Financing Agreement

(Center and Artibonite Regional Development Project)

between

REPUBLIC OF HAITI

and

INTERNATIONAL DEVELOPMENT ASSOCIATION

Dated July 9, 2014
GRANT NUMBER H950-HT

FINANCING AGREEMENT

AGREEMENT dated July 9, 2014, entered into between the REPUBLIC OF HAITI ("Recipient") and the INTERNATIONAL DEVELOPMENT ASSOCIATION ("Association").

WHEREAS by a grant agreement ("SCF-PPCR Grant Agreement") of even date herewith between the Recipient and the International Bank for Reconstruction and Development and the International Development Association, (the World Bank), acting as an implementing entity of the Pilot Program for Climate Resilience under the Strategic Climate Fund, the World Bank has agreed to make a grant to the Recipient to assist in financing Parts A, B.1 and C of the Project on the terms and conditions set forth in the SCF-PPCR Grant Agreement.

The Recipient and the Association hereby agree as follows:

ARTICLE I — GENERAL CONDITIONS; DEFINITIONS

1.01. The General Conditions (as defined in the Appendix to this Agreement) constitute an integral part of this Agreement.

1.02. Unless the context requires otherwise, the capitalized terms used in this Agreement have the meanings ascribed to them in the General Conditions, or in the Appendix to this Agreement.

ARTICLE II — FINANCING

2.01. The Association agrees to extend to the Recipient, on the terms and conditions set forth or referred to in this Agreement, a grant in an amount equivalent to thirty-two million four hundred thousand Special Drawing Rights (SDR 32,400,000) ("Financing"), to assist in financing the Parts A.1, A.2, A.3, B, C, D and E of the project described in Schedule 1 to this Agreement ("Project").

2.02. The Recipient may withdraw the proceeds of the Financing in accordance with Section IV of Schedule 2 to this Agreement.
2.03. The Maximum Commitment Charge Rate payable by the Recipient on the Unwithdrawn Financing Balance shall be one-half of one percent (1/2 of 1%) per annum.

2.04. The Payment Dates are February 15 and August 15 in each year.

2.05. The Payment Currency is the Dollar.

ARTICLE III — PROJECT

3.01. The Recipient declares its commitment to the objective of the Project. To this end, the Recipient shall carry out: (a) Parts A, B, C and E of the Project through MEF; and (b) Part D of the Project through the Coordinating Authority, all in accordance with the provisions of Article IV of the General Conditions.

3.02. Without limitation upon the provisions of Section 3.01 of this Agreement, and except as the Recipient and the Association shall otherwise agree, the Recipient shall ensure that the Project is carried out in accordance with the provisions of Schedule 2 to this Agreement.

ARTICLE IV — EFFECTIVENESS; TERMINATION

4.01. The Additional Conditions of Effectiveness consist of the following:

(a) The SCF-PPCR Grant Agreement has been executed and delivered, and all conditions precedent to the effectiveness or to the right of the Recipient to make withdrawals under said SCF-PPCR Grant Agreement (other than the effectiveness of this Agreement), have been fulfilled.

(b) The Recipient has prepared, adopted and disclosed, in form and substance satisfactory to the Association, the ESMF and RPF.

(c) The Recipient has adopted, in form and substance satisfactory to the Association, the Operations Manual.

4.02. The Effectiveness Deadline is the date ninety (90) days after the date of this Agreement, but in no case later than the eighteen (18) months after the Association's approval of the Financing which expires on November 19, 2015.
4.03. For purposes of Section 8.05 (b) of the General Conditions, the date on which the obligations of the Recipient under this Agreement (other than those providing for payment obligations) shall terminate is twenty (20) years after the date of this Agreement.

ARTICLE V — REPRESENTATIVE; ADDRESSES

SCHEDULE 1

Project Description

The objectives of the Project are to: (a) support the development of the Centre Artibonite Loop region, primarily by enhancing all-weather connectivity and logistics for producers and the region’s resilience to climate change; and (b) support the Recipient’s capacity to respond promptly and effectively to an Eligible Emergency, as needed.

