1. Administration of the Contributions

1.1. The Bank shall be responsible only for performing those functions specifically set forth in this Agreement and shall not be subject to any other duties or responsibilities to the Donors, including, without limitation, any duties or obligations that might otherwise apply to a fiduciary or trustee under general principles of trust or fiduciary law. Nothing in this Agreement shall be considered a waiver of any privileges or immunities of the IBRD and IDA under their Articles of Agreement or any applicable law, all of which are expressly reserved.

1.2. The Contribution shall be administered in accordance with the Bank's applicable policies and procedures, as the same may be amended from time to time, including its framework to prevent and combat fraud and corruption and its screening procedures to prevent the use of Bank resources to finance terrorist activity, in line with the Bank's obligations to give effect to the relevant decisions of the Security Council, taken under Chapter VII of the Charter of the United Nations. The Donor acknowledges that this provision does not create any obligations of the Bank under the anti-terrorist financing and asset control laws, regulations, rules and executive orders of an individual member country that may apply to the Donor, nor shall it be deemed a waiver, express or implied, of any of the privileges and immunities of the Bank.

2. Commingling, Exchange and Investment of the Contributions

The Donor and the Bank shall agree on the scope and conduct of such review or evaluation, and the Bank shall provide all relevant information within the limits of its policies and procedures. 8.2. It is expected that the Contributions will be fully disbursed by the Bank by June 30, 2019. The Bank shall only disburse Contributions for the purposes of this Agreement after such date with the written approval of the Donors.
