The other elements of the Procurement Plan as required under paragraph 4.4 of the Procurement Regulations are set forth in STEP.

The Bank’s Standard Procurement Documents: shall be used for all contracts subject to international competitive procurement and those contracts as specified in the Procurement Plan tables in STEP.

- I. Standard bidding documents approved by the Association shall be used.

- II. Invitations to bid shall be advertised in at least one (1) widely circulated national daily newspaper and bidding documents shall be made available to prospective bidders, at least twenty-eight (28) days prior to the deadline for the submission of bids.

- VIII. All bidders shall provide bid security or a bid security declaration form as indicated in the bidding documents. A bidder's bid security or the declaration form shall apply only to a specific bid.

- XI. Bids shall not be rejected merely on the basis of a comparison with an official estimate without the prior concurrence of the Association.
- XII. Split award or lottery in award of contracts shall not be carried out. When two (2) or more bidders quote the same price, an investigation shall be made to determine any evidence of collusion, following which: (A) if collusion is determined, the parties involved shall be disqualified and the award shall then be made to the next lowest evaluated and qualified bidder; and (B) if no evidence of collusion can be confirmed, then fresh bids shall be invited after receiving the concurrence of the Association;
- XIII. Contracts shall be awarded to the lowest evaluated bidders within the initial period of bid validity so that extensions are not necessary. Extension of bid validity may be sought only under exceptional circumstances.

- XVII. All contractors or suppliers shall provide performance security as indicated in the contract documents. A contractor’s or a supplier’s performance security shall apply to a specific contract under which it was furnished.
