SCHEDULE 1

Project Description

The objective of the Project is to contribute to the development of integrated river basin management on the Ayeyarwady river.

The Project consists of the following parts:

1.1 Institutional Development: (a) Construction, refurbishment, furnishing and equipment of offices for NWRC’s secretariat and hydro-informatics center in Yangon, Mandalay and Nay Pyi Taw; (b) Development of an enabling policy, legal and institutional framework for water resources management and related environmental and social aspects, including operationalization of NWRC’s secretariat, hydro-informatics center and water resource expert group; and (c) Carrying out of a program of technical capacity building activities in the area of water resource management for relevant Recipient’s agencies, staff and stakeholders involved in the sector.

1.2 Ayeyarwady River Basin Master Plan and Decision Support System: (a) Preparation of a phased master plan for the integrated management of the Ayeyarwady river basin, including the development of a water resources management decision support system and carrying out of stakeholder consultations; (b) Conduct of groundwater and sediment surveys of the Ayeyarwady river basin; and (c) Preparation of a strategic environmental and social assessment of the Ayeyarwady river basin.

1.3 Preparation of Future Investments: Carrying out of feasibility studies and other agreed preparation activities for selected priority investment projects identified in the Ayeyarwady river basin master plan in line with international good practice and basin wide development objectives including in accordance with the provisions of the ESMF.

1.4 Implementation Support: Provision of technical and operational support for the day-to-day implementation of Part 1 of the Project and for the overall financial management, procurement, environmental and social safeguards management, communication and monitoring and evaluation of the Project, including the operation of the Stakeholder Forum.
Part 2: Hydro-meteorological Observation and Information Systems Modernization

2.1 Institutional and Regulatory Strengthening, Capacity Building and Implementation Support: 
(a) Development of an institutional and regulatory framework for DMH operations; 
(b) Carrying out of a program of activities to strengthen the technical capacity of DMH for improved hydrological and meteorological data management, and provision of training for users of DMH services; and 
(c) Design and integration of improved hydrological and meteorological systems and provision of technical and operational support for the day-to-day implementation of Part 2 of the Project.

2.2 Modernization of Observation Infrastructure, Data Management Systems and Forecasting: 
(a) Modernization of the hydro-meteorological observation network; 
(b) Modernization of hydro-meteorological data management, communication, and information technology and forecasting systems; 
(c) Upgrading of numerical weather prediction systems and hydrological modeling systems; and 
(d) Reconstruction and/or refurbishment of DMH offices and facilities to support the operation of its upgraded systems and expanded services.

2.3 Enhancement of Hydro-meteorological Service Delivery Systems: 
(a) Development of a service delivery platform and improved DMH weather and hydrological services; 
(b) Development of disaster risk management systems including the introduction of impact forecasting and “end-to-end” early warning systems in small river basins prone to floods and flash floods; 
(c) Development of an agricultural and climate advisory service to provide agro-climate and weather information to farmers; and 
(d) Development of a national framework for climate services.

Part 3: Navigation Enhancement on the Ayeyarwady River

3.1 Navigation Improvements: 
(a) Carrying out of navigation channel modeling for the Ayeyarwady river section from Mandalay to Yangon including identification of proposed navigation improvement works to be undertaken under the Project, preparation of detailed designs and bidding and other documents for such works, and construction supervision of such works; 
(b) Carrying out of environmental and social safeguard assessments and plans for the navigation improvement works identified under Part 3.1(a) of the Project; and 
(c) Construction of the navigation improvement works identified under Part 3.1(a) of the Project.

3.2 Navigation Aids: 
(a) Provision of modern navigation aids designed under Part 3.1 of the Project; and 
(b) Provision of equipment for undertaking navigation survey work and pilotage services.

3.3 Water Quality Monitoring: Design and pilot operation of a surface water quality monitoring system for the Ayeyarwady river basin.
3.4 **Institutional Strengthening and Implementation Support**: (a) Provision of technical and operational support for the day-to-day implementation of Part 3 of the Project; (b) Carrying out of a fleet optimization study for the Ayeyarwady river basin; and (c) Carrying out of capacity building, training and awareness raising activities for relevant stakeholders in relation to the navigation enhancements implemented under Part 3 of the Project.

