SCHEDULE 1

Project Description

The objective of the Project is to assist the Recipient in enhancing the quality of education in rural primary schools, grade 1-5, by improving students’ access to, and use of quality learning materials and improving teachers’ skills through promoting professional networks.

The Project consists of the Original Project and the following additional part:

Part D: Provision of XO Laptop Computers to Children for Educational Purposes

1. Provision of XO Laptop Computers and servers, including hardware maintenance and peripherals, to grade 2-5 students in selected rural schools.

3. Provision of training to primary school teachers and school heads on the use of the XO Laptop Computers and ICDL Software for integration across subjects, including operation and maintenance and troubleshooting.

4. Development of a monitoring and impact evaluation system to assess the Project implementation in pilot rural schools and if necessary, to adjust the Project’s implementation modalities.
Section I. Implementation Arrangements

A. Institutional Arrangements

1. The provisions of Section I and II.B of Schedule 2 to the Original Financing Agreement are incorporated by reference in this Agreement and apply, mutatis mutandi, to this Agreement as if they had been reproduced in full.

2. The Recipient undertakes not to distribute any XO Laptop Computer to students, teacher and/or heads of schools until it has designed and adopted a plan for the deployment and distribution of such computers in terms satisfactory to the Association, which plan shall include mechanisms for accountability and oversight.

B. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

Section II. Project Monitoring, Reporting and Evaluation

Project Reports

1. The Recipient shall monitor and evaluate the progress of Part D of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of the indicators set forth below in paragraph 2 of this subsection A. Each Project Report shall cover the period of one (1) calendar semester, and shall be furnished to the Association not later than one (1) month after the end of the period covered by such report.

2. The performance indicators referred to above in sub-paragraph (a) consist of the following:

   (a) two thousand (2000) students in grades 2-5 in selected rural schools, along with teachers and heads of schools, have received XO Laptop Computers connected to servers with customized ICDL Software installed by Closing Date;

   (b) two hundred (200) teachers in selected rural primary schools have received integrated training in effective use of the XO Laptop Computers
and IDCL Software, including basic hardware and software troubleshooting, by Closing Date;

(c) five (5) hours of usage per week of the XO Laptop Computers by students for classroom-related activities and exploration by Closing Date; and

(d) five (5) hours of usage per week of the XO Laptop Computers by teachers for classroom-related activities by Closing Date.

Section III. Procurement

A. General

1. Goods. All goods required for Part D of the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.

2. Consultants’ Services. All consultants’ services required for Part D of the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Section.

3. Definitions. The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular contracts, refer to the corresponding method described in the Procurement Guidelines, or Consultant Guidelines, as the case may be.

B. Particular Methods of Procurement of Goods
