Section I. Implementation Arrangements

A. Institutional Arrangements

1. The Project Implementing Entity shall carry out the fiduciary functions of the Project, including inter alia, procurement, financial management, disbursement, monitoring and evaluation, and reporting activities under the Project pursuant to this Agreement and the Subsidiary Agreement.

2. The Project Implementing Entity shall:

   (a) maintain staff throughout the implementation of the Project with functions and responsibilities acceptable to the Association, including inter alia a senior operations officer (to ensure coordination among the Project Co-Implementing Entities and the Project Implementing Entity), a procurement specialist, a procurement assistant, a financial manager, and an accountant, all as further detailed in the Project Operations Manual;

   (b) prepare the Project Operations Manual in coordination with MEAS, MECCC and DGTH, in accordance with Section C of Schedule 2 to this Agreement;

   (c) carry out the fiduciary functions under the Project on behalf of the MEAS, the MECCC, and the DGTH with due diligence and efficiency and in conformity with appropriate administrative, technical, financial, economic standards and practices, including the provisions of the Anti-Corruption Guidelines applicable to recipients of loan proceeds other than the Recipient, in accordance with the Project Operations Manual, and in accordance with the provisions of this Agreement and the Financing Agreement;

   (d) with respect to procurement: (i) procure all goods, works and services required under the Project and to be financed out of the proceeds of the Financing in accordance with the General Conditions; and (ii) ensure that all such goods and services are used exclusively for the purposes of the Project;

   (e) with respect to records management: (i) maintain records adequate to record the progress of the Project (including its cost and the benefits to be derived from it), to identify the goods and services financed out of the proceeds of the Financing and disclose their use in said parts; (ii) furnish
such records and information as may be requested by the Recipient or the Association; and (iii) retain all records evidencing expenditures under the Project for the period of time specified in the General Conditions;

(f) with respect to monitoring and evaluation: (i) maintain policies and procedures adequate to enable it to monitor and evaluate on an ongoing basis, in accordance with indicators acceptable to the Recipient and the Association, the progress of the Project and the achievement of its objective; (ii) prepare periodic reports, in form and substance satisfactory to the Recipient and the Association, integrating the results of such monitoring and evaluation activities and setting out measures recommended to ensure the continued efficient and effective execution of the Project and to achieve its objective, each such report to cover a calendar semester; (iii) furnish each such report to the Recipient and the Association within one month after the end of such period; and (iv) prepare, and furnish to the Recipient a final report, of such scope and in such detail as the Recipient and the Association shall reasonably request, on the execution of the Project, and furnish the same to the Recipient and the Association not later than (6) months after the end of the Project;

(g) with respect to financial management: (i) maintain a financial management system and prepare financial statements in accordance with consistently applied accounting standards acceptable to the Recipient and the Association, both in a manner adequate to reflect its operations and financial condition, including the operations, resources and expenditures related to the Project; (ii) avail the records pertaining to said parts to external and internal auditors; (iii) prepare interim financial reports covering each quarter, and furnish them to the Recipient and the Association not later than one month after the end of the period covered by such reports, and provide such other information concerning such financial statements as the Recipient or the Association may from time to time reasonably request; and (iv) have its financial statements audited by independent auditors and applying standards both acceptable to the Association at least once in each fiscal year;

(h) enable the Recipient and the Association to inspect the Project, their operations and any relevant records and documents; and

(i) not to assign, amend, terminate, abrogate, repeal, waive or fail to enforce this Agreement or the Subsidiary Agreement or any provision thereof, unless previously agreed with the Association.
Section II.  Project Monitoring, Reporting and Evaluation

A.  Project Reports

1. The Project Implementing Entity shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 5.08 (b) of the General Conditions and on the basis of the indicators acceptable to the Association. Each such Project Report shall cover the period of one calendar semester, and shall be furnished to the Recipient not later than two weeks after the end of the period covered by such report for incorporation and forwarding by the Recipient to the Association of the overall Project Report.

2. The Project Implementing Entity shall provide to the Recipient not later than one month, for incorporation in the report referred to in Section 5.08 (c) of the General Conditions all such information as the Recipient or the Association shall reasonably request for the purposes of such Section.
