SCHEDULE 1

Project Description

The objective is to provide poor communities and households with greater access to basic socio-economic infrastructure and social safety nets.

The Project consists of the following parts:

**Part A: Infrastructure Sub-projects**

Carrying out Infrastructure Sub-projects designed to facilitate access of the rural population of the Recipient to improved education, health, water and sanitation, secondary roads and other socioeconomic infrastructure.

**Part B: Social safety nets**

1. School Feeding Program

Providing support to supply meals, prepared in compliance with food safety and hygiene norms, to approximately 38,000 children attending primary school in selected poor communities for the Recipient’s 2017/2018 and 2018/2019 academic years.

2. Cash Transfer Program

Carrying out a social cash transfer program designed to support: (a) the consumption of eligible poor and vulnerable Target Households in all five regions of the Recipient’s territory; and (b) provision of training on early childhood development.

**Part C: Capacity building and project management**

1. Grassroots Management Training (GMT)

Carrying out a program of activities aimed at strengthening the capacity of selected local communities to take on the responsibility for implementing development activities including those described under Parts A and B of the Project.

2. Safety Net Systems

Providing technical assistance to: (a) support the development and implementation of the Recipient’s system for targeting poor and vulnerable households; (b) design and develop
the Recipient’s National Social Registry and; (c) support the implementation of a Grievance Redress Mechanism (GRM) for Project purposes.

3. Project Management and Coordination

Project coordination, management, and monitoring, and carrying out of financial audits and periodic evaluations, and financing of Operating Costs.
SCHEDULE 2
Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements.

1. Subsidiary Agreement

   (a) To facilitate the carrying out of the Project, the Recipient shall make the proceeds of the Financing allocated from time to time to the Categories of the table set forth in Section IV.A.2 of this Schedule available to the Project Implementing Entity under a Subsidiary Agreement between the Recipient and the Project Implementing Entity, under terms and conditions approved by the Association ("Subsidiary Agreement").

   (b) The Recipient shall exercise its rights under the Subsidiary Agreement in such manner as to protect the interests of the Recipient and the Association and to accomplish the purposes of the Financing. Except as the Association shall otherwise agree, the Recipient shall not assign, amend, abrogate or waive the Subsidiary Agreement or any of its provisions.

2. Project Steering Committee

   (a) The Recipient shall maintain, at all times during Project implementation, a Project Steering Committee with a mandate, composition and resources satisfactory to the Association ("Project Steering Committee").

   (b) Without limitation upon the provisions of paragraph (a) of Section I.A.1 of this Schedule 2, the Project Steering Committee shall be chaired by a representative from the Recipient’s ministry at the time responsible for community development and shall be comprised of, inter alia, representatives of the Project Implementing Entity as well as the Recipient’s ministries at the time responsible for agriculture, social action, territorial administration, planning, finance, civil society, and community representatives.

   (c) The Project Steering Committee shall be responsible for: (i) reviewing and approving Annual Work Plans and Budgets; (ii) monitoring Project’s progress towards achieving its objective and key indicators; (iii) ensuring inter-ministerial coordination as required for Project implementation; and (iv) providing recommendations to help resolve any difficulties that the Project may face during implementation.
(d) The Project Steering Committee shall meet at least annually and shall be responsible for Project oversight.

B. Anti-Corruption.

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

C. Project Implementation Manual.

1. The Recipient shall prepare, in cooperation with the Project Implementing Entity and under the criteria acceptable to the Association, and adopt the Project Implementation Manual for the Project, setting forth, inter alia, the detailed arrangements and procedures for: (i) institutional coordination and day-to-day execution of the Project; (ii) eligibility criteria for Sub-projects, Beneficiaries, and Cash Transfers; (iii) development, approval, monitoring and evaluation of Sub-projects and terms and conditions of, and procedures for award of, Sub-project Grants and Cash Transfers; (iv) targeting formula and mechanism for selecting Sub-projects, Beneficiaries, and Targeted Households of Cash Transfers; (v) disbursement and financial management; (vi) procurement; (vii) environmental and social safeguards management; and (viii) monitoring, evaluation, reporting and communication.

2. The Recipient shall cause the Project Implementation Entity to carry out the Project in accordance with the Project Implementation Manual, and except as the Association shall otherwise agree, the Recipient shall not assign, amend, abrogate, or waive the Project Implementation Manual, or any provision thereof.

3. In the event of any conflict between the provisions of the Project Implementation Manual and those of this Agreement, the provisions of this Agreement shall prevail.