The Project consists of the following parts:

Part A: Enhancing Logistics and Transport Connectivity and Climate Resilience

1. Strengthening the regional connectivity, logistics and the climate resilience of the road network through the rehabilitation and/or construction of: (a) vulnerable road sections, bridges, river crossings, and critical spots along three major connecting roads: (i) outbound to the capital/South (Saut d’Eau–Titanyen); (ii) outbound to the North (Dessalines–Saint Michel–Saint Raphael); (iii) internal corridor West-East across the loop (Maïssade–Hinche); (b) critical sections of primary, secondary and tertiary roads selected on the basis of the vulnerability assessment to be carried out under Part C.1(a) of the Project; (c) tertiary roads selected based on a participatory decision-making mechanism; and (d) basic infrastructure along such roads, all through the carrying out of works and the provision of goods and consultants’ services.

2. Improving the rural road network and the climate resilience thereof through: (a) the rehabilitation or upgrading of feeder roads and rural pathways selected based on a participatory decision-making mechanism; and (b) the rehabilitation and construction of small logistical facilities, all through the carrying out of works and the provision of goods and consultants’ services.

3. Strengthening the road maintenance capacity and mechanisms through: (a) the preparation and adoption of a regional road maintenance strategy and guidelines as well as the provision of Training to MTPTC; (b) the rehabilitation of road maintenance centers in Hinche and Mirebalais; (c) the construction of a road maintenance center in Saint Michel; and (d) the development of new road maintenance micro-enterprises and community-based organizations and enhancing the capacity of existing micro-enterprises and community-based organizations, through carrying out of works and the provision of goods, consultants’ services and Training.

4. Developing technical guidelines and training programs for the incorporation of climate resilience in the design of road infrastructure, through the provision of goods, consultants’ services and Training.
Part B: Improving Infrastructure and Management Capacity of Markets

1. The rehabilitation and/or construction of selected urban markets and the associated facilities, and the improvement of their climate resilience and management capacity, through the carrying out of works and the provision of goods, consultants' services and Training.

2. The rehabilitation and/or construction of rural markets and the associated facilities selected based on a participatory decision-making mechanism and the improvement of their management capacity, through the carrying out of works and the provision of goods, consultants’ services and Training.

Part C: Supporting the Development of Regional Knowledge, Planning Capacity and Local Participation

1. Supporting the development of regional knowledge including climate resilience aspects through: (a) the carrying out of a vulnerability assessment of the road network; (b) the preparation of studies, plans and guidelines; (c) the development of information systems; (d) the provision of technical assistance to strengthen the capacity of CIAT-ES; and (e) the development of a dashboard tool capturing key development indicators and investments at the regional level, all through the provision of goods and consultants’ services.

2. Supporting the development of regional planning capacity including climate resilience mainstreaming and local participation through: (a) the preparation of a regional programmatic development agenda; (b) supporting the implementation of the participatory decision-making mechanism at the local level to identify local priorities and investments; and (c) enhancing the capacity of existing local CTDs, the technical services of selected municipalities, the CASECs and community-based organizations through the carrying out of small works and the provision of goods, consultants’ services and Training.

Part D: Contingent Emergency Response

Provision of support to respond to an Eligible Emergency, as needed.

Part E: Project Implementation, Evaluation and Monitoring

Provision of support to MEF, CIAT-ES, MTPTC and MARNDR for Project management, monitoring and evaluation, through the carrying out of small works and the provision of goods, consultants’ services, Training and Operating Costs.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements

1. The Recipient shall vest the overall responsibility for the implementation of the Project in MEF. The Recipient shall ensure that MEF, on behalf of MTPTC, MARNDR and CIAT-ES shall carry out Parts A, B, C and E of the Project in accordance with the Operations Manual and, except as the Association shall otherwise agree, shall not amend or waive any provision of the Operations Manual if, in the opinion of the Association, such amendment or waiver may materially and adversely affect the carrying out of Parts A, B, C and E of the Project or the achievement of the objectives thereof. In case of any conflict between the terms of this Agreement and those of the Operations Manual, the terms of this Agreement shall prevail. The Operations Manual shall include provisions detailing procedures and guidelines for the carrying out of the Project, including, *inter alia*:

   (a) the detailed description of Parts A, B, C and E of the Project implementation activities, including their sequencing and the prospective timetable and benchmarks in relation thereto, as well as the detailed institutional arrangements in respect thereof;

   (b) Parts A, B, C and E of the Project's administrative, accounting, auditing, reporting, financial, procurement and disbursement procedures, including all pertinent standard documents and model contracts in relation thereto;

   (c) procurement and contracting procedures consistent with Section III of this Schedule, to be applicable to the contracts for works, goods, non-consulting services and services required for Parts A, B, C and E of the Project and to be financed out of the proceeds of the Financing;

   (d) the plan and procedures for the monitoring and supervision of Parts A, B, C and E of the Project, including all environmental, economic and social aspects in relation thereto;

   (e) the procedures for the review and approval of Financing proceeds withdrawal applications to the Association, in conformity with the instructions that the Association may give to the Recipient in this respect; and

   (f) the performance monitoring indicators for Parts A, B, C and E of the Project.
2. For the purpose of carrying out Parts A, B, C and E of the Project, the Recipient through MEF, shall, by not later than one month as of the Effective Date of this Agreement, enter into appropriate institutional arrangements, satisfactory to the Association (the Institutional Arrangements) with MTPTC, MARNDR and CIAT-ES. The said arrangements shall, in accordance with the Operations Manual include, *inter alia*, that:

(a) MEF shall on behalf of MTPTC, MARNDR and CIAT-ES, maintain UTE within MEF for the management of fiduciary aspects of Parts A, B, C and E of the Project. To this end, MEF shall cause UTE to: (i) appoint a Project director, a procurement specialist, an environmental specialist, and a social specialist with qualifications, experience and terms of reference acceptable to the Association, to coordinate with the MTPTC, MARNDR and CIAT-ES the management of the fiduciary aspects and to ensure that the procurement of works, goods, consultants’ services and non-consulting services under the Project is conducted as per the Procurement Guidelines and Consultant Guidelines; (ii) enter into contracts with contractors and/or goods and/or service providers under terms and conditions acceptable to the Association; (iii) without limitation to the provisions of Section II.A of this Schedule, prepare, maintain and submit semi-annual Project progress reports to MTPTC, MARNDR and CIAT-ES; (iv) prepare Financial Statements; (v) have the said Financial Statements audited in accordance with the provisions of Section II.B.3 of this Schedule; (vi) coordinate with MTPTC, MARNDR and CIAT-ES and ensure that documents, reports and information are promptly provided to MTPTC, MARNDR and CIAT-ES; (vii) ensure that the Project is carried out in accordance with sound administrative, engineering, accounting and environmental standards pursuant to the provisions of this Agreement, the applicable Safeguards Documents, the Anti-Corruption Guidelines and the Operations Manual; (viii) make available to MTPTC, MARNDR, CIAT-ES and the Project auditors referred to in Section 4.09(b)(i) of the General Conditions, all documents, books, and records pertaining to the Project activities; and (ix) respond to queries, report findings and comments by MTPTC, MARNDR, CIAT-ES and the Project auditors referred to in Section 4.09(b)(i) of the General Conditions;

(b) in accordance with the Operations Manual, MTPTC, MARNDR and CIAT-ES shall promptly provide: (i) technical guidance and support to UTE; and (ii) documents, reports and information required for the preparation of the Project progress reports.

3. The Recipient shall, through UTE: (a) appoint a Project infrastructure engineer on behalf of UCE; and (b) appoint a Project technical officer on behalf of CIAT-ES.
4. For the purpose of ensuring the proper coordination and execution of the Project, the Recipient shall operate and maintain a committee (the Steering Committee), within UTE, throughout the duration of the Project. The Steering Committee shall be chaired by the executive secretary of CIAT, with membership consisting, *inter alia*, of representatives of the technical departments and units within MEF, MTPTC, MARND and CIAT, as well as representatives of local stakeholders, as set forth in the Operations Manual. The functions of the Steering Committee include, *inter alia*: (a) ensure consistency of activities with the achievement of Project objectives; and (b) review annual monitoring reports and Project audits to validate recommendations for improvement and take appropriate actions in support of implementation, all in accordance with the Operations Manual.

