and model contracts;

(c) the plan for capacity building and training activities under the Project;
(d) the plan for the monitoring, evaluation and supervision of the Project;

(e) the criteria and process for the selection of health personnel, DDSs, and health supervisory units participating in the Project activities;

(f) (i) the description of services to be delivered under the Packages of Basic Primary Health Care Services and the Packages of Health Services-Related Activities;

(ii) the schedule of Results-Based Payments which shall be calculated on the basis of a methodology acceptable to the World Bank and designed to ensure that the Results-based Payments: (A) do not exceed the reasonable unit cost of the services to be provided (excluding any profit); and (B) are scaled to reflect the quality of the service delivered, the conditions of the locations where the services are to be provided, and the need to ensure a balance between the Packages of Basic Primary Health Care Services and other maternal and child health and nutrition services that need to be made available in the targeted area concerned;

(iii) the procedures and methodology for the evaluation and updating of the Results-Based Payments;

(iv) the eligibility criteria of Beneficiaries and terms and conditions of the Results-Based Payments Agreements; and

(v) the procedures for monitoring and evaluation of Results-Based Payments Agreements

(g) the Safeguards Instruments;

(h) the grievance mechanisms; and

(i) the performance indicators for the Project.

2. Without limitation upon the foregoing, the Recipient, shall: (i) no later than one (1) month after each calendar semester (starting with the calendar semester immediately after the calendar semester in which the Effective Date falls) and according to the provisions of the Project Operational Manual, prepare and furnish to the World Bank, for its review, an evaluation of the Results-Based Payments and recommendations of any adjustment required to be made to the Results-Based Payments to ensure that they continue to comply with the criteria set forth in Section I.C of this Schedule; (ii) afford the World Bank a reasonable opportunity to exchange views with the Recipient on each said evaluation and recommendation; and (iii) adopt and apply such adjusted Results-Based Payments,
as shall have been approved by the World Bank, to Results-Based Payments Agreements awarded after said date.

3. In the event that any provision of the Project Operational Manual shall conflict with any of the provisions under this Agreement, the terms of this Agreement shall prevail.

4. The Project Operational Manual may only be amended from time to time in consultation with, and with prior approval of, the World Bank.

C. Results-Based Payments

1. General

The Recipient, through the MSPP, shall review and approve, the applications for Results-Based Payments, in accordance with the provisions of this Section I.C and the Project Operational Manual.

2. Results-Based Payments Eligibility and Implementation Guidelines and Procedures for Packages of Packages of Basic Primary Health Care Services and Packages of Health Services-Related Activities

The Recipient, through MSSP, shall ensure that no proposed Beneficiary shall be eligible for a Result-Based Payment, unless, on the basis of a review conducted in accordance with this Section I.C and the Project Operational Manual, the proposed Beneficiary is deemed to satisfy the eligibility criteria specified below and is further detailed in the Project Operational Manual, which shall include the following:

(a) the proposed Beneficiary is a public or non-profit health service provider of the services and activities under the Package of Health Services-Related Activities or the Package of Basic Primary Health Care Services;

(b) the proposed Package of Basic Primary Health Care Services or Package of Health Services-Related Activities satisfy respectively the requirements of Part 1(d) of the Project as described in further detail in the Project Operational Manual;

(c) the Beneficiary has put in place all necessary arrangements, including financial and human resources, for the management of the proposed Package of Basic Primary Health Care Services or Package of Health Services-Related Activities.
3. Terms and Conditions of Results-Based Payments Agreements

(a) Upon the selection of a Beneficiary to provide and/or carry out a Package of Basic Primary Health Care Services or a Package of Health Services-Related Activities, the Recipient, through MSPP, shall enter into a results-based payments agreement ("Results-Based Payments Agreement") with the respective Beneficiary, under terms and conditions, satisfactory to the World Bank as further described in the Project Operational Manual, which shall include, inter alia, the following:

(i) a description of the Package of Basic Primary Health Care Services or the Package of Health Services-Related Activities, the applicable rates and applicable performance indicators;

(ii) the obligation of the Beneficiary to: (A) carry out the Package of Basic Primary Health Care Services or the Package of Health Services-Related Activities, as the case may be with due diligence and efficiency and in accordance with sound technical, financial, administrative, and environmental practices; (B) ensure that the resources required for the activities are provided promptly as needed; (C) maintain adequate records to reflect, in accordance with sound accounting practices, the resources, operations, and expenditures relating to the Package of Basic Primary Health Care Services or the Package of Health Services-Related Activities; and (D) at the request of the World Bank or the Recipient, have such records audited by independent auditors acceptable to the World Bank, in accordance with consistently applied auditing standards acceptable to the World Bank and promptly furnish the records as so audited to the Recipient and the World Bank;

