Federated States of Micronesia

Dear Secretary,

**IDA Grant Number D397-FM**  
**Sustainable Energy Development and Access Project**  
**Additional Instructions: Disbursement and Financial Information Letter**

I refer to the Financing Agreement between the Federated States of Micronesia (the “Recipient”) and the International Development Association (the “Association”) for the above-referenced Project, dated 10 January 2018. The General Conditions, as defined in the Financing Agreement, provide that the Recipient may from time to time request withdrawals of IDA Grant No.397-FM (“Financing”) in accordance with the Disbursement and Financial Information Letter, and such additional instructions as the Association may specify from time to time by notice to the Recipient. The General Conditions also provide that the Disbursement and Financial Information Letter may set out Project specific financial reporting requirements. This letter constitutes such Disbursement and Financial Information Letter (“DFIL”), and may be revised from time to time.

I. Disbursement Arrangements, Withdrawal of Financing Funds, and Reporting of Uses of Financing Funds.

(i) Disbursement Arrangements

- **General Provisions** (Schedule 1). The table in Schedule 1 sets out the disbursement methods which may be used by the Recipient, and conditions, information on registration of authorized signatures, processing of withdrawal applications (including minimum value of applications and processing of advances), instructions on supporting documentation, and frequency of reporting on the Designated Account.

(ii) Electronic Delivery. Section 11.01 (c) of the General Conditions.

The Association may permit the Recipient to electronically deliver applications (with supporting documents) through the Association’s web-based portal ([https://clientconnection.worldbank.org](https://clientconnection.worldbank.org)) “Client
Connection”. This option may be effected if the officials designated in writing by the Recipient who are authorized to sign and deliver Applications have registered as users of “Client Connection”. The designated officials may deliver Applications electronically by completing the Form 2380, which is accessible through “Client Connection”. By signing the Authorized Signatory Letter, the Recipient confirms that it is authorizing such persons to accept Secure Identification Credentials (SIDC) and to deliver the Applications and supporting documents to the Association by electronic means. The Recipient may continue to exercise the option of preparing and delivering Applications in paper form. The Association reserves the right and may, in its sole discretion, temporarily or permanently disallow the electronic delivery of Applications by the Recipient. By designating officials to use SIDC and by choosing to deliver the Applications electronically, the Recipient confirms through the authorized signatory letter its agreement to: (a) abide by the Terms and Conditions of Use of Secure Identification Credentials in connection with Use of Electronic Means to Process Applications and Supporting Documentation, available in the Association’s public website at https://worldbank.org and “Client Connection”; and (b) to cause such official to abide by those terms and conditions.

II. Financial Reports and Audits.

(i) Financial Reports. The Recipient must prepare and furnish to the Association not later than forty-five (45) days after the end of each calendar semester, interim unaudited financial reports (“IFR”) for the Project covering the semester.

(ii) Audits. Each audit of the Financial Statements must cover the period of one fiscal year of the Recipient, commencing with the fiscal year in which the first withdrawal was made. The audited Financial Statements for each such period must be furnished to the Association not later than nine (9) months after the end of such period.

III. Other Information.

For additional information on disbursement arrangements, please refer to the Loan Handbook available on the Association’s website (http://www.worldbank.org/) and “Client Connection”. The Association recommends that you register as a user of “Client Connection”. From this website you will be able to prepare and deliver Applications, monitor the near real-time status of the [Grant] [Credit], and retrieve related policy, financial, and procurement information. For more information about the website and registration arrangements, please contact the Association by email at clientconnection@worldbank.org.
