Loan Agreement

(Urban Transport Transformation Project)

between

INTERNATIONAL BANK FOR RECONSTRUCTION
AND DEVELOPMENT

and

BANCO NACIONAL DE OBRAS Y SERVICIOS PUBLICOS, S.N.C.

Dated July 21, 2010

(A) WHEREAS by an agreement of even date herewith between the United Mexican States (the Guarantor), through SHCP, and the Bank (the Guarantee Agreement), the Guarantor has agreed to guarantee the Loan Payment obligations of the Borrower in respect of the Loan;

(B) WHEREAS by an agreement of even date herewith (the CTF Loan Agreement), the Bank, acting as an implementing agency of the Clean Technology Fund, has agreed to extend to the Borrower a loan in the amount of two hundred million Dollars ($200,000,000) to assist in financing the Project on terms and conditions set forth in the CTF Loan Agreement.

(C) WHEREAS the Borrower has informed the Bank that the proceeds of the Loan (as set forth in the table in Section IV of Schedule 2 to this Agreement and for purposes of supporting the Project), shall be used in conformity with the requirements of the public debt law of the United Mexican States and the terms of this Agreement.

The Borrower and the Bank hereby agree as follows:

ARTICLE I — GENERAL CONDITIONS; DEFINITIONS

1.01. The General Conditions (as defined in the Appendix to this Agreement) constitute an integral part of this Agreement.

1.02. Unless the context requires otherwise, the capitalized terms used in this Agreement have the meanings ascribed to them in the General Conditions or in the Appendix to this Agreement.

ARTICLE II — LOAN

2.01. The Bank agrees to lend to the Borrower, on the terms and conditions set forth or referred to in this Agreement, the amount of one hundred and fifty million Dollars ($150,000,000), as such amount may be converted from time to time through a Currency Conversion in accordance with the provisions of Section 2.07 of this Agreement (“Loan”), to assist in financing the project described in Schedule 1 to this Agreement (“Project”).
2.02. The Borrower may withdraw the proceeds of the Loan in accordance with Section IV of Schedule 2 to this Agreement.

2.03. The Front-end Fee payable by the Borrower shall be equal to one quarter of one percent (0.25%) of the Loan amount. The Borrower shall pay the Front-end Fee not later than 60 days after the Effective Date.

2.04. The interest payable by the Borrower for each Interest Period shall be at a rate equal to LIBOR for the Loan Currency plus the Fixed Spread; provided, that upon a Conversion of all or any portion of the principal amount of the Loan, the interest payable by the Borrower during the Conversion Period on such amount shall be determined in accordance with the relevant provisions of Article IV of the General Conditions. Notwithstanding the foregoing, if any amount of the Withdrawn Loan Balance remains unpaid when due and such non-payment continues for a period of thirty days, then the interest payable by the Borrower shall instead be calculated as provided in Section 3.02 (d) of the General Conditions.

2.05. (a) The Payment Dates are June 15 and December 15 in each year.

(b) Notwithstanding paragraph (a) of this Section 2.05, if the Borrower requests, pursuant to the terms of Section 2.07 below, a Conversion of the Loan Currency into Mexican pesos, upon the Bank’s execution of such Conversion, the Borrower shall pay interest on the converted Withdrawn Loan Balance on the 15th day of each calendar month. Notices with respect to the interest due on such converted amount may be given by the Bank to the Borrower through electronic means as provided in Section 10.01 of the General Conditions; such notices will be sent to the Borrower at such electronic mail address as the Borrower shall have designated by notice to the Bank for the purposes of receiving such information.

2.06. The principal amount of the Loan shall be repaid in accordance with the provisions of Schedule 3 to this Agreement.

2.07. (a) The Borrower may at any time request any of the following Conversions of the terms of the Loan in order to facilitate prudent debt management: (i) a change of the Loan Currency of all or any portion of the principal amount of the Loan, withdrawn or unwithdrawn, to an Approved Currency; (ii) a change of the interest rate basis applicable to all or any portion of the principal amount of the Loan withdrawn and outstanding from a Variable Rate to a Fixed Rate, or vice versa; and (iii) the setting of limits on the Variable Rate applicable to all or any portion of the principal amount of the Loan withdrawn and outstanding by the establishment of an Interest Rate Cap or Interest Rate Collar on the Variable Rate.

(b) Any conversion requested pursuant to paragraph (a) of this Section that is accepted by the Bank shall be considered a “Conversion”, as defined in the General Conditions, and shall be effected in accordance with the provisions of Article IV of the General Conditions and of the Conversion Guidelines.
ARTICLE III — PROJECT

3.01. The Borrower declares its commitment to the objective of the Project. To this end, the Borrower shall cause the Eligible Beneficiaries to carry out the Project in accordance with the provisions of Article V of the General Conditions and pursuant to the terms and conditions of the relevant Credit Agreements.

3.02. Without limitation upon the provisions of Section 3.01 of this Agreement, and except as the Borrower and the Bank shall otherwise agree, the Borrower shall ensure that the Project is carried out in accordance with the provisions of Schedule 2 to this Agreement.

ARTICLE IV — REMEDIES OF THE BANK

4.01. The Additional Events of Suspension consist of the following:

(a) (i) The right to withdraw the proceeds of the CTF Loan Agreement has been suspended, canceled or terminated in whole or in part, pursuant to the terms of the CTF Loan Agreement; or (ii) the loan under the CTF Loan Agreement has become due and payable prior to its agreed maturity.

(b) Any Eligible Beneficiary shall have failed to perform any of its obligations under the relevant Credit Agreement or a situation shall have arisen so as to materially and adversely affect, in the opinion of the Bank, the ability of any Eligible Beneficiary to carry out its obligations under the relevant Credit Agreement, in which cases the Bank may suspend Loan disbursements with respect to the above-cited Eligible Beneficiary (and related Subproject) that has so failed to perform, or whose ability to perform has been materially and adversely affected.

4.02. The Additional Events of Acceleration consists of the following:

(a) Any event specified in Section 4.01 (b) of this Agreement occurs and is continuing for a period of 60 days after notice of the event has been given by the Bank to the Borrower.

(b) Any event specified in paragraph (a) of Section 4.01 of this Agreement occurs.

ARTICLE V — EFFECTIVENESS; TERMINATION

5.01. The Additional Conditions of Effectiveness consist of the following:

(a) The CTF Loan Agreement has been executed and delivered and all conditions precedent to its effectiveness (other than the effectiveness of this Agreement) have been fulfilled.
(b) The Borrower has adopted the Operational Manual.

5.02. Without prejudice to the provisions of the General Conditions, the Effectiveness Deadline is the date ninety (90) days after the date of this Agreement, but in no case later than the eighteen (18) months after the Bank’s approval of the Loan which expire on September 25, 2011.

ARTICLE VI — REPRESENTATIVE; ADDRESSES

6.01. The Borrower’s Representative is its General Director (Director General).

6.02. The Borrower’s Address is:

SCHEDULE 1

Project Description

The objective of the Project is to contribute to the transformation of urban transport in Mexican cities toward a lower carbon growth path.

The Project consists of the following parts, subject to such modifications thereof as the Borrower and the Bank may agree upon from time to time to achieve such objective:

Part 1. Capacity building

Provision of technical assistance and training to the Eligible Beneficiaries for the development and/or strengthening of the local urban transport development process in the Participating Entities, including, *inter alia*:

- (i) the preparation, update or completion of Integral Transport Plans (ITP), which will include climate change mitigation considerations;
- (ii) the development of plans for modernizing traffic management and for efficient allocation of public space for transport and non-motorized modes;
- (iii) support to urban transport institutions or regional transport coordination commissions which are responsible for sector coordination, modal and fare integration promotion and updating of ITPs; and
- (iv) training of local government staff and other civil servants in areas such as transport system inventory, urban transport planning and programming, traffic management, formulation of urban transport projects including bus rapid transit projects, traffic safety, non-motorized transport modes, environmental and social evaluation and rehabilitation and maintenance of roads.

