SCHEDULE 1

Project Description

The objective of the Project is to assist the Recipient in its post-war efforts to reconstruct its health sector, through: (a) strengthening of policy making and management functions at MOHSW; and (b) providing critical inputs to sustain the referral system needed to support essential health services.

The Project consists of the following parts:

Part A: Support Systems

1. Supporting the operational capacity of MOHSW to effectively manage the Project by, *inter alia*, strengthening its management capacity, and expanding its monitoring and evaluation mechanisms, all through the provision of technical advisory services, training and Incremental Operating Costs.

2. Provision of technical assistance and training to MOHSW staff to:

   (a) develop policy in the following areas: (i) health financing; (ii) contracting with health providers; (iii) health labor market dynamics; and (iv) decentralization of health services; and

   (b) strengthen their administrative and technical capacities to manage and implement the Recipient’s National Health Plan and related policies.

3. Provision of information communication technology to MOHSW staff to support a health management information system.

Part B: Human Resources

1. Hiring of clinical teachers, including medical doctors, nurses, midwives and allied health workers for purposes of training and supervision of Recipient’s clinical care staff.

2. Hiring of medical officers, laboratory technicians and radiographers to fill in critical staffing needs in the Recipient’s health clinics and hospitals.
3. Providing technical assistance and training to Recipient’s public education institutions to reform their curriculum to enhance the education level of medical doctors, nurses and allied health workers.

4. Providing training, technical advisory services and equipment to enhance the technical and managerial capacity of key staff in the Recipient’s health sector including, *inter alia*: (a) transportation costs of trainers and trainees; (b) per-diem of trainers and trainees; (c) workshops; (d) seminars and courses; (e) rental of training facilities and equipment; (f) acquisition of training equipment and teaching material; (g) internet access to online learning; and (h) study tours.

**Part C: Infrastructure and Equipment**

1. Rehabilitation of Recipient’s essential medical facilities and medical teaching institutions, including the maternal and child wards at the John F. Kennedy Hospital and the A.M. Dogliotti College of Medicine.

2. Acquisition of basic medical supplies, medical emergency equipment, radiology and laboratory equipment, communications equipment, energy generating equipment, internet connection equipment, ambulances for MOHSW clinics and health centers, county hospitals and the John F. Kennedy Hospital.
