ANNEX 1

Part II Europe 2020 Programmatic Single-Donor Trust Fund Description

This Annex shall be applicable to and form an integral part of the Administration Agreement for the Trust Fund between the Bank and the Donor.

1. Objectives

The objectives of the Trust Fund are:

The European Commission and the Bank share a common objective of building competitive and sustainable economies and reducing poverty and social exclusion — goals of the Europe 2020 Agenda which is built on three pillars of smart, sustainable and inclusive growth. The European Commission and the Bank concur that direct interaction is beneficial to both institutions and through them to the beneficiary countries. This applies particularly to the provision of analytical, advisory and knowledge services and technical assistance.

The European Commission has expressed an interest in ensuring that the Bank continues to provide technical assistance in the framework of the Trust Fund in furtherance of the common objective set forth above.

2. Activities

The European Commission has expressed an interest in ensuring that the Bank provides technical assistance in the framework of the Trust Fund with the specific objective of supporting the Ministry of Finance of the Czech Republic (MoF) in developing a National Strategy for the Development of the Czech National Market (the National Strategy) that could generate the necessary consensus among relevant stakeholders, and that could be approved by the Czech government, in line with Article 4 and 5.1 (c) of the regulation (EU) 2017/825 of the European Parliament and of the Council dated May 17, 2017 on the establishment of the Structural Reform Support Programme for the period 2017 to 2020 (SRSP Regulation)

The Bank is an international organization that aims to end extreme poverty and boost shared prosperity. Promoting financial sector development is essential to achieve these twin goals, and the Bank assists its member countries to build deep, inclusive, efficient, and stable financial systems in order to achieve these objectives. Capital markets development is at the core of financial sector development and the Bank has gathered substantial expertise in recent years by developing technical assistance programs around these areas, with the goal of developing capital markets and promoting more stable and inclusive financial systems. The expertise acquired by the Bank through financial sector advisory services activities in the EU, together with its broader knowledge on financial sector development, place the Bank in a position to provide the technical assistance described in this Agreement.

The MoF is leading efforts to develop the domestic capital market based on a strong and independent analytical framework. In a first stage, the MoF requested funding from the European Commission to finance a Bank assessment of the country’s capital market, including recommendations for the short, medium and long term. The assessment was delivered to the MoF in July 2017, and presented to the authorities and relevant stakeholders in a dissemination event held in October 2017.
Follow-up work is needed to develop a strategic document and road map for capital market development based on the analysis.

Accordingly under this Agreement, the Bank will provide a critical assessment of a draft National Strategy, and will support the MoF in the discussions with other stakeholders to ensure broad agreement on the strategy. The assessment will be based on the findings and recommendations provided under the Assessment of the Capital Market in the Czech Republic, delivered in July 2017. The work also contemplates one visit to the Czech Republic to discuss the draft strategy, feedback provided by the Bank, and any related outstanding issue that would support the process of approval of the strategy by the MoF.

The findings from the review and analysis of the draft National Strategy, and the discussions held in the field visit will be contained in a final commentary report that will be delivered to the MoF. The final commentary report will comment and provide feedback on the different measures contained in the draft National Strategy, including:

1. Their alignment to the recommendations contained in the Bank Assessment of the Capital Market in the Czech Republic delivered in July 2017.

2. Their relevance towards the overall goal of capital market development.

3. Their expected timeline for implementation.

4. The extent of involvement/responsibility of different stakeholders for their successful implementation.

5. If needed, advice on how to address legal/regulatory impediments for the implementation of the measures.

6. Finally, if any recommendation contained in the assessment mentioned in point 1 above is left out of the draft National Strategy, the report will contain an explanation for their exclusion.

STANDARD PROVISIONS

This Annex shall be applicable to and form an integral part of the Administration Agreement for the Trust Fund between the Bank and the Donor.

1. **Administration of the Contributions**

1.1 The Bank shall be responsible only for performing those functions specifically set forth in this Administration Agreement and shall not be subject to any other duties or responsibilities to the Donor, including, without limitation, any duties or obligations that might otherwise apply to a fiduciary or trustee under general principles of trust or fiduciary law. Nothing in this Administration Agreement shall be considered a waiver of any privileges or immunities of the Bank under its Articles of Agreement or any applicable law, all of which are expressly reserved.

1.2 The Donor's Contribution shall be administered in accordance with the Bank's applicable policies and procedures, as the same may be amended from time to time, including its procurement, financial management, disbursement and safeguard policies, its framework to prevent and combat fraud and corruption and its screening procedures to prevent the use of Bank resources to finance terrorist activity, in line with the Bank's obligations to give effect to the relevant decisions of the Security Council taken under Chapter VII of the Charter of the United Nations. The Donor acknowledges that this provision does not create any obligations of the Bank under the anti-terrorist financing and asset control laws, regulations, rules and executive orders of an individual member country that may apply to the Donor.

2. **Management of the Contributions**

2.1 The funds deposited in the Trust Fund shall be accounted for as a single trust fund and shall be kept separate and apart from the funds of the Bank. The funds deposited in the Trust Fund may be commingled with other trust fund assets maintained by the Bank. The Bank, in its capacity as trustee, has legal title to the funds deposited in the Trust Fund.

2.2 The currency in which the funds in the Trust Fund shall be held is Euro (the "Holding Currency").

2.3 The Donor agrees to deposit its Contributions in the Contribution Currency stated in the Administration Agreements. In the case of deposits received in a Contribution Currency other than the Holding Currency, promptly upon the receipt of such amounts and the accompanying Deposit Instructions, the Bank shall convert such amounts into the Holding Currency at the exchange rate obtained by the Bank on the date of the conversion. Where deposits prove to be insufficient to complete activities as a result of exchange rate fluctuations, neither the Bank nor the Donor shall bear any responsibility for providing any additional financing.

