Re: Grant No. TF015228  
Rural Environmental Cadastre and Fire Prevention in Bahia State Project  

Dear Sir:  

In response to the request for financial assistance made on behalf of Fundação Luís Eduardo Magalhães – FLEM ("Recipient"), I am pleased to inform you that the International Bank for Reconstruction and Development ("World Bank"), acting as administrator of grant funds provided by the Department for Environment, Food and Rural Affairs United Kingdom of Great Britain and Northern Ireland ("Donor") under the Brazil Cerrado Climate Change Mitigation Trust Fund, proposes to extend to the Recipient, for the benefit of Federative Republic of Brazil ("Member Country"), a grant in an amount not to exceed four million four hundred thousand United States Dollars (US$4,400,000) ("Grant") on the terms and conditions set forth or referred to in this letter agreement ("Agreement"), which includes the attached Annex, to assist in the financing of the project described in the Annex ("Project").  

This Grant is funded out of the abovementioned trust fund for which the World Bank receives periodic contributions from the Donor. In accordance with Section 3.02 of the Standard Conditions (as defined in the Annex to this Agreement), the World Bank’s payment obligations in connection with this Agreement are limited to the amount of funds made available to it by the Donors under the abovementioned trust fund, and the Recipient’s right to withdraw the Grant proceeds is subject to the availability of such funds.  

The Recipient represents, by confirming its agreement below, that it is authorized to enter into this Agreement and to carry out the Project in accordance with the terms and conditions set forth or referred to in this Agreement.  

Please confirm the Recipient’s agreement to the foregoing by having an authorized official of the Recipient sign and date the enclosed copy of this Agreement, and returning it to the World Bank. Upon receipt by the World Bank of this countersigned copy, this
Agreement shall become effective as of the date of the countersignature; provided, however that the Bank receives a copy of the Technical Cooperation Agreement referred to in Section 2.03. The offer of this Agreement shall be deemed withdrawn if the World Bank has not received the countersigned copy of this Agreement within 90 days after the date of signature of this Agreement by the World Bank, unless the World Bank shall have established a later date for such purpose.

Very truly yours,

INTERNATIONAL BANK FOR RECONSTRUCTION AND DEVELOPMENT

Article II
Project Execution

2.01. Project Objectives and Description. The Project’s main objective is to promote the reduction of climate change impacts in the Cerrado of the west of the Bahia State by: (a) promoting the environmental regularization of landholdings in the targeted municipalities and support actions to promote recovery of environmental liabilities; and (b) strengthening the State’s capacity to prevent and combat forest fires through the integration of local actors and promoting the adoption of sustainable production practices in the targeted municipalities. The Project consists of the following parts:

Part I: Rural Environmental Regularization

Building the institutional capacity of the State and the Targeted Municipalities’ agencies to implement the CAR, and developing a framework to support the recovery of degraded areas of the Areas of Permanent Preservation (APP - Areas de Preservação
Permanente), Areas of Legal Reserve (RL - Reserva Legal) and of landholdings of the Targeted Municipalities, by carrying out a program of activities, including:

(a) the update of the land use maps for the Targeted Municipalities;

(b) the establishment of "situation rooms" in the Targeted Municipalities to monitor CAR registrations and deforestation;

(c) the delivery of training to environmental agencies technicians, state and municipal staff and rural extensions staff, as well as consulting firms in environmental regularization of rural properties in how to operate CEFIR and how to prepare Plans of Recovery of Degraded Areas (PRAD);

(d) the design and implementation of a communication strategy and campaign to involve landholders to enroll in CEFIR;

(e) the organization of events to promote the CAR;

(f) the support in the preparation of plans for recovery of degraded areas in small landholdings and the preparation of the environmental assessment of the Targeted Municipalities;

(g) the development of a financial sustainability plan for the Degraded Areas Recovery Centers (Centros de Referência em Recuperação de Áreas Degradadas, CRADs);

(h) the promotion of the creation of a seed collection network in the Targeted Municipalities and/or establish nurseries linked to the CRADs; and

(i) the delivery of technical training courses on degraded areas recovery and sustainable economic alternatives; and

(j) the design of a financial sustainability strategy for the CRADs.

Part II: Prevention and Fight of Forest Fires

Strengthening the State and Targeted Municipalities' capacity to prevent and respond to forest fires, developing and promoting alternative rural practices to the use of fire by carrying out a program of activities including:

(a) the capacity-building of the State Committee to prevent and respond to forest fires in the Targeted Municipalities; and the establishment of controlled fire authorization modules in the State system;

(b) the establishment of municipal committees or municipal protocols for preventing and fighting forest fires and the design of a contingency plan;
(c) the development of municipal operating plans for preventing and fighting forest fires;

(d) the development of a communication strategy to disseminate actions and best practices on preventing and fighting forest fires;

(e) the carrying out of training for landholders on preventing and fighting forest fires;

(f) the establishment of municipal situation rooms for monitoring deforestation and forest fires;

(g) the implementation of demonstration units to the use of alternative to the use of fire, and promoting community forest fire prevention protocols;

(h) the carrying out of training for landholders in practical alternatives to the use of fire and sustainable economic activities;

(i) the carrying out of environmental education for landholders to promote prevention and response to forest fire; and

(j) the purchase of equipment and materials needed to support preventive inspection efforts.

Part III: Administrative and Financial Management

Supporting effective and efficient management of Project implementation, including the carrying out of Project coordination, monitoring and reporting, evaluation, financial management, and procurement.

2.02. Project Execution Generally. The Recipient declares its commitment to the objectives of the Project. To this end, the Recipient shall carry out the Project with the technical collaboration of SEMA and INEMA in accordance with the provisions of: (a) Article II of the Standard Conditions; (b) the “Guidelines on Preventing and Combating Fraud and Corruption in Projects Financed by IBRD Loans and IDA Credits and Grants”, dated October 15, 2006, and revised in January 2011 (“Anti-Corruption Guidelines”); (c) the Procurement Guidelines as defined in paragraph 2.06.(a)(i); (d) the Consultant Guidelines, as defined in paragraph 2.06.(a)(ii); (e) this Article II; and (f) the EMF, and the pertinent environmental management plans derived from said EMF, when applicable, all in a manner acceptable to the World Bank.
2.03. Institutional and Other Arrangements.

(a) For the purposes of carrying out the Project, the Recipient shall maintain, and cause SEMA to maintain, at all times during Project implementation professional staff in adequate numbers and with terms of reference, qualifications and functions acceptable to the World Bank, to perform all Project's related functions including, inter alia, procurement and financial management.

(b) Without limitation upon the provisions of the above paragraph, the Recipient shall, with the coordination support of MMA, enter into a technical cooperation agreement (the Technical Cooperation Agreement) with the Bahia State, through SEMA, and INEMA, under terms and conditions satisfactory to the World Bank, therein setting forth the roles and responsibilities of each party in the implementation of the Project, including, inter alia the following: (i) the responsibility of the Recipient to carry out the overall financial and administration management of the Project; and (ii) the respective responsibilities of both SEMA and INEMA to carry out the technical aspects of Project implementation, including, preparing terms of reference and carrying out the overall technical monitoring, supervision and evaluation of the Project.

(c) Exercise its rights and comply with its obligations under the Technical Cooperation Agreement in such manner as to protect the interests of the Member Country, the Bahia State, the Recipient and the World Bank and to accomplish the objective of the Grant, and except as the World Bank shall otherwise agree, the Recipient shall not amend, assign, abrogate, waive or fail to enforce the Technical Cooperation Agreement or any provision thereof. In case of any conflict between the terms of the Technical Cooperation Agreement and those of this Agreement, the terms of this Agreement shall prevail. The Recipient shall promptly inform the World Bank of any condition which interferes or threatens to interfere with the performance of the Recipient respective obligations under such agreement.

2.04. Project Monitoring, Reporting and Evaluation.

(a) The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 2.06 of the Standard Conditions and on the basis of monitoring and performance indicators acceptable to the World Bank. Each Project Report shall cover the period of one calendar semester, and shall be furnished to the World Bank not later than one month after the end of the period covered by such report.

(b) The Recipient shall prepare the Completion Report in accordance with the provisions of Section 2.06 of the Standard Conditions. The Completion Report shall be furnished to the World Bank not later than six months after the Closing Date. In order to assist the Recipient in preparing the Completion Report, the Recipient shall employ consultants in accordance with the provisions of Section 2.07 of this Agreement.
2.05. Financial Management.