5. The Recipient shall have the road maintenance centers established or to be established in Hinche, Mirebalais and Saint Michel, staffed and equipped in a manner satisfactory to the Association throughout the duration of the Project.

6. The Recipient shall, throughout the duration of the Project, periodically add the roads which are rehabilitated under Part A.1 of the Project to the subsequent updated list of eligible roads under the Road Maintenance Fund.

**B. Anti-Corruption**

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

**C. Safeguards**

1. The Recipient shall ensure that the Project is carried out in accordance with the provisions of the ESMF, EMP(s), RPF and RAP(s). The Recipient shall not assign, amend, abrogate or waive the ESMF, EMP(s), RPF and/or RAP(s) or any provision thereof, without the prior approval of the Association.

2. For purposes of carrying out any works under the Project, the Recipient shall: (a) prior to the issuance of the bidding documents for the works contract for each site, prepare and submit to the Association for its approval: (i) the proposed design and site for said works and, the related site-specific EMP in form and substance satisfactory to the Association; and (ii) the draft contract for said works to ensure that the provisions of the said site-specific EMP are adequately included in said contract; (b) if applicable, prior to the signing of the contract for said works, prepare and submit to the Association for its approval, the site-specific land acquisition and/or resettlement action plan(s) (RAP(s)), in form and substance satisfactory to the Association; and (c) if applicable, prior to the commencement of the works, ensure that the pertinent RAP has been implemented in accordance with its terms and in a manner acceptable to the Association.
3. The Recipient shall: (a) ensure that all activities undertaken for the purpose of carrying out of the Project comply with environmental standards and guidelines satisfactory to the Association; (b) ensure that the selection of any site under the Project is done in accordance with the provisions of the ESMF; (c) ensure the complete implementation of the EMPs in a manner acceptable to the Association, including all necessary measures to minimize and to mitigate any adverse environmental impacts caused by the implementation of the Project; and (d) maintain UTE's environmental unit with competent staff in adequate numbers and with such responsibilities and functions acceptable to the Association, as shall enable UTE to manage, coordinate and monitor the implementation of the EMPs.

4. The Recipient shall: (a) ensure that UTE prepares RAPs according to the RPF; (b) maintain or cause to be maintained by UTE, and publicize or cause to be publicized by UTE, the availability of, grievance procedures to hear and determine fairly and in good faith, in accordance with the RPF, all complaints raised in relation to the implementation of the RAPs by those being resettled (as that term is defined in the RAP) or by those in host communities who are adversely affected by the implementation of the RPF, and take all measures necessary to implement the determinations made under such grievance procedures; (c) cause UTE, to employ a social specialist, satisfactory to the Association, to conduct an ex post review of the implementation of the RAPs; (d) cause UTE, to furnish promptly to the Association, the findings and recommendations for follow up action resulting from each such review; and (e) cause UTE, to implement all such recommendations for follow up action as are agreed with the Association.

5. The Recipient shall include in the Project Reports referred to in Section II.A of this Schedule, adequate information on the implementation of the ESMF, the RPF, any environmental management plan or similar safeguard instrument, and any RAP, giving details of:

(a) measures taken in furtherance of the ESMF, the RPF, any environmental assessment or similar safeguard instrument, and any RAP;

(b) conditions, if any, which interfere or threaten to interfere with the smooth implementation of the ESMF, the RPF, any environmental management plan or similar safeguard instrument, and any RAP; and

(c) remedial measures taken or required to be taken to address such conditions and to ensure the continued efficient and effective implementation of the ESMF, the RPF, any environmental management plan or similar safeguard instrument, and any RAP.
6. For purposes of carrying out the Project, the Recipient shall cause UTE to ensure that the terms of reference of any consultancy contract entered under the Project shall be satisfactory to the Association, following its review thereof, and to that end, such terms of reference shall duly incorporate the requirement of the Association’s Safeguards Policies then in force, as applied to the advice conveyed through such technical assistance.

