Re: Global Development Grant Number OPP1068174  
Strengthening SUN Analytics and Planning in Africa (TF No. 071965)

Dear Ms Reinikka,

1. The Bill & Melinda Gates Foundation (the “Foundation”) hereby agrees to provide a grant (“Grant”) in the amount of two million one hundred fifteen thousand five hundred U.S. dollars ($2,115,500) (the “Grant Funds”) to the International Bank for Reconstruction and Development (“IBRD”) and the International Development Association (“IDA”) (collectively, the “Bank”). The Grant Funds will be held in the Strengthening SUN Analytics and Planning in Africa (SSAPA) Trust Fund (TF071965) (the “Trust Fund”) in accordance with the terms of this grant agreement (“Agreement”) for the purpose of strengthening the technical underpinnings and rigor for country-led SUN planning and monitoring in 6-9 high malnutrition-burden countries in Africa, conducting activities as described in Sections I and II of the proposal and budget, dated August 13, 2012 (collectively, the “Proposal”) submitted by the Bank to the Foundation (the “Project”). The applicable Bank Trust Fund expenditure categories are set forth on Annex 1.

2. Subject to Section 7 below, the Grant Funds and any interest earned thereon will be used solely for the purpose of the Project, in accordance with the terms of this Agreement.

3. The Bank has confirmed that it is an international organization designated as such by Executive Order under the International Organizations Immunities Act, 22 USC 288, Executive Orders 9751 and 11966. The Bank agrees to advise the Foundation immediately if there is any change in the Bank’s status as an international organization during the term of this Agreement.

4. The use of the Grant Funds and earnings thereon is restricted solely to the purposes of the Project and may not be expended, for reasons unassociated with the Project. The Bank confirms that it does not engage in lobbying activities, and that grant funds have not been earmarked for lobbying. The Grant Funds may be commingled with other trust fund assets maintained by the Bank, but shall be kept separate and apart from the funds of the Bank. The Grant Funds may be freely exchanged into other currencies as may facilitate their disbursement. The Bank agrees to invest the Grant Funds in accordance with the Bank’s policies and procedures for the investment of trust funds administered by the Bank. The Bank shall credit all income from such investment to the Trust Fund to be used for the purposes of the Project. The Bank shall maintain separate records and ledger accounts in respect of the Grant Funds and disbursements made therefrom. Any increases or decreases to a total budget line (as identified by such term in the Proposal) of more than 10% must be approved by the Foundation in advance in writing; provided, however that any increase or decrease to a total budget line of $5,000 or less shall not require approval by the Foundation.
5 The Bank shall furnish to the Foundation current financial information relating to the Trust Fund in U.S. dollars via the World Bank’s Trust Funds Donor Center secure website (“Donor Website”). The parties acknowledge that only financial information on the Donor Website constitutes an official report of the Bank.

6 Within six (6) months after all commitments and liabilities with respect to the Trust Fund have been satisfied and the Trust Fund has been closed, the final financial information relating to the Trust Fund in U.S. dollars will be made available to the Foundation via the Donor Website. The Bank shall provide the Foundation annually, within six (6) months following the end of the Bank’s fiscal year, a single audit report, comprising: (a) a management assertion together with an attestation from the Bank’s external auditors concerning the adequacy of internal control over cash-based financial reporting for all cash-based trust funds as a whole; and (b) a combined financial statement for all cash-based trust funds, together with the Bank’s external auditor’s opinion thereon. The cost of the single audit shall be borne by the Bank.

7 In addition, if the Foundation wishes to request, on an exceptional basis, a financial statement audit of the Grant Funds by the Bank’s independent external auditors, the Foundation and the Bank shall first consult as to whether such an external audit is necessary. The Foundation and the Bank shall agree on the most appropriate scope and terms of reference of such external audit and the estimated costs of such audit, including the Bank’s associated internal costs. Following agreement on the scope, terms of reference and costs, the Bank shall arrange for such audit. The Bank shall provide a copy of the auditors’ report to the Foundation promptly following receipt of such report by the Bank. The costs of any such audit as agreed above by the Foundation shall be reimbursed by the Foundation.

8 Promptly following its receipt of the countersigned Agreement, the Foundation will deposit the initial installment of the Grant Funds and each subsequent installment in the respective amounts on the dates set forth below into the account designated in the written payment request to be sent by the Bank to the Foundation. When making each payment, the Foundation shall instruct its bank to include in its payment details information (remittance advice) field of its SWIFT payment message, information indicating: the amount paid, that payment is made by the Foundation for the Strengthening SUN Analytics and Planning in Africa Trust Fund (TF071965) and the date of the deposit (the “Deposit Instruction”). In addition, the Foundation shall send a copy of its Deposit Instruction to the Bank’s Accounting Trust Funds Division by e-mail sent to tfremitadvice@worldbank.org or by fax sent to (202) 614-1315.

In a similar manner, the Foundation will provide the Bank an opportunity to comment on a proposed media release by the Foundation. Please contact the Foundation at grantee.comms@gatesfoundation.org at least two weeks before any press release, announcement or other publication date. Any public disclosure of this Grant is prohibited prior to receipt by the Foundation of the countersigned Agreement.

13 The Bank shall be responsible only for performing those functions specifically set forth in this Agreement and shall not be subject to any other duties or responsibilities to the Foundation, including, without limitation, any duties or obligations that might otherwise apply to a fiduciary or trustee under general principles of trust or fiduciary law. The Grant Funds shall be administered in accordance with the Bank's applicable policies and procedures, as the same may be amended from time to time, consistent with the terms and conditions of this Agreement. The Grant Funds shall be administered in accordance with the Bank's framework to prevent and combat fraud and corruption and its screening procedures to prevent the use of Bank resources to finance terrorist activity, in line with the Bank's obligations to give effect to the relevant decisions of the Security Council, taken under Chapter VII of the Charter of the United Nations. The Foundation acknowledges that this provision does not create any obligations of the Bank under the anti-terrorist financing and asset control laws, regulations, rules and executive orders of an individual country other than the U.S. that may apply to the Foundation. Nothing in this Agreement
shall be considered a waiver of any privileges or immunities of IDA or IBRD under its respective Articles of Agreement or any applicable law, all of which are expressly reserved.

14 It is expected that the Grant Funds will be fully disbursed by the IBRD in accordance with the provisions of this Agreement by December 31, 2015. The Bank shall only disburse Grant Funds after that date with the prior approval of the Foundation. Either party may terminate this Agreement with three months’ prior notice in writing; provided, however, that in the event the Bank terminates this Agreement prior to the full expenditure of the Grant Funds, it shall be obligated to reimburse to the Foundation a pro rata portion of the administrative fee that has been previously deducted by the Bank pursuant to Section 9. Upon such termination, unless the parties hereto agree on another course of action, any agreement entered into by the Bank prior to termination to be funded by the Grant Funds shall not be affected by the termination, and the Bank shall be entitled to disburse the Grant Funds in respect of such agreements as if this Agreement had not been so terminated.

15 Within six (6) months after all commitments and liabilities under the Trust Fund have been satisfied and the Trust Fund has been closed, the Bank shall return any remaining or cancelled balance of the Grant Funds, as the case may be, to the Foundation or use the funds for such other purposes as are agreed in writing between the Foundation and the Bank.

The Foundation and the Bank shall agree on the scope and conduct of such review or evaluation, and the Bank shall provide all relevant information within the limits of its policies and procedures. All associated costs shall be borne by the Foundation. It is understood that any such review or evaluation will not constitute a financial, compliance or other audit of the Trust Fund.