(iii) the obligation of the Beneficiary to carry out the Package of Basic Primary Health Care Services or the Package of Health Services-Related Activities in accordance with the provisions of the Anti-Corruption Guidelines and the Safeguard Instruments;

(iv) the obligation of the Beneficiary to carry out the Package of Basic Primary Health Care Services or the Package of Health Services-Related Activities in accordance with the provisions of the Project Operational Manual;

(v) the requirement that the goods, consulting services and non-consulting services to be financed from the proceeds of the Results-Based Payment shall be procured in accordance with procedures ensuring efficiency and economy and shall be used exclusively in the carrying out of the Package of Basic Primary
Health Care Services or the Package of Health Services-Related Activities; and

(vi) the right of the MSPP, on behalf of the Recipient, and of the Recipient in its own right, to: (A) inspect by itself, or jointly with the World Bank, if the World Bank shall so request, the sites included in the Package of Basic Primary Health Care Services or the Package of Health Services-Related Activities, the Beneficiary's operations thereof, and any relevant records and documents; (B) obtain all information as the World Bank shall reasonably request regarding: (1) the administration, operation, and financial condition of the Package of Basic Primary Health Care Services; or (2) the Beneficiary's Package of Health Services-Related Activities; and (C) suspend or terminate the right of the Beneficiary to use the proceeds of the Results-Based Payment, or obtain a refund of all or any part of the amount of the Results-Based Payment then withdrawn, as the case may be, upon failure by the Beneficiary to perform any of its obligations under the Results-Based Payments Agreement.

(b) The Recipient, through the MSPP, shall exercise its rights and carry out its obligations under each Results-Based Payments Agreement in such manner as to protect its interests and those of the World Bank and to accomplish the purposes of the Results-Based Payment, and, except as the World Bank shall otherwise agree, the Recipient through the MSPP, shall not assign, amend, abrogate, terminate or waive, or permit to be assigned, amended, abrogated, terminated or waived, any Results-Based Payments Agreement, or any of their provisions.

4. **External Controls**

(a) The Recipient, through MSPP, shall hire and thereafter maintain throughout the duration of the Project implementation, an independent verification agency, with qualifications, experience, and terms of reference satisfactory to the World Bank ("Independent Verification Agency"), for purposes carrying out an independent verification of the services and activities provided or carried out under the Packages of Basic Primary Health Care Services and the Packages of Health Services-Related Activities.

(b) The Recipient shall cause said independent verification agency to carry out, throughout Project implementation, quarterly verification exercises of the Packages of Basic Primary Health Care Services and the Packages of Health Services-Related Activities, including community surveys, Beneficiary spot checks, verification of data provided and records kept by Beneficiaries in
relation to the Packages of Basic Primary Health Care Services and the Packages of Health Services-Related Activities, and assessments of the quality of health services provided and carried out activities, all in accordance with the provisions of the Project Operational Manual.

D. **Contingent Emergency Response**

1. In order to ensure the proper and timely implementation of Part 4 of the Project aimed to provide immediate response to potential Eligible Emergency, the Recipient shall take all actions required on its behalf to ensure that Part 4 of the Project is carried out in accordance with the following provisions:

   (a) The Recipient shall:

   (i) prepare and furnish to the World Bank or its review and approval, a draft of the Emergency Response Operations Manual setting forth detailed implementation arrangements for Part 4 of the Project, including: (A) designation of, terms of reference for, and resources to be allocated to, the entity to be responsible for coordinating and implementing Part 4 of the Project ("Coordinating Authority"); (B) specific activities which may be included under Part 4 of the Project, the Emergency Expenditures required therefor and the proposed procedures for such inclusion; (C) financial management arrangements under Part 4 of the Project; (D) procurement methods and eligibility procedures for Emergency Expenditures to be financed under Part 4 of the Project; (E) the documentation required for withdrawals of Emergency Expenditures; (F) environmental and social safeguard management frameworks or plans for Part 4 of the Project, consistent with the World Bank’s policies on the matter and the provisions of Section D of this Section I; and (G) any other arrangements necessary to ensure proper coordination and implementation of Part 4 of the Project;

   (ii) afford the World Bank a reasonable opportunity to review and comment on the Emergency Response Operations Manual;

   (iii) thereafter, promptly adopt the Emergency Response Operations Manual as shall have been approved by the World Bank;

   (iv) from time to time, submit recommendations to the World Bank for its consideration for changes and updates of the Emergency Response Operations Manual, as they may become necessary or advisable during Project implementation to allow, if and as
necessary, the inclusion of activities under Part 4 of the Project to respond to an Eligible Emergency;

(v) ensure that Part 4 of the Project is carried out in accordance with the Emergency Response Operations Manual; provided, however, that in the event of any inconsistency between the provisions of the Emergency Response Operations Manual and this Agreement, the provisions of this Agreement shall prevail; and

(vi) not amend, suspend, abrogate, repeal or waive any provision of the Emergency Response Operations Manual without the prior approval by the World Bank.

