Amendment to the Grant Agreement

We refer to the Grant Agreement (the Agreement) for the above-mentioned Project, dated December 7, 2010, between the Food and Agricultural Organization (FAO) (“Receiving Organization”) and the International Development Association (“World Bank”) (“Disbursing Organization”) acting as administrator of grant funds provided by Japan under the Japan Social Development Fund (JSDF) for the benefit of Somalia (the “Beneficiary”). We also refer to your letter dated December 27, 2011, requesting for amendment to the Agreement to reflect modifications to the Project activities and the corresponding outcomes.

We are pleased to inform you that the Association concurs with your request and proposes to amend the Agreement as follows-

1. Section 4.5 (c) of Annex A to the Agreement is amended by replacing “June 30, 2012” with “March 31, 2013”.

2. Part B (ii) of Section 1.2 of Annex B is amended by adding the words “refrigerated motor vehicles” immediately after the words “containerized chilled rooms” in the second line of the paragraph.

3. The outcomes table set forth in Annex B to the Agreement is deleted in its entirety and replaced with the table set forth in the Annex to this letter.

All other provisions of the Agreement, except as herein amended, shall remain in full force and effect.
Please indicate your agreement with the foregoing amendment by countersigning on the two original copies of this letter and returning one original countersigned copy to us.