D. Implementation Arrangements for Part D of the Project (Contingent Emergency Response)

1. In order to ensure the proper implementation of Part D of the Project (“CER Part”), the Recipient shall take the following measures:

   (a) prepare and furnish to the Association for its review and approval, an operations manual (“CER Operations Manual”) which shall set forth detailed implementation arrangements for the CER Part, including: (i) designation of terms of reference for, and resources to be allocated to, the entity to be responsible for coordinating and implementing the CER Part (“Coordinating Authority”); (ii) specific activities which may be included in the CER Part, Eligible Expenditures required therefore (“Emergency Expenditures”), and any procedures for such inclusion; (iii) financial management arrangements for the CER Part; (iv) procurement methods and procedures for Emergency Expenditures to be financed under the CER Part; (v) documentation required for withdrawals of Emergency Expenditures; (vi) environmental and social safeguard management frameworks for the CER Part, consistent with the Association’s policies on the matter; and (vii) any other arrangements necessary to ensure proper coordination and implementation of the CER Part;

   (b) afford the Association a reasonable opportunity to review the proposed CER Operations Manual;

   (c) promptly adopt the CER Operations Manual for the CER Part as shall have been approved by the Association;

   (d) ensure that the CER Part is carried out in accordance with the CER Operations Manual; provided, however, that in the event of any inconsistency between the provisions of the CER Operations Manual and this Agreement, the provisions of this Agreement shall prevail; and

   (e) not amend, suspend, abrogate, repeal or waive any provision of the CER Operations Manual without prior approval by the Association.
2. The Recipient shall, throughout the implementation of the CER Part, maintain the Coordinating Authority, with adequate staff and resources satisfactory to the Association.

3. The Recipient shall undertake no activities under the CER Part (and no activities shall be included in the CER Part), unless and until the following conditions have been met in respect of said activities:

(a) the Recipient has determined that an Eligible Emergency has occurred, has furnished to the Association a request to include said activities in the CER Part in order to respond to said Eligible Emergency, and the Association has agreed with such determination, accepted said request and notified the Recipient thereof; and

(b) the Recipient has prepared and disclosed all safeguards instruments required for said activities, in accordance with the CER Operations Manual, the Association has approved all such instruments, and the Recipient has implemented any actions which are required to be taken under said instruments.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

1. The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of indicators set forth in the Operations Manual. Each Project Report shall cover the period of one calendar semester, and shall be furnished to the Association not later than forty-five (45) days after the end of the period covered by such report.

2. For purposes of Section 4.08 (c) of the General Conditions, the report on the execution of the Project and related plan required pursuant to that Section shall be furnished to the Association not later than six months after the Closing Date.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain, or cause to be maintained, a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. The Recipient shall prepare, and furnish to the Association, not later than forty-five (45) days after the end of each calendar semester, interim unaudited financial reports for the Project covering the semester, in form and substance satisfactory to the Association.
3. The Recipient shall have the Project Financial Statements audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one fiscal year of the Recipient, commencing with the fiscal year in which the first withdrawal was made under the Preparation Advance for the Project. The audited Financial Statements for each such period shall be furnished to the Association not later than six months after the end of such period.

4. The Recipient shall appoint an independent auditor, with terms of reference and qualifications acceptable to the Association, in accordance with the provisions of Section III of this Schedule by not later than four (4) months as of the Effective Date.

Section III. Procurement

A. General

1. Goods, Works and Non-consulting Services. All goods, works and non-consulting services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.

2. Consultants' Services. All consultants’ services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Section.

3. Definitions. The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular contracts, refer to the corresponding method described in Sections I and III of the Procurement Guidelines, or Sections II, III, IV and V of the Consultant Guidelines, as the case may be.

B. Particular Methods of Procurement of Goods, Works and Non-consulting Services

1. International Competitive Bidding. Except as otherwise provided in paragraph 2 below, goods, works and non-consulting services shall be procured under contracts awarded on the basis of International Competitive Bidding.

2. Other Methods of Procurement of Goods, Works and Non-consulting Services. The following methods, other than International Competitive Bidding, may be used for procurement of goods, works and non-consulting services for those contracts specified in the Procurement Plan: (a) National Competitive
Bidding; (b) Shopping; (c) Direct Contracting; (d) Force Account; and (e) Procurement from UNOPS.