(b) The Recipient shall, throughout the implementation of Part 4 of the Project, maintain the Coordinating Authority, with staff in adequate numbers and with qualifications and resources satisfactory to the World Bank.

2. The Recipient shall undertake no activities under Part 4 of the Project unless and until the following conditions have been met in respect of said activities:

(a) the Recipient has determined that an Eligible Emergency has occurred, has furnished to the World Bank a request to include said activities in Part 4 of the Project in order to respond to said Eligible Emergency, and the World Bank has agreed with such determination, accepted said request and notified the Recipient thereof; and

(b) the Recipient has prepared and disclosed all safeguards instruments required for said activities, in accordance with the Emergency Response Operations Manual, the World Bank has approved all such instruments, and the Recipient has implemented any actions which are required to be taken under said instruments.

E. Safeguards

1. The Recipient, through the MSPP, shall ensure that the Project is carried out in accordance with the Safeguards Instruments, including the guidelines, rules and procedures defined in said Safeguards Instruments.

2. To this end, if an ESMP or a RAP is required on the basis of the ESMF or the RPF, the Recipient shall specifically take the following actions, in a manner acceptable to the World Bank:

(a) such ESMP or RAP shall be prepared in accordance with the requirements of the ESMF or the RPF, consulted and disclosed locally and furnished to the World Bank for approval; and
(b) the pertinent Project activity shall be carried out in accordance with such ESMP or RAP as approved by the World Bank.

3. The Recipient shall include in the Project Reports referred to in Section II of this Schedule, adequate information on the implementation of the ESMF, the RPF, any ESMP or any RAP, giving details of:

(a) measures taken in furtherance of the Safeguards Instruments, any ESMP or any RAP;

(b) conditions, if any, which interfere or threaten to interfere with the smooth implementation of the Safeguards Instruments, any ESMP or any RAP; and

(c) remedial measures taken or required to be taken to address such conditions and to ensure the continued efficient and effective implementation of the Safeguards Instruments, any ESMP or any RAP.

4. The Recipient shall, in a manner satisfactory to the World Bank, take the following actions:

(a) prior to commencement of any works under the Project:

(i) prepare, in form and substance satisfactory to the World Bank, an ESMP (based on the ESMF) and/or a RAP (based on the RPF) if required;

(ii) thereafter, except as otherwise agreed with the World Bank, submit the said ESMP and/or said RAP (as the case may be), to the World Bank for review and approval;

(iii) subsequently, adopt and disclose, in a manner acceptable to the World Bank, said ESMP and/or said RAP (as the case may be); and

(iv) immediately thereafter, implement said ESMP and/or RAP (as the case may be), all in accordance with their terms and in a manner acceptable to the World Bank and

(b) Except as the World Bank shall otherwise agree in writing, the Recipient shall not amend or waive, or permit to be amended or waived, any provision of any ESMP or any RAP.
Section II.  **Project Monitoring, Reporting and Evaluation**

A.  **Project Reports**

The Recipient shall ensure that each Project Report is furnished to the Bank not later than one (1) month after the end of each calendar semester, covering the calendar semester.

B.  **Financial Management; Financial Reports; Audits**

1.  The Recipient shall ensure that a financial management system is maintained in accordance with the provisions of Section 2.07 of the Standard Conditions.

2.  The Recipient shall ensure that interim unaudited financial reports for the Project are prepared and furnished to the World Bank not later than forty-five (45) days after the end of each calendar quarter, covering said quarter, in form and substance satisfactory to the World Bank.

3.  The Recipient shall have its Financial Statements for the Project audited in accordance with the provisions of Section 2.07 (b) of the Standard Conditions. Each such audit of the Financial Statements shall cover the period of one fiscal year of the Recipient. The audited Financial Statements for each such period shall be furnished to the World Bank not later than six (6) months after the end of such period.

Section III.  **Withdrawal of Grant Proceeds**
