RECOMMENDATION OF STATUTORY COMMITTEE

TO: The President, International Development Association

Recommendation of the Committee under Section 1 (d) of Article V of the Articles of Agreement on the proposed Additional Financing for Cash Transfer for Orphans and Vulnerable Children Project to the Republic of Kenya

The undersigned Committee constituted under Section 1 (d) of Article V of the Articles of Agreement of the International Development Association (the Association) hereby submits its recommendation pursuant to said Section in respect of the proposal that the Association extend to the Republic of Kenya an additional credit in an amount equivalent to SDR 6,600,000. The purpose of said additional credit is to provide additional funds to supplement the financial assistance furnished by the Association under the Financing Agreement for Cash Transfer for Orphans and Vulnerable Children Project, dated May 8, 2009, between the Republic of Kenya and the Association.

1. The Committee has carefully studied the merits of the proposal to extend such an additional financing, and of the purpose to which the proceeds of the additional financing are to be applied.

2. The Committee is of the opinion that the project in support of which the proceeds of such additional financing are to be applied continues to come within the purposes of the Association as set forth in Article I of said Articles of Agreement, and that said project is designed to promote the economic development of the Republic of Kenya and is of high developmental priority in the light of the needs of the Republic of Kenya.
Accordingly, the Committee finds that said project continues to merit financial assistance from the Association, and hereby recommends said project for such additional assistance.
