For each payment made by the Borrower out of the Forex Account using Credit proceeds, the Borrower shall, at such time as the Association shall reasonably request, furnish to the Association such documents and other evidence showing that such payment was made exclusively for Eligible Expenditures.

5. Notwithstanding the provisions of Part B.1 of this Schedule, the Association shall not be required to make further deposits into the Forex Account:

Unless the Association shall otherwise agree, no further deposit by the Association into the Forex Account shall be made until the Borrower has provided such evidence or made such deposit or refund, as the case may be.
