Project Description

The objective of the Project is to support the Recipient in the development of the Municipality of Maputo through the strengthening of City Council of Maputo’s institutional and financial capacity to achieve long term service delivery goals and to implement selected priority investments.

The Project constitutes the first phase of the Program, and consists of the following parts:

Part A: Institutional Development and Municipal Governance

1. Institutional Reform and Strengthening.

(a) Development and implementation of an institutional reform and capacity building program and of strategic planning processes.

(b) Establishment of an integrated human resource management system and staffing structure.

(c) Support for staff recruitment of a number no larger than 200 for a period of no longer than 24 months for each contract.

(d) Support for retention of the staff mentioned under c) above following the period referred to therein.

(e) Support for increased remuneration for Project Implementing Entity’s existing staff.

(f) Training of municipal staff on municipal norms and governance, cross-cutting municipal systems and procedures, and job-specific professional competencies.

(g) Establishment and operation of municipal information systems for staff communication and for document management, including the creation of an internet page.

(h) Carrying out of rehabilitation works for the Project Implementing Entity’s offices.

(i) Incremental Operating Costs for the Project.
2. **Improved Municipal Governance.**

(a) Development and implementation of a communication strategy including dissemination and information campaigns and civil society consultations.

(b) Carrying out of annual municipal report card surveys.

(c) Training to Project Implementing Entity staff and Municipal Assembly members on all aspects of municipal management and oversight.

(d) Development of partnerships between the Project Implementing Entity and both key public sector actors and private sector firms to provide investment and management capacity for improved municipal services.

**Part B. Municipal Finance**

1. **Improved Revenue Collection**

(a) Design of systems for assessing properties and billing, distributing and collecting taxes and fees, including arrears and fines.

(b) Design and implementation of a single consolidated database for local taxes and fees.

(c) Carrying out of: (i) a communications’ campaign to make tax legislation accessible to citizens; (ii) property tax bills distribution; (iii) the reassessment of about 14,000 high value properties; and (iv) fundraising and management activities for grants and donations.

(d) Carrying out of training to municipal staff on tax and fees revenue collection.

2. **Improved Expenditure Management**

(a) Carrying out of an analysis to assess the current financial systems of the municipality.

(b) Design, implement and support an integrated financial management system.

(c) Design of mechanisms for the procurement and management of municipal assets.

(d) Establishment of a procurement department and training of its staff.

(e) Dissemination of the guidelines, procedures and norms of the integrated financial management system.
(f) Carrying out of training to the Project Implementing Entity staff to perform financial and performance audits, budget planning and execution, financial and asset management, and internal controls.

(g) Support for international study trips for municipal staff to observe the operation of integrated financial management systems in a number of municipalities.

(h) Carrying out of audits for the Project.

Part C: Planning, Infrastructure Rehabilitation and Service Delivery Improvements

1. Planning and Management of Urban Space

(a) Carrying out of a review of the Urban Development Plan for the metropolitan areas of Maputo and Matola.

(b) Design of an urban plan for the area within the boundaries defined by the Port of Maputo, Avenue Josina Machel, Ponta Vermelha and Marginal Avenue.

(c) Design of a territorial urbanization plan for the neighborhood of Magoanine.

(d) Design of a territorial urban plan for the neighborhood of Zimpeto.

(e) Design and implementation of an information management system for Maputo with spatial geo-referencing, for land use rights, ownership and infrastructure planning; including: (i) the carrying out of training of local technicians, and (ii) the development of an urban space planning and management strategy and relevant implementation plan.

(f) Design of an ecological zoning plan and a plan for the protection of environmental reserves in Maputo.

2. Infrastructure Rehabilitation

(a) Implementation of a 5.6 km long urban transport corridor for connecting the neighborhoods of Magoanine, Albasine, and Guava to the existing road system.

(b) Design of a plan and specifications for access roads to outlying neighborhoods.

(c) Carrying out of independent supervision of highways.

(d) Development of project design and inspection procedures for Maputo’s traffic light system.

(e) Carrying out of works to complete Maputo’s traffic lights system.
(f) Design of an implementation strategy for a maintenance program for the Project Implementing Entity.