(a) The Recipient shall ensure that a financial management system is maintained in accordance with the provisions of Section 2.07 of the Standard Conditions.

(b) The Recipient shall ensure that interim unaudited financial reports for the Project are prepared and furnished to the World Bank not later than one month after the end of each calendar quarter, covering the quarter, in form and substance satisfactory to the World Bank.

(c) The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 2.07 (b) of the Standard Conditions. Each audit of the Financial Statements shall cover the period of one fiscal year of the Recipient. The audited Financial Statements for each such period shall be furnished to the World Bank not later than six months after the end of such period.

2.06. Procurement

(a) General. All goods, works, non-consulting services and consultants’ services required for the Project and to be financed out of the proceeds of the Grant shall be procured in accordance with the requirements set forth or referred to in:

(ii) “Guidelines: Selection and Employment of Consultants under IBRD Loans and IDA Credits and Grants by World Bank Borrowers” dated January 2011 (“Consultant Guidelines”) in the case of consultants’ services; and

(iii) the provisions of this Section, as the same shall be elaborated in the procurement plan prepared and updated from time to time by the Recipient for the Project in accordance with paragraph 1.18 of the Procurement Guidelines and paragraph 1.25 of the Consultant Guidelines (“Procurement Plan”). The procurement plan shall be prepared, updated and submitted electronically through SEPA System.

(b) Definitions. The capitalized terms used in the following paragraphs of this Section to describe particular procurement methods or methods of review by the World Bank of particular contracts, refer to the corresponding method described in Sections II and III of the Procurement Guidelines, or Sections II, III, IV and V of the Consultant Guidelines, as the case may be.
(c) **Particular Methods of Procurement of Goods, Works and Non-consulting Services.** The following methods, may be used for procurement of goods, works and non-consulting services for those contracts which are specified in the Procurement Plan:

(i) National Competitive Bidding, including in respect of goods, non-consulting services and works, *convite, tomada de preços* and *concorrência* set forth in the Recipient’s Law No. 8.666 of June 21, 1993, as well as procurement in accordance with the method known as “pregão eletrônico” (except for works), as provided in the Recipient’s Law No. 10520, of July 17, 2002, and in Decree No. 5450 of May 31, 2005, under “COMPRASNET” (the Recipient’s procurement portal), subject to the following additional procedure, namely, that the bidding documents shall be acceptable to the World Bank;

(ii) Shopping; and

(iii) Direct Contracting.

(d) **Particular Methods of Procurement of Consultants’ Services.**

(i) Except as otherwise provided in item (ii) below, consultants’ services shall be procured under contracts awarded on the basis of Quality- and Cost-based Selection.

(ii) The following methods, other than Quality- and Cost-based Selection, may be used for the procurement of consultants’ services for those assignments which are specified in the Procurement Plan: (A) Selection under a Fixed Budget; (B) Least Cost Selection; (C) Selection based on Consultants’ Qualifications; (D) Single-source Selection of consulting firms; and (E) Selection of Individual Consultants.

(e) **Review by the World Bank of Procurement Decisions.** The Procurement Plan shall set forth those contracts which shall be subject to the World Bank’s Prior Review. All other contracts shall be subject to Post Review by the World Bank.

(f) **External Procurement Audit.** A yearly external procurement audit satisfactory to the Bank will be required to assess and verify a sample of processes carried out under this Project.
Article III
Withdrawal of Grant Proceeds

3.01. **Eligible Expenditures.** The Recipient may withdraw the proceeds of the Grant in accordance with the provisions of: (i) the Standard Conditions; (ii) this Section; and (iii) such additional instructions as the World Bank may specify by notice to the Recipient (including the “World Bank Disbursement Guidelines for Projects” dated May 2006, as revised from time to time by the World Bank and as made applicable to this Agreement pursuant to such instructions), to finance Eligible Expenditures as set forth in the following table. The table specifies the categories of Eligible Expenditures that may be financed out of the proceeds of the Grant (“Category”), the allocations of the amounts of the Grant to each Category, and the percentage of expenditures to be financed for Eligible Expenditures in each Category:
