SCHEDULE I

Project Description

The objective of the Project is to support small farmers and agro-entrepreneurs in Himachal Pradesh to increase the productivity, quality and market access of selected horticulture commodities.

The Project consists of the following parts:

Component A: Horticulture Production and Diversification

Enhancing horticultural competitiveness at the farm level by supporting access to knowledge, technology and finance in order to increase long term productivity and farm income, through:

1. Enhancing availability and adoption of Elite Planting Materials and horticulture technology transfers, by: (a) importing true-to-type, disease-free genetic material (root stock and cultivars); (b) strengthening post-quarantine facilities and pest and disease surveillance; (c) establishing nurseries using modern techniques for propagation; (d) providing training and capacity building to farmers, through study tours, workshops, vocational and academic training and the development of technical advice modules; (e) strengthening the institutional capacity of the HPNDODM Society to support adoption of international operation standards; (f) fostering collaboration with international nurseries/research institutions to establish joint ventures and partnerships; and (g) carrying out research on, development and dissemination of, improved horticultural technologies to be implemented under Sub-Component A.2 below.

2. Promoting climate resilient technologies and their adoption, by: (a) developing new orchards using clonal technologies; (b) diversifying the horticulture production base; (c) replanting unproductive orchards by developing soil fumigation systems and introducing integrated soil management practices/services; (d) modernizing farm management practices through the adoption of scientific methods for on-farm integrated crop management; (e) mobilizing communities and setting up Water Users’ Associations for planning executing, operating and maintain irrigation systems; (f) building the capacity of Water Users’ Associations for self-management, preparation, implementation and monitoring of development plans, and operation and maintenance of irrigation systems and water-sharing/utilization regimes; (g) providing WUA Grants to WUA to develop minor community irrigation systems for storage, delivery and distribution of water, and remodel, improve and/or strengthen existing ones; (h) carrying out post-harvest management demonstration for the promotion of farm-level cleaning, grading, packaging of, and value addition to,
horticulture produce; and (i) establishing centers of excellence in collaboration with international agencies.

3. **Facilitating farmers’ access to financial services and building financial capability in the agricultural sector**, by: (a) developing appropriate loan and insurance products catering to farmers in partnership with NABARD and other financial services providers; (b) developing *key fact statements* for new financial products to provide farmers with relevant and easily accessible information for decision making on product take-up; (c) developing mobile-based communication for banking/insurance for farmers; (d) providing financial education and counseling to farmers to facilitate investment decisions and foster savings and prudent borrowing practices; and (e) carrying out analytical and technical studies on financial services demand and sectoral capabilities.

**Component B: Value Addition and Agri-Enterprise Development**

Enhancing market access for farmers through value addition at farm level by improving post-harvest handling of their produce, through:

1. **Promoting product aggregation and sales through producer associations**, by: (a) mobilizing farmers/producers to set up Farmer Producers Organizations, developing their capacity and skills for produce marketing; and (b) providing FPO Grants to Farmer Producers Organizations for establishing and operating common service centers.

2. **Supporting supply chain infrastructure and piloting negotiable warehouses receipts**, including: (a) modernizing and upgrading HPMC’s existing pack houses, controlled atmosphere storages and processing facilities; (b) carrying out feasibility studies, and business and market needs assessments for the expansion of HPMC’s facilities and/or ancillary infrastructure; and (c) building new HPMC’s pack houses, controlled atmosphere storage and processing capacity.

3. **Establishing an agri-business promotion facility**, by: (a) providing incubation services to Entrepreneurs for the carrying out of market studies and value chain analysis, and the preparation of financial proposals and Business Plans; and (b) providing Entrepreneur Grants to agro-enterprises, commodity associations and/or producer groups for the implementation of selected Business Plans.

**Component C: Market Development**

Improving farmer access to market information and intelligence, infrastructure and services, and transparency in price discovery, through:

1. **Upgrading and modernizing agricultural wholesale markets**, enhancing efficiency, reducing transaction costs and enabling automation of business
processes by: (a) developing basic infrastructure for the handling of commodities, improved hygiene and price dissemination; (b) implementing electronic auction systems and automating business transaction in the market; and (c) providing capacity building and training to wholesale market operators and stakeholders.

2. Setting up economic and market information and intelligence cell within HPSAMB for the dissemination of targeted technical, economic and market information to producers, traders, buyers and transporters through the use of ICT.

