SCHEDULE 1

Project Description

The objective of the Project is to improve the competitiveness of agriculture and fisheries in Montenegro through enhanced delivery of Borrower’s support in alignment with EU accession requirements.

The Project consists of the following parts:

Part A. Strengthening MARD Agriculture, Rural Development and Fisheries Programs

1. Increasing and diversifying income generation opportunities through grants for rural development, agriculture and fisheries Sub-projects, including through the following:

   Provision of agriculture, rural development and fisheries Grants to Beneficiaries to carry out target measures and implement direct support for rural development measures, including through, inter alia: (a) piloting further EU IPARD-like measures; (b) implementing direct payment measures towards harmonization with EU Common Agricultural Policy (CAP); (c) supporting production and processing associations/collection centers; and (d) carrying out fisheries investments in preparation for the implementation of the European Maritime Fisheries Fund (EMFF).

2. Strengthening MARD towards fulfilling EU accession requirements, including through the following:

   (a) Strengthening the Directorate for Payments (DfP) management capacity and development of the IACS applications; (b) strengthening the Advisory Services and DfP system at the regional level; (c) upgrading offices for DfP and the Advisory Services, including through carrying out of works for rehabilitation of existing offices, provision of equipment and necessary hardware and software installation; and (d) strengthening capacity of the Department of Rural Development (DfRD), Department of Agriculture (DfA) and DfP.

Part B. Support for the Food Safety, Veterinary and Phytosanitary Services

1. Safe management of animal by-products (ABPs), including through the following:

   (a) establishment of a comprehensive system for the processing and/or disposal for ABPs through the design of a control system for the safe management of ABPs;

   (b) carrying out of training to inspectors and business operators in alignment with the relevant food safety provisions of the EU acquis; and

   (c) carrying out of public information and awareness activities addressed at food production/processing industry.
2. Strengthening the diagnostic capacity of MARD’s phytosanitary laboratory, through:
   (a) preparing the designs for the construction of laboratory facilities, including the carrying out of related works, as well as provision of laboratory equipment and laboratory furniture;
   (b) development of an instrument to ensure efficient inter-agency collaboration between the AFSVPA and the NRL; and
   (c) support NRL to obtain accreditation of priority tests and methods and strengthen its institutional capacity.

3. Support to inspectors of the AFSVPA to implement effectively the enhanced official risk-based food safety control regime.

**Part C. Modernization of the Fisheries Sector**

1. Development of a network of landing sites with enhanced access to auxiliary services, including through the design of infrastructure improvement and subsequent carrying out of works for rehabilitation of existing infrastructure in the port cities of: a) Bar; b) Herceg Novi; and c) other localities in which fishing landing sites may be developed.

2. Support to the MARD’s Directorate for Fisheries and association of fishermen to enhance the productive capacity of the sector and strengthen institutional capacity.

**Part D. Project Management**

Strengthening the Borrower’s Project management, monitoring and evaluation and safeguards’ capacity through the provision of goods, consulting services and Training, audits and Operating Costs.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements

1. The Borrower shall maintain, throughout the duration of the Project, (a) the Project Steering Committee and (b) the Project Management Team, all with a composition and terms of reference acceptable to the Bank.

2. The Borrower shall maintain, throughout the duration of the Project, the TSU with a composition, staff, resources and terms of reference acceptable to the Bank.

3. The Borrower, through TSU, shall be responsible for procurement, financial management and disbursement activities under the Project in accordance with the provisions of this Agreement, the Project Operational Manual, the Grant Operational Manuals, the Project Procurement Strategy for Development and the Procurement Plan, and, to this end, the Borrower shall maintain, throughout the duration of the Project, the TSU with a composition, staff, resources, and terms of reference acceptable to the Bank.

4. The Borrower shall carry out the Project in accordance with this Agreement, the Project Operational Manual and the Grant Operational Manuals, and shall not amend, suspend, abrogate, repeal or waive any provision of said manuals without the prior written approval of the Bank. In case of any discrepancy between the terms of said manuals and those of this Agreement, those of this Agreement shall prevail.

B. Sub-projects

1. The Borrower shall select, appraise, implement, and evaluate Sub-projects under Part A.1 of the Project in accordance with the principles, procedures and requirements set forth in the Grant Operational Manuals, Procurement Regulations, Anti-Corruption Guidelines, and the ESMF.

2. The Borrower shall provide each Grant under a Grant Agreement with the respective Beneficiary on terms and conditions satisfactory to the Bank, which shall include the following:

   (a) the Grant shall be denominated in EUR; and

   (b) the Borrower shall obtain rights adequate to protect its interests and those of the Bank, including the right to:

      (i) suspend or terminate the right of the Beneficiary to use the proceeds of the Grant, or obtain a refund of all or any part of the amount of the Grant, upon the Beneficiary’s failure to perform any of its obligations under the Grant Agreement; and
(ii) require each Beneficiary to: (A) carry out its Sub-project with due diligence and efficiency and in accordance with sound technical, economic, financial, managerial, environmental, and social standards and practices satisfactory to the Bank, including in accordance with the provisions of the Anti-Corruption Guidelines applicable to recipients of loan proceeds other than the Borrower, and the ESMF; (B) provide, promptly as needed, the resources required for the purpose; (C) procure the goods, works and services to be financed out of the Grant in accordance with the provisions of this Agreement, and the Procurement Regulations; (D) maintain policies and procedures adequate to enable it to monitor and evaluate in accordance with indicators acceptable to the Bank, the progress of the Sub-project and the achievement of its objectives; (E) (1) maintain a financial management system and prepare financial statements in accordance with consistently applied accounting standards acceptable to the Bank, both in a manner adequate to reflect the operations, resources and expenditures related to the Sub-project; and (2) at the Bank’s or the Borrower’s request, have such financial statements audited by independent auditors acceptable to the Bank, in accordance with consistently applied auditing standards acceptable to the Bank, and promptly furnish the statements as so audited to the Borrower and the Bank; (F) enable the Borrower and the Bank to inspect the Sub-project, its operation and any relevant records and documents; and (G) prepare and furnish to the Borrower and the Bank all such information as the Borrower or the Bank shall reasonably request relating to the foregoing.

3. The Borrower shall exercise its rights and carry out its obligations under each Grant Agreement in such manner as to protect the interests of the Borrower and the Bank and to accomplish the purposes of the Loan. Except as the Bank shall otherwise agree, the Borrower shall not assign, amend, abrogate or waive any Grant Agreement or any of its provisions.

C. Safeguards

1. The Borrower shall carry out the Project in accordance with the ESMF as applicable, and shall not amend, suspend, abrogate, repeal or waive any of their provisions without the prior written approval of the Bank.

2. The Borrower shall ensure that no Loan proceeds are used to finance: (a) infrastructure that directly uses or discharges into International Waterways; (b) activities that correspond to a Category A Project or require a full environmental impact assessment under the Borrower’s laws; and (c) purchase of pesticides, or investments or activities involving Involuntary Resettlement.

Section II. Project Monitoring, Reporting and Evaluation

The Borrower shall furnish to the Bank each Project Report not later than thirty (30) days after the end of each calendar semester, covering the calendar semester.
Section III. Withdrawal of Loan Proceeds

A. General

Without limitation upon the provisions of Article II of the General Conditions and in accordance with the Disbursement and Financial Information Letter, the Borrower may withdraw the proceeds of the Loan to: (a) finance Eligible Expenditures; and (b) pay: (i) the Front-end Fee; and (ii) each Interest Rate Cap or Interest Rate Collar premium in the amount allocated and, if applicable, up to the percentage set forth against each Category of the following table:
