Financial Sector Reform and Strengthening Initiative Charter
Adopted on July 6, 2007 and amended on July 11, 2013
(provided for informational purposes only)

1. Introduction

1.1 The International Bank for Reconstruction and Development ("IBRD") and the International Development Association ("IDA") (collectively, the "Bank"), the International Monetary Fund ("IMF") and all donors ("Donors") to one or more trust funds (collectively, the "Trust Fund") for the Financial Sector Reform and Strengthening Initiative ("FIRST") have adopted the present charter (the "Charter").

1.2 Launched in 2002, FIRST is a collaborative arrangement providing for a technical assistance ("TA") facility designed to support growth and poverty reduction in low- and middle-income countries by promoting stable, deep and diverse financial sectors. The FIRST arrangement is built upon close collaboration between the Bank and the IMF, both to leverage institutional expertise, and as the designated implementing agencies for FIRST TA. This arrangement also seeks to promote collaboration among a wide range of institutions, including other bilateral agencies and multilateral development banks.

1.3 The Charter sets out the governance arrangements of FIRST that encapsulate this collaborative arrangement.

2. Basic Principles

2.1 Following are basic principles that will guide FIRST (the "Basic Principles"):  

2.1.1 A demand-driven approach with open access

FIRST aims to be demand-driven and open in its approach, as a strong advocate of financial sector development, and seeks to identify effective new ideas and modalities in the delivery of TA. To this end, FIRST accepts technical assistance requests from a wide range of sources for the benefit of client countries. As the designated implementing entities, the Bank and the IMF will prepare funding proposals to be considered for FIRST financing.

2.1.2 Additionality

FIRST seeks to ensure that it funds activities that are complementary to those being funded from other sources and that its funding does not substitute for or displace more suitable or appropriate assistance available from other sources. FIRST seeks to excel in efforts to promote learning and knowledge sharing in the area of financial sector TA.

2.1.3 Harmonization, transparency, and accountability

FIRST promotes a model of partnership in line with the principles of: ownership, alignment, harmonization, managing for results and mutual accountability. For FIRST, this involves introducing
clear accountabilities in program management, setting targets, assessing effectiveness, and monitoring results. FIRST's partnership model also seeks to promote learning and knowledge sharing.

2.1.4 *TA Beneficiaries*

(a) Beneficiaries of FIRST TA are policy makers, regulatory bodies, government agencies, international financial institutions, and, under limited circumstances, quasi-public institutions (such as self-regulatory organizations and industry associations).

(b) Beneficiaries of FIRST assistance must be from either low- or middle-income countries at the time project proposals receive final approval. "Low-income countries" are those defined by the Bank as eligible to receive low or no interest credits or grants from IDA. "Middle-income countries" are those defined by the Bank as eligible to receive IBRD financing.

3. **Objectives**

3.1 FIRST's overall objective is to help strengthen financial systems in low- and middle-income countries so that they make a strong and positive contribution to economic growth and help reduce poverty and income inequality. FIRST's activities are currently only those financed by the Trust Fund.

3.2 FIRST's specific areas of focus are to:

3.2.1 Finance TA in the areas of financial sector regulation, supervision and development in response to country demands, provide support to countries to strengthen their financial systems or implement standards and codes in advance of Financial Sector Assessment Programs ("FSAPs") or Reports on Standards and Codes ("ROSCs"), and facilitate systematic follow-up of related recommendations.

3.2.2 Advise on the preparation and implementation of action plans, development programs and reforms in the financial sector.

3.2.3 Promote coordination in the delivery of financial sector TA and capacity building, drawing particularly on private sector expertise.

3.2.4 Support research on and the dissemination of best practices and useful tools related to financial sector reform and development in low- and middle-income countries.

3.2.5 Work with international standard-setting bodies and other relevant partners to broaden the base of providers supporting countries' efforts to implement standards and codes in accordance with FSAP and ROSC recommendations and strengthen their financial systems.

3.2.6 Support capacity building and local knowledge exchange.

Any amendments to this Charter will become applicable to the administration agreements/arrangements and IMF Subaccount as applicable as such amendments take effect through Governing Council decisions without further need to amend the administration agreements/arrangements or IMF Subaccount documents, provided that such amendments do not conflict with other terms of the administration agreements/arrangements or Bank policies and procedures.
ANNEX 2

Standard Provisions

This Annex shall be applicable to and form an integral part of all Administration Agreements between the Bank and the respective Donors.