**Part 4: Contingent Emergency Response**

Provision of immediate response to an Eligible Crisis or Emergency, as needed.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements

1. Project Steering Committee

The Recipient shall maintain, throughout the implementation of the Project, a Project steering committee under the NWRC with a mandate, composition and resources satisfactory to the Association. Without limitation on the foregoing, the Project Steering Committee shall be responsible for, inter alia: (a) providing overall strategic and policy guidance on all activities supported under the Project; and (b) facilitating the coordination of Project activities among the relevant agencies of the Recipient involved in the implementation of the Project and the effective removal of any obstacles to the timely implementation of the Project.

2. Project Management Unit

The Recipient shall maintain, throughout the implementation of the Project, a Project Management Unit within DWIR headed by a Project director, with functions, resources and staff in numbers and with terms of reference and qualifications satisfactory to the Association. Without limitation on the foregoing, the Project Management Unit shall be responsible for the overall coordination, financial management, procurement, environmental and social safeguards management, communication and monitoring and evaluation of the Project.

3. Component Management Units

The Recipient shall maintain, throughout the implementation of the Project, three Component Management Units, two (2) within DWIR and one (1) within DMH, each headed by a component manager, with functions, resources and staff in numbers and with terms of reference and qualifications satisfactory to the Association. Without limitation on the foregoing, the DWIR Component Management Units shall be responsible for the day-to-day technical implementation of, respectively, Parts 1 and 3 of the Project, and the DMH Component Management Unit shall be responsible for the day-to-day technical implementation of Part 2 of the Project.
4. **Stakeholders Forum**

The Recipient shall organize a stakeholders forum with a mandate, composition and resources satisfactory to the Association. Without limitation to the foregoing, the Stakeholder Forum shall comprise stakeholders from the public sector, private sector and civil society and shall meet on a regular basis as specified in the Project Implementation Manual for the purpose of soliciting stakeholders’ feedback and input and addressing their concerns and issues related to the implementation of the Project.

**B. Project Implementation Manual**

The Recipient shall ensure that the Project is carried out in accordance with the arrangements and procedures set out in the Project Implementation Manual (provided, however, that in the case of any conflict between the arrangements and procedures set out in the said manual and the provisions of this Agreement, the provisions of this Agreement shall prevail) and, except as the Association shall otherwise agree, shall not amend, abrogate or waive any provision of the said manual.

**C. Anti-Corruption**

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

**D. Environmental and Social Safeguards**

1. The Recipient shall ensure that the Project is carried out in accordance with the provisions of the ESMF.

2. Whenever a Safeguard Assessment and Plan shall be required for any proposed Project activity in accordance with the provisions of the ESMF, the Recipient shall ensure that: (a) prior to the commencement of such activity, such Safeguard Assessment and Plan is: (i) prepared in accordance with the provisions of the ESMF; (ii) furnished to the Association for review and no-objection; and (iii) thereafter adopted and disclosed as accepted by the Association, in a manner satisfactory to the Association; and (b) thereafter such measures are taken as shall be necessary or appropriate to ensure compliance with the requirements of such Safeguard Assessment and Plan.

3. The Recipient shall carry out the Strategic Environmental and Social Assessment, in form and substance and in a manner satisfactory to the Association, in accordance with the timelines and provisions of the ESMF, and shall ensure that the results of said assessment are incorporated into the design and implementation
of activities carried out under the Project including the Ayeyarwady river basin master plan developed under Part 1.2(a) of the Project.

4. The Recipient shall not amend, abrogate or waive, or permit to be amended, abrogated or waived, the ESMF or any Safeguard Assessments and Plans, unless the Association has provided its prior approval thereof in writing, and the Recipient has complied with the same consultation and disclosure requirements as applicable to the original adoption of the said instruments.

5. The Recipient shall ensure that:

(a) all terms of reference for any technical assistance or studies carried out under the Project are consistent with, and pay due attention to, the Association’s environmental and social safeguards policies, as well as the Recipient’s own laws relating to the environment and social aspects; and

(b) in drafting any regulations, guidelines or corporate procedures and carrying out capacity building activities under the Project, due attention is given to said policies and laws.

6. Without limitation on its other reporting obligations under this Agreement, the Recipient shall collect, compile and submit to the Association on an quarterly basis (or such other frequency as may be agreed with the Association) consolidated reports on the status of compliance with the ESMF and the Safeguard Assessments and Plans, giving details of:

(a) measures taken in accordance with the said instruments;

(b) conditions, if any, which interfere or threaten to interfere with the implementation of the said measures; and

(c) remedial measures taken or required to be taken to address such conditions.