Part 2. Development of Integrated Transit Systems that reduce CO2 emissions

Development of integrated transit systems that contribute to the reduction of CO2 emissions in the Borrower's cities within the context of the ENACC and the PECC, by approximately 1.96 million tons per year beginning in 2017, through the carrying out of the following activities:

A. Mass transit corridors and ancillary investments

(a) Provision of financing for the development of Integrated Mass Transit Corridors (IMTC) in the Participating Entities, including, *inter alia*: the preparation, design, construction, supervision, maintenance and rehabilitation of roads for trunk lines and feeder roads, terminals, yards, transfer and access stations, mixed traffic lanes, and the acquisition of rolling stock, signaling, control centers, information systems, environmental monitoring equipment, and fare collection systems.
(b) Provision of financing for ancillary carbon-reduction transport investments, including, *inter alia*: the adoption of traffic management measures, non-motorized transport, design of and implementation of universal access facilities, carrying out of studies and design of facilities for bike-transit integration, parking space and transfer stations, vehicle use restriction, public space improvements, including sidewalks, adoption of safety and security programs, design of land use density and clustering plans, intelligent transportation, transport demand management marketing and promotion, freight management and car free planning.

B. Low carbon rolling stock technologies and scrapping of displaced buses

(a) Provision of financing for the acquisition of low-carbon rolling stock to be operated in the Participating Entities.

(b) Provision of finance for programs concerning the scrapping of old and displaced buses, including, *inter alia*: (i) building institutional capacity to develop and/or adopt clean and environmentally sound scrapping strategies (collection, dismantling and final disposal); (ii) the purchasing of displaced rolling stock; and (iii) financing of the scrapping process, defined as the collection, destruction and recycling of steel scrap and disposal of non recyclable materials.

Part 3. Project management

Provision of support (including the implementation of a technical monitoring system) to the Eligible Beneficiaries for the supervision and monitoring of the implementation of the Subprojects in the Participating Entities.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements

1. Without limitation upon the provisions of Section 3.01 of this Agreement, the Borrower shall carry out the Project in accordance with the Operational Manual. Except as the Bank shall otherwise agree, the Borrower shall not amend or waive any provision of the Operational Manual without the Bank’s prior written approval. In case of any conflict between the terms of the Operational Manual and those of this Agreement, the terms of this Agreement shall prevail.

2. The Borrower shall select each Subproject in accordance with the eligible criteria and procedures satisfactory to the Bank, established in the PROTRAM Guidelines, and the Operational Manual.

B. Anti-Corruption

The Borrower shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

C. Subprojects and Credit Agreements

1. The Borrower shall make Sub-loans to Eligible Beneficiaries in accordance with eligibility criteria and procedures acceptable to the Bank, as set forth in the Operational Manual and in accordance with current internal practices of the Borrower.

2. The Borrower shall make each Sub-loan under a Credit Agreement with the respective Eligible Beneficiary (Contrato de Crédito), on terms and conditions approved by the Bank, in which the Borrower shall obtain rights adequate to protect its interests and those of the Bank, including the right to:

   (a) suspend or terminate the right of the Eligible Beneficiary to use the proceeds of the Sub-loan, or obtain a refund of all or any part of the amount of the Sub-loan then withdrawn, upon the Eligible Beneficiary’s failure to perform any of its obligations under the Credit Agreement; and

   (b) require each Eligible Beneficiary to: (i) carry out its Subproject with due diligence and efficiency and in accordance with sound technical, economic, financial, managerial, environmental and social standards and practices satisfactory to the Bank, including in accordance with the provisions of the Anti-Corruption Guidelines applicable to Recipients of loan proceeds other than the Borrower and with the provisions of the ESMF; (ii) provide, promptly as needed, the resources required for the purpose; (iii) procure the goods, works and services to be financed out of the Sub-loan in accordance with the provisions of this Agreement; (iv) maintain policies and procedures adequate to enable it to monitor and evaluate in accordance with indicators acceptable to the Bank, the progress of the Subproject and the achievement of its objectives; (v) (A) maintain a
financial management system and prepare financial statements in accordance with consistently applied accounting standards acceptable to the Bank, both in a manner adequate to reflect the operations, resources and expenditures related to the Subproject; and (B) at the Bank’s or the Borrower’s request, have such financial statements audited by independent auditors acceptable to the Bank, in accordance with consistently applied auditing standards acceptable to the Bank, and promptly furnish the statements as so audited to the Borrower and the Bank; (vi) enable the Borrower and the Bank to inspect the Subproject, its operation and any relevant records and documents; and (vii) prepare and furnish to the Borrower and the Bank all such information as the Borrower or the Bank shall reasonably request relating to the foregoing.

