SCHEDULE 1

Project Description

The objectives of the Project are to contribute both to the recovery of housing for households affected by Hurricane Maria and to improve the application of resilient building practices in the Recipient’s housing sector.

The Project consists of the following parts:

Part 1: Support for Housing Recovery Systems and Capacity Building

Setting systems to manage, expedite, and monitor the Recipient’s housing recovery program and building capacity and a sustainable framework for development planning in the Recipient’s housing sector:

1.1. Development Planning Support to TACs and the Project at the Local Level

Establishment and operation of TACs to support the Recipient’s housing recovery program and provide technical advisory services to homeowners on demand, facilitate processing of planning and building controls, conduct building assessments and facilitate technical training on the application of resilient building practices.

1.2. Development of Management Information Systems

Development of management information and monitoring systems for the Project.

1.3. Technical Design of a New Physical Development Planning Office

Preparation of detailed design of a new building for the Recipient’s Physical Development Planning Office.

Part 2: Support for Reconstruction of Houses

Reconstructing or replacing housing destroyed by Hurricane Maria:

2.1. Support for Reconstruction of Houses

Provision of Housing Grants to Eligible Homeowners for reconstruction or replacement of housing destroyed by Hurricane Maria (Subprojects).

2.2. Design and Supervision of House Reconstruction

Provision of design and supervision services for the reconstruction works for Subprojects for Eligible Homeowners including inter alia those needed for the construction to meet the Recipient’s building guidelines requirements for
resilience to Category 5 Storm events and applicable environmental, social, health and safety safeguards requirements.

**Part 3: Project Management and Coordination**

Establishment and operation of the PIU and the IST through, *inter alia*, the provision of services, training and equipping required therefor.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements

1. The Recipient shall establish not later than two (2) months after the Effective Date and thereafter operate and maintain, throughout Project implementation, a Project Implementation Unit (PIU) under the administrative authority of MoH to be responsible for the overall implementation, management, monitoring and evaluation of the Project with qualified and experienced staff in sufficient numbers, as well as with adequate funds, facilities, services and other resources acceptable to the Association, as further detailed in the Project Operations Manual.

2. The Recipient shall:

   (a) operate and maintain in form and substance satisfactory to the Association, as further detailed in the Project Operations Manual and throughout Project implementation, an Oversight Committee with representatives from MoH in charge of the overall strategic guidance and oversight of the Project; and

   (b) establish not later than three months after the Effective Date and thereafter operate and maintain, in form and substance satisfactory to the Association, as further detailed in the Project Operations Manual and throughout Project implementation, the Implementation Support Team (IST) under the authority of MoF to provide fiduciary and quality assurance assistance for the Project, composed with staff and consultants with qualifications and terms of reference acceptable to the Association.

B. Project Operations Manual

1. The Recipient shall carry out the Project, and/or cause the Project to be carried out, in accordance with the Project Operations Manual, which consists of different schedules setting forth, respectively, rules, methods, guidelines, specific development plans, standard documents, and procedures for the carrying out of the Project, including the following:

   (a) the detailed description of Project implementation activities, their sequencing and the prospective timetable and benchmarks in relation thereto;
(b) the Project administrative, accounting, auditing, reporting, financial, and disbursement procedures, including all pertinent standard documents and model contracts;

(c) the plan for the monitoring, evaluation and supervision of the Project;

(d) (i) the eligibility criteria for Eligible Homeowners, Subprojects and Housing Grants; (ii) the conditions and procedures for receiving the Housing Grants and implementing the Subprojects; and (iii) the regular publication of the lists of Eligible Homeowners.

(e) the model form for the Housing Grant Agreements to be entered into with Eligible Homeowners and the model form for the Memorandum of Understanding to be entered into with the Banking Institutions;

(f) the Negative List;

(g) the Safeguards Documents including: (i) the culturally appropriate features incorporated in the Project design to address the Safeguard Policies requirements regarding Indigenous Peoples; (ii) the chance find procedures to be followed to address the physical cultural resources Safeguard Policies concerns; (iii) pest management and resettlement procedures; and (iv) the negative list of investments set forth in Schedule 4 to this Agreement.

(h) the grievance mechanisms and the code of conduct; and

(i) the performance indicators for the Project.

2. In the event that any provision of the Project Operations Manual shall conflict with any of the provisions under this Agreement, the terms of this Agreement shall prevail.

