SCHEDULE 1

Project Description

The objective of the Project is to establish an efficient and accessible real property registration and cadastre system in the Republic of Uzbekistan as part of the national eGovernment structure and services.

The Project consists of the following parts:

Part A. Real Property Registration and Cadastre System

Development and roll-out of a new Integrated Information System for Real Property Registration and Cadastre ("IISRPRC") by carrying out activities including:

1. Analyzing and re-defining the existing real property registry and cadastre business processes and modifying or replacing them to establish efficient customer service standards and to incorporate international best practices in real property registration.

2. Developing a modern web-based information communication technology solution for IISRPRC based on international best practices including, phased development of a unified and centralized system for integration with a new eGovernment one-stop shop network to be hosted by the Recipient’s Ministry of Justice.

3. Creating a modern data infrastructure for ISRPRC to accommodate the needs of a fully operational digital IISRPRC including, establishment of a main data centre with links to Oblast production offices with installation of engineering systems for uninterrupted and alternative power supplies, climate control, fire protection, and access security for said centre, as well as renovation of premises, if necessary, and equip the center with appropriate engineering systems.

Part B. Real Property Registration and Cadastre Data Development

Digitization of current manual property registration and cadastre records (including both attribute and geospatial data) for use in IISRPRC by carrying out the following activities:

1. Mass digitizing, on a selective basis, of essential registration and cadastre documents, and prioritizing current versus archive records.

2. Compiling uniform digital datasets for a base map, and incorporating property right units to a cadastre index map, as well as soil type maps (referred to as land-use cadastre) and harmonizing the datasets and populating the IISRPRC’s unified central database.
3. Enhancing the capacity of GKZGDK to plan, manage, monitor implementation, assure the quality in the carrying out of the above data development including, the design of a transitional data model, work processes and tools, quality control, and transitional storage and updating procedures prior to IISRPRC population and roll out.

Part C. Use of Real Property Registry and Cadastre Data

Enhance public on-line use of IISRPRC data, which will form the core dataset of the geospatial data framework and the geospatial base for a variety of public sector planning, monitoring, eGovernance, and fiscal purposes, as well as for property markets, and start-ups and corporations developing value added businesses, through carrying out of investments that enhance interoperability and efficient data sharing and exchange including:

1. (a) Developing a geospatial data framework strategy, which defines the infrastructure, data formats, standards and initial services that the geospatial data framework will provide to authorities, business entities, organizations and citizens; (b) establishing a technological framework for geospatial data framework implementation, which facilitates interoperability and efficient data sharing and exchange; and (c) establishing a web portal for use to find and access geographic information and associated geographic services (“Geoportal”), which will serve as a one-stop shop for all geospatial information and related online services.

2. Creation of a new open Coordinate Reference System which is accessible by the public and that can be applied to the real property registry, cadastre, topographic mapping and all other geospatial data sets, including exchanging and sharing capabilities and establishment of a control center for the Recipient’s Continuously Operating Reference Stations network, which will allow the application of a real time kinematic global navigation satellite system technology to field surveys in priority areas.

3. Piloting an IISRPRC-based prototype tool for mass valuation application for multiple uses in support of real property taxation, compensation definition, state land/asset management and state asset management using IISRPRC data.

Part D. Institutional Development and Project Management

Ensure effective management of the Project and sustainability by carrying out the following activities:

1. Improving customer services delivered by GKZGDK through, *inter alia*, development of service standards and codes of conduct, transparency initiatives (such as establishing a customer hotline), and on-line operations manuals.

2. Supporting institutional development of GKZGDK and its regional offices and develop means to ensure financial sustainability through, *inter alia*, enhancement of
business planning aimed at full cost recovery and/or self-financing, as well as accounting, and statistics collection and analysis.

3. (a) Improving the policy and regulatory environment to support more efficient and effective property registration and cadastre operations; (b) supporting agricultural modernization and farmland reform; and (c) developing an efficient and informed real property and land market through, \textit{inter alia}, carrying out of studies to analyse key issues and developing recommendations and provision of support for legislative drafting.

4. Enhancing the capacity of GKZGDK and stakeholders to implement the new real property and cadastre system, through the development of curricula and education courses in relevant sectors (including, in law, surveying, cadastre, valuation, and land management), the provision of applicable training, the establishment of a training portal, and participation in study tours, as well as the PIU’s capacity for Project management, monitoring and evaluation, including financing of Incremental Operating Costs.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements

1. The Recipient shall establish, within the National Centre for Geodesy and Cartography of GKZGDK, and thereafter operate and maintain during Project implementation, a Project implementation unit ("PIU"), with functions and responsibilities (including responsibility for Project management and fiduciary functions and monitoring and evaluation), adequate funds, facilities, services and resources, and with competent staff, in adequate numbers, qualifications, and experience, all acceptable to the Association.

2. For the purposes of overall Project oversight and policy guidance, the Recipient shall maintain until completion of the Project, the Inter-Ministerial Coordination Council with the composition, terms of reference and resources adequate for the implementation of its functions.

3. The Recipient, through GKZGDK, shall:

   (a) (i) prepare and adopt a manual, satisfactory to the Association, ("Project Operations Manual") setting out, inter alia, the institutional, disbursement, procurement and financial management (including Project-related internal control, budgeting, external auditing, financial reporting and accounting policies and procedures) arrangements for the implementation of the Project; and (ii) immediately thereafter, carry out the Project in accordance with the Project Operations Manual; and

   (b) not amend, suspend, repeal or waive any of the provisions of the Project Operations Manual without the Association’s prior written approval.

B. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

C. Safeguards

1. The Recipient shall ensure that no works under the Project involve the involuntary taking of land resulting in relocation or loss of shelter, loss of assets or access to assets, loss of income sources or means of livelihood, or involving the involuntary restriction of access to legally designated parks and protected areas.
2. The Recipient shall ensure that the Project is carried out in accordance with the EMF and shall:

   (a) prepare and disclose, prior to the commencement of any works under the Project, EMPs, in accordance with the EMF and that are satisfactory to the Association;

   (b) carry out the EMPs, which have been accepted by the Association, in a manner satisfactory to the Association; and

   (c) not amend, suspend or abrogate any of the provisions of the EMF and said EMPs without the prior approval of the Association.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

1. The Recipient, through GKZGDK, shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of the indicators acceptable to the Association. Each Project Report shall cover the period of one calendar quarter and shall be furnished to the Association not later than forty-five (45) days after the end of the period covered by such report.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Recipient, through GKZGDK, shall prepare and furnish to the Association as part of the Project Report not later than forty-five (45) days after the end of each calendar quarter, interim unaudited financial reports for the Project covering the pertinent quarter, in form and substance satisfactory to the Association.

3. The Recipient, through GKZGDK, shall have the Project Financial Statements audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one fiscal year of the Recipient. The audited Financial Statements for each such period shall be furnished to the Association not later than six (6) months after the end of such period.
Section III. Procurement

A. General

1. **Goods, Works and Non-consulting Services.** All goods, works and non-consulting services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.

2. **Consultants' Services.** All consultants' services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Section.

### B. Withdrawal Conditions; Withdrawal Period

1. Notwithstanding the provisions of Part A of this Section, no withdrawal shall be made for payments made prior to the date of this Agreement.

2. The Closing Date is September 30, 2021.

### Section V. Other Undertakings

#### A. Annual work program and budget

1. The GKZGDK shall: (a) prepare a draft annual work program (including an annual training plan) and budget, in accordance with terms of reference satisfactory to the Association, and furnish said draft by September 30 each year during Project implementation, to the Association for review and comments; (b) after incorporating the Association’s comments on the draft annual work program and budget, approve such annual work program and budget; and (c) upon approval, carry out the approved annual work program and budget in accordance with its terms and in a manner acceptable to the Association.

#### B. New Open Coordinate Reference System

1. The Recipient shall: (a) establish the legal basis for a new open Coordinate Reference System by December 31, 2017, unless otherwise agreed with the Association; and (b) ensure that all spatial data converted and/or produced under the Project is compatible with said CRS and accessible to public and private users.
ANNEX TO SCHEDULE 2

The National Competitive bidding procedures of the Recipient may be used for procurement under the Project provided that the following provisions are complied with:

1. (a) Bidding shall not be restricted to pre-registered firms.

   (b) Where registration is required, bidders: (i) shall be allowed a reasonable time to complete the registration process; and (ii) shall not be denied registration for reasons unrelated to their capability and resources to successfully perform the contract, which shall be verified through post-qualification.

