Dear Ms. So:

I refer to the Contribution Agreement between the U.S. Government, acting through the U.S. Agency for International Development (USAID), and the International Bank for Reconstruction and Development (IBRD), as Trustee of the Trust Fund for the Global Fund to Fight AIDS, Tuberculosis and Malaria (Global Fund), as heretofore acknowledged by the Global Fund.

I am pleased to inform you, on behalf of the U.S. Government, of our intention to make available to IBRD, as Trustee of the Trust Fund, an additional contribution of Four Hundred and Forty Million United States Dollars ($440,000,000) as a grant for the Trust Fund ("Additional Contribution"). With this contribution, our cumulative contribution will be $12,945,624,120.13.

I understand and agree that IBRD shall administer the Additional Contribution in accordance with the terms and conditions of the Amended and Restated Trust Fund Agreement dated as of March 7, 2014 between the Global Fund to Fight AIDS, Tuberculosis and Malaria and IBRD as it may be amended from time to time (the "Trust Fund Agreement") and acknowledge that USAID has received a copy of the Trust Fund Agreement.

USAID will deposit the entire amount of the additional contribution into such bank account designated by IBRD promptly following signatures by all the parties to this Agreement and submission of a payment request by IBRD.

IBRD will disclose this Agreement and related information on this Trust Fund in accordance with the World Bank Policy on Access to Information. By entering into this Agreement, USAID and the Global Fund consent to such disclosure.

This letter shall, upon IBRD’s and the Global Fund’s confirmation in the manner indicated below, constitute an agreement between USAID, IBRD and the Global Fund effective as of the date first above written.
Sincerely,

Irene Koek
