Without limitation upon the provisions of Schedule 2 to this Agreement or the Procurement Guidelines, the following additional provisions shall apply to all goods and Non-Consulting Services procured for the Project (pursuant to Section III of Schedule 2 to this Agreement) under contracts awarded on the basis of National Competitive Bidding (“NCB Contracts”):

1. The Recipient shall submit all forms and models of requests for quotations and bidding documents that it or any National Coordinating Agency or Participating Entity proposes to use for the procurement of goods and Non-Consulting Services under NCB Contracts to the World Bank for its approval before it issues its first invitation for bids for any of the NCB Contracts for the Project. Except as the World Bank shall otherwise agree, neither the Recipient nor any National Coordinating Agency or Participating Entity, as applicable, shall revise or otherwise modify or change the bidding documents that have been approved by the World Bank in accordance with the foregoing sentence (the “Approved Bidding Documents”).

2. Each bid shall be evaluated and the corresponding contract awarded to the responsive bidder: (a) who meets the appropriate technical and financial standards or capabilities; and (b) whose bid has been determined to be the lowest evaluated bid. Such determination shall be made exclusively on the basis of the specifications, conditions and evaluation criteria stipulated in the Approved Bidding Documents. If the bid evaluation will consider any factor other than the amount or amounts of each bid, the Approved Bidding Documents will precisely stipulate and describe each such factor, including, inter alia, the manner in which such factor will be quantified and given a relative weight for purposes of determining the lowest evaluated bid. The award of contracts for goods and Non-Consulting Services shall be based exclusively on price and, whenever appropriate, shall also take into account factors similar to those referred to in paragraph 2.52 of the Procurement Guidelines; provided, however, that the bid evaluation shall always be based on factors that can be quantified objectively, and the procedure for such quantification shall be disclosed in the invitation to bid. For purposes of bid evaluation and comparison, the only bid amount or amounts to be used as a factor shall be the bid amount or amounts as quoted in the corresponding bid, as such bid may be corrected by the Recipient, National Coordinating Agency or Participating Entity, as applicable, for arithmetic errors.
3. Bidders that are not located in a Participating Country shall be allowed to participate and shall not, as a condition for participating in the bidding process, be required to:

(a) be registered in a Participating Country’s territory;

(b) have a representative in a Participating Country’s territory;

(c) enter into a joint venture agreement with local bidders; or

(d) legalize their bids or any documentation related to such bids with an embassy or consulate of a Participating Country, a Participating Country’s Ministry of Foreign Affairs, or any other governmental authority or representative of a Participating Country, as a pre-condition to participating in the bidding process.

4. No reference value shall be required for publication in the bidding documents and call for bids.

5. Any standards and technical specifications (quoted in the bidding documents) which are at least substantially equivalent to the standards and technical specifications of the Recipient or such National Coordinating Agency or Participating Entity, as applicable, shall be acceptable.

6. No minimum number of responsive proposals shall be required prior to awarding a contract for goods or Non-Consulting Services.

7. No margin of preference shall be granted for any particular category of bidders.

8. The Recipient, National Coordinating Agency or Participating Entity, as applicable, shall open, or cause the opening of, all bids at the stipulated time and place in accordance with a procedure satisfactory to the World Bank.

9. No other procurement rules or regulations of the Recipient, National Coordinating Agency or Participating Entity shall apply without the prior review and approval of the World Bank.

Section II. Selection of Consultant Services

Without limitation upon the provisions of Schedule 2 to this Agreement or the Consultant Guidelines, the following additional provisions shall apply to all consultants’ services procured for the Project (pursuant to Section III of Schedule 2 to this Agreement):

1. Consultants that are not located in a Participating Country will be allowed to participate and will not, as a condition for participating in the selection process, be required to:
(a) be registered in a Participating Country’s territory;

(b) have a representative in the Participating Country’s territory;

(c) enter into a joint venture agreement with consultants in a Participating Country, unless the conditions stated in paragraph 1.12 of the Consultant Guidelines are met; or

(d) legalize their proposals or any documentation related to such proposals with an embassy or consulate of a Participating Country, Participating Country’s Ministry of Foreign Affairs, or any other governmental authority or representative of Participating Country, as a pre-condition to participating in the selection process.

2. No minimum number of responsive proposals shall be required prior to awarding a contract for consulting services.