2.4 The funds deposited in the Trust Fund may be freely exchanged by the Bank into other currencies as may facilitate their disbursement at the exchange rate obtained by the Bank on the date of the conversion.

2.5 The Bank shall invest and reinvest the funds deposited in the Trust Fund pending their disbursement in accordance with the Bank's applicable policies and procedures for the investment of trust funds administered by the Bank. The Bank shall transfer all income from such investment to the Donor's applicable donor balance account with the Bank.
3. **Trust Fund Fees and Costs**

3.1 The Bank shall deduct and retain for its own account, as a deduction from each Installment, an amount equal to five percent (5%) per Installment as an administrative fee for the Trust Fund.

3.2 The Donor acknowledges and agrees that the percentage deductions for fees in this Trust Fund Fees and Costs section are estimated on the basis of anticipated Contributions. If actual Contributions significantly differ from what was originally anticipated at the time of signature of the first Administration Agreement, or if other circumstances affecting Trust Fund fees or costs change, the Bank reserves the right to request a change to the terms of this Trust Fund Fees and Costs section, which would be effectuated by amendments made to the Administration Agreements of the Donor and which would thereafter be applicable to all new Contributions that are provided either as amendments to supplement existing Administration Agreements or from new Administration Agreements.

4. **Accounting and Financial Reporting**

4.1 The Bank shall maintain separate records and ledger accounts in respect of the funds deposited in the Trust Fund and disbursements made therefrom.

4.2 The Bank shall furnish to the Donor current financial information relating to receipts, disbursements and fund balance in the Holding Currency with respect to the Contributions via the World Bank's Trust Funds Development Partner Center secure website. Within six (6) months after all commitments and liabilities under the Trust Fund have been satisfied and the Trust Fund has been closed, the final financial information relating to receipts, disbursements and fund balance in the Holding Currency with respect to the Contributions shall be made available to the Donor via the World Bank’s Trust Funds Development Partner Center secure website.

4.3 The Bank shall provide to the Donor via the World Bank’s Trust Fund Development Partner Center secure website, within six (6) months following the end of each Bank fiscal year, an annual single audit report, comprising (i) a management assertion together with an attestation from the Bank’s external auditors concerning the adequacy of internal control over cash-based financial reporting for all cash-based trust funds as a whole; and (ii) a combined financial statement for all cash-based trust funds together with the Bank’s external auditor’s opinion thereon. The cost of the single audit shall be borne by the Bank.

4.4 If the Donor wishes to request, on an exceptional basis, a financial statement audit by the Bank’s external auditors of the Trust Fund, the Donor and the Bank shall first consult as to whether such an external audit is necessary. The Bank and the Donor shall agree on the appropriate scope and terms of reference of such audit. Following agreement on the scope and terms of reference, the Bank shall arrange for such external audit. The costs of any such audit, including the internal costs of the Bank with respect to such audit, shall be borne by the requesting Donor.

5. **Progress Reporting**

5.1 The Bank shall provide the Donor with semi-annual reports on the progress of activities financed by the Contributions. Within six (6) months of the End Disbursement Date (as defined below), the Bank shall furnish to the Donor a final report on the activities financed by the Trust Fund.

5.2 The Donor may review or evaluate activities financed by the Trust Fund at any time up to six (6) months following the End Disbursement Date. The Donor and the Bank shall agree on the scope and conduct of such review or evaluation, and the Bank shall provide all relevant information within the limits of the Bank’s applicable policies and procedures. All associated costs, including any costs incurred by the Bank, shall be borne by the Donor. It is understood that any such review or evaluation will not constitute a financial, compliance or other audit of the Trust Fund.
6. **Disbursement; Cancellation; Refund**

6.1 It is expected that the funds deposited in the Trust Fund will be fully disbursed by the Bank by March 15, 2019 (the "End Disbursement Date"). The Bank shall only disburse funds deposited in the Trust Fund for the purposes of this Administration Agreement (other than returns to Donor) after such date to the extent such date is changed in accordance with amendments made to the Administration Agreement(s) of the Donor. Following the End Disbursement Date, the Bank shall return any remaining balance of the Trust Fund to the Donor in the Holding Currency in the manner specified in its respective Administration Agreement on a pro rata basis with regard to the total funds deposited in the Trust Fund by such Donor relative to the total funds deposited in the Trust Fund by the Donor, all calculated as Holding Currency amounts.

6.2 The Donor may cancel all or part of such Donor’s pro rata share/contribution, and the Bank may cancel all or any Donor’s pro rata share/contribution, upon three (3) months’ prior written notice, of any Contributions (paid and not yet paid) that are not committed pursuant to any agreements entered into between the Bank and any consultants and/or other third parties for the purposes of this Administration Agreement, including any Grant Agreements, prior to the receipt of such notice. In the event of a cancellation, the Bank shall return to the Donor its pro rata share in the Holding Currency as specified in the Administration Agreement unless otherwise agreed between the Bank and the Donor.

7. **Disclosure; Dispute Resolution**

7.1 The Bank shall disclose the Administration Agreements and related information on this Trust Fund in accordance with the Bank’s Policy on Access to Information. By entering into Administration Agreements, the Donor consents to such disclosure of their respective Administration Agreements and such related information.

7.2 The Donor and the Bank shall use their best efforts to amicably settle any dispute, controversy, or claim arising out of or relating to the Administration Agreements.