3. The Project Operations Manual may only be amended in consultation with, and prior approval of, the Association.

C. Housing Grants Implementation Arrangements

1. The Recipient shall provide Housing Grants to Eligible Homeowners in accordance with eligibility criteria and procedures satisfactory to the Association and specified in the Project Operations Manual which shall include, *inter alia*:

(a) Identification of Eligible Beneficiaries. The PIU shall make a preliminary identification of houses categorized as "destroyed" as per the Project Operations Manual and arrange for formal structural building
assessment to be conducted by TAC. For houses validated as “destroyed” and assessed as requiring full reconstruction or replacement, the PIU shall proceed to assess and validate the other criteria for the affected household as defined in Project Operations Manual. On the basis of this information, the PIU shall compile a list of proposed Eligible Homeowners and priority information. Through a validation process detailed in the Project Operations Manual, the list of prioritized Eligible Homeowners who will be receiving Housing Grants will be finalized.

(b) Preparation of Works Plan. Eligible Homeowners shall receive technical assistance for site investigation, design, supervision services, and cost estimate for the Subprojects.

(c) Engagement of Building Supplier. Based on the chosen works plan, the Eligible Homeowner shall, with the agreement of the PIU prior to signing the respective contract, engage the services of the building supplier, from a panel of firms pre-qualified by the PIU for the Project, using a quotations process specified in the Project Operations Manual.

(d) Execution and Supervision of Works. The PIU shall, through technical advisors contracted for the purpose, supervise the works, ensuring compliance with the Recipient’s building guidelines, social and environmental safeguards, monitor physical progress of the works and certify the satisfactory completion of works.

(e) Financial and Payment Arrangements. The Housing Grant shall be disbursed in tranches by the PRU to the Eligible Homeowner’s accounts held by the Banking Institutions participating in Part 2.1 of the Project.

2. The Recipient shall:

(a) prior to the commencement of any works to be financed by a Housing Grant, enter into an agreement with the Eligible Homeowner based on the model form for the Housing Grant Agreements set forth in the Project Operations Manual and under terms and conditions acceptable to the Association, including, inter alia, the obligation to comply with the Project Operations Manual, including financial management, the Safeguard Documents, the Procurement Regulations and the Anti-corruption Guidelines: and

(b) exercise its rights and carry out its obligations under each Housing Grant Agreement in such manner as to protect the interest of the Recipient and the Association and to accomplish the objectives of the Project. Except as the Association shall otherwise agree, the Recipient shall not assign, amend, abrogate, terminate of waive or fail to enforce any Housing Grant
Agreement or any of its provisions.

3. The Recipient shall:

(a) prior to the commencement of any works to be financed by a Housing Grant, enter into a Memorandum of Understanding with the Banking Institutions based on the model form for the Memorandum of Understanding set forth in the Project Operations Manual and under terms and conditions acceptable to the Association including, inter alia, the Banking Institution's obligation: (i) to promptly pay building suppliers upon their presentation of satisfactory invoices and certification of works; and (ii) to comply with the Project Operations Manual, including financial management, the Safeguard Documents, the Procurement Regulations and the Anti-corruption Guidelines: and

(b) exercise its rights and carry out its obligations under each Memorandum of Understanding in such manner as to protect the interest of the Recipient and the Association and to accomplish the objectives of the Project. Except as the Association shall otherwise agree, the Recipient shall not assign, amend, abrogate, terminate or waive or fail to enforce any Memorandum of Understanding or any of its provisions.

D. Safeguards

1. The Recipient shall ensure the Project is carried out in accordance with the Safeguards Action Plan and when adopted, the Safeguards Documents, including the guidelines, rules and procedures defined in said Safeguards Documents.

2. To this end, if an ESMP or a ARAP is required on the basis of the ESMF or the RPF, the Recipient shall specifically take the following actions, in a manner acceptable to the Association:

(a) such ESMP or ARAP shall be prepared in accordance with the requirements of the ESMF or the RPF, consulted and disclosed locally and furnished to the Association for approval; and the pertinent Project activity shall be carried out in accordance with such ESMP or ARAP as approved by the Association.

3. The Recipient shall include in the Project Reports referred to in Section II of this Schedule, adequate information on the implementation of the ESMF, the RPF, the PMP, any ESMP or any ARAP, giving details of:

(a) measures taken in furtherance of the Safeguards Documents, any ESMP or any ARAP,
(b) conditions, if any, which interfere or threaten to interfere with the smooth implementation of the Safeguards Documents, any ESMP or any ARAP; and

(c) remedial measures taken or required to be taken to address such conditions and to ensure the continued efficient and effective implementation of the Safeguards Documents, any ESMP or any ARAP.

4. The Recipient shall ensure that the terms of reference for any consultancy in respect of any activity under Part I of the Project shall: (a) duly incorporate, in the opinion of the Association, the requirements of the applicable Safeguards Policies then in force; and (b) require that the advice conveyed through such technical assistance comply, in the opinion of the Association, with the requirement of the applicable Safeguards Policies then in force.

Section II. Project Monitoring, Reporting and Evaluation

The Recipient shall furnish to the Association each Project Report not later than one (1) month after the end of each calendar semester, covering the calendar semester.

Section III. Withdrawal of the Proceeds of the Financing

A. General