   (c) Foreign bidders shall not be precluded from bidding. If a registration process is required, a foreign bidder declared the lowest evaluated bidder shall be given a reasonable opportunity to register.

2. Invitations to bid shall be advertised in at least one widely circulated national daily newspaper allowing a minimum of thirty (30) days for the preparation and submission of bids.

3. When pre-qualification shall be required for large or complex works, invitations to pre-qualify for bidding shall be advertised in at least one widely circulated national daily newspaper a minimum of thirty (30) days prior to the deadline for the submission of pre-qualification applications. Minimum experience, technical and financial requirements shall be explicitly stated in the pre-qualification documents.

4. Government-owned enterprises in the Republic of Uzbekistan shall be eligible to participate in bidding only if they can establish that they are legally and financially autonomous, operate under commercial law and are not a dependent agency of the contracting authority. Furthermore, they will be subject to the same bid performance security requirements as other bidders.

5. Bidders shall use the appropriate standard bidding documents for the procurement of goods, works non-consulting services or consultants’ services, acceptable to the Association.

6. (a) Bids shall be opened in public, immediately after the deadline for submission of bids.

   (b) Evaluation of bids shall be made in strict adherence to the monetarily quantifiable criteria declared in the bidding documents.
(c) Contracts shall be awarded to the qualified bidder having submitted the lowest evaluated substantially responsive bid and no negotiation shall take place.

(d) Price verification shall not be applied to Association-financed contracts.

7. Civil works contracts of long duration (e.g. more than eighteen (18) months) shall contain an appropriate price adjustment clause acceptable to the Association.

8. (a) All bids shall not be rejected and new bids solicited without the Association’s prior concurrence.

(b) When the number of bids received is less than three (3), re-bidding shall not be carried out without the Association’s prior concurrence.

17. “Procurement Plan” means the Recipient’s procurement plan for the Project, dated November 8, 2015 and referred to in paragraph 1.18 of the Procurement Guidelines
and paragraph 1.25 of the Consultant Guidelines, as the same shall be updated from time to time in accordance with the provisions of said paragraphs.

18. “Training” means expenditures (other than those for consultant’s services) for Project related training courses, seminars, workshops, study tours and other training activities as approved in the annual work program and budget plan (in accordance with paragraph 1 of Section V.A of Schedule 2 to the Agreement) for training of GKZGDK and other public and private sector personnel (selected in accordance with criteria acceptable to the Association) in real property registration, cadastral services and real property markets, including costs of training materials, space and equipment rental, training fees, travel and per diem costs of trainees and trainers.

19. “Withheld Taxes” means the following taxes withheld at source: taxes for social charges; income taxes for residents and non-residents; and custom registrations duties withheld at the source.

Section II. Modifications to the General Conditions

The General Conditions are hereby modified as follows:

1. Section 3.02 is modified to read as follows:

“Section 3.02. Service Charge and Interest Charge

(a) Service Charge. The Recipient shall pay the Association a service charge on the Withdrawn Credit Balance at the rate specified in the Financing Agreement. The Service Charge shall accrue from the respective dates on which amounts of the Credit are withdrawn and shall be payable semi-annually in arrears on each Payment Date. Service Charges shall be computed on the basis of a 360-day year of twelve 30-day months.

(b) Interest Charge. The Recipient shall pay the Association interest on the Withdrawn Credit Balance at the rate specified in the Financing Agreement. Interest shall accrue from the respective dates on which amounts of the Credit are withdrawn and shall be payable semi-annually in arrears on each Payment Date. Interest shall be computed on the basis of a 360-day year of twelve 30-day months.”

2. Paragraph 28 of the Appendix (“Financing Payment”) is modified by inserting the words “the Interest Charge” between the words “the Service Charge” and “the Commitment Charge”.

3. The Appendix is modified by inserting a new paragraph 32 with the following definition of “Interest Charge”, and renumbering the subsequent paragraphs accordingly:

   “32. “Interest Charge” means the interest charge specified in the Financing Agreement for the purpose of Section 3.02 (b).”

4. Renumbered paragraph 37 (originally paragraph 36) of the Appendix (“Payment Date”) is modified by inserting the words “Interest Charges” between the words “Service Charges” and “Commitment Charges”.

5. Renumbered paragraph 50 (originally paragraph 49) of the Appendix (“Service Charge”) is modified by replacing the reference to Section 3.02 with Section 3.02 (a).