3. The Borrower shall exercise its rights under each Credit Agreement in such manner as to protect the interests of the Borrower and the Bank and to accomplish the purposes of the Loan. Except as the Bank shall otherwise agree, the Borrower shall not assign, amend, abrogate or waive any Credit Agreement or any of its provisions.

D. Safeguards

1. The Borrower shall carry out and/or shall cause each Eligible Beneficiary to carry out Part 1 and 2 of the Project in accordance with the provisions and recommendations of the ESMF.

2. The Borrower shall and/or shall cause each Eligible Beneficiary to, prior to the carrying out of any works under any Subproject: (a) carry out, or cause to be carried out, an environmental screening/assessment of each of the pertinent works, and if needed, as determined by the Bank, approve or cause to be approved, an environmental management plan or similar environmental instrument, acceptable to the Bank, for each of said works (which plan or similar environmental instrument shall be based on the results of the pertinent screening/assessment mentioned herein, and the Bank’s comments on the results of said screening/assessment, if any); and (b) immediately after said approval, implement and/or cause to be implemented, the corresponding plan (or similar environmental instrument) in accordance with its terms, and in a manner acceptable to the Bank.

3. If as a result of the carrying out of the screening/assessment process mentioned in Section I.D 2. of this Schedule, it is determined by the Bank that resettlement will be involved in respect of any given works under the Project, the Borrower shall, and/or shall cause each Eligible Beneficiary to: (i) prior to the commencement of any said works under the territorial jurisdiction of the relevant Participating Entity, prepare (and/or cause to be prepared) and furnish to the Bank, a resettlement plan (acceptable to the Bank), which plan shall be based on the provisions of the relevant Resettlement Framework; and (ii) immediately after, implement and/or cause to be implemented (as the case may be) the corresponding resettlement plan in accordance with its terms, and in a manner acceptable to the Bank.
Section II.  Project Monitoring Reporting and Evaluation

A.  Project Reports

The Borrower shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 5.08 of the General Conditions and on the basis of the indicators agreed with the Bank and set forth in the Operational Manual. Each Project Report shall cover the period of one calendar semester, and shall be furnished to the Bank not later than three months after the end of the period covered by such report.

B.  Financial Management, Financial Reports and Audits

1. The Borrower shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 5.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Borrower shall prepare and furnish to the Bank not later than forty-five days after the end of each calendar quarter, interim unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Bank.

3. The Borrower shall have its Financial Statements audited in accordance with the provisions of Section 5.09 (b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one fiscal year of the Borrower, commencing with the fiscal year in which the Effective Date occurs. The audited Financial Statements for each such period shall be furnished to the Bank not later than six months after the end of such period.

Section III.  Procurement

A.  General

1. Goods and Works. All goods and works required for the Project and to be financed out of the proceeds of the Loan shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.

2. Consultants’ Services. All consultants’ services required for the Project and to be financed out of the proceeds of the Loan shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines and with the provisions of this Section.

3. Definitions. The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Bank of particular contracts refer to the corresponding method described in the Procurement Guidelines, or Consultant Guidelines, as the case may be.
4. **Special Provisions.** The Borrower shall: (a) supply the SEPA with the information contained in the initial Procurement Plan within 45 days after the Project has been approved by the Bank; and (b) update the Procurement Plan at least once a year, or as needed through the duration of the Project, to reflect the actual Project implementation needs and progress and supply the SEPA with the information contained in the updated Procurement Plan immediately thereafter.

B. **Particular Methods of Procurement of Goods and Works**

1. **International Competitive Bidding.** Except, as otherwise provided in paragraph 2 below, goods and works shall be procured under contracts awarded on the basis of International Competitive Bidding.

2. **Other Methods of Procurement of Goods and Works.** The following table specifies the methods of procurement, other than International Competitive Bidding, which may be used for goods (US$<3000,000) and works (US$<15,000,000). The Procurement Plan shall specify the circumstances under which such methods may be used.

3. For purposes of this Section IV. A, the term “Training” means non-consultant expenditures incurred in connection with the provision of training under the Project, including training fees, logistics, materials, and reasonable cost of travel and per diem of trainers and trainees.

B. Withdrawal Conditions; Withdrawal Period

1. Notwithstanding the provisions of Part A of this Section, no withdrawal shall be made:

   (a) from the Loan Account until the Bank has received payment in full of the Front-end Fee; or

   (b) for payments made prior to the date of this Agreement, except that withdrawals up to an aggregate amount not to exceed $30,000,000 equivalent may be made for payments made prior to this date but on or after August 24, 2009 (but in no
case earlier than one year from the date of this Agreement), for Eligible Expenditures; or

(c) for payments to finance Eligible Expenditures under Categories (1), (2) and (3) in respect of any Subproject to be carried out by any Eligible Beneficiary, unless: (i) the Borrower has carried out and submitted to the Bank a satisfactory financial management assessment of the relevant Eligible Beneficiary as described in the Operational Manual; (ii) the relevant Credit Agreement has been signed by the parties thereto; and (iii) the Borrower and/or the Eligible Beneficiary have complied with the requirements of Section I.D.2 and 3 (if applicable) of this Agreement.

2. The Closing Date is June 30, 2017.
SCHEDULE 3

Amortization Schedule

1. Subject to the provisions of paragraph 2 of this Schedule, the Borrower shall repay each Disbursed Amount in semiannual installments payable on each June 15 and December 15, the first installment to be payable on the 7th Interest Payment Date following the Maturity Fixing Date for the Disbursed Amount and the last installment to be payable on the 26th Interest Payment Date following the Maturity Fixing Date for the Disbursed Amount. Each installment except for the last one shall be as specified in the Table below. The last installment shall be equal to the remaining outstanding amount of the Disbursed Amount.

2. If any one or more installments of principal of the Disbursed Amount would, pursuant to the provisions of paragraph 1 of this Schedule, be payable after June 15, 2030, the Borrower shall also pay on such date the aggregate amount of all such installments.
3. The Bank shall notify the Loan Parties of the amortization schedule for each Disbursed Amount promptly after the Maturity Fixing Date for the Disbursed Amount.

4. Notwithstanding the provisions of paragraphs 1 through 3 of this Schedule, in the event of a Currency Conversion of all or any portion of a Disbursed Amount to an Approved Currency, the amount so converted in the Approved Currency that is repayable on any Principal Payment Date occurring during the Conversion Period, shall be determined by the Bank by multiplying such amount in its currency of denomination immediately prior to the Conversion by either: (i) the exchange rate that reflects the amounts of principal in the Approved Currency payable by the Bank under the Currency Hedge Transaction relating to the Conversion; or (ii) if the Bank so determines in accordance with the Conversion Guidelines, the exchange rate component of the Screen Rate.

5. If the Withdrawn Loan Balance is denominated in more than one Loan Currency, the provisions of this Schedule shall apply separately to the amount denominated in each Loan Currency.

Section II. Modifications to the General Conditions

The modifications to the General Conditions are as follows:

1. Paragraph (a) of Section 2.07 is modified to read as follows:

   “Section 2.07. Refinancing Preparation Advance; Capitalizing Front-end Fee and Interest

   (a) If the Loan Agreement provides for the repayment out of the proceeds of the Loan of an advance made by the Bank or the Association (“Preparation Advance”), the Bank shall, on behalf of such Loan Party, withdraw from the Loan Account on or after the Effective Date the amount required to repay the withdrawn and outstanding balance of the advance as at the date of such withdrawal from the Loan Account and to pay all accrued and unpaid charges, if any, on the advance as at such date. The Bank shall pay the amount so withdrawn to itself or the Association, as the case may be, and shall cancel the remaining unwithdrawn amount of the advance.”

2. Paragraph (l) of Section 7.02 is modified to read as follows:

   “Section 7.02. Suspension by the Bank

   ... (l) Ineligibility. The Bank or the Association has declared the Borrower (other than the Member Country) or the Project Implementing Entity ineligible to receive proceeds of any financing made by the Bank or the Association or otherwise to participate in the preparation or implementation of any project financed in whole or in part by the Bank or the Association, as a result of a determination by the Bank or the Association that the Borrower or the Project Implementing Entity has engaged in fraudulent, corrupt, coercive or collusive practices in connection with the use of the proceeds of any financing made by the Bank or the Association.”