(g) Installation and/or connection of public lights on about 30 kilometers of streets in suburban areas.

(h) Carrying out of works for the construction and rehabilitation of market premises and structures.

(i) Carrying out of works for the construction of an additional cemetery for Maputo and support for any resulting displacement of persons as per the RPF.

(j) Carrying out of rehabilitation works for Maputo’s sewage systems, roads and overhead crossings.

3. **Improvements in Solid Waste Management Services**

(a) Collection of solid waste in Maputo’s urban, suburban and marginal zones including those from markets.

(b) Transportation and disposal of solid waste collected in Maputo.

(c) Elimination of informal dumps.

(d) Establishment of an upgraded refuse dump.

(e) Carrying out of works to rehabilitate workshops and offices for the solid waste management department.
SCHEDULE 2

Project Execution

Section I. Subsidiary Financing; Institutional and Other Arrangements

A. Subsidiary Agreement

1. To facilitate the carrying out of the Project by the Project Implementing Entity, the Recipient shall make the proceeds of the Financing available to the Project Implementing Entity under a subsidiary agreement between the Recipient and the Project Implementing Entity, under terms and conditions approved by the Association.

2. The Recipient shall exercise its rights under the Subsidiary Agreement in such manner as to protect the interests of the Recipient and the Association and to accomplish the purposes of the Financing. Except as the Association shall otherwise agree, the Recipient shall not assign, amend, surrogate or waive the Subsidiary Agreement or any of its provisions.

B. Institutional Arrangements

The Recipient shall maintain City Council of Maputo as the Project Implementing Entity, with the overall responsibility for the implementation, coordination and oversight of the Project.

C. ESMF and RPF

1. The Recipient shall: (i) cause the Project Implementing Entity to carry out the Project in accordance with the guidelines, rules and procedures defined in the ESMF and the RPF and in a manner satisfactory to the Association; and (ii) maintain an environmental management officer with responsibility for implementing the ESMF and RPF for all applicable activities undertaken throughout the Project.

2. Except as the Recipient and the Association may otherwise agree in writing, the Recipient shall not abrogate, amend, repeal, suspend, waive or otherwise fail to enforce the ESMF and the RPF referred to in sub-paragraph (1) of this paragraph or any provision thereof.

3. In case of any conflict between the terms of the ESMF and the RPF referred to in sub-paragraph (1) of this paragraph and those of this Agreement, the terms of this Agreement shall prevail.
Section II. Project Monitoring, Reporting, Evaluation

A. Project Reports.

The Recipient shall cause the Project Implementing Entity to monitor and evaluate the progress of the Project and prepare Project Reports in accordance *inter alia* with the provisions of Section 4.08 of the General Conditions; and for purposes of Section 4.08 (c) of the General Conditions, to furnish the report and related plan to the Association not later than six months before the Closing Date.

The Recipient shall cause the Project Implementing Entity to: (i) maintain a financial management system in accordance with the provisions of Section 4.09 of the General Conditions; (ii) prepare interim un-audited financial reports for the Project; and (iii) have its Financial Statements audited in accordance with the provisions of Section 4.09 (b) of the General Conditions as per Section II.B(1) of the Schedule to the Project Agreement.

Section III. Procurement

A. General.

1. Goods, Works and Services (other than Consultants’ Services). All goods, works and Services (other than Consultants’ Services) required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Schedule.

2. Consultants’ Services. All consultants’ services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Schedule.

3. Definitions. The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular contracts, refer to the corresponding method described in the Procurement Guidelines, or Consultant Guidelines, as the case may be.

B. Particular Methods of Procurement of Goods, Works and Services

1. International Competitive Bidding. Except as otherwise provided in paragraph 2 below, goods and works shall be procured under contracts awarded on the basis of International Competitive Bidding. Domestic preference for locally manufactured goods shall be applied without limitation to the nationality of the good’s manufacturer.
2. **Other Methods of Procurement of Goods, Works and Services (other than Consultants’ Services).** The following table specifies the methods of procurement, other than International Competitive Bidding, which may be used for goods, works and services (other than consultants’ services).