Component D: Project Management, Monitoring & Learning

Supporting effective implementation of Project activities, and the monitoring and evaluation thereof, by: (a) establishing and operating a Project Coordination Unit within HPHD Society, and Project Implementation Units within the Implementing Agencies; (b) setting up a monitoring and evaluation systems for the Project; and (c) supporting the DoH’s government process re-engineering to enhance operational efficiency and service delivery.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. On-lending

1. To facilitate the Project Implementing Entity’s carrying out the Project, the Recipient shall make part of the proceeds of the Financing available to the Project Implementing Entity in accordance with the Recipient’s standard arrangements for development assistance to the States of India.

2. Notwithstanding paragraph 1 above, in the event that any provision of this Agreement, including the instructions that the Association shall have specified by notice to the Recipient pursuant to Section IV.A.1 of this Schedule, were to be found inconsistent with the Recipient’s standard arrangements for development assistance to the States of India, the provisions of this Agreement and related instructions shall govern.

3. The Recipient shall at all times protect its own interests and the interests of the Association to accomplish the purposes of the Financing.

B. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

1. The Recipient shall monitor and evaluate, and cause the Project Implementing Entity to monitor and evaluate, the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of indicators agreed with the Association. Each Project Report shall cover the period of one calendar semester, and shall be furnished to the Association not later than forty five (45) days after the end of the period covered by such report.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain, or cause to be maintained, a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.
2. Without limitation on the provisions of Part A of this Section, the Recipient shall cause the Project Implementing Entity to prepare and furnish to the Recipient and the Association not later than forty five (45) days after the end of each calendar quarter, interim unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have, and shall cause the Project Implementing Entity to have, the Project’s Financial Statements audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one fiscal year of the Recipient and the Project Implementing Entity, commencing with the fiscal year in which the first withdrawal was made. The audited Financial Statements for each such period shall be furnished to the Association not later than nine (9) months after the end of such period.

1. The last sentence of Section 3.01 (b) is modified to read as follows:

“The Commitment Charge shall be computed using a day-count convention reasonably determined by the Association”.

2. Section 3.02 is modified to read as follows:

“Section 3.02. Interest Charge

The Recipient shall pay the Association interest on the Withdrawn Credit Balance at the rate specified in the Financing Agreement. Interest shall accrue from the respective dates on which amounts of the Credit are withdrawn and shall be payable semi-annually in arrears on each Payment Date. Interest Charges shall be computed using a day-count convention reasonably determined by the Association.”

3. Section 3.03 is modified by deleting paragraph (b) in its entirety and amending the remaining provision to read as follows:

“Section 3.03. Repayment of the Credit

The Recipient shall repay the Withdrawn Credit Balance to the Association in installments as provided in the Financing Agreement.”
4. Section 3.04 is modified to read as follows:

“Section 3.04. Prepayment

(a) After giving not less than forty-five days' notice to the Association, the Recipient may repay the Association in advance of maturity, as of a date acceptable to the Association, all or any part of the principal amount of one or more maturities of the Credit specified by the Recipient, provided the Recipient has made payments due on the Credit as at such date, including any prepayment premium calculated pursuant to paragraph (b) of this Section.

(b) The prepayment premium payable under paragraph (a) of this Section shall be an amount reasonably determined by the Association to represent any gains or losses to the Association arising from the termination of any interest rate risk management transactions undertaken by the Association with respect to the Credit.”

5. A new Section 3.11 is added to read as follows:

“Section 3.11. Cancellation Premia on Payment Failure, Cancellation, Suspension, Acceleration or Refund of the Credit

The Recipient shall pay to, or be entitled to receive from, the Association a cancellation premium that the Association shall reasonably determine represents any losses or gains to the Association arising from the termination of any interest rate risk management transactions undertaken by the Association with respect to the Credit as a result of: (i) the Recipient’s failure to make payment (notwithstanding the fact that such payment may have been made by a third party) of principal, interest, service charges or any other amount due to the Association under this Agreement; (ii) any cancellation, suspension or acceleration of the Credit under Article VI of these General Conditions; or (iii) any refund of the Credit. The Recipient shall pay any cancellation premium due to the Association not later than sixty days after notice shall have been given by the Association.”

6. Paragraph 28 of the Appendix (“Financing Payment”) is modified by substituting the words “the Service Charge” with the words “the Interest Charge”.

7. The Appendix is modified by inserting a new paragraph 32 with the following definition of “Interest Charge”, and renumbering the subsequent paragraphs accordingly:

“32. “Interest Charge” means the charge specified in the Financing Agreement for the purpose of Section 3.02.”
8. Renumbered paragraph 37 (originally paragraph 36) of the Appendix ("Payment Date") is modified by substituting the words "Service Charges" with the words "Interest Charges".

9. Renumbered paragraph 50 (originally paragraph 49) of the Appendix ("Service Charge") is deleted in its entirety.
