The objective of the Project is to strengthen the health system and its capacity to improve the health and nutrition status of the population, notably of women, children and the poor.

The Project consists of the following parts:

Part 1: Support the development of human resources and improve their geographical distribution, including through: (i) strengthening management and development of human resources; (ii) improving coordination mechanisms; and (iii) strengthening management and content of training.

Part 2: Support to sector financing and allocation of resources for the poor and the underserved geographical areas, including through: (i) improving process for mobilization and allocation of financial resources; and (ii) improving financial access to health services, utilization of health services by the poorest, and cost recovery system.

Part 3: Support to increasing efficiency of health sector management, through: (i) promoting a sector wide approach; and (ii) strengthening management capacity, monitoring and evaluation.

Part 4: Support to improving accessibility to, and demand for, quality and affordable health services in underserved areas, through: (i) improving access to and quality of basic health services; (ii) raising demand for services; and (iii) strengthening of the monitoring and evaluation of the quality of services.

Part 5: Support to improving and expanding community-based communications for better nutrition, through: (i) developing and implementing a community-based nutrition communications strategy; (ii) improving access to basic essential health and nutrition services; (iii) supporting the application of the Recipient’s decree no. 034/2004 of April 28, 2004, on the obligation to iodize salt intended for human and animal consumption; and (iv) strengthening the capacity of the SECF.
SCHEDULE 2

Project Execution

Section I. Institutional and Other Arrangements

A. Institutional Arrangements

1. The Recipient shall maintain the following structures within the Recipient’s MOH with functions as set forth in subparagraphs (a) through (g) as further detailed in the Project Implementation Manual, at all times during Project implementation.

   (a) The Secretary General of the MOH shall be responsible for the oversight and strategic coordination of Health Subprograms, including: (i) the overall coordination of the activities included in Health Subprograms; (ii), the coordination among all Directorates within the MOH; (iii) the coordination with the Recipient’s crosscutting ministries; and (iv) the consultation and coordination of the Technical and Financial Partners.

   (b) The Directorate of Financial Affairs (Direction des Affaires Financières) of the MOH (the DAF) will assume the responsibility as coordinator for the proceeds of the Credit and shall be responsible for overall administrative and financial management of Parts 1, 2, 3 and 4 of the Project. The DAF will manage the budget allocated to the MOH for the implementation of Health Subprograms and will ensure financial coordination of Parts 1, 2, 3 and 4 of the Project through regular supervision and audit of all administrative, financial, accounting, and procurement operations.

   (c) The Directorate of Planning, Cooperation and Statistics (Direction de la Planification, de la Coopération et de l’Information Sanitaire) of the MOH (the DPCIS) shall be responsible for consolidating planning and programming Health Subprograms, and for ensuring their adequate monitoring and evaluation.

   (d) The MOH’s Technical Directorates will be responsible for the development and technical implementation of their respective Health Subprograms. They will also provide technical support to the decentralized levels.

   (e) The Regional directorates of the MOH (Directions Régionales pour la Promotion Sanitaire et Sociale) will be involved in the financial and technical management of the Project. They will provide technical supervision and support for activities being carried out as part of its Health Subprograms and those of the Health Districts (Circonscriptions Sanitaires de Moughata) placed under its authority.
(f) The Health Districts, under the responsibility of a district health team, constitute the first level of implementation of Parts 1, 2, 3 and 4 of the Project based on local needs and priorities.

(g) A memorandum of understanding dated April 17, 2006 has been signed between the MOH and the Recipient’s State Secretariat for Promotion of Women (Secrétariat d’Etat à la Condition Féminine) (the SECF) pursuant to which the SECF shall be responsible for the implementation of the improvement and expansion of the nutrition activities at the community level, through the implementation of Part 5 of the Project.

B. Implementation Arrangement

2. The Recipient shall implement the Project in accordance with the procedures set out in the Project Implementation Manual, the Administrative, Financial and Accounting Procedures Manual and the memorandum of understanding referred to in Section I, Part A, paragraph 1 (g) above and, except as the Recipient and the Association shall otherwise agree, the Recipient shall not amend or waive any provision thereof, if in the opinion of the Association, such amendment or waiver may materially and adversely affect the implementation of the Project.

3. Each year, the Recipient shall develop an Annual Action Plan, which shall include a budget for its implementation, in accordance with the procedures described in the Project Implementation Manual and the Administrative, Financial and Accounting Procedures Manual, based on the draft Subprograms prepared by each entity involved in the implementation of the Project (each an Implementing Entity).

C. Eligibility Criteria and Procedures for Implementation of Subprograms

4. No proposed Subprogram activity shall be eligible for financing out of the proceeds of the Credit unless the Recipient has determined, on the basis of the guidelines and the criteria set forth in the Project Implementation Manual and the Administrative, Financial and Accounting Procedures Manual, that the following eligibility criteria are satisfied, which shall include, inter alia, the following:

(a) such Subprogram activities are included in an Annual Action Plan which has been approved by the Technical and Financial Partners, a Fiscal Year Confirmation for the Fiscal Year of such Annual Action Plan has been signed by the Association and notified by the Association to the Recipient, all in accordance with, and subject to, the provisions set forth in detail in the Project Implementation Manual;
(b) the Implementing Entity has established appropriate governance and implementation arrangements and secured adequate technical, financial management and procurement capacity to implement the proposed Subprogram activities in compliance with the guidelines set forth in the Project Implementation Manual and the Administrative, Financial and Accounting Procedures Manual, or has adopted a specific, time-bound plan of actions satisfactory to the Recipient, to strengthen its capacity; and

(c) the Implementing Entity has made adequate provision for carrying out an adequate evaluation of annual performance during the subsequent year, including evidence that such evaluation has been performed as part of a participatory process involving, *inter alia*, the community, the local authorities and the Technical and Financial Partners.

D. Safeguards

5. The Recipient shall implement the Project in accordance with the Recipient’s Environmental and Social Management Framework dated December 2005, Resettlement Policy Framework dated April 2005 and Medical Waste Management Plan dated June 2005 and, except as the Recipient and the Association shall otherwise agree, the Recipient shall not amend or waive any provision thereof, if in the opinion of the Association, such amendment or waiver may materially and adversely affect the implementation of the Project.

Section II. Project Monitoring, Reporting, Evaluation

A. Project Reports

1. (a) The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of the indicators set forth below in sub-paragraph (b) of this paragraph. Each Project Report shall cover the period of one calendar semester, and shall be furnished to the Association not later than one month after the end of the period covered by such report.

(b) The performance indicators referred to above in sub-paragraph (a) consist of the following, as further described (*inter alia* with base line and target values) and completed in the Project Implementation Manual):

(i) Number of intersectoral coordination meetings for the management of human resources for health;
(ii) Number of MOH integrated supervision with the participation of the Directorate for Human Resources;

(iii) Percentage of personnel’s files updated;

(iv) Annual revisions of the Medium Term Expenditure Framework;

(v) Number of operational health *mutuelles*;

(vi) Percentage of health management committees trained;

(vii) Rate of production of monthly reports;

(viii) Holding of the annual review of the health sector program;