D. Safeguards.

1. The Recipient, in cooperation with the Project Implementing Entity, shall ensure that the Project (including each Sub-project) shall be implemented in accordance with the Safeguards Instruments, and to that end, if any activity under the Project (including a Sub-project) would require the adoption of any Supplemental Social and Environmental Safeguard Instrument, the Recipient:

   (i) shall prepare (A) such Supplemental Social and Environmental Safeguard Instrument in accordance with the applicable ESMF or RPF; (B) furnish such Supplemental Social and Environmental Safeguard Instrument to the Association for review and approval; and (C) adopt such Supplemental Social and Environmental
Safeguard Instrument as shall have been approved by the Association prior to implementation of the activity; and

(ii) thereafter take such measures as shall be necessary or appropriate to ensure compliance with the requirements of such Supplemental Social and Environmental Safeguard Instrument.

2. Without limitation upon its other reporting obligations under this Agreement, the Recipient shall, for each Supplemental Social and Environmental Safeguard Instrument, regularly collect, compile and furnish to the Association reports in form and substance satisfactory to the Association on the status of compliance with each Supplemental Social and Environmental Safeguard Instrument, as part of the Project Reports, giving details in relation to:

(a) measures taken in furtherance of such Supplemental Social and Environmental Safeguard Instrument;

(b) conditions, if any, which interfere or threaten to interfere with the smooth implementation of such Supplemental Social and Environmental Safeguard Instrument; and

(c) remedial measures taken or required to be taken to address such conditions.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

The Recipient shall monitor and evaluate the progress of the Project and consolidate Project Reports in accordance with the provisions of Section 4.08(b) of the General Conditions and on the basis of indicators set forth in the Project Implementation Manual and acceptable to the Association. Each Project Report shall cover the period of one calendar semester, and shall be furnished to the Association not later than forty-five (45) days after the end of the period covered by such report.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Recipient shall consolidate and furnish to the Association not later than 45 days after the end of each calendar quarter, interim unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.
3. The Recipient shall cause the Financial Statements for the Project to be audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each audit of said Financial Statements shall cover the period of one fiscal year of the Recipient. The audited Financial Statements for each such period shall be furnished to the Association not later than six (6) months after the end of such period.

4. The Recipient shall disclose the audited Financial Statements in a manner acceptable to the Association. The Recipient agrees that upon receipt of the Financial Statements, the Association shall make them available to the public in accordance with the Association’s policy on access to information.

5. The Recipient shall have a technical audit of the delivery of funds for each Cash Transfer under Part B.2 of the Project carried out by auditors acceptable to the Association and according to terms and reference satisfactory to the Association as set forth in the Project Implementation Manual.

Section III. Procurement

A. General

1. Goods, Works and Non-consulting Services. All goods, works and non-consulting services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.

2. Consultants’ Services. All consultants’ services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Section.

3. Definitions. The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular contracts, refer to the corresponding method described in Sections II and III of the Procurement Guidelines, or Sections II, III, IV and V of the Consultant Guidelines, as the case may be.

B. Particular Methods of Procurement of Goods, Works and Non-consulting Services

1. International Competitive Bidding. Except as otherwise provided in paragraph 2 below, goods, works and non-consulting services shall be procured under contracts awarded on the basis of International Competitive Bidding.
2. **Other Methods of Procurement of Goods, Works and Non-consulting Services.** The following table specifies the methods of procurement, other than International Competitive Bidding, which may be used for goods, works and non-consulting services. The Procurement Plan shall specify the circumstances under which such methods may be used:

3. **Requirements for the National Competitive Bidding.** The following additional procedures shall apply to National Competitive Bidding:

(i) Each bidding document and contract financed out of the proceeds of the Financing shall provide that the bidders, suppliers, contractors and their subcontractors, agents, personnel, consultants, service providers, or suppliers shall permit the Association, at its request, to inspect all accounts, records and other documents relating to the submission of bids and contract performance, and to have them audited by auditors appointed by the Association; and the deliberate and material violation of such provision may amount to an obstructive practice as defined in the Procurement Guidelines;

(ii) The invitation to bid shall be advertised in national newspapers with wide circulation;

(iii) The bid evaluation, qualification of bidders and contract award criteria shall be clearly indicated in the bidding documents;

(iv) The bidders shall be given adequate response time (at least four weeks from the date of the invitation to bid or the date of availability of bidding documents, whichever is later) to prepare and submit their bids;

(v) The contracts shall be awarded to the lowest evaluated bid, provided that it is qualified;

(vi) The eligible bidders, including foreign bidders, shall not be precluded from participating; and
(vii) No community preference margin shall be granted to contractors from other country than Recipient's country.

C. **Particular Methods of Procurement of Consultants' Services**

1. **Quality- and Cost-based Selection.** Except as otherwise provided in paragraph 2 below, consultants' services shall be procured under contracts awarded on the basis of Quality and Cost-based Selection.

2. **Other Methods of Procurement of Consultants' Services.** The following table specifies methods of procurement, other than Quality and Cost-based Selection, which may be used for consultants' services. The Procurement Plan shall specify the circumstances under which such methods may be used:
