SCHEDULE 1

Project Description

The objective of the Project is to assist the Recipient in prioritizing and targeting investments in the agriculture sector and improving local agriculture support services.

The Project consists of the following parts:

**Part 1: Strengthening MARNDR’s Managerial Functions**

Enhancing MARNDR’s stewardship role in the agriculture sector through the acquisition of goods, the carrying out of small civil works and the provision of technical advisory services and training in connection with the building of capacity of selected staff of MARNDR in:

1.1. (a) Policy formulation and implementation, including the modernization and ensuing public dissemination of the Recipient’s agriculture sector policy; (b) the mainstreaming of environmental aspects in the agriculture sector, including the establishment within MARNDR of a dedicated environmental technical unit; (c) the prioritization of pertinent investments and regulatory instruments for the sector; and (d) the harmonization of processes for all stakeholders’ involvement in the sector.

1.2. The strengthening of MARNDR’s: (a) budgetary processes, procurement and fiduciary capacity, including *inter alia*, the planning, preparation and execution of operational and investment budgets; the modernization of internal and external controls for budgetary execution; the updating of monitoring and evaluation mechanisms; the preparation, in collaboration with MEF and MPCE, of an administrative, procurement and budgetary procedures manual; and (b) administrative procedures for staff, including *inter alia*, the development and use of communication technologies and methodologies and the upgrading of human resource management and skills.

**Part 2: Strengthening Farmer Extension and Support Services**

Piloting a scheme for improved agriculture services in Selected Areas of the Recipient’s territory through the acquisition of goods and the provision of technical advisory services and training in relation to:

2.1. The development of an electronic farmer registry and service provider registry covering the Selected Areas.
2.2. The carrying out of a Farmer Subsidy Scheme for Eligible Farmers in the farmer registry who adopt improved agriculture technologies that are environmentally sound and higher-income generating, following criteria, terms and conditions defined in the Operational Manual.

2.3 The building of relevant capacity in local farmers, Recipient’s support service structures, private service providers and extension agents, to enable an optimal implementation of the Farmer Subsidy Scheme by all participants, including in relation thereto, the carrying out by MARNDR of agriculture research priorities programs defined in respect of the Selected Areas, and to be further specified, as needed under the Project.

Part 3: Project Coordination and Supervision

Ensuring optimal implementation of the Project through the provision of support for the carrying out of coordination, management, public awareness and communication, supervision, monitoring and evaluation activities in respect of the Project.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements

1. The Recipient shall maintain MARNDR responsible for the Project at all times during the implementation thereof.

2. MARNDR shall allocate responsibility for the effective implementation and coordination of the Project among selected structures and units described in the OM, including, *inter alia*, its DG and its DAAF.

3. MARNDR shall entrust exclusive responsibility for overall Project coordination to its DG which shall consist, *inter alia*, of a Project coordinator having qualifications and experience satisfactory to the Association and selected from among MARNDR staff. Said Project coordinator shall be assisted by a small Project team which shall consist, *inter alia*, of a procurement specialist and a financial management specialist, both selected and appointed in accordance with the provisions of Section III of this Schedule and who shall provide technical support to the DAAF.

4. MARNDR shall submit annual Project work plans and budgets to the Association for its prior review and approval.

B. Implementation Document

1. The Recipient has adopted, through MARNDR, an operational manual dated May 20, 2009, satisfactory in form and substance to the Association, which consists of different schedules setting forth, respectively, rules, methods, guidelines, specific development plans, standard documents and procedures for the carrying out of the Project, including the following:

    (a) the detailed description of all Project implementation activities by all units and structures considered under this Agreement, their sequencing and the prospective timetable and benchmarks in relation thereto;

    (b) the Project administrative, financial, accounting, auditing, procurement and disbursement procedures, including all relevant standard documents;

    (c) (i) the eligibility criteria for farmers to participate in the Farmer Subsidy Scheme; and (ii) the conditions and procedures for receiving Farmer Subsidy Scheme Payments;
(d) the ESF for the Project;

(e) the capacity building and training activities to be carried out for purposes of the Project;

(f) the plan for the monitoring, evaluation and supervision of the Project; and

(g) the performance indicators for the Project.

2. The Recipient shall: (a) maintain the OM throughout Project implementation; (b) take all measures necessary to ensure that the Project is carried out in conformity with the OM; and (c) only amend the OM, from time to time, with the Association’s prior consent.

3. In case of a conflict between any provision of the OM and any one under this Agreement, the provisions of this Agreement will prevail.

C. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

D. Farmer Subsidy Scheme

1. Not later than 5 months after the Effective Date, the Recipient shall, through MARNDR, select and appoint in accordance with the provisions of Section III.C of Schedule 2 to this Agreement and pursuant to terms of reference previously agreed with the Association, one or several Service Providers with whom an agreement (the Service Agreement) shall be entered into, satisfactory to the Association, with respect to the technical implementation and supervision of the Farmer Subsidy Scheme.

2. Not later than 5 months after the Effective Date, the Recipient shall: (a) select and appoint, in accordance with the provisions of Section III.C of Schedule 2 to this Agreement and pursuant to terms of reference previously agreed with the Association, a Financial Agent acceptable to the Association, to administer all payments and financial transfers under the Farmer Subsidy Scheme; and (b) enter into an agreement (the Financial Agency Agreement) satisfactory to the Association, with the Financial Agent to set forth the Financial Agent’s obligations under the Project. The Financial Agency Agreement shall incorporate the provisions of the Anti-Corruption Guidelines applicable to recipients of Financing proceeds.
3. The Recipient shall cause the Financial Agent to make Farmer Subsidy Scheme Payments available to Eligible Farmers in accordance with detailed provisions, procedures, sequencing and timing in relation thereto, set forth in the Operational Manual, and including, inter alia, the following:

(a) Farmer Subsidy Scheme Payments shall be made in respect of Eligible Farmers of the farmer registry maintained by MARNDR after initial validation thereof, duly registered in said farmer registry, shall have been made by the Service Providers and the related information received by the Association, in respect of the Selected Areas;

(b) thereafter, the Farmer Subsidy Scheme Payments shall be released by the Financial agent and made available to Eligible Farmers every 3 months upon their continued satisfactory registration, through periodic validation, as Eligible Farmers in good standing in the farmer registry for the immediate prior period in reference, as certified by the Service Providers and all as set forth in the OM; and

(c) the validation of the continued adherence of Eligible Farmers against the relevant performance indicators set forth in the OM shall be made through the use of independent external technical audits carried out by auditors appointed by MARNDR for that purpose, in accordance with the provisions of Section III of Schedule 2 to this Agreement and pursuant to terms of reference satisfactory to the Association. Each audit shall cover the period of one fiscal year of the Recipient and shall be furnished to the Association not later than four months after the end of such period.

4. The Recipient, through MARNDR, shall ensure that: (a) reviews of selected activities of Project implementation and the periodicity therefor as described in the Operational Manual, including the Farmer Subsidy Scheme, are carried out jointly with the Association; and (b) the implementation of the Project is subsequently carried out, applying the views and recommendations of the Association in that respect.

5. The Recipient shall exercise its rights and carry out its obligations under the Service Agreement and Financial Agency Agreement in such manner as to protect the interest of the Recipient and the Association and to accomplish the purposes of the Financing. Except as the Association shall otherwise agree, the Recipient shall not amend, assign, abrogate, suspend, terminate, waive or fail to enforce the Service Agreement, the Financial Agency Agreement or any of their provisions.
E. Safeguards

The Recipient shall, through MARNDR, ensure that the Project is carried out in accordance with the ESF.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

1. The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of indicators agreed with the Association and set forth in the OM. Each Project Report shall cover the period of one calendar quarter, and shall be furnished to the Association by DG not later than 45 days after the end of the period covered by such report.

2. For purposes of Section 4.08 (c) of the General Conditions, the report on the execution of the Project and related plan required pursuant to that Section shall be furnished to the Association not later than January 15, 2014.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall, through MARNDR, maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Recipient shall prepare and furnish to the Association, as part of the Project Report, not later than forty five days after the end of each calendar quarter, interim unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements for the Project audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each audit of the Financial Statements for the Project shall cover the period of one fiscal year of the Recipient. The audited Project’s Financial Statements for each such period shall be furnished to the Association not later than four months after the end of such period.

4. For purposes of Paragraph 3 above, the Recipient shall, through MARNDR, appoint, not later than four months after the Effective Date, the independent auditors referred to in Section 4.09 (b) (i) of the General Conditions, selected with terms of reference satisfactory to the Association and in accordance with the provisions of Section III of Schedule 2 to this Agreement.
5. The Recipient shall, not later than 4 months after the Effective Date, carry out, through MARNDIR, the action plan dated June 16, 2009, agreed with the Association for the acquisition and installation of the accounting software needed for the strengthening of the financial management system for the Project.

Section III. Procurement

A. General

1. Goods, Works and Non-consultant services. All goods, works and Non-consultant services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.

2. Consultants’ Services. All consultants’ services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Section.

3. Definitions. The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular contracts, refer to the corresponding method described in the Procurement Guidelines, or Consultant Guidelines, as the case may be.
