Amendment to the Memorandum of Understanding

Dear Mr. Graymore:

We refer to the Memorandum of Understanding ("MoU") dated March 17, 2010 for the above-referenced Project between the Government of the United Kingdom of Great Britain and Northern Ireland, acting through the Department for International Development ("DFID") and the International Development Association ("Association").

We are pleased to inform you that the Association hereby proposes to amend the Agreement to read as follows:

1. Section 1 of Annex 1 to the MoU is amended to read as follows:

   “The objective of the project is to prepare GSS for institutional reform and to ensure timely and extensive analysis and dissemination of census data”.

2. Section 2.4 of Annex 1 to the MoU is amended to read as follows:

   “2.4: **Supporting the 2010 Census Post Enumeration Activities:**

   2.4.1 Carrying out a program of activities for the 2010 Census post enumeration activities, including, *inter alia*: (i) Census data analysis, report writing and dissemination; (ii) production and dissemination of analytical, thematic, and regional reports from the Census; and (iii) improving capacity of GSS to analyze Census data, all through the provision of technical advisory services, conducting training and workshops.

   2.4.2 Carrying out the 2010 Census post enumeration survey including, *inter alia*: (i) training of field staff; (ii) printing of survey manuals, questionnaires, and other forms; (iii) data collection for 21 days in the Recipient’s territory; and (iv) data capturing, editing, validation and reconciliation.”
3. Section 4.2 of Annex 1 to the MoU shall be amended to read as follows:

“The intermediate outcome indicators for the Project consist of the following:

(a) A legal framework for the NSS with clear roles, responsibilities, reporting line and functions developed;
(b) Institutional framework for the GSS for implementation of the GSDP developed;
(c) Number of staff with competencies in core areas: i) managerial and ii) technical;
(d) All professional staff at GSS HQs have access to internet-based information technology and GSS networks;
(e) GIS used to improve the design, implementation and dissemination of surveys;
(f) The use of concepts, definitions and methodologies across NSS standardized in at least 10 subject matter areas;
(g) Enhanced quality and increased number of statistical products;
(h) National and district population data (and reports) released in a timely manner;
(i) Quality measurement of the 2010 census data determined and information provided to data users; and
(j) Capacity of staff strengthened in data analysis, data processing, data dissemination, database management, and scanning and archiving technology.”

4. The table in Section B of Annex 3 to the MoU shall be amended as set forth in the attachment to this letter.

All provisions of the MoU, as amended herein, shall remain in full force and effect.

Please indicate your agreement with the foregoing amendments to the MoU on behalf of DFID by countersigning and dating the two original copies of this letter and returning one countersigned original to us. The amendments to the MoU shall become effective as of the date of countersignature of this letter.

Very truly yours,
