SCHEDULE 1

Project Description

The objective of the Project is to facilitate investment in growth centers in the emerging manufacturing and services sectors of the economy with the aim of generating employment.

The Project consists of the following parts:

Part 1. Technical Assistance and Capacity Building

(a) Provision of technical assistance to develop the capacity of institutions involved in the establishment and operation of economic zones in the territory of the Recipient, including, without limitation, BEZA, BEPZA, BCC, the Public Private Partnership Office under the Recipient’s Prime Minister’s Office, the Recipient’s Board of Investment, the Department of Environment, the Recipient’s High Tech Park Authority, including technical assistance to:

(i) build capacity in the financial, engineering, legal, procurement, social and environmental areas;

(ii) carry out full feasibility studies and demand surveys, including financial, economic, legal, social and environmental assessments;

(iii) develop information memoranda to seek private participation, including the development of master plans for selected sites, encompassing environmental and social infrastructure, zoning and pricing;

(iv) develop operational guidelines to monitor the performance of the firm that shall enter into a concession agreement with the Recipient for the purpose of developing the Kaliakoir hi-tech park and any future economic zones, and ensure compliance with all legal and regulatory requirements related to such transaction; and

(v) develop a suitable dispute resolution mechanism.

(b) Provision of technical assistance to develop a business-friendly environment and pilot business environment reforms, including the provision of technical assistance, inter alia, to:
(i) develop a one-stop shop system within BEZA, BEPZA, and the Hi Tech Park Authority to deal with registration, export and import licensing, customs clearance and other required regulations;

(ii) develop a secured lending regime for movable property within the economic zones;

(iii) develop a dispute resolution mechanism to settle commercial disputes of zone-registered companies or between economic zone companies and suppliers in line with the laws of the Recipient; and

(iv) review the relevant legal and institutional frameworks, develop systems and build capacity to establish the foregoing services from within economic zones.

Part 2. Public Investment Facility

Establishment of a public investment facility for:

(a) the development of off-site and internal infrastructure of a public-good nature for targeted economic zones, starting with the transformation of the Kaliakoir site into a hi-tech park, such activities to include, *inter alia*, land preparation and development, and construction of access roads, sewerage systems, power distribution, and rail connections and landings; and

(b) on-site investment, including, *inter alia*, construction of internal road networks, water and drainage systems, and supporting private investment in common user facilities.

Part 3 Business Linkages and Product and Process Improvement

Enhancing linkages between firms located in economic zones and local suppliers outside said zones through the provision of:

(a) technical assistance to firms located in economic zones by training their staff, improving their social and environmental standards and improving the standards for local suppliers;

(b) support to local suppliers to help them comply with international labor and environmental standards; and

(c) technical assistance to training and research institutions working with firms and suppliers located within the economic zones.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements

1. The Recipient shall, not later than three (3) months from the Effective Date, establish and thereafter maintain, until completion of the Project, a PAC, headed by the Secretary, Economic Relations Division, and consisting of representatives from the Ministry of Finance, Ministry of Commerce, Ministry of Law, Justice and Parliamentary Affairs, Ministry of Science and ICT, Ministry of Land, Prime Minister’s Office, BOI, BEPZA, BCC, BEZA, Hi Tech Park Authority, National Board of Revenue, Department of Environment, Registrar of Joint Stock Companies, relevant private sector associations, and other relevant institutions of the Recipient, to: (a) ensure that the institutions involved in Project implementation are familiar with the PAC’s policies, and ensure that said policies are adhered to in the course of Project implementation; (b) assist in overcoming constraints to Project implementation; and (c) address Project related complaints from stakeholders and/or beneficiaries.

2. (a) The Recipient shall, not later than December 31, 2013 or such later date as the Association may agree, cause BEZA to coordinate the Project provided, however, that the steps for strengthening of BEZA’s capacity to undertake such role have been taken to the satisfaction of the Association.

   (b) Until such time as BEZA has acquired full capacity to carry out the functions of a central coordination unit set forth below, the Recipient shall ensure that not later than three (3) months from the Effective Date, a central coordination unit shall be established within ERD, consisting of a Project Coordinator not below the rank of Joint Secretary or Joint Chief, a Deputy Project Coordinator and a Financial and Procurement Advisor, to: (i) serve as secretariat to the PAC; (ii) assist BEZA and other institutions in matters relating to inter-departmental and inter-ministerial coordination; (iii) prepare suitable annual work plans and annual procurement plans; (iv) submit progress reports and withdrawal applications to the Association, monitor the flow and utilization of the Credit proceeds and coordinate the work of the auditors under the Project; (v) provide procurement and financial management advice, including organizing training of relevant staff on procurement and financial management; (vi) organize training in public private partnerships through relevant training institutions; and (vii) communicate the overall Project strategy and prepare the requisite Project documents
to brief external stakeholders. The Recipient shall ensure that said central coordination unit shall carry out said functions with the understanding that BEZA shall take over these functions once it has acquired the requisite capacity to carry them out.

3. (a) The Recipient shall, not later than January 31, 2013 establish, and thereafter maintain, until completion of the Project, an independent Project Implementation Unit for BEZA, and BEPZA and the Hi Tech Park Authority under the Project.

(b) Until such time as the Hi Tech Park Authority has acquired full capacity to carry out the functions of a Project Implementation Unit in relation to the development of the Kaliakoir hi-tech park, the Recipient shall ensure that BCC shall carry out said functions with the understanding that the Project Implementation Unit for the Kaliakoir hi-tech park shall take over once it has acquired the requisite capacity to carry them out.

