SCHEDULE 1

Project Description

The Project maintains as its objective to assist the Recipient in: (i) lowering the marketing costs for small producers by piloting a territorial development approach focused on the Selected Micro-regions; and (ii) rebuilding selected infrastructure in areas of the Recipient’s territory struck by natural disasters.

The Project consists of the following activities ascribed to Part 1.1; Part 3; and Part 4 of the Original Project, as set forth below:

Part 1: **Improvement of Key Transport Corridors**

Enhancing key transport infrastructure in the Recipient’s territory through:

1.1. improvement of the two transport corridors of *Carrefour La mort – St. Raphael* and *Forêt des Pins – Anse-à-Pitre*, totaling about 100 kilometers, through the carrying out of civil works and the provision of technical advisory services in relation thereto; and

1.2. carrying out priority civil works and providing related technical advisory services on the two transport corridors for:

(a) emergency road maintenance;

(b) mechanized road maintenance, including the re-profiling and grading of gravel roads; and

(c) routine road maintenance and all technical advisory services needed to establish and capacitate the community-based micro-enterprises expected to perform said activities, including the monitoring and supervision of the works performed.

Part 2: **Territorial Development**

Fostering new initiatives for the development of productive investments able to promote rural growth through:

2.1. the provision of: (a) support for the territorial planning process leading to the identification of priority investments by, *inter alia*, TCDs; and (b) specific technical advisory services and support for institutional strengthening in respect of all relevant actors, participants and stakeholders in this process; and
2.2. the provision of support for: (a) the identification and preparation of investment proposals; and (b) the implementation of Subprojects through the provision of grants therefor.

Part 3: Project Administration, Monitoring and Evaluation

Ensuring optimal execution of Project activities by providing support for the Project’s:

3.1. administration, including the acquisition of goods in relation thereto;

3.2. monitoring and evaluation, including the environmental management and the impact evaluation in relation thereto; and

3.3. efficient implementation, through the building of relevant capacity in all participants thereto, including the Executing Agencies and their relevant regional offices.

Part 4: Post-Natural Disaster Reconstruction of Selected Infrastructure

Supporting the rehabilitation of selected infrastructure damaged by the occurrence of natural disasters through the carrying out of:

4.1. design and studies for civil works to repair damaged infrastructure, including the technical advisory services related to the monitoring and supervision of the civil works being carried out; and

4.2. civil works to: (a) rehabilitate selected transport infrastructure damaged by natural disasters; and (b) protect roads from erosion, including slope stabilization works.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements

The Recipient shall maintain all the institutional arrangements set forth in the Original Financing Agreement with respect to MTPTC’s implementation of the Project.

B. Implementation Documents

1. (a) The Recipient, through MTPTC, shall carry out the Project in accordance with the Current Operational Manual consisting of different schedules setting forth the rules, methods, guidelines, specific development plans, standard documents and procedures to be followed and maintained for the carrying out of the Project under this Financing.

(b) Specifically, the Recipient shall ensure that:

(i) all of the procurement of goods and works under the Project be carried out in accordance with the provisions of Section III of Schedule 2 to this Agreement, the Procurement Guidelines, and the Current Operational Manual; and

(ii) all contractors and consultants providing goods or carrying out works and services under the Project shall carry out their activities under the Project with due diligence and efficiency and in accordance with sound technical, economic, financial, managerial, environmental and social standards and practices satisfactory to the Association, including in accordance with the provisions of the ESMF, the RPF and the Anti-Corruption Guidelines applicable to recipients of Loan proceeds other than the Recipient, and the applicable provisions of the Current Operational Manual.

2. In the event that any provision of the Current Operational Manual shall conflict with any provision of this Agreement, the terms of this Agreement shall prevail.

3. The Current Operational Manual shall only be amended from time to time in consultation with, and after approval of, the Association.
C. **Anti-Corruption**

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

D. **Safeguards**

1. The Recipient shall ensure that the Project and its respective parts are carried out in compliance with the ESMF.

2. The Recipient shall ensure further that the terms of reference of any consultancy work that may be required during Project implementation in relation with the preparation of additional environmental studies or mitigation measures, actions and policies under the ESMF or any advice associated therewith and to be financed out of the proceeds of this Financing shall duly incorporate any and all pertinent and up to date Association-financed Project operational requirements in each such respect, as shall be deemed satisfactory to the Association.

**Section II. Project Monitoring, Reporting and Evaluation**

A. **Project Reports**

1. The Recipient shall maintain the same arrangements for Project monitoring, reporting and evaluation as are set forth in the Original Financing Agreement.

2. The performance indicators under which the progress of the Project shall be monitored and evaluated shall be updated for purposes of this Financing and set forth in the Current Operational Manual.

3. For purposes of Section 4.08 (c) of the General Conditions, the report on the execution of the Project and related plan required pursuant to that Section shall be furnished to the Association not later than January 31, 2014.

B. **Financial Management, Financial Reports and Audits**

1. The Recipient shall maintain and cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Recipient shall, for its respective Parts of the Project, maintain all arrangements related to the preparation and submission to the Association of interim unaudited financial reports for the Project as are set forth in the Original Financing Agreement.
3. The Recipient shall maintain all arrangements related to the carrying out of audits for: (a) the consolidated Financial Statements in respect of the Original Project; and (b) the separate Financial Statements in respect of the Project, all in accordance with the provisions of Section 4.09 (b) of the General Conditions, and as further set forth in the Original Financing Agreement.

Section III. Procurement

A. General

1. Goods and Works. All goods and works required for the Project under this Agreement and to be financed out of the proceeds of the Financing shall be procured in accordance with Section I of the Procurement Guidelines (as defined in the Appendix hereto) and with the provisions of the Original Financing Agreement.

2. Consultants’ Services. All consultants’ services required for the Project under this Agreement and to be financed out of the proceeds of the Financing shall be procured in accordance with Sections I and IV of the Consultant Guidelines (as defined in the Appendix hereto) and with the provisions of the Original Financing Agreement.

3. Definitions. The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular contracts, refer to the corresponding method described in the Procurement Guidelines, or Consultant Guidelines, as the case may be.

B. Review by the Association of Procurement Decisions

The Procurement Plan reflecting the arrangements under this Financing shall set forth all contracts, including those which shall be subject to the Association’s Prior Review. All other contracts shall be subject to Post Review by the Association.

Section IV. Withdrawal of the Proceeds of the Financing

A. General

1. The Recipient may withdraw the proceeds of the Financing in accordance with the provisions of Article II of the General Conditions, this Section, and such additional instructions as the Association shall specify by notice to the Recipient (including the “World Bank Disbursement Guidelines for Projects” dated May 2006, as revised from time to time by the Association and as made applicable to this Agreement pursuant to such instructions), to finance Eligible Expenditures as set forth in the table in paragraph 2 below.