7. In the event of any conflict between the provisions of any of the ESMF or any Safeguard Assessments and Plans, and the provisions of this Agreement, the provisions of this Agreement shall prevail.

E. Contingent Emergency Response

1. In order to ensure the proper implementation of contingent emergency response activities under Part 4 of the Project (“Emergency Response Part”), the Recipient shall:

(a) prepare and furnish to the Association for its review and approval, a Contingent Emergency Response Implementation Plan (“CERIP”) which
shall set forth detailed implementation arrangements for the Emergency Response Part, including: (i) any special institutional arrangements for coordinating and implementing the Emergency Response Part; (ii) specific activities which may be included in the Emergency Response Part, Eligible Expenditures required therefor ("Emergency Expenditures"), and any procedures for such inclusion; (iii) financial management arrangements for the Emergency Response Part; (iv) procurement methods and procedures for Emergency Response Part; (v) documentation required for withdrawals of Emergency Expenditures; (vi) application of the ESMF and relevant Safeguard Assessments and Plans to the Emergency Response Part; and (vii) any other arrangements necessary to ensure proper coordination and implementation of the Emergency Response Part;

(b) afford the Association a reasonable opportunity to review the proposed CERIP;

(c) promptly adopt the CERIP for the Emergency Response Part as shall have been accepted by the Association;

(d) ensure that the Emergency Response Part is carried out in accordance with the CERIP; provided, however, that in the event of any inconsistency between the provisions of the CERIP and this Agreement, the provisions of this Agreement shall prevail; and

(e) not amend, suspend, abrogate, repeal or waive any provision of the CERIP without prior written approval by the Association.

2. The Recipient shall undertake no activities under the Emergency Response Part unless and until the following conditions have been met in respect of said activities:

(a) the Recipient has determined that an Eligible Crisis or Emergency has occurred, has furnished to the Association a request to include said activities in the Emergency Response Part in order to respond to said Eligible Crisis or Emergency, and the Association has agreed with such determination, accepted said request and notified the Recipient thereof; and

(b) the Recipient has ensured the preparation and disclosure of all Safeguard Assessments and Plans required for said activities, in accordance with the ESMF, the Association has approved all such instruments, and the Recipient has ensured the implementation of any actions which are required to be taken under said instruments.
Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

1. The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of indicators acceptable to the Association and specified in the Project Implementation Manual. Each Project Report shall cover the period of six (6) months of the Fiscal Year, and shall be furnished to the Association not later than forty-five (45) days after the end of the period covered by such report.

2. The Recipient shall: (a) on or about the thirty (30) months after the Effective Date, prepare and furnish to the Association a mid-term report, in such detail as the Association shall reasonably request, documenting progress achieved in the carrying out of the Project during the period preceding the date of the mid-term report, taking into account the monitoring and evaluation activities performed pursuant to paragraph 1 of this Part A, and setting out the measures recommended to ensure the continued efficient carrying out of the Project and the achievement of its objectives during the period following such date; and (b) review with the Association such mid-term report, on or about the date one month after its submission, and thereafter take all measures required to ensure the continued efficient implementation of the Project and the achievement of its objectives, based on the conclusions and recommendations of the mid-term report and the Association's views on the matter.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Recipient shall prepare and furnish to the Association as part of the Project Report not later than forty-five (45) days after the end of each six (6) months of the Fiscal Year, interim unaudited financial reports for the Project covering each such period, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09(b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one Fiscal Year. The audited Financial Statements for each such period shall be furnished to the Association not later than six (6) months after the end of such period.
Section III. **Procurement**

A. **General**

1. **Goods, Works and Non-consulting Services.** All goods, works and non-consulting services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.

2. **Consultants' Services.** All consultants' services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Section.

3. **Definitions.** The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular contracts, refer to the corresponding method described in Sections II and III of the Procurement Guidelines, or Sections II, III, IV and V of the Consultant Guidelines, as the case may be.

B. **Particular Methods of Procurement of Goods, Works and Non-consulting Services**

1. **International Competitive Bidding.** Except as otherwise provided in paragraph 2 below, goods, works and non-consulting services shall be procured under contracts awarded on the basis of International Competitive Bidding.