1. Administration of the Contributions

1.1 The Bank shall be responsible only for performing those functions specifically set forth in this Administration Agreement and shall not be subject to any other duties or responsibilities to the Donors, including, without limitation, any duties or obligations that might otherwise apply to a fiduciary or trustee under general principles of trust or fiduciary law. Nothing in this Administration Agreement shall be considered a waiver of any privileges or immunities of the Bank under its Articles of Agreement or any applicable law, all of which are expressly reserved.

1.2 Each Donor’s Contribution (collectively, the “Contributions”) shall be administered in accordance with the Bank’s applicable policies and procedures, as the same may be amended from time to time, including its procurement, financial management, disbursement and safeguard policies, its framework to prevent and combat fraud and corruption and its screening procedures to prevent the use of Bank resources to finance terrorist activity, in line with the Bank's obligations to give effect to the relevant decisions of the Security Council taken under Chapter VII of the UN Charter of the United Nations. The Donors acknowledge that this provision does not create any obligations of the Bank under the anti-terrorist financing and asset control laws, regulations, rules and executive orders of an individual member country that may apply to a Donor.

2. Management of the Contributions

2.1 The funds deposited in the Trust Fund shall be accounted for as a single trust fund and shall be kept separate and apart from the funds of the Bank. The funds deposited in the Trust Fund may be commingled with other trust fund assets maintained by the Bank. The Bank, in its capacity as trustee, has legal title to the funds deposited in the Trust Fund.

2.2 The currency in which the funds in the Trust Fund shall be held is United States Dollars (the “Holding Currency”).

2.3 Donors agree to deposit their Contributions in the Contribution Currency stated in their respective Administration Agreements. In the case of deposits received in a Contribution Currency other than the Holding Currency, promptly upon the receipt of such amounts and the accompanying Deposit Instructions, the Bank shall convert such amounts into the Holding Currency at the exchange rate obtained by the Bank on the date of the conversion. Where deposits prove to be insufficient to complete activities as a result of exchange rate fluctuations, neither the Bank nor the Donor shall bear any responsibility for providing any additional financing.

2.4 The funds deposited in the Trust Fund may be freely exchanged by the Bank into other currencies as may facilitate their disbursement at the exchange rate obtained by the Bank on the date of the conversion.
2.5 The Bank shall invest and reinvest the funds deposited in the Trust Fund pending their disbursement in accordance with the Bank’s applicable policies and procedures for the investment of trust funds administered by the Bank. The Bank shall credit all income from such investment to the Trust Fund to be used for the same purposes as the Contributions.

3. **Trust Fund Fees and Costs**

3.1 The Bank shall deduct and retain for its own account, as a deduction from each Installment, an amount equal to two percent (2%) per Installment as an administrative fee for the Trust Fund.

3.2 In addition, costs incurred by the Bank for other expenses, such as for program management and Trust Fund administration, that are (i) not covered by the percentage deduction specified above as an administrative fee and (ii) not included under Annex 1 of the Administration Agreements in accordance with the Bank’s applicable policies and procedures shall be charged to the Trust Fund on an actual basis up to a maximum of eleven point seventy six percent (11.76%) of the total Contributions under all Administration Agreements. The Donors acknowledge and agree that such costs will be approved each year on the basis of annual budget amounts presented to the Governing Council.

3.3 Each Donor acknowledges and agrees that the percentage deductions for fees in this Trust Fund Fees and Costs section are estimated on the basis of anticipated Contributions. If actual Contributions significantly differ from what was originally anticipated at the time of signature of the first Administration Agreement, or if other circumstances affecting Trust Fund fees or costs change, the Bank reserves the right to request a change to the terms of this Trust Fund Fees and Costs section, which would be effectuated by amendments made to the Administration Agreements of all Donors and which would thereafter be applicable to all new Contributions that are provided either as amendments to supplement existing Administration Agreements or from new Donors under new Administration Agreements.

4. **Transfers to the International Monetary Fund (IMF)**

4.1 The Bank shall enter into a transfer agreement (the “Transfer Agreement”) with the IMF to set forth the terms and conditions of any Trust Fund funds transferred to them. Following the transfer of funds by the Bank from the Trust Fund to the IMF (the “Transferred Funds”), IMF shall be responsible for the use of such funds, and the Bank shall have no further responsibility with respect of such funds.

4.2 The Donors acknowledge and agree that the Bank has no responsibility, under the Administration Agreement or otherwise for: (i) the use of the Transferred Funds; (ii) the implementing, monitoring, supervising, evaluating, or providing quality assurance for activities financed by the Transferred Funds; (ii) providing Donors with financial, progress, results or impact reporting for activities financed by the Transferred Funds; and (iii) any misuse or misprocurement with respect to the Transferred Funds; or (iv) pursuing any Donor interests or IMF undertakings with respect to the Transferred Funds.

