The Credit

Section 2.01. The Association agrees to lend to the Borrower, on the terms and conditions set forth or referred to in the Development Credit Agreement, an amount in various currencies equivalent to one hundred three million and eight hundred thousand Special Drawing Rights (SDR 103, 800,000).

Section 2.02. (a) Subject to the provisions of paragraphs (b) and (c) of this Section, the Borrower shall be entitled to withdraw the proceeds of the Credit from the Credit Account in support of the Program.

(b) Except as the Association may otherwise agree: (i) all withdrawals from the Credit Account shall be deposited by the Association into an account in Dollars designated by the Borrower and acceptable to the Association; and (ii) the Borrower shall ensure that upon each deposit of an amount of the Credit into said account, an equivalent amount is accounted for in the Borrower’s budget management system, in a manner acceptable to the Association.

(c) The Borrower undertakes that the proceeds of the Credit shall not be used to finance expenditures excluded pursuant to the provisions of Schedule 1 to this Agreement. If the Association determines at any time that an amount of the Credit was used to make a payment for an expenditure so excluded, the Borrower shall, promptly upon notice from the Association, refund an amount equal to the amount of said payment to the Association. Amounts refunded to the Association upon such request shall be cancelled.

Section 2.03. The Closing Date shall be June 30, 2006 or such later date as the Association shall establish. The Association shall promptly notify the Borrower of such later date.

Section 2.04. (a) The Borrower shall pay to the Association a commitment charge on the principal amount of the Credit not withdrawn from time to time at a rate to be set by the Association as of June 30 of each year, but not to exceed the rate of one-half of one percent (1/2 of 1%) per annum.

(b) The commitment charge shall accrue: (i) from the date sixty days after the date of this Agreement (the accrual date) to the respective dates on which amounts shall be withdrawn by the Borrower from the Credit Account or cancelled; and (ii) at the rate set as of the June 30 immediately preceding the accrual date and at such other rates as may be set from time to time thereafter pursuant to paragraph (a) above. The rate set as of June 30 in each year shall be applied from the next date in that year specified in Section 2.06 of this Agreement.
(c) The commitment charge shall be paid: (i) at such places as the Association shall reasonably request; (ii) without restrictions of any kind imposed by, or in the territory of, the Borrower; and (iii) in the currency specified in this Agreement for the purposes of Section 4.02 of the General Conditions or in such other eligible currency or currencies as may from time to time be designated or selected pursuant to the provisions of that Section.

Section 2.05. The Borrower shall pay to the Association a service charge at the rate of three-fourths of one percent (3/4 of 1%) per annum on the principal amount of the Credit withdrawn and outstanding from time to time.

Section 2.06. Commitment charges and service charges shall be payable semiannually on January 15 and July 15 in each year.

Section 2.07. (a) Subject to paragraphs (b), (c) and (d) below, the Borrower shall repay the principal amount of the Credit in semiannual installments payable on each January 15 and July 15 commencing January 15, 2016 and ending July 15, 2045. Each installment to and including the installment payable on July 15, 2025 shall be one percent (1%) of such principal amount, and each installment thereafter shall be two percent (2%) of such principal amount.

(b) Whenever: (i) the Borrower’s per capita gross national product (GNP), as determined by the Association, shall have exceeded for three consecutive years the level established annually by the Association for determining eligibility to access the Association’s resources; and (ii) the Bank shall consider the Borrower creditworthy for Bank lending, the Association may, subsequent to the review and approval thereof by the Executive Directors of the Association and after due consideration by the Association of the development of the Borrower’s economy, modify the repayment of installments under paragraph (a) above by:

(A) requiring the Borrower to repay twice the amount of each such installment not yet due until the principal amount of the Credit shall have been repaid; and

(B) requiring the Borrower to commence repayment of the principal amount of the Credit as of the first semiannual payment date referred to in paragraph (a) above falling six months or more after the date on which the Association notifies the Borrower that the events set out in this paragraph (b) have occurred, provided, however, that there shall be a grace period of a minimum of five years on such repayment of principal.
(c) If so requested by the Borrower, the Association may revise the modification referred to in paragraph (b) above to include, in lieu of some or all of the increase in the amounts of such installments, the payment of interest at an annual rate agreed with the Association on the principal amount of the Credit withdrawn and outstanding from time to time, provided that, in the judgment of the Association, such revision shall not change the grant element obtained under the above-mentioned repayment modification.

(d) If, at any time after a modification of terms pursuant to paragraph (b) above, the Association determines that the Borrower’s economic condition has deteriorated significantly, the Association may, if so requested by the Borrower, further modify the terms of repayment to conform to the schedule of installments as provided in paragraph (a) above.

Section 2.08. The currency of the United States of America is hereby specified for the purposes of Section 4.02 of the General Conditions.

(b) Prior to each such exchange of views, the Borrower shall furnish to the Association for its review and comment a report on the progress achieved in carrying out the Program, in such detail as the Association shall reasonably request.

(c) Without limitation upon the provisions of paragraph (a) of this Section, the Borrower shall exchange views with the Association on any proposed action to be taken after the disbursement of the Credit which would have the effect of materially reversing the objectives of the Program, or any action taken under the Program, including any action specified in Schedule 2 to this Agreement.

Section 3.02. Without limitation upon the provisions of Section 9.01(a) of the General Conditions, the Borrower shall promptly furnish to the Association such information relating to the provisions of Article II of this Agreement as the Association may, from time to time, reasonably request.