C. Particular Methods of Procurement of Consultants' Services

1. **Quality- and Cost-based Selection.** Except as otherwise provided in paragraph 2 below, consultants' services shall be procured under contracts awarded on the basis of Quality and Cost-based Selection.

2. **Other Methods of Procurement of Consultants’ Services.** The following methods, other than Quality and Cost-based Selection, may be used for procurement of consultants’ services for those contracts which are specified in the Procurement Plan: (a) Quality-based Selection; (b) Selection under a Fixed Budget; (c) Least Cost Selection; (d) Selection based on Consultants’ Qualifications; (e) Single-source Selection of consulting firms; (f) Procedures set forth in paragraphs 5.2 and 5.3 of the Consultant Guidelines for the Selection of Individual Consultants; and (g) Single-source procedures for the Selection of Individual Consultants.

D. Review by the Association of Procurement Decisions

The Procurement Plan shall set forth those contracts which shall be subject to the Association’s Prior Review. All other contracts shall be subject to Post Review by the Association.

E. Procurement of Emergency Expenditures

Notwithstanding any provision to the contrary in this Section, Emergency Expenditures required for the CER Part of the Project shall be procured in accordance with the procurement methods and procedures set forth in the CER Operations Manual.

**Section IV. Withdrawal of the Proceeds of the Financing**

A. General

1. The Recipient may withdraw the proceeds of the Financing in accordance with the provisions of Article II of the General Conditions, this Section, and such additional instructions as the Association shall specify by notice to the Recipient (including the “World Bank Disbursement Guidelines for Projects” dated May 2006, as revised from time to time by the Association and as made applicable to this Agreement pursuant to such instructions), to finance Eligible Expenditures as set forth in the table in paragraph 2 below.
The following table specifies the categories of Eligible Expenditures that may be financed out of the proceeds of the Financing ("Category"), the allocations of the amounts of the Financing to each Category, and the percentage of expenditures to be financed for Eligible Expenditures in each Category:

B. Withdrawal Conditions; Withdrawal Period

1. Notwithstanding the provisions of Part A of this Section, no withdrawal shall be made:

(a) for payments made prior to the date of this Agreement;

(b) under Category (1)(a), unless and until the Recipient has adopted the regional road maintenance strategy and guidelines referred to in Part A.3(a) of the Project, in form and substance satisfactory to the Association;

(c) under Category (4), for Emergency Expenditures under Part D of the Project, unless and until the Association is satisfied, and notified the Recipient of its satisfaction, that all of the following conditions have been met in respect of said activities:

(i) the Recipient has determined that an Eligible Emergency has occurred, has furnished to the Association a request to include said activities in the CER Part in order to respond to said Eligible Emergency, and the Association has agreed with such determination, accepted said request and notified the Recipient thereof;

(ii) the Recipient has prepared and disclosed all safeguards instruments required for said activities, and the Recipient has implemented any actions which are required to be taken under said instruments, all in accordance with the provisions of Section I.D.3 (b) of this Schedule;

(iii) the Recipient’s Coordinating Authority has adequate staff and resources, in accordance with the provisions of Section I.D.2 of this Schedule, for the purposes of said activities; and

(iv) the Recipient has adopted the CER Operations Manual in form, substance and manner acceptable to the Association and the provisions of the CER Operations Manual remain - or have been updated in accordance with the provisions of Section I.D.1 of this Schedule so as to be appropriate for the inclusion and implementation of said activities under the CER Part.
2. Without limitation to the provisions of Section B.1 (c) immediately above, if no Emergency has occurred for a period of thirty-six months after the Effective Date, or such later date as the Association shall establish, the Association may, upon request of the Recipient and as the Association may deem appropriate, reallocate the proceeds of the Grant allocated to Category (4) to other Categories.

3. The Closing Date is February 28, 2020.
APPENDIX

Definitions

2. "Association’s Safeguard Policies" mean the Association’s operational policies and procedures set forth in the Association’s Operational Manual under OP/BPs 4.01, 4.04, 4.09, 4.10, 4.11, 4.12, 4.36, 4.37, 7.50 and 7.60, as said manual is published under www.WorldBank.org/opmanual.