4.3 The Donors further acknowledge and agree that any financial reports with respect to the Trust Fund funds transferred to the IMF and the reports with respect to the progress of the implementation of IMF activities are the responsibility of the IMF.
5. **Accounting and Financial Reporting**

5.1 The Bank shall maintain separate records and ledger accounts in respect of the funds deposited in the Trust Fund and disbursements made therefrom.

5.2 The Bank shall furnish to the Donors current financial information relating to receipts, disbursements and fund balance in the Holding Currency with respect to the Contributions via the World Bank's Trust Funds Donor Center secure website. Within six (6) months after all commitments and liabilities under the Trust Fund have been satisfied and the Trust Fund has been closed, the final financial information relating to receipts, disbursements and fund balance in the Holding Currency with respect to the Contributions shall be made available to the Donors via the World Bank's Trust Funds Donor Center secure website.

5.3 The Bank shall provide to the Donors via the World Bank's Trust Fund Donor Center secure website, within six (6) months following the end of each Bank fiscal year, an annual single audit report, comprising (i) a management assertion together with an attestation from the Bank's external auditors concerning the adequacy of internal control over cash-based financial reporting for all cash-based trust funds as a whole; and (ii) a combined financial statement for all cash-based trust funds together with the Bank's external auditor's opinion thereon. The cost of the single audit shall be borne by the Bank.

5.4 If a Donor wishes to request, on an exceptional basis, a financial statement audit by the Bank's external auditors of the Trust Fund, the Donor and the Bank shall first consult as to whether such an external audit is necessary. The Bank and the Donor shall agree on the appropriate scope and terms of reference of such audit. Following agreement on the scope and terms of reference, the Bank shall arrange for such external audit. The costs of any such audit, including the internal costs of the Bank with respect to such audit, shall be borne by the requesting Donor.

6. **Progress Reporting**

6.1 The Bank shall provide the Donors with annual reports on the progress of activities financed by the Contributions. Within six (6) months of the End Disbursement Date (as defined below), the Bank shall furnish to the Donors a final report on the activities financed by the Trust Fund.

6.2 Any Donor may review or evaluate activities financed by the Trust Fund at any time up to six (6) months following the End Disbursement Date. The Donor and the Bank shall agree on the scope and conduct of such review or evaluation, and the Bank shall provide all relevant information within the limits of the Bank's applicable policies and procedures. All associated costs, including any costs incurred by the Bank, shall be borne by the Donor. It is understood that any such review or evaluation will not constitute a financial, compliance or other audit of the Trust Fund.

7. **Disbursement: Cancellation: Refund**

7.1 It is expected that the funds deposited in the Trust Fund will be fully disbursed by the Bank by May 31, 2018 (the "End Disbursement Date"). The Bank shall only disburse funds deposited in the Trust Fund for the purposes of this Administration Agreement (other than returns to Donors) after such date to the extent such date is changed in accordance with amendments made to the Administration Agreements of all the Donors. Following the End Disbursement Date, the Bank shall return any remaining balance of the Trust Fund to each Donor in the Holding Currency in the manner specified in
its respective Administration Agreement on a pro rata basis with regard to the total funds deposited in the Trust Fund by such Donor relative to the total funds deposited in the Trust Fund by all Donors, all calculated as Holding Currency amounts.

7.2 Any Donor may cancel all or part of such Donor’s pro rata share, and the Bank may cancel all or any Donors’ pro rata shares, upon three (3) months’ prior written notice, of any Contributions (paid and not yet paid) that are not committed pursuant to any agreements entered into between the Bank and any consultants and/or other third parties for the purposes of this Administration Agreement, including any Grant Agreements, prior to the receipt of such notice. In the event of a cancellation, the Bank shall return to the Donor its pro-rata share in the Holding Currency as specified in the Administration Agreement; unless otherwise agreed between the Bank and the Donor.

8. **Disclosure; Dispute Resolution**

8.1 The Bank shall disclose the Administration Agreements and related information on this Trust Fund in accordance with the Bank’s Policy on Access to Information. By entering into Administration Agreements, the Donors consent to such disclosure of their respective Administration Agreements and such related information.

8.2 The Donors and the Bank shall use their best efforts to amicably settle any dispute, controversy, or claim arising out of or relating to the Administration Agreements.