2. **Other Methods of Procurement of Goods, Works and Non-consulting Services.** The following methods, other than International Competitive Bidding, may be used for procurement of goods, works and non-consulting services for those contracts specified in the Procurement Plan: (a) National Competitive Bidding, subject to the additional provisions set forth in the Annex to this Schedule 2; (b) Shopping; (c) Direct Contracting; and (d) Force Account.

C. **Particular Methods of Procurement of Consultants' Services**

1. **Quality- and Cost-based Selection.** Except as otherwise provided in paragraph 2 below, consultants' services shall be procured under contracts awarded on the basis of Quality and Cost-based Selection.

2. **Other Methods of Procurement of Consultants' Services.** The following methods, other than Quality and Cost-based Selection, may be used for procurement of consultants' services for those contracts which are specified in the Procurement Plan: (a) Quality-based Selection; (b) Selection under a Fixed
Budget; (c) Least Cost Selection; (d) Selection based on Consultants’ Qualifications; (e) Single-source Selection of consulting firms; (f) Selection of UN Agencies; (g) Selection of consultants under Indefinite Delivery Contract or Price Agreement; (h) Procedures set forth in paragraphs 5.2 and 5.3 of the Consultant Guidelines for the Selection of Individual Consultants; and (i) Single-source procedures for the Selection of Individual Consultants.

D. Review by the Association of Procurement Decisions

The Procurement Plan shall set forth those contracts which shall be subject to the Association’s Prior Review. All other contracts shall be subject to Post Review by the Association.

E. Procurement of Emergency Expenditures under the Emergency Response Part

Notwithstanding any provision to the contrary in this Section, Emergency Expenditures required for activities included in the Emergency Response Part shall be procured in accordance with the procurement methods and procedures set forth in the CERIP.

Section IV. Withdrawal of the Proceeds of the Financing

A. General

1. The Recipient may withdraw the proceeds of the Financing in accordance with the provisions of Article II of the General Conditions, this Section, and such additional instructions as the Association shall specify by notice to the Recipient (including the “World Bank Disbursement Guidelines for Projects” dated May 2006, as revised from time to time by the Association and as made applicable to this Agreement pursuant to such instructions), to finance Eligible Expenditures as set forth in the table in paragraph 2 below.

2. The following table specifies the categories of Eligible Expenditures that may be financed out of the proceeds of the Financing (“Category”), the allocations of the amounts of the Credit to each Category, and the percentage of expenditures to be financed for Eligible Expenditures in each Category:

B. Withdrawal Conditions; Withdrawal Period

1. Notwithstanding the provisions of Part A of this Section, no withdrawal shall be made:

   (a) for payments made prior to the date of this Agreement, except that withdrawals up to an aggregate amount not to exceed SDR 6,750,000 equivalent may be made for payments made prior to this date but on or after October 1, 2014, for Eligible Expenditures under Category (1); or

   (b) for Emergency Expenditures under Category (2), unless and until the Association is satisfied, and has notified the Recipient of its satisfaction, that all of the following conditions have been met in respect of said activities:

   (i) the Recipient has determined that an Eligible Crisis or Emergency has occurred, has furnished to the Association a request to include said activities in the Emergency Response Part in order to respond to said Eligible Crisis or Emergency, and the Association has agreed with such determination, accepted said request and notified the Recipient thereof;

   (ii) the Recipient has ensured that all safeguards instruments required for said activities have been prepared and disclosed, and the
Recipient has ensured that any actions which are required to be taken under said instruments have been implemented, all in accordance with the provisions of Sections I.D and I.E of this Schedule;

(iii) the entities in charge of coordinating and implementing the Emergency Response Part have adequate staff and resources, in accordance with the provisions of Section I.E of this Schedule, for the purposes of said activities; and

(iv) the Recipient has adopted the CERIP in form, substance and manner acceptable to the Association and the provisions of the CERIP remain - or have been updated in accordance with the provisions of Section I.E of this Schedule 2 so as to be appropriate for the inclusion and implementation of the Emergency Response Part.

