Re: IBRD Loan 9061-JO and GCFF TF TF0B2559 (Youth, Technology, And Jobs Project)
Additional Instructions: Disbursement and Financial Information Letter

Excellency:

I refer to the Loan Agreement between The Hashemite Kingdom of Jordan (the “Borrower”) and the International Bank for Reconstruction and Development (the “Bank”) for the above-referenced Project. The General Conditions, as defined in the Loan Agreement, provide that the Borrower may from time to time request withdrawals of Loan Amounts (Concessional and Non-Concessional) from the Loan Account in accordance with the Disbursement and Financial Information Letter, and such additional instructions as the Bank may specify from time to time by notice to the Borrower. The General Conditions also provide that the Disbursement and Financial Information Letter may set out Project specific financial reporting requirements. This letter constitutes such Disbursement and Financial Information Letter (“DFIL”), and may be revised from time to time.

I. Disbursement Arrangements, Withdrawal of Loan Funds, and Reporting of Uses of Loan Funds

(i) Disbursement Arrangements

The table in Schedule 1 sets out the disbursement methods which may be used by the Borrower, and conditions, information on registration of authorized signature, processing of withdrawal applications (including minimum value of applications and processing of advances), instructions on supporting documentation, and frequency of reporting on the Designated Account.

(ii) Electronic Delivery. Section 10.01 (c) of the General Conditions.

The Borrower will deliver Withdrawal Applications (with supporting documents) electronically through the Bank’s web-based portal “Client Connection” at https://clientconnection.worldbank.org. This option will be effected after the officials designated in writing by the Borrower who are authorized to sign and deliver Withdrawal Applications have registered as users of “Client Connection”. The designated officials will deliver Applications electronically by completing the Form 2380, which is accessible through
“Client Connection”. By signing the Authorized Signatory Letter, the Borrower confirms that it is authorizing such persons to accept Secure Identification Credentials (SIDC) and to deliver the Applications and supporting documents to the Bank by electronic means. The Borrower may exercise the option of preparing and delivering Withdrawal Applications in paper form on exceptional cases (including those where the Borrower encounters legal limitations), and which were previously agreed with the Bank. By designating officials to use SIDC and by choosing to deliver the Applications electronically, the Borrower confirms through the authorized signatory letter its agreement to: (a) abide by the Terms and Conditions of Use of Secure Identification Credentials in connection with Use of Electronic Means to Process Applications and Supporting Documentation, available in the World Bank’s public website at https://worldbank.org and “Client Connection”; and (b) to cause such official to abide by those terms and conditions.

II. Financial Reports and Audits

(i) Financial Reports. The Borrower—through MoDEE—must prepare and furnish to the Bank not later than forty-five (45) days after the end of each calendar semester, interim unaudited financial reports (“IFR”) for the Project covering the semester. Such IFRs will be reviewed by Audit Bureau.

(ii) Audits. Each audit of the Financial Statements must cover the period of one fiscal year of the Borrower, commencing with the fiscal year in which the first withdrawal was made. The audited Financial Statements for each such period must be furnished to the Bank not later than six (6) months after the end of such period. Besides the project audited financial statements, the Audit Bureau will issue annual audited financial statements for MoE, MOL and MoDEE.

III. Other Information

For additional information on disbursement arrangements, please refer to the Loan Handbook available on the Bank’s website (http://www.worldbank.org/) and “Client Connection”. The Bank recommends that you register as a user of “Client Connection”. From this website you will be able to prepare and deliver Applications, monitor the near real-time status of the Loan, and retrieve related policy, financial, and procurement information. For more information about the website and registration arrangements, or if you have any queries in relation to the above, please contact the Finance Officer Maiada Kassem at World Bank by email at askloans@worldbank.org using the above reference.

Yours sincerely,