(C) Each PIU shall consist of a Project Director, a Deputy Project Director, a Financial Management Specialist, a Procurement Specialist and specialized consultants, and shall be responsible for: (i) preparing work plans, procurement plans and Project-related financial forecasts; (ii) preparing quarterly progress reports, and financial reports; (iii) implementing its respective Part of the Project, including obtaining all Project-related approvals from the authorities of the Recipient; and (v) preparing background documents, Project and media briefings, and ensuring information is disseminated to all stakeholders.

B. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

C. Safeguards

1. The Recipient shall carry out the Project in accordance with the Environmental and Social Management Framework and the Resettlement Policy Framework.

2. The Recipient shall ensure that each Environmental and Social Management Plan and Resettlement Action Plan shall be prepared in accordance with the Environmental and Social Management Framework and the Resettlement Policy Framework, respectively, and shall be carried out in accordance with its respective terms.

3. The Recipient shall: (a) not amend the Environmental and Social Management Framework, the Resettlement Policy Framework or any Environmental and
Social Management Plan or Resettlement Action Plan without the prior written approval of the Association; and (b) report to the Association any issue pertaining to the carrying out of the Project in accordance with the requirements of any of the above-mentioned safeguard instruments.

4. The Recipient shall: (a) prior to initiating the bidding process for the works required for the expansion of the Comilla economic zone and in any event not later than twenty-four (24) months after the Effective Date prepare, and furnish to the Association for its approval the applicable Environmental Management Plan and Resettlement Action Plan (including any land transfer documents) required for the expansion of the Comilla economic zone; and (b) thereafter, carry out such plans in accordance with their respective terms.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

1. (a) The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of the indicators set forth below in sub-paragraph (b) of this paragraph. Each Project Report shall cover the period of one (1) calendar quarter, and shall be furnished to the Association not later than forty-five (45) days after the end of the period covered by such report.

(b) The performance indicators referred to in sub-paragraph (a) above shall consist of the following:

(i) investment indicators:

(A) increase in direct private investment in new economic zones;

(B) increase in firm level investment in new economic zones;

(C) increase in the number of firms in new economic zones; and

(D) increase in non-ready-made garments investment in new economic zones; and

(ii) employment indicators:

(A) increase in direct employment in new economic zones, including the percentage of women; and
(B) increase in indirect employment generated by firms supplying goods and services to the new economic zones, including percentage of women.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. The Recipient shall prepare and furnish to the Association, as part of the Project Report, not later than forty-five (45) days after the end of each calendar quarter, interim unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09(b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one (1) fiscal year of the Recipient. The audited Financial Statements for each such period shall be furnished to the Association not later than six (6) months after the end of such period.

Section III. Procurement

A. General

1. Goods, Works and Non-Consultants. Section II. Modifications to the Anti-Corruption Guidelines

The modifications to the Anti-Corruption Guidelines are as follows:

1. Section 5 is re-numbered as Section 5(a) and a new Section 5(b) is added to read as follows:

   “… (b) These Guidelines also provide for the sanctions and related actions to be imposed by the Bank on Borrowers (other than the Member Country) and all other individuals or entities who are recipients of Loan proceeds, in the event that the Borrower or the individual or entity has been debarred by another financier as a result of a determination by such financier that the Borrower or the individual or entity has engaged in fraudulent, corrupt, coercive or collusive practices in connection with the use of the proceeds of a financing made by such financier.”

2. Section 11(a) is modified to read as follows:

   “… (a) sanction in accordance with prevailing Bank’s sanctions policies and procedures (fn13) a Borrower (other than a Member Country) (fn14) or an individual or entity, including (but not limited to) declaring such Borrower, individual or entity ineligible publicly, either indefinitely or for a stated period of time: (i) to be awarded a Bank-financed contract; (ii) to benefit from a Bank-financed contract, financially or otherwise, for example as a sub-contractor; and (iii) to otherwise participate in the preparation or implementation of the project or any other project financed, in whole or in part, by the Bank, if at any time the Bank determines (fn15) that such Borrower, individual or entity has engaged in corrupt, fraudulent, collusive, coercive or obstructive practices in connection with the use of loan proceeds, or if another financier with which the Bank has entered into an agreement for the mutual enforcement of debarment decisions has declared such person or entity ineligible to receive proceeds of financings made by such financier or otherwise to participate in the preparation or implementation of any project financed in whole or in part by such financier as a result of a determination by such financier that the Borrower or the individual or entity has engaged in fraudulent, corrupt, coercive or collusive practices in connection with the use of the proceeds of a financing made by such financier.”

Footnotes:

“13. An individual or entity may be declared ineligible to be awarded a Bank financed contract upon completion of sanctions proceedings pursuant to the Bank’s sanctions policies and procedures, or under the procedures of temporary suspension or early temporary suspension in connection with an ongoing sanctions proceeding, or following a sanction by another financier with whom the Bank has entered into a cross
debarment agreement, as a result of a determination by such financier that the firm or individual has engaged in fraudulent, corrupt, coercive or collusive practices in connection with the use of the proceeds of a financing made by such financier.”

“14. Member Country includes officials and employees of the national government or of any of its political or administrative subdivisions, and government owned enterprises and agencies that are not eligible to bid under paragraph 1.8(b) of the Procurement Guidelines or participate under paragraph 1.11(c) of the Consultant Guidelines.”

“15. The Bank has established a Sanctions Board, and related procedures, for the purpose of making such determinations. The procedures of the Sanctions Board sets forth the full set of sanctions available to the Bank. In addition, the Bank has adopted an internal protocol outlining the process to be followed in implementing debarments by other financiers, and explaining how cross-debarments will be posted on the Bank’s website and otherwise be made known to staff and other stakeholders.”