2. The Closing Date is September 30, 2020.
ANNEX TO SCHEDULE 2

Conditions for Use of National Competitive Bidding Procedure in Myanmar

The procurement procedure to be followed for National Competitive Bidding shall be the “Open Tender Procedure” set forth in the Recipient’s Tender Directive No. 1/2013 dated April 5, 2013 and the Instruction from the Recipient’s President’s Office dated June 2, 2011 on “Changing the Procurement Method from Close Tender to Open Tender,” provided, however, that such procedure shall be subject to the provisions of Section I and Paragraphs 3.3 and 3.4 of the Procurement Guidelines and the following additional provisions:

1. Eligibility

   (1) Eligibility to participate in a procurement process for and to be awarded an Association-financed contract shall be as defined under Section I of the Procurement Guidelines; accordingly, no bidder or potential bidder shall be declared ineligible for contracts financed by the Association for reasons other than those provided in Section I of the Procurement Guidelines.

   (2) Foreign bidders shall not be required to form a joint venture or to sub-contract part of the supply of goods, works and services as a condition for submitting bids or the award of the contract. Bidding documents shall be made available, by mail or in person, to all international bidders who are willing to participate and pay the required fee, if so required.

2. Government-owned Enterprises

   Government-owned enterprises in Myanmar shall be eligible to participate in bidding only if they can establish: (i) that they are legally and financially autonomous, (ii) operate under commercial law, and (iii) are not dependent agencies of the Recipient or any sub-recipients of the proceeds of the Financing.

3. Domestic Preference

   No domestic preference may be applied in bid evaluation on the basis of bidder nationality, the origin of goods, services or labor, and/or preferential programs, including any preference for government-owned enterprises.

4. Registration of Contractors and Suppliers

   (1) Registration shall not be used to assess bidders’ qualifications.

   (2) A foreign bidder shall not be required to register as a condition for submitting its bid, and a foreign bidder recommended for contract award shall be given a
reasonable opportunity to register with the reasonable cooperation of the Recipient, prior to contract signing, if registration is required by the regulation of a related ministry implementing the Project and is explicitly specified in the bidding documents.

5. Bidding Documents

Bidding documents, including contract provisions, acceptable to the Association shall be used, and shall be prepared so as to ensure economy, efficiency, transparency, and broad consistency with the provisions of Section I of the Procurement Guidelines. Technical requirements should be based on relevant characteristics and/or performance requirements. References to brand names, catalogue numbers or similar classifications shall be avoided. If it is necessary to quote a brand name or catalogue number of a particular manufacturer to clarify an otherwise incomplete specification, the words “or equivalent” shall be added after such reference.

6. Advertising; Time for Bid Preparation

Prospective bidders shall be given at least thirty (30) days from the date of publication of the invitation to bid or the date of availability of the bidding documents, whichever is later, to prepare and submit bids. The advertisement shall be published in a national newspaper of wide circulation or in the official gazette, provided that it is of wide circulation, or on a widely used website or electronic portal with free national and international access.

7. Qualification

(1) Qualification criteria shall be clearly specified in the bidding documents. All criteria so specified, and only such specified criteria, shall be used to determine whether a bidder is qualified. Qualification shall be assessed on a “pass or fail” basis, and merit points shall not be used. Such assessment shall be based entirely upon the bidder’s or prospective bidder’s capability and resources to effectively perform the contract, taking into account objective and measurable factors, including: (i) relevant general and specific experience, and satisfactory past performance and successful completion of similar contracts over a given period; (ii) financial position; and where relevant (iii) capability of construction and/or manufacturing facilities and key personnel.

(2) In the procurement of goods and works where pre-qualification is not used, the qualification of the bidder who is recommended for award of contract shall be assessed by post-qualification, applying the qualification criteria stated in the bidding documents.
8. Cost Estimate

The detailed cost estimates shall be confidential and shall not be disclosed to prospective bidders. No bids shall be rejected on the basis of comparison with the cost estimates without the Association’s prior written concurrence. Bidders shall not be required to negotiate the bid price for the purpose of meeting the estimated price.

9. Bid Submission and Bid Opening

A single-envelope procedure shall be used for the submission of bids. Bids shall be opened in public immediately after the deadline for submission of bids; bidders or their representatives who choose to attend shall be allowed to be present, but their attendance shall not be mandatory. Bids received after the deadline for bid submission shall be rejected and returned to bidders unopened. Bidders shall not be allowed or required to modify their bid prices after the deadline for submission of bids. A copy of the bid opening minutes shall be promptly provided to all bidders who submitted bids, and to the Association with respect to contracts subject to the Association’s prior review.

10. Bid Evaluation

(1) Evaluation of bids shall be made in strict adherence to the evaluation criteria disclosed in the bidding documents. Evaluation criteria other than price shall be quantified in monetary terms. Merit points and bracketing shall not be used, and no minimum point or percentage value shall be assigned to the significance of price, in bid evaluation.

(2) Contracts shall be awarded to the qualified bidder whose bid has been determined: (i) to be substantially responsive to the bidding documents, and (ii) to offer the lowest-evaluated cost. No negotiations shall be permitted. A bidder shall not be required, as a condition for award, to undertake obligations not specified in the bidding documents or otherwise to modify the bid as originally submitted. A bidder shall not be eliminated from detailed evaluation on the basis of minor, non-substantial deviations.

11. Rejection of All Bids and Re-bidding

All bids (or the sole bid if only one bid is received) shall not be rejected, the procurement process shall not be cancelled, and new bids shall not be solicited without the Association’s prior written concurrence.
12. Bid Validity

The bid validity period required by the bidding documents shall be sufficient to enable the procuring entities to complete the comparison and evaluation of bids, and obtain the approval and registration of the contract as may be contemplated in the related regulations, provided that such validity does not affect the timely conduct of procurement process. If justified by exceptional circumstances, an extension of bid validity may be requested in writing from all bidders before the original bid validity expiration date, provided that such extension shall cover only the minimum period required to complete the evaluation, award a contract, and/or complete the contract registration process, and shall not be longer than four weeks; a corresponding extension of any bid guarantee also shall be required in such cases. A Bidder may refuse the request to extend the bid validity without forfeiting its bid guarantee. No further extensions shall be requested without the prior written concurrence of the Association.

13. Price Adjustment

Contracts of long duration (i.e. more than 18 months) shall contain appropriate price adjustment provisions.

14. Guarantees

Bid and contract guarantees shall be in the amount and format included in the bidding documents. The bid security shall be valid for twenty-eight days (28) beyond the original validity period of the bid, or beyond any period of extension if requested. No advance payments shall be made without a suitable advance payment guarantee.

15. Fraud and Corruption

The bidding document and contract as deemed acceptable by the Association shall include provisions stating the Association’s policy to sanction firms or individuals, found to have engaged in fraud and corruption as defined in the Procurement Guidelines.

16. Inspection and Audit Rights

In accordance with the Procurement Guidelines, each bidding document and contract financed out of the proceeds of the Financing shall provide that bidders, suppliers and contractors, and their subcontractors, agents, personnel, consultants, service providers, or suppliers, shall permit the Association to inspect all accounts, records, and other documents relating to the submission of bids and contract performance, and to have them audited by auditors appointed by the Association. Acts intended to materially impede the exercise of the Association’s inspection and audit rights provided for in the Procurement
Guidelines constitute an obstructive practice as defined in the Procurement Guidelines.

17. Contract Modifications

With respect to contracts subject to the Association’s prior review, the Recipient shall obtain the Association’s no objection before agreeing to: (i) a material extension of the stipulated time for performance of a contract; (ii) any substantial modification of the scope of works or supply or other significant changes to the terms and conditions of the contract; (iii) any variation order or amendment (except in cases of extreme urgency) which, singly or combined with all variation orders or amendments previously issued, increases the original contract amount by more than 15 percent; or (iv) the proposed termination of the contract. A copy of all contract amendments shall be provided to the Association, as soon as the same is signed between the contractor or supplier and the agency of Recipient.

18. Contract Award Notification

The result of bid evaluation and contract award shall be published in a national press or an official gazette or free and open access website. The publication shall include: (i) the name of each bidder that submitted a bid; (ii) bid prices as read out at bid opening; (iii) evaluated price of each bid that was evaluated; (iv) the names of bidders whose bids were either rejected as non-responsive or not meeting qualification criteria, or not evaluated, with the reasons thereof; and (v) the name of the winning bidder, and final total contract price, as well as the duration and summary scope of the contract. Such publication shall be within two weeks of receiving the Association’s no objection to the award recommendation for contracts subject to the Association’s prior review, and within two weeks of the Recipient’s award decision for contracts subject to the Association’s post review.
